Item 3. Source and Amount of Funds or Other Consideration

On February 2, 2014, concurrently with the execution of the Merger Agreement (as defined below), and as an inducement for Parent and Merger Subsidiary (as defined below) to enter into the Merger Agreement, OEP AC Holdings, LLC and each of the directors of Arthrocare (collectively, the “Supporting Stockholders”) entered into Voting Agreements (the “Voting Agreements”) with Parent with respect to the Shares and the shares of Series A 3.00% Convertible Preferred Stock, \$0.001 par value (the “Series A Preferred Shares”, and, together with the Shares, the “Voting Shares”), of ArthroCare beneficially owned by the Supporting Stockholders. As of January 29, 2014, the Supporting Stockholders collectively controlled 232,731 Shares and 75,000 Series A Preferred Shares, representing approximately 17.6% of the combined voting power of the outstanding Voting Shares on an as-converted basis. As described in response to Item 4, the Voting Shares beneficially owned by the Supporting Stockholders have not been purchased by the Reporting Persons, and thus no funds were used for such purpose. Parent did not pay any monetary consideration to the Supporting Stockholders in connection with the execution and delivery of the Voting Agreements. For a description of the Voting Agreements, see Item 4 below, which description is incorporated by reference in response to this Item 3.

Item 4. Purpose of Transaction

The purpose of the Voting Agreements is to facilitate the consummation of the transactions contemplated by the Merger Agreement.

The Merger Agreement

On February 2, 2014, ArthroCare, Parent, Rosebud Acquisition Corporation, a Delaware corporation and wholly owned subsidiary of Parent (“Merger Subsidiary”), and S&N plc entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which Parent will acquire ArthroCare by means of a merger of Merger Subsidiary with and into ArthroCare (the “Merger”), with ArthroCare being the surviving corporation and a wholly owned subsidiary of Parent (the “Surviving Corporation”).

At the effective time of the Merger, each issued and outstanding Share (other than Shares held by ArthroCare or its subsidiaries, Parent or its subsidiaries or a stockholder who properly demands appraisal of such Shares under Delaware law) will be converted into the right to receive \$48.25 per share in cash (the “Merger Consideration”).

At the effective time of the Merger, each equity award of ArthroCare, including each option to acquire Shares, whether vested or unvested (“ArthroCare Option”), stock appreciation right of ArthroCare, whether vested or unvested (“ArthroCare Share Appreciation Right”), ArthroCare restricted stock unit, whether or not then exercisable or vested (“ArthroCare RSU”) and ArthroCare performance share (“ArthroCare Performance Share”) that is outstanding immediately prior to the Merger will be canceled and, in exchange, Parent will cause the Surviving Corporation to pay each holder of a cancelled ArthroCare Option, ArthroCare Share Appreciation Right, ArthroCare RSU and ArthroCare Performance Share, a cash amount, if any, equal to the product of (i) the Merger Consideration less any applicable exercise price per share, and (ii) the number of Shares covered by such ArthroCare Option, ArthroCare Stock Appreciation Right, ArthroCare RSU and, to the extent of attained performance (subject to a minimum number of 1/3 of the target number of ArthroCare Performance Shares), ArthroCare Performance Share, subject to reduction for withholding taxes. Each of ArthroCare and Parent made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants by ArthroCare to conduct its business in the ordinary course during the interim period between the execution of the Merger Agreement and the consummation of the Merger.

The completion of the Merger is subject to customary conditions, including approval by ArthroCare’s stockholders, the absence of any material adverse effect on ArthroCare’s business and receiving antitrust approvals (including under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended).

The Voting Agreements

On February 2, 2014, Parent entered into voting agreements (the “Voting Agreements”) with the Supporting Stockholders.

The Voting Agreements require each Supporting Stockholder to vote (or cause to be voted) such Supporting Stockholder’s Voting Shares (i) in favor of the adoption and approval of the Merger Agreement and approval of the Merger and other transactions contemplated by the Merger Agreement, (ii) in favor of any proposal to adjourn or postpone any meeting of the stockholders of ArthroCare at which any of the foregoing matters are submitted for consideration to solicit additional votes and (iii) against any Acquisition Proposal (as defined by the Merger Agreement) and certain other actions that would reasonably be expected to interfere with consummation of the Merger. Pursuant to the Voting Agreements, each Supporting Stockholder waives appraisal rights and provides an irrevocable proxy appointing Parent and any designee of Parent as such Supporting Stockholder’s proxy and attorney-in-fact to vote such Supporting Stockholder’s Voting Shares in accordance with the foregoing. The Voting Agreements do not limit or restrict the Supporting Stockholder in his or her capacity as a director or officer from acting in such capacity or voting in such capacity in such person’s sole discretion on any matter.

The Voting Agreements and irrevocable proxies granted pursuant to the Voting Agreements terminate upon the earlier to occur of: (i) termination of the Merger Agreement in accordance with its terms, (ii) the date on which there is any material modification, waiver or amendment to the Merger Agreement that is adverse to the Supporting Stockholder and not approved by the Supporting Stockholder and (iii) the effective time of the Merger.

To the extent that any Supporting Stockholder acquires beneficial ownership of any Voting Shares during the term of the Voting Agreements, such Voting Shares will become subject to the terms of the Voting Agreements to the same extent as though such Voting Shares were owned by such Supporting Stockholder as of the date of the Voting Agreements.

Until the earlier of the termination of the Voting Agreements and the date on which the Merger Agreement is adopted by ArthroCare's stockholders, each Supporting Stockholder is prohibited from transferring any Voting Shares beneficially owned by such Supporting Stockholder, subject to certain exceptions. Each Supporting Stockholder has also agreed not to (i) solicit or encourage competing acquisition proposals, (ii) enter into or participate in discussions or negotiations regarding competing acquisition proposals, (iii) make or participate in a solicitation of proxies in connection with any vote of ArthroCare's stockholders other than to recommend the approval of the Merger Agreement and the transactions contemplated thereby as provided in the Voting Agreements or (iv) approve, adopt, recommend or enter into, or publicly propose to approve, adopt, recommend or enter into, any agreement with respect to a competing acquisition proposal. Notwithstanding the foregoing, to the extent ArthroCare is permitted under the Merger Agreement to enter into discussion or negotiations with respect to a competing acquisition proposal, each Supporting Stockholder may participate in any discussions or negotiations regarding a possible stockholders' consent or voting agreement in connection with such competing acquisition proposal.

The foregoing description of the Merger Agreement and Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement and the Voting Agreements. Copies of the Merger Agreement, Form of Voting Agreement between Parent, OEP AC Holdings LLC, Christian P. Ahrens and Gregory A. Belinfanti and Form of Voting Agreement between Parent and each of David Fitzgerald, Barbara D. Boyan, Ph.D., James G. Foster, Terrence E. Geremski, Tord B. Lendau, Peter L. Wilson, Fabiana Lacerca-Allen are filed as Exhibits 2.1 and 99.1 and 99.2, respectively, to ArthroCare's amended current report on Form 8-K filed on February 3, 2014.

Except as set forth in this Item 4 and in connection with the transactions contemplated by the Merger Agreement and the Voting Agreements, none of the Reporting Persons and, to the knowledge of the Reporting Persons, the persons set forth on Schedule A hereto, has any plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D (although each of the Reporting Persons reserves the right to develop such plans).

The Merger Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about ArthroCare, the Reporting Persons or Merger Subsidiary. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of ArthroCare, the Reporting Persons or any of their respective subsidiaries or affiliates. In addition, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure schedule that the parties have exchanged. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts, since (i) they were made only as of the date of such agreement or a prior, specified date, (ii) in some cases they are subject to qualifications with respect to materiality, knowledge and/or other matters and (iii) they may be modified in important part by the underlying disclosure schedule. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in ArthroCare's or the Reporting Persons' public disclosures.
