Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On February 29, 2008, the Board of Directors of Schering-Plough Corporation, upon the recommendation of its Nominating and Corporate Governance Committee, adopted Amended and Restated By-laws of the Company, effective February 29, 2008. The purpose of the amendment, which does not require shareholder approval, was to add a carve-out for contested elections to the majority voting policy. The full text of the Director resignation policy, as amended, is provided below.

Majority Vote Resignation Policy for Directors. In an uncontested election where the number of director nominees is equal to the number of directors to be elected, director nominees who receive votes to withhold, at a meeting in which a quorum is present, by the holders of at least a majority of the votes cast for the election of directors, shall promptly offer his or her written resignation to the Nominating and Corporate Governance Committee following certification of the shareholder vote. The Nominating and Corporate Governance Committee, excluding the nominee in question, will recommend that the Board accept the resignation absent a compelling reason for the director to remain on the Board. In determining whether there is a compelling reason for the director to remain on the Board, the Nominating and Corporate Governance Committee will consider all factors deemed relevant such as the stated reasons why shareholders withheld votes for election from such director (and whether the issue has been cured), the qualifications of the director whose resignation has been tendered, compliance with exchange listing standards for board composition regarding independence and financial expertise qualifications, and these By-laws. The Board will act on the Nominating and Corporate Governance Committee's recommendation on the earlier of thirty days or its next regularly scheduled Board meeting. The Board's explanation of its decision shall be promptly disclosed on Form 8-K filed with the Securities and Exchange Commission

In a contested election where the number of director nominees exceeds the number of directors to be elected, the above majority voting resignation policy will not apply, and therefore the Board of Directors shall thereafter consist of those nominees who shall have received a plurality of the votes cast in such election.

The Amended and Restated By-laws are attached hereto as Exhibit 3.2.
