EX-99.1: UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS

EXPLANATORY NOTE

This Report on Form 8-K is being filed for the purpose of amending and restating the unaudited pro forma condensed combined financial statements contained in our Form 8-K that was originally filed with the Securities and Exchange Commission on June 12, 2006, as amended by the Form 8-K/A filed June 28, 2006 and in our Form 8-K that was originally filed with the Securities and Exchange Commission on August 28, 2006. The Report is being made to revise unaudited pro forma condensed combined financial statements to correct an accounting error in the treatment for interest rate and foreign exchange derivatives instruments that did not qualify for hedge accounting. Although the impact of this accounting error on our unaudited financial statements for the quarters ended March 31, 2006 and June 30, 2006, and, therefore, our unaudited pro forma condensed combined financial statements is material, the effect is immaterial to our audited consolidated financial statements and the unaudited pro forma condensed combined financial statements for the year ended December 31, 2005. As a result, we have not restated unaudited pro forma condensed combined financial statements for the year ended December 31, 2005. We have also filed today amended and restated Quarterly Reports on Form 10-Q/A for the quarters ended March 31, 2006 and June 30, 2006 to reflect the same correction of an accounting error related to the accounting treatment for derivatives instruments.

Item 9.01 Financial Statements and Exhibits

b) Pro forma financial information

The unaudited pro-forma condensed combined financial statements of the Company as of and for the quarter ended March 31, 2006 and the six months ended June 30, 2006 are attached as Exhibit 99.1 to this Report and are incorporated into this Item 9.01(b) by reference.

The pro forma condensed combined financial statements should be read in conjunction with the separate financial statements and notes thereto of the Company, as filed with the Securities and Exchange Commission (SEC) in its Restated Forms 10-Q/A filed today.

The unaudited pro forma condensed financial statements should not be considered indicative of actual results that would have been achieved had the acquisitions, dispositions and the other transactions and events described been completed as of the dates or as of the beginning of the period indicated and do not purport to project the financial condition or results of the operations of the Company for any future date or period.

The pro forma adjustments are based on preliminary estimates, available information and certain assumptions, and may be revised as additional information becomes available. The pro forma adjustments are more fully described in the notes to the unaudited pro forma condensed financial statements.

c) Exhibits:

99.1 Unaudited pro forma condensed combined financial statements as of and for quarter ended March 31, 2006 and the six months ended June 30, 2006.
