**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On December 10, 2009, CenterPoint Energy, Inc. (the Company ) amended the CenterPoint Energy, Inc. Short Term Incentive Plan (the Plan ) to comply with an Internal Revenue Service ruling related to Section 162(m) of the Internal Revenue Code.

The amendment provides that, for all awards granted after 2009, a retirement eligible participant in the Plan (age 55 or greater with five years of service) who retires during the year will receive a payment of the award under the Plan, if any, with respect to that year based on (a) the Compensation Committee's determination of actual achievement of the performance goals with respect to the participant's award and (b) the participant's eligible compensation earned during such year prior to his retirement date. To receive this payment, the participant must have been employed by the Company at least 90 calendar days during such year prior to his retirement.

Prior to this amendment, a retirement eligible participant would have received an award under the Plan at the target level for the participant at the time of retirement based on eligible compensation earned during such year prior to retirement, regardless of the actual achievement of the performance goals for that year.

The foregoing description of the amendment does not purport to be complete and is qualified in its entirety by reference to such amendment, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
