Item 7.01. Regulation FD Disclosure.

Sixth Amendment to Credit Agreement

Concurrent with, and contingent upon, the closing of the Offering (as defined below), Martin Midstream Partners L.P. (the Partnership) will enter into a Sixth Amendment (the Sixth Amendment) to the Second Amended and Restated Credit Agreement (the Credit Agreement), among Martin Operating Partnership L.P., a wholly-owned subsidiary of the Partnership, as borrower, the Partnership and certain of its subsidiaries, as guarantors, the financial institutions parties thereto, as lenders, Royal Bank of Canada, as administrative agent and collateral agent, and the various other agents and parties thereto. The closing of the Sixth Amendment is subject to customary closing conditions and the closing of the Offering. Upon the effectiveness of the Offering and the concurrent closing of the Sixth Amendment, the Sixth Amendment will modify the Credit Agreement to, among other things, (1) decrease the size of the Partnership's aggregate facility from \$350 million to \$275 million, (2) convert all term loans to revolving loans as of closing date, (3) extend the maturity date of amounts outstanding under the Credit Agreement from November 9, 2012 to March 15, 2013, (4) permit the Partnership to invest up to \$40 million in its joint ventures, (5) eliminate the covenant that limits the Partnership's ability to engage in capital expenditures, (6) decrease the applicable interest rate margin on committed revolver loans under the Credit Agreement as described in more detail below, (7) limit the Partnership's ability to make future acquisitions and (8) adjust the financial covenants as described in more detail below.

Amounts outstanding under the Credit Agreement bear interest at either LIBOR plus an applicable margin or the base rate plus an applicable margin, and the applicable margin is determined by the Partnership's leverage ratio. After giving effect to the Sixth Amendment, the applicable margin for LIBOR loans and letters of credit will range from 3.00% to 4.25% (currently 4.50%) and the applicable margin for base rate loans will range from 2.00% to 3.25% (currently 3.50%). The Partnership also incurs a commitment fee on the unused portion of the revolving loan facility portion of the Credit Agreement, which will remain unchanged.

The Credit Agreement, as amended by the Sixth Amendment, will contain financial covenants that, among other things, will require the Partnership to maintain specified ratios of: (i) EBITDA (as defined in the Credit Agreement) to interest charges (as described in the Credit Agreement) of not less than 3.0 to 1.0 at the end of each fiscal quarter, (ii) total funded debt to EBITDA of not more than 4.50 to 1.00 at the end of each fiscal quarter and (iii) total secured debt to EBITDA of not more than 2.75 to 1.00 at the end of each fiscal quarter.

All other material terms of the Credit Agreement remain the same as disclosed in the Partnership's filings with the Securities and Exchange Commission.
