**TELESP CELULAR PARTICIPAÇÕES S.A. ANNOUNCES VOLUNTARY CASH TENDER
OFFER FOR PREFERRED SHARES OF TCO
PRESS RELEASE**

São Paulo Brazil, August 24, 2004 Telesp Celular Participações S.A. TCP or Company (NYSE: TCP; and BOVESPA: TSPP3 (common shares), TSPP4 (preferred shares)), and Tele Centro Oeste Celular Participações S.A.

TCO (NYSE: TRO; and BOVESPA: TCOC3 (common shares), TCOC4 (preferred shares)), inform their respective shareholders that the Board of Directors of TCP, the controlling shareholder of TCO, intends to launch a Voluntary Public Tender Offer (VTO) for the acquisition of up to 84,252,534,000 preferred shares issued by TCO (Maximum Number of Shares). In no event will TCP purchase more than the Maximum Number of Shares. In the event of excess of demand in the auction, a pro rata adjustment will be made among the shareholders participating in the VTO.

The price will be R\$10.70 (ten Brazilian *reais* and seventy centavos) per lot of thousand shares (Price), which represents a premium of 20% (twenty percent) over the weighted average closing price of the preferred shares of TCO over the last 30 (thirty) trading days on the São Paulo Stock Exchange (Bovespa). The Price will be paid upon delivery of the shares, in Brazilian *reais*, pursuant to the rules issued by the Companhia Brasileira de Liquidação e Custódia CBLC (the Brazilian Settlement and Custody Company) and the terms that will be set forth in the public notice (*Edital*) for the VTO.

The other terms and conditions of the VTO will be published at the appropriate time by means of an *Edital* once the procedures for the auction have been agreed with Bovespa.

The number of shares that TCP will be offering to acquire has been determined to allow TCP to increase its participation in the share capital of TCO without suppressing the liquidity of the remaining preferred shares for purposes of applicable regulations (specifically Instruction no. 361 of March 5, 2002).

In accordance with the terms and conditions of the Announcement to the Shareholders published in the newspaper Gazeta Mercantil on August 17, 2004 relating to the exercise of appraisal rights in the context of the mergers of shares of Telegoiás Celular S.A., Telems Celular S.A., Telemat Celular S.A., Teleacre Celular S.A. and Teleron Celular S.A. by TCO, the shareholders of such companies which, by August 24, 2004, have exercised their appraisal rights will be entitled to the positive difference between the (i) reimbursement amount under the appraisal rights and (ii) the amount they would have been entitled to receive if they had participated fully in the VTO (taking into account pro rata adjustments).

Any shareholder who has exercised the appraisal rights, as provided in the paragraph above, will receive the payment to which it is entitled, as mentioned in the paragraph above, through BANCO ABN AMRO REAL S.A. according to the same procedure contemplated for the payment of the reimbursement amount under the appraisal rights.

This press release does not constitute an offer to purchase or a solicitation of an offer to sell securities of TCO. At the time the VTO mentioned in this document is commenced, the Company will file with the Securities and Exchange Commission (SEC) a tender offer statement on Schedule TO.

TELESP CELULAR PARTICIPAÇÕES S.A. ANNOUNCES VOLUNTARY CASH TENDER OFFER FOR PREFERRED SHARES OF TCO

TCO shareholders are strongly advised to read carefully the Edital and other relevant documents related to the VTO that are published by TCP or filed with the CVM or the SEC, including the tender offer statement on Schedule TO (and, in the case of the English-language documents filed with the SEC, shareholders may read the Portuguese translations, which will be filed with the CVM), when such documents are made available, because they will contain important information.

All these documents will be published or filed at the appropriate time in accordance with applicable Brazilian and U.S. regulations. TCO shareholders will have access to the U.S. documentation, when they become available, free of charge at the SEC website, www.sec.gov. In addition, TCO shareholders will have access to all these documents, free of charge from TCP or in the locations indicated by applicable Brazilian and U.S. laws and regulations.

TCP intends to fund the tender offer with debt, and, taking into account the outcome of the tender offer, among other factors, the Company will evaluate a potential capital increase if it considers a reduction of its level of indebtedness to be advisable.
