Item 1.01 Entry into a Material Definitive Agreement.

On December 11, 2009, Potash Corporation of Saskatchewan Inc. (PotashCorp) entered into a \$2.5 billion revolving term credit facility (the Credit Facility) with the lenders named therein and The Bank of Nova Scotia, as agent. The Credit Facility will mature on December 11, 2012 and replaces PotashCorp s amended and restated credit agreement, dated as of January 21, 2009 (as amended, the Prior Credit Facility). The Prior Credit Facility was scheduled to mature on May 28, 2010 and provided for total borrowings of \$1.85 billion. Other than the amount of available borrowings and the maturity date, the Credit Facility contains terms and conditions that are substantially similar to the Prior Credit Facility.

The Credit Facility contains customary representations and warranties and covenants. Principal covenants under the Credit Facility require a debt-to-capital ratio of less than or equal to 0.60 to 1, a long-term debt-to-EBITDA ratio of less than or equal to 3.5 to 1, tangible net worth greater than or equal to \$1.25 billion and debt of subsidiaries not to exceed \$650.0 million. The Credit Facility also contains customary events of default, including, but not limited to, the failure to pay amounts due under the Credit Facility, insolvency or bankruptcy, materially incorrect representations or warranties, the failure to perform certain covenants and the non-payment of other debt in excess of Cdn \$40.0 million. If an event of default occurs, then, to the extent permitted in the Credit Facility, the entire principal amount of all borrowings under the Credit Facility and accrued and unpaid interest thereon may be declared to be due and payable.

The foregoing description is qualified in its entirety by reference to the Credit Facility, which is filed hereto as Exhibit 4(a) and incorporated herein by reference.

PotashCorp plans to use the proceeds from the Credit Facility for working capital and other general corporate purposes.

Some of the lenders under the Credit Facility have in the past performed, and may in the future perform, investment banking, financial advisory, lending or commercial banking services, or other services for PotashCorp and its subsidiaries, for which they have received, and may in the future receive, customary fees.
