Item 7.01. Regulation FD Disclosure.

On November 9, 2009, Entertainment Properties Trust (the Company) issued a press release announcing its plans to make a public offering of 4,500,000 newly issued common shares with a grant to the underwriters of an over-allotment option to purchase an additional 675,000 shares of newly issued common shares.

At the time of the announcement, the Company filed a preliminary prospectus supplement with the Securities and Exchange Commission in connection with the proposed offering. The supplement includes the recent developments described below.

Recent Developments

The following are principal recent developments that occurred on or after September 30, 2009:

Investment pipeline

The Company is in the process of negotiating a letter of intent with a prominent theatre operator pursuant to which the Company may provide the operator with approximately \$135.0 million of financing through a sale-leaseback arrangement relating to 19 theatre properties, containing an aggregate of approximately 291 screens, approximately 67,000 seats, and representing an aggregate of approximately 1,560,000 square feet of space located on 393 acres. The theatre operator is currently negotiating with a third party for the purchase of the theatres. It is anticipated that the Company would acquire the theatre properties directly from the third-party and lease them to the theatre operator pursuant to a single master lease. The Company believes that the master lease will have an initial base rent equal to the product of the purchase price multiplied by 12%, and provide for escalators every 5 years. The master lease is also expected to have an initial term of 20 years structured as a triple-net lease with the tenant responsible for all taxes, costs and expenses arising from the use or operation of the properties. The Company cannot provide assurances that it will enter into this letter of intent on these terms or at all. This possible investment would be contingent upon, among other things, the operator, the third-party and the Company negotiating and reaching a definitive agreement with respect to the terms of the acquisition of the theatre properties, negotiation and execution of other definitive agreements, due diligence and other contingencies. The Company cannot provide assurances that the transaction will be completed on the terms described above or at all.

The Company is currently in discussions with Imagine Schools regarding an option to purchase up to five charter schools. The Company also plans to invest in the expansion of an existing charter school. The proposed investment is estimated to be \$50.0 million and on terms substantially similar to the Company's prior investments with Imagine Schools. If the Company purchases less than all of the properties, the purchase price would be reduced. This possible investment would be contingent upon, among other things, negotiation and execution of definitive agreements, due diligence and other contingencies. The Company cannot provide assurances that these discussions will result in any agreement on these terms or at all or, if an agreement is reached, that the transaction would be completed on the terms described above or at all.

The Company is in the process of seeking to purchase the Toronto Dundas Square Project out of receivership. The Toronto Dundas Square Project, a 13 level entertainment retail center in downtown Toronto that was completed in May 2008 for a total cost of approximately CAD \$330.0 million, has been in receivership since April 27, 2009. As of November 5, 2009, the Company had a mortgage note receivable of CAD \$94.2 million (\$88.4 million U.S.), net of a provision for loan loss of CAD \$37.6 million (\$34.8 million U.S.), secured by a second mortgage on this property. A group of banks has a loan totaling approximately CAD \$119.0 million (\$111.7 million U.S.) secured by a first mortgage on this property.

The Company is currently negotiating to refinance the first mortgage should the Company become the owner of the property. Based on preliminary negotiations, the Company currently estimates a new first mortgage loan would provide proceeds of CAD \$100.0 million (\$93.8 million U.S.) and that a purchase of the Toronto Dundas Square Project would require an additional investment, including transaction costs, of between \$20.0 million and \$30.0 million U.S. The Company cannot provide assurances that the Company will purchase the property on these terms or at all, or that we will successfully obtain the first mortgage refinancing. If the Company becomes the owner through the sale process, the Company expects to consolidate the financial results of the property subsequent to the purchase.

Item 8.01. Other Events.

On November 9, 2009, the Company issued a press release announcing its plans to make a public offering of 4,500,000 newly issued common shares with a grant to the underwriters of an over-allotment option to purchase an additional 675,000 shares of newly issued common shares. The offering will be made under an automatic shelf registration statement filed pursuant to the Securities Act of 1933, as amended, and previously declared effective by the SEC. The Company's press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
