Hiring Incentives to Restore Employment Act of 2010. On March 18, 2010, the President signed into law the Hiring Incentives to Restore Employment Act of 2010, or the **HIRE Act**. The HIRE Act imposes a U.S. withholding tax at a 30% rate on certain types of payments made to foreign financial institutions and certain other non-U.S. holders if certain disclosure requirements related to U.S. accounts or ownership are not satisfied. If payment of withholding taxes is required, non-U.S. holders that are otherwise eligible for an exemption from, or reduction of, U.S. withholding taxes with respect to such distributions and proceeds will be required to seek a refund from the IRS to obtain the benefit of such exemption or reduction. These provisions of the HIRE Act generally are effective for payments made after December 31, 2012. Prospective stockholders should consult their own tax advisers regarding the effect, if any, of the HIRE Act on their ownership and disposition of our shares.

Health Care and Reconciliation Act of 2010. On March 30, 2010, the President signed into law the Health Care and Education Reconciliation Act of 2010, or the **Reconciliation Act**. The Reconciliation Act will require certain U.S. stockholders who are individuals, estates or trusts and whose income exceeds certain thresholds to pay a 3.8% Medicare tax. This tax will apply for taxable years beginning after December 31, 2012. The Medicare tax will apply to, among other things, interest, dividends and other income derived from certain trades or business and net gains from the sale or other disposition of stock, subject to certain exceptions. Prospective stockholders should consult their tax advisers regarding the effect, if any, of the Reconciliation Act on their ownership and disposition of our shares.
