**Item 8.01 Other Events.**

On October 7, 2009, Enterprise Products Partners L.P. issued a press release announcing interim results and an amendment to the previously announced exchange offers and consent solicitations by its principal operating subsidiary, Enterprise Products Operating LLC. As of 5:00 p.m. New York City time, on October 6, 2009, or the Early Consent Date, approximately \$1.92 billion aggregate principal amount of the notes of TEPPCO Partners, L.P. had been validly tendered for exchange (and not validly withdrawn), such that the requisite consents for each series of TEPPCO notes have been received and thus the proposed amendments to the TEPPCO indentures governing these notes will be adopted, assuming all other conditions of the exchange offers and consent solicitations are satisfied or waived, as applicable. In addition, Enterprise Products Operating LLC has amended the exchange offers to provide that the exchange price for each TEPPCO note validly tendered (and not validly withdrawn) after the Early Consent Date and prior to 9:00 a.m., New York City time, on October 26, 2009, unless extended, will be 100% of its principal amount (rather than 97% as previously offered). The terms and conditions of the exchange offers and consent solicitations are described in the prospectus dated October 7, 2009, as amended by the press release, which is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
