---

**Table of Contents****ITEM 5. OTHER EVENTS**

On December 22, 2003, General Motors Corporation ( GM ), Hughes Electronics Corporation ( Hughes ) and The News Corporation Limited ( News Corporation ) completed a series of transactions pursuant to which (1) Hughes was split off from GM (the Split-Off ) through the exchange of one share of common stock, par value \$0.01 per share, of Hughes, for, and in redemption of, each outstanding share of Class H Common Stock, par value \$0.10 per share, of GM ( GM Class H common stock ) ; (2) simultaneously with the Split-Off, GM sold and News Publishing Australia Limited ( NPAL ), a wholly owned subsidiary of News Corporation, purchased all of GM 's shares of Class B common stock, par value \$0.01 per share, of Hughes, representing about 19.8% of the outstanding common stock of Hughes and GM 's retained economic interest in Hughes immediately prior to the Split-Off (the Stock Sale ); and (3) immediately following the consummation of the Split-Off and the Stock Sale, NPAL acquired an additional approximately 14.2% of the outstanding common stock of Hughes through a merger of GMH Merger Sub, Inc., a wholly owned subsidiary of NPAL, with and into Hughes, with Hughes continuing as the surviving corporation. On December 22, 2003, in order to provide GM the ability to implement the Split-Off, GM filed with the Delaware Secretary of State an amendment to Article Fourth of the GM restated certificate of incorporation (the First GM Charter Amendment ). On December 22, 2003, in order to eliminate certain provisions relating to the GM Class H common stock after completion of the transactions, GM filed with the Delaware Secretary of State another amendment to Article Fourth of the GM restated certificate of incorporation (the Second GM Charter Amendment ). A copy of the First GM Charter Amendment and the Second GM Charter Amendment are attached hereto as Exhibits 99.1 and 99.2, respectively, and are incorporated herein by reference.
