(a) At a special meeting of the Audit Committee of the Board of Directors of the Company on September 22, 2004, the Committee determined, based on the advice of senior management and the Company's independent public accounting firm, that the Company had not properly accounted for deferred compensation payable to the Company's Chairman and Chief Executive Officer pursuant to an employment agreement which had been entered into during the first fiscal quarter of 2004. The employment agreement had been publicly disclosed on March 12, 2004 as Exhibit 10.3 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003. The Audit Committee concluded at the September 22 meeting that the Company's consolidated financial statements for the quarters ended March 31 and June 30, 2004 should be restated and that the previously disclosed financial statements for such periods should not be relied upon.

The accounting error related to deferred compensation payments, totaling \$3.0 million and payable ratably over 36 months beginning in July 2005, which should have been recorded as current compensation expense in the quarter ended March 31, 2004. In revised interim financial statements expected to be filed on or about September 23, 2004 on Form 10-Q/A for the three months ended March 31, 2004 and the six months ended June 30, 2004, the discounted value, of \$2.5 million for the three-month period ended March 31, 2004 and \$2.6 million for the six-month period ended June 30, 2004, of these payments is reflected as compensation expense, and corresponding adjustments have been recorded to the Company's shareholders' equity and earnings (loss) per share.

In connection with its ongoing internal controls initiatives relating to the Sarbanes-Oxley Act of 2002, management of the Company is revising and enhancing its controls relating to the approval of material contracts in order to prevent similar errors in future.

(b) and (c) Not applicable.
