**NTT DOCOMO, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)**

**1. Basis of presentation:**

The accompanying quarterly consolidated financial statements of NTT DoCoMo, Inc. and its subsidiaries ( DOCOMO ) were prepared in accordance with accounting principles generally accepted in the United States of America ( U.S. GAAP ). Certain disclosures required by U.S. GAAP have been omitted. Since DOCOMO 's American Depositary Shares were listed on the New York Stock Exchange in March 2002, DOCOMO has prepared its consolidated financial statements pursuant to the terminology, forms and preparation methods required in order to issue American Depositary Shares, which are registered with the Securities and Exchange Commission of the United States of America.

**2. Summary of significant accounting and reporting policies:**

**(1) Adoption of new accounting standards**

**Business Combinations**

Effective April 1, 2009, DOCOMO adopted Statement of Financial Accounting Standards ( SFAS ) No. 141 (revised 2007) Business Combinations ( SFAS No. 141R ). SFAS No. 141R requires an acquirer in a business combination to generally recognize and measure all the identifiable assets acquired, the liabilities assumed, and any noncontrolling interest in the acquiree at their fair values as of the acquisition date. SFAS No. 141R also requires the acquirer to recognize and measure as goodwill the excess of consideration transferred plus the fair value of any noncontrolling interest in the acquiree at the acquisition date over the fair value of the identifiable net assets acquired. The excess of the fair value of the identifiable net assets acquired over consideration transferred plus the fair value of any noncontrolling interest in the acquiree at the acquisition date is required to be recognized and measured as a gain from a bargain purchase. The adoption of SFAS No. 141R did not have a material impact on DOCOMO 's results of operations and financial position.

**Noncontrolling Interests in Consolidated Financial Statements**

Effective April 1, 2009, DOCOMO adopted SFAS No. 160 Noncontrolling Interests in Consolidated Financial Statements an amendment of ARB No. 51 . SFAS No. 160 requires noncontrolling interest held by parties other than the parent be clearly identified, labeled and presented in the consolidated statement of financial position within equity, but separate from the parent 's equity. SFAS No. 160 also requires changes in parent 's ownership interest while the parent retains its controlling financial interest in its subsidiary be accounted for as equity transactions. Upon the adoption of SFAS No. 160, Noncontrolling interests , which were previously referred to as Minority interests and classified between Total liabilities and Shareholders equity in the consolidated balance sheets, are now included as a separate component of Equity . In addition, Net income in the consolidated statements of income and comprehensive income now includes net income attributable to noncontrolling interests, which was previously referred to as Minority interests and deducted. As a result, the adoption of SFAS No. 160 changed the presentation and disclosure of noncontrolling interest in the consolidated financial statements retrospectively, but did not have a material impact on DOCOMO 's results of operations and financial position.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) (Continued)**

**Subsequent events**

Effective April 1, 2009, DOCOMO adopted SFAS No. 165 Subsequent events . SFAS No. 165 requires an entity to evaluate the effects of events that occur subsequent to the balance sheet date through the date the financial statements are either issued or available to be issued and disclose the date through which subsequent events have been evaluated. The adoption of SFAS No. 165 did not have any impact on DOCOMO s results of operations and financial position.

**(2) Recent accounting pronouncements**

In June 2009, Financial Accounting Standards Board ( FASB ) issued SFAS No. 167 Amendments to FASB Interpretation No. 46(R) . SFAS No. 167 contains new criteria for determining the primary beneficiary of a Variable Interest Entity ( VIE ), and increases the frequency of required reassessments to determine whether a company is the primary beneficiary of a VIE. SFAS No. 167 is effective for fiscal years beginning after November 15, 2009 and interim periods within those years. DOCOMO is currently evaluating the impact of adoption of SFAS No. 167 on its result of operations and financial position.

**(3) Reclassifications**

Certain reclassifications have been made to the prior periods consolidated financial statements to conform to the presentation used for the three months ended June 30, 2009.

**3. Equity:**

Effective May 1, 2006, the Corporate Law of Japan provides that (i) dividends of earnings require approval at a general meeting of shareholders, (ii) interim cash dividends can be distributed upon the approval of the board of directors, if the Articles of Incorporation provide for such interim cash dividends and (iii) an amount equal to at least 10% of decrease in retained earnings by dividends payment be appropriated from retained earnings to a legal reserve up to 25% of capital stock. The legal reserve is available for distribution upon approval of the shareholders.

In the general meeting of shareholders held on June 19, 2009, the shareholders approved cash dividends of ¥100,224 million or ¥2,400 per share, payable to shareholders recorded as of March 31, 2009, which were declared by the board of directors on April 28, 2009. The source of dividends was Retained Earnings . DOCOMO started to pay the dividends on June 22, 2009.

In order to improve capital efficiency and to implement flexible capital policies in accordance with the business environment, DOCOMO acquires treasury stock.

With regard to the acquisition of treasury stock, the Corporate Law of Japan provides that (i) it can be done according to the resolution of the general meeting of shareholders, and (ii) the acquisition of treasury stock through open market transactions can be done according to the resolution of the board of directors if the articles of incorporation contain such a provision. The provision is stipulated in DOCOMO s articles of incorporation.

**4. Segment reporting:**

From a resource allocation perspective, DOCOMO views itself as having two business segments. The mobile phone business segment includes FOMA services, mova services, packet communications services, satellite mobile communications services, international services and the equipment sales related to these services. The miscellaneous businesses segment includes home shopping services provided mainly through TV media, high-speed internet connection and video-clip casting services for hotel facilities, advertisement services, development, sales and maintenance of IT systems, credit services and other miscellaneous services, which in the aggregate are not significant in amount. DOCOMO plans to terminate mova services on March 31, 2012.

DOCOMO identifies its reportable segments based on the nature of services included, as well as the characteristics of the telecommunications networks used to provide those services. DOCOMO's management monitors and evaluates the performance of its segments based on the information that follows as derived from the Company's management reports.

Segment information for the three months ended June 30, 2008 and 2009 was as follows:

**NTT DOCOMO, INC. AND SUBSIDIARIES**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) (Continued)**

DOCOMO does not disclose geographical segments, since the amount of operating revenues generated outside Japan are immaterial.

**5. Contingencies:**

**Litigation**

As of June 30, 2009, DOCOMO had no litigation or claims outstanding, pending or threatened against which in the opinion of management would have a materially adverse effect on its results of operations or financial position.

**Guarantees**

DOCOMO applies FASB Interpretation No. 45 Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others (FIN 45). FIN 45 requires a company that issues or modifies a guarantee to recognize an initial liability for the fair value of the obligations it has undertaken and disclose that information in its financial statements.

DOCOMO enters into agreements in the normal course of business that provide guarantees for counterparties. These counterparties include subscribers, related parties, foreign wireless telecommunications service providers and other business partners.

DOCOMO provides subscribers with guarantees for product defects of cellular phone handsets sold by DOCOMO, but DOCOMO is provided with similar guarantees by the handset vendors and no liabilities were recognized for these guarantees.

Though the guarantees or indemnifications provided in transactions other than those with the subscribers are different in each contract, the likelihood of almost all of the performance of these guarantees or indemnifications are remote and amount of payments DOCOMO could be claimed for is not specified in almost all of the contracts. Historically, DOCOMO has not made any significant guarantee or indemnification payments under such agreements. DOCOMO evaluates the estimated fair value of the obligations related to these agreements is not significant. Accordingly, no liabilities were recognized for these obligations.

**Table of Contents****NTT DOCOMO, INC. AND SUBSIDIARIES****NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) (Continued)****6. Fair value measurements:**

SFAS No. 157 Fair Value Measurements defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. SFAS No. 157 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value according to observability as follows:

- Level 1 Inputs are quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active and inputs that are derived principally from observable markets data.
- Level 3 Inputs are unobservable inputs for the asset or liability.

SFAS No. 157 also distinguishes assets and liabilities measured at fair value every period on a recurring basis from those measured on a nonrecurring basis under specific situation (for example, impaired assets).

**(1) Assets and liabilities measured at fair value on a recurring basis**

DOCOMO's assets and liabilities measured at fair value on a recurring basis include available-for-sale securities and derivatives.

**Available-for-sale securities**

Available-for-sale securities include marketable equity securities and debt securities, which are valued using quoted prices in active markets for identical assets. Therefore, these securities are classified as Level 1.

**Table of Contents**

**NTT DOCOMO, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) (Continued)**

**Derivatives**

Derivative instruments are interest rate swap agreements, foreign exchange forward contracts and foreign currency option contracts. The fair value of these derivatives is measured at quoted prices valued by financial institutions using observable market inputs. Therefore, these derivatives are classified as Level 2.

**(2) Assets and liabilities measured at fair value on a nonrecurring basis**

Certain assets and liabilities are measured at fair value on a nonrecurring basis and are not included in the table above. Such fair value measurements typically result from impairments. DOCOMO may be required to measure fair value of long-lived assets, equity securities whose fair values are not readily determinable, and other assets or liabilities on a nonrecurring basis.

DOCOMO omitted the disclosure about assets and liabilities measured on a nonrecurring basis because of its immateriality.

**7. Subsequent event:**

There had been no significant subsequent event to be disclosed that occurred subsequent to the balance sheet date through August 5, 2009, when the accompanying quarterly consolidated financial statements were issued.
