Item 2.01 Completion of Acquisition or Disposition of Assets.

On November 10, 2010, pursuant to the Agreement and Plan of Merger dated April 14, 2010, as amended by Amendment No. 1 dated August 2, 2010 (as amended, the **Merger Agreement**), by and among Apache Corporation, a Delaware corporation (**Apache**), Merger Sub and Mariner, Mariner merged with and into Merger Sub, with Merger Sub surviving the merger as a wholly owned subsidiary of Apache (the **Merger**).

In connection with the Merger, Apache issued approximately 17.5 million shares of its common stock and paid approximately \$800 million in cash to former Mariner stockholders in exchange for their shares of Mariner common stock. The Apache shares issued to Mariner stockholders represent approximately 5% of Apache's issued and outstanding common stock after the Merger, based upon the number of Apache shares outstanding at November 10, 2010. Apache did not issue any fractional shares of its common stock in connection with the Merger. For each fractional share that would have otherwise been issued, Apache paid cash (without interest) in an amount equal to the product of the fractional share and the average of the closing price of Apache common stock on the New York Stock Exchange, as reported in The Wall Street Journal, for the five consecutive trading days ending on the calendar day immediately prior to the closing date of the Merger.

Under the merger agreement, Mariner stockholders had the option to elect to receive consideration consisting of cash, shares of Apache common stock or a combination of both in exchange for their shares of Mariner common stock, subject to a proration feature. Mariner stockholders electing to receive a mix of cash and stock consideration and non-electing stockholders were entitled to receive \$7.80 in cash and 0.17043 shares of Apache common stock in exchange for each share of Mariner common stock. Subject to proration, Mariner stockholders electing to receive all cash were entitled to receive \$26.00 in cash for each share of Mariner common stock and Mariner stockholders electing to receive only Apache common stock were entitled to receive 0.24347 shares of Apache common stock in exchange for each share of Mariner common stock.

The final results of merger consideration elections by Mariner stockholders are not yet available. Apache intends to file an amendment to this Item 2.01 of this Current Report on Form 8-K to include the final results of the merger consideration elections once they become available.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibits 2.1 to Apache's Current Reports on Form 8-K filed with the Securities and Exchange Commission on April 16, 2010 and August 3, 2010 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
