The Securities will be unsecured senior obligations and will rank equally and rateably with all existing and future unsecured and unsubordinated indebtedness of the Company and are further described and will have the attributes substantially as outlined in the English and French language versions of the Canadian Final Prospectus (as defined below) and as outlined in the U.S. Final Prospectus (as defined below) of the Company filed in respect of the issue and sale of the Securities. The Securities are to be issued pursuant to the amended and restated indenture entered into between the Company and Computershare Trust Company of Canada, as trustee (the **Trustee**), dated November 5, 2010 (the **Amended and Restated Indenture**), as supplemented by the amended and restated fourth series supplemental indenture dated as of December 7, 2010 to be further amended and restated as of the Closing Date (the **Supplemental Indenture** and the Amended and Restated Indenture, as supplemented by the Supplemental Indenture, the **Indenture**).

Subject to the terms and conditions set out in this Agreement, the Company hereby appoints the Agents as its exclusive agents to solicit offers to purchase from the Company at the Closing Time, up to \$400,000,000 of the Securities in consideration for the Purchase Price (as defined in Schedule B hereto plus accrued interest (the **Accrued Interest**) from November 9, 2010 to the date of delivery of the Securities. Offers to purchase the Securities solicited by the Agents will be subject to acceptance by the Company and to the requirements of any applicable Securities Laws (as such term is defined below) and other applicable laws. The Company will have the sole right to accept offers to purchase Securities and reserves the right to withdraw, cancel or modify the offer contemplated herein and may, in its absolute

discretion reject any proposed purchase of Securities, in whole or in part. The Agents propose to distribute the Securities in Canada and the United States in the manner contemplated by this Agreement and pursuant to the Canadian Prospectus and the U.S. Prospectus (each, as defined below).

(j) *Maintenance of Rating.*

At the Closing Time, the Securities shall be rated at least Baa3 (stable outlook) by Moody's Investors Service Inc., BBB- (stable outlook) by Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies (Canada) Corporation, and BBB (stable outlook) by DBRS Limited, and the Company shall have delivered to the Agents a letter dated as of the Closing Date (or such other date as the Agents reasonably approve), satisfactory to the Agents and its counsel, from each such rating agency, or other evidence satisfactory to the Agents and its counsel, confirming that the Securities have such ratings; and since the date of this Agency Agreement, there shall not have occurred a downgrading in the rating assigned to the Securities or any of the Company's other securities by any nationally recognized statistical rating agency, as that term is defined by the Commission for purposes of Rule 15c3-1(c)(2)(vi)(F) under the 1934 Act, and no such organization shall have publicly announced that it has under surveillance or review its rating of the Securities or any of the Company's other securities.

(k) *Additional Documents.*

At the Closing Time, the Company shall have furnished to the Agents such further information, certificates and documents as the Agents may reasonably request and counsel for the Agents shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Agents and counsel for the Agents.

(l) *Termination of Agency Agreement.*

If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agency Agreement and the closing of the offering contemplated hereunder, may be terminated by the Agents by notice in writing to the Company at any time at or prior to Closing Time or such date of delivery, as the case may be, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Sections 1, 6, 7 and 10 shall survive any such termination and remain in full force and effect.

Section 6. Indemnification.

(a) *Indemnification of Agents.*

The Company agrees to indemnify and hold harmless each Agent and each person, if any, who controls any Agent within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(A) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or any amendment thereof, or in the Canadian Base Prospectus, the U.S. Base Prospectus, the Canadian Preliminary Prospectus, the U.S. Preliminary Prospectus, any other preliminary prospectus supplement relating to the Securities, the Canadian Final Prospectus, the U.S. Final Prospectus, any Supplemental Material, the Permitted Free Writing Prospectus, or in any amendment thereof or supplement thereto, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading;

(B) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company; and

(C) against any and all expense whatsoever, as incurred (including the fees and disbursements of one firm of counsel in each relevant jurisdiction chosen by TD Securities Inc.), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (A) or (B) above;

provided, however, that this indemnity agreement shall not apply to (i) any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by the Agents for use in the Registration Statement as originally filed or any amendment thereof, or in the Canadian Base Prospectus, the U.S. Base Prospectus, the Canadian Preliminary Prospectus, the U.S. Preliminary Prospectus, any other preliminary prospectus supplement relating to the Securities, the Canadian Final Prospectus, the U.S. Final Prospectus, any Supplemental Material, the Permitted Free Writing Prospectus, or in any amendment thereof or supplement thereto, and (ii) any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission in the Canadian Preliminary Prospectus or the U.S. Preliminary Prospectus or any other preliminary prospectus supplement that is correct in the Disclosure Package or the Canadian Final Prospectus if the person asserting any such loss, liability, claim, damage or expense purchased any of the Securities from such Agent but was not sent or given a copy of the Disclosure Package or the Canadian Final Prospectus, at or prior to the written confirmation of the sale of such Securities to such person and (A) the Company has complied with Section 3(c) of this Agreement, and (B) any untrue statement or omission or alleged untrue statement or omission in any such preliminary prospectus has been corrected in the Disclosure Package or the Canadian Final Prospectus in the reasonable view of the Agents and (C) it shall be established that the person asserting any such loss, liability, claim, damage or expense was not sent or given a copy of the Disclosure Package or the Canadian Final Prospectus, at or prior to the written confirmation of the sale of the Securities.

(b) *Indemnification of Company, Directors and Officers.*

Each Agent severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement or the Canadian Final Prospectus, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Disclosure Package, the U.S. Final Prospectus or the Canadian Final Prospectus in reliance upon and in conformity with written information furnished to the Company by such Agent expressly for use in the Disclosure Package, the U.S. Final Prospectus or the Canadian Final Prospectus.

(c) *Actions against Parties; Notification.*

Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced

as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of section 6(a) above. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by the Agents with the consent of the Company, such consent not to be unreasonably withheld or delayed, and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.*

If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(B) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received written notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

Section 7. Contribution.

If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Agents on the

other hand from the offering of the Securities pursuant to this Agency Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Agents on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company on the one hand and the Agents on the other hand in connection with the offering of the Securities pursuant to this Agency Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agency Agreement (before deducting expenses) received by the Company and the total fee received by the Agents, in each case as set forth on the cover of the Canadian Final Prospectus, bear to the aggregate initial public offering price of the Securities as set forth on such cover.

The relative fault of the Company on the one hand and the Agents on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Agents and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Agents agree that it would not be just and equitable if contribution pursuant to this Section were determined by pro rata allocation (even if the Agents were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section, each person, if any, who controls an Agent within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Agent, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The Agents' respective

obligations to contribute pursuant to this Section are several in proportion to the principal amount of Securities set forth opposite their respective names in Schedule A hereto and not joint.

Section 8. Representations, Warranties and Agreements to Survive Closing.

All representations, warranties and agreements contained in this Agency Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Agent or controlling person, or by or on behalf of the Company, and shall survive the closing of the offering.

Section 9. Termination of Agency Agreement.

(a) *Termination; General.*

The Agents may terminate this Agency Agreement and the closing contemplated hereunder, by notice to the Company, at any time at or prior to Closing Time (i) if there has been, since the time of execution of this Agency Agreement or since the respective dates as of which information is given in the Disclosure Package, the U.S. Final Prospectus and the Canadian Final Prospectus (in each case, exclusive of any amendment or supplement thereto), any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or Canada or in the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions or any law or regulation, in each case the effect of which, in the opinion of the Agents, seriously adversely affects or involves, or will seriously adversely affect or involve, the financial markets or the business, operations or affairs of the Company and its subsidiaries considered as one enterprise, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission, the Reviewing Authority or any Qualifying Authority, The Toronto Stock Exchange or The New York Stock Exchange, or if trading generally on the NYSE AMEX LLC or in the Nasdaq National Market or The Toronto Stock Exchange has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the Reviewing Authority or any Qualifying Authority, the Financial Industry Regulatory Authority, Inc. or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or with respect to Clearstream or Euroclear Systems in Europe or with respect to The Canadian Depository For Securities Limited in Canada, or (iv) if a banking moratorium has been declared by any United States federal, New York State or Canadian federal or provincial authorities.

(b) *Liabilities.*

If this Agency Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 6, 7 and 10 shall survive such termination and remain in full force and effect.

Section 10. Agent for Service; Submission to Jurisdiction; Waiver of Immunities.

By the execution and delivery of this Agency Agreement, the Company (i) acknowledges that it has, by separate written instrument, irrevocably designated and appointed CT Corporation System, 111 Eighth Avenue, New York, New York 10011, U.S.A. (or any successor) (together with any successor, the **Agent for Service**), as its authorized agent upon which process may be served in any suit or proceeding arising out of or relating to this Agency Agreement or the Securities, that may be instituted in any federal or New York state court in the Borough of Manhattan in The City of New York, or brought under federal or state securities laws, and acknowledges that the Agent for Service has accepted such designation and has provided written evidence of engagement of CT Corporation System acting as such, (ii) submits to the jurisdiction of any such court in any such suit or proceeding, and (iii) agrees that service of process upon the Agent for Service and written notice of said service to the Company (mailed or delivered to its Chief Financial Officer at its principal office in Calgary, Alberta, Canada), shall be deemed in every respect effective service of process upon the Company in any such suit or proceeding. The Company further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of the Agent for Service in full force and effect so long as any of the Securities shall be outstanding.

To the extent that the Company has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, it hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law.

The provisions of this Section 10 shall survive any termination of this Agency Agreement, in whole or in part.

Section 11. Notices.

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Section 13. Parties.

This Agency Agreement shall inure to the benefit of and be binding upon each of the Agents and the Company and their respective successors. Nothing expressed or mentioned in this Agency Agreement is intended or shall be construed to give any person, firm or corporation, other than the Agents and the Company and their respective successors and the controlling persons and officers and directors referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agency Agreement or any provision herein contained. This Agency Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Agents and the Company and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Agent shall be deemed to be a successor by reason merely of such purchase.

Section 14. Governing Law and Time.

(xv) The information in the Registration Statement under Part II, Indemnification, has been reviewed by such counsel and is correct in all material respects; and the opinion of such counsel in the U.S. Final Prospectus and the Canadian Final Prospectus under the captions Certain Income Tax Considerations, Certain Canadian Federal Income Tax Considerations and Eligibility for Investment is confirmed.

(xvi) The form and terms of the Securities have been duly authorized, approved and adopted by the Company and comply with the provisions of the Indenture, with any applicable requirements of the constating documents and by-laws of the Company and with the requirements of the Business Corporations Act (Alberta) relating thereto.

(xvii) The Company has complied with all conditions precedent to the issue of the Securities set forth in the Indenture and all applicable legislation in respect thereof.

(xviii) To the best of such counsel's knowledge based on such counsel's review, and except as disclosed in the Canadian Final Prospectus, neither the Company nor any Significant Subsidiary is in violation of its constating documents or by-laws and no material default by the Company or any subsidiary exists individually or in the aggregate in the due performance or observance of any material obligation, agreement, covenant or condition contained in any contract, indenture, loan agreement, note, lease or other agreement or instrument that is described or referred to in the Registration Statement, the U.S. Final Prospectus or the Canadian Final Prospectus or filed as an exhibit to the Registration Statement.

(xix) To the best of such counsel's knowledge, there is not pending in the Court of Queen's Bench of Alberta (Calgary and Edmonton Judicial Districts) or the Federal Court of Canada, or, pending or threatened elsewhere any action, suit, proceeding, inquiry, or investigation, to which the Company or any Significant Subsidiary is a party, or to which the property of the Company or any Significant Subsidiary is subject, before or brought by any court or governmental agency or body, domestic or foreign, which individually or in the aggregate might reasonably be expected to result in a Material Adverse Effect, and to the best of such counsel's knowledge, there is no pending or threatened action, suit, proceeding, inquiry, or investigation, to which any subsidiary of the Company (other than a Significant Subsidiary) is a party, or to which the property of

any subsidiary of the Company (other than a Significant Subsidiary) is subject, before or brought by any court or governmental agency or body, domestic or foreign, which might reasonably be expected to result in a Material Adverse Effect, or which might reasonably be expected to materially and adversely affect the properties or assets thereof or the consummation of the transactions contemplated in this Agency Agreement or the Indenture or the performance by the Company of its obligations hereunder or thereunder.

(xx) The Canadian Final Prospectus (other than the financial statements and other financial data included or incorporated or deemed to be incorporated therein, as to which such counsel need express no opinion), when filed complied as to form in all material respects with the applicable requirements of National Instrument 44-101 Short Form Prospectus Distributions and Companion Policy 44-101 CP and National Instrument 44-102 Shelf Distributions and Companion Policy 44-102 CP of the Canadian Securities Administrators and complied with the securities laws, rules and regulations of the Province of Alberta as interpreted and applied by the Reviewing Authority except that such counsel need not, for the purposes of the opinion expressed in this paragraph, assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Canadian Final Prospectus.

(xxi) The documents incorporated by reference in the Canadian Final Prospectus as amended or supplemented (other than the financial statements and other financial data included or incorporated or deemed to be incorporated therein, as to which such counsel need express no opinion), when they were filed with the Reviewing Authority and Qualifying Authorities, appear on their face to have been appropriately responsive in all material respects to the formal requirements of the securities laws, rules and regulations of the Province of Alberta as interpreted and applied by the Reviewing Authority and Qualifying Authorities under published policy statements.

(xxii) To the best of such counsel's knowledge, no order having the effect of ceasing or suspending the distribution of the Securities has been issued by the Reviewing Authority or any Qualifying Authority and no proceedings for that purpose have been instituted or are pending or contemplated.

(xxiii) The execution, delivery and performance of this Agency Agreement, the Indenture and the Securities and the consummation by the Company of the transactions contemplated in this Agency Agreement and the Indenture, the U.S. Final Prospectus, the Canadian Final Prospectus and the Registration Statement (including the issuance and sale of the Securities and the use of proceeds from the sale of the Securities as described in the U.S. Final Prospectus and the Canadian Final Prospectus under the caption of "Use of Proceeds") and compliance by the Company with its obligations under the Securities, this Agency Agreement and the Indenture do not and will not, whether with or without the giving of notice or lapse of time or both, conflict with or constitute a breach of, or a default or Repayment Event (as defined in Section 1(a) of this Agency Agreement) under,

or result in the creation or imposition of any lien, charge or encumbrance upon any properties or assets of the Company or any Canadian subsidiary under any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument listed in a schedule to such opinion (except for such conflicts, breaches or defaults or liens, charges or encumbrances that would not have a Material Adverse Effect), nor will such action result in any violation of the provisions of the articles or by-laws of the Company or any Canadian subsidiary, or any applicable Canadian federal or Province of Alberta law, statute, rule, regulation, judgment, order, writ or decree known to such Counsel of any government, governmental instrumentality, or court, domestic or foreign, having jurisdiction over the Company or the Canadian subsidiaries or any of their properties, assets or operations.

(xxiv) All laws of the Province of Québec relating to the use of the French language (other than those relating to verbal communications) will be complied with in respect of the documents to be delivered to purchasers in Québec in connection with the sale of the Securities to purchasers in Québec if such purchasers receive:

(A) copies of the French and English language versions of the Canadian Preliminary Prospectus and the Canadian Final Prospectus, in each case delivered at the same time, or copies of the French language version only and forms of confirmation in the French language or in bilingual form; or

(B) an English language version of the Canadian Preliminary Prospectus and the Canadian Final Prospectus only and forms of confirmation in the English language only if such delivery is made to physical persons who have expressly requested, in writing, such documents in the English language.

(xxv) The laws of the Province of Alberta and the federal laws of Canada applicable therein permit an action to be brought in a court of competent jurisdiction in the Province of Alberta on any final and conclusive judgment in personam of any federal or state court located in the State of New York (a **New York Court**) against the Company, which judgment is subsisting and unsatisfied for a sum certain with respect to the enforceability of the Indenture and the Securities that is not impeachable as void or voidable under the internal laws of the State of New York if (i) the New York Court rendering such judgment had jurisdiction over the judgment debtor, as recognized by the courts of the Province of Alberta (and submission by the Company in the Indenture to the jurisdiction of the New York Court will be sufficient for that purpose with respect to the Securities); (ii) such judgment was not obtained by fraud or in a manner contrary to natural justice and the enforcement thereof would not be inconsistent with public policy, as such terms are understood under the laws of the Province of Alberta or contrary to any order made by the Attorney General of Canada under the Foreign Extraterritorial Measures Act (Canada) or by the Competition Tribunal under the Competition Act (Canada); (iii) the enforcement of such judgment would not be contrary to the laws of

general application limiting the enforcement of creditors' rights including bankruptcy, reorganization, winding up, moratorium and similar laws and does not constitute, directly or indirectly, the enforcement of foreign revenue, expropriatory or penal laws in the Province of Alberta; (iv) no new admissible evidence relevant to the action or new right or defense is discovered prior to the rendering of judgment by the court in the Province of Alberta; (v) interest payable on the Securities is not characterized by a court in the Province of Alberta as interest payable as a criminal rate within the meaning of section 347 of the Criminal Code (Canada); and (vi) the action to enforce such judgment is commenced within the appropriate limitation period; except that, under the Currency Act (Canada), any court in the Province of Alberta may only give judgment in Canadian dollars; and under the laws of Alberta, the appropriate date for such conversion when the action is on a foreign judgment may be other than the date of payment of the judgment.

Such opinion shall additionally state that such counsel has participated in the preparation of the Registration Statement, the Disclosure Package, the U.S. Final Prospectus, the Canadian Final Prospectus, and the Supplementary Material, if any, in connection with the offering of the Securities, and in conferences with officers and other representatives of the Company, representatives of the independent chartered accountants for the Company, and the Agents, at which the contents of the Registration Statement, the Disclosure Package, the U.S. Final Prospectus and the Canadian Final Prospectus and related matters were discussed and have reviewed the documents incorporated by reference in the Registration Statement, the U.S. Final Prospectus and the Canadian Final Prospectus and, although such counsel have not independently verified or checked and are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, Disclosure Package, the U.S. Final Prospectus and the Canadian Final Prospectus except as set forth in paragraphs (v), (x), (xiv) and (xv) above, on the basis of such participation no facts have come to their attention that lead them to believe (a) that the Registration Statement, at the time it became effective, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (b) that the Disclosure Package, at the Execution Time, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or (c) that the U.S. Final Prospectus or the Canadian Final Prospectus, as of its date and as of the Closing Date, included or includes an untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (in each case, except for the financial statements and other financial data and financial projections included or incorporated therein or omitted therefrom, as to which such counsel need not comment).

In giving such opinion, such counsel may rely, as to all matters governed by the laws of jurisdictions other than the laws of the province of Alberta and the federal laws of Canada applicable therein upon the opinions of local counsel, who shall be of counsel satisfactory to

counsel for the Agents, in which case the opinion shall state that they believe the Agents and they are entitled to so rely. Such counsel may also state that, insofar as such opinion involves factual matters, but not legal conclusions, they have relied, to the extent they deem proper, upon certificates of officers of the Company and certificates of public officials; provided that such certificates have been delivered to the Agents. Such opinion shall not state that it is to be governed or qualified by, or that it is otherwise subject to, any treatise, written policy or other document relating to legal opinions.
