**Item 8.01. Other Events**

On February 4, 2010, Verint Systems Inc. (the Company ) issued a press release announcing that its wholly owned subsidiary, Verint Americas Inc., had acquired all of the outstanding share capital of Iontas Limited, a privately-held provider of desktop analytics solutions. Verint acquired Iontas for approximately \$14.8 million in cash (net of cash and net assets acquired) and potential additional earn-out payments tied to certain targets being achieved over a two-year period.

Realization of the benefits the Company expects to derive from the acquisition depends, in part, on the integration of Iontas with the Company and there can be no assurance that the Company will realize such benefits.

The full text of the press release is set forth in Exhibit 99.1, attached hereto, and is incorporated in this Item 8.01 by reference.

**Item 9.01 Financial Statements and Exhibits.**
