Item 3.02 Unregistered Sales of Equity Securities.

On October 22, 2009, Broadpoint Gleacher Securities Group Inc. (the Company) agreed to acquire ISM Group Limited and its subsidiaries (ISM), including ISM Capital LLP, a London-based investment banking boutique, and to issue 1,000,000 shares of its common stock, par value \$0.01 per share (Common Stock) to shareholders of ISM (the Shareholders) in consideration therefor. The Company and the Shareholders also entered into a put and call arrangement, exercisable in 2013, with respect to the Shareholders' retention, indirectly, of a 30% interest in ISM. If the Shareholders exercise their put, or the Company exercises its call, the Company will acquire the retained interest and pay therefor additional shares of its Common Stock, subject to a 10 million share cap. The transaction is subject to regulatory approval by the Financial Services Authority and customary closing conditions and is expected to close in the fourth quarter of 2009.

The offer and sale of the Common Stock described above have not been registered under the Securities Act of 1933, as amended (the Securities Act) or any state securities laws, and such shares may not be offered or sold in the United States in the absence of an effective registration statement or an exemption from the registration requirements of the Securities Act. The Company has relied on the exemption from the registration requirements of the Securities Act set forth under Section 4(2) thereof.
