-

**Item 8.01 Other Events.**

On May 11, 2010 Enterprise Products Partners L.P. (the Partnership), Enterprise Products OLPGP, Inc. (OLPGP) and Enterprise Products Operating LLC (EPO) entered into an underwriting agreement (the Underwriting Agreement) with Citigroup Global Markets Inc., Mizuho Securities USA Inc., RBS Securities Inc., Scotia Capital (USA) Inc., SunTrust Robinson Humphrey, Inc. and Wells Fargo Securities, LLC, as representatives of the several underwriters named on Schedule I thereto (the Underwriters), relating to the public offering of \$400,000,000 principal amount of EPO's 3.70% Senior Notes due 2015 (the 2015 Notes), \$1,000,000,000 principal amount of EPO's 5.20% Senior Notes due 2020 (the 2020 Notes) and \$600,000,000 principal amount of EPO's 6.45% Senior Notes due 2040 (the 2040 Notes, and together with the 2015 Notes and the 2020 Notes, the Notes). The Notes are guaranteed on an unsecured and unsubordinated basis by the Partnership (the Guarantee, and together with the Notes, the Securities). Closing of the issuance and sale of the Securities is scheduled for May 20, 2010.

The offering of the Securities has been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a Registration Statement on Form S-3 (Registration Nos. 333-145709 and 333-145709-01) (the Registration Statement), as supplemented by the Prospectus Supplement dated May 11, 2010 relating to the Securities, filed with the Securities and Exchange Commission (Commission) on May 12, 2010 pursuant to Rule 424(b) of the Securities Act (together with the accompanying prospectus dated August 7, 2007, the Prospectus).

The Underwriting Agreement provides that the obligations of the Underwriters to purchase the Notes are subject to approval of legal matters by counsel and other customary conditions. The Underwriters are obligated to purchase all the Notes if they purchase any of the Notes. The Partnership, EPO and OLPGP have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities. The Underwriting Agreement contains other customary representations, warranties and agreements. The summary of the Underwriting Agreement in this report does not purport to be complete and is qualified by reference to such agreement, which is filed as an exhibit hereto and incorporated herein by reference. The Underwriting Agreement contains representations, warranties and other provisions that were made or agreed to, among other things, to provide the parties thereto with specified rights and obligations and to allocate risk among them. Accordingly, the Underwriting Agreement should not be relied upon as constituting a description of the state of affairs of any of the parties thereto or their affiliates at the time it was entered into or otherwise.

The Prospectus provides that EPO will use net proceeds from the offering (i) to temporarily reduce borrowings under its multi-year revolving credit facility, (ii) to repay outstanding amounts on the maturity of its \$500 million principal amount of senior notes due June 2010 and (iii) for general company purposes. Affiliates of certain of the Underwriters are lenders under EPO's multi-year revolving credit facility and, accordingly, will receive a substantial portion of the proceeds from the offering of Notes. In addition, from time to time the Underwriters engage in transactions with the Partnership and its affiliates in the ordinary course of business. The Underwriters have performed investment banking services for the Partnership and its affiliates in the last two years and have received fees for these services.

The Securities are being issued under the Indenture, dated as of October 4, 2004 (the Indenture), among EPO (as successor to Enterprise Products Operating L.P.), as issuer, the Partnership, as guarantor, and Wells Fargo Bank, N.A., as trustee, (collectively, as amended and supplemented by the Tenth Supplemental Indenture, dated as of June 30, 2007, providing for EPO as successor issuer, the Base Indenture) as amended by the Nineteenth Supplemental Indenture thereto (the Supplemental Indenture). The terms of the Securities and the Supplemental Indenture are further described in the Prospectus Supplement under the captions Description of the Notes and Description of Debt Securities, which descriptions are incorporated herein by reference and filed herewith as Exhibit 99.2. Such descriptions do not purport to be complete and are qualified by reference to the Base Indenture, which is filed as an exhibit hereto and incorporated herein by reference and the Supplemental Indenture, which will be filed upon execution thereof.

On May 11, 2010 the Partnership issued a press release relating to the public offering of the Notes contemplated by the Underwriting Agreement. A copy of the press release is furnished herewith as Exhibit 99.1.

**Item 9.01 Financial Statements and Exhibits.**

(d) Exhibits.

<b>Exhibit No.</b>	<b>Description</b>
