(a) On February 13, 2007, the Board of Directors (the "Board") of Champion Enterprises, Inc. (the Company) approved the recommendation of the Compensation and Human Resources Committee (the Committee) for the 2007 base salaries set forth below, effective January 1, 2007, to the individuals who have been included as the named executive officers in the Company's proxy statement for the 2006 annual meeting of shareholders. Included among the named executive officers set forth below are the Company's principal executive officer and principal financial officer.

<b>Name</b>	<b>Title</b>	<b>2007 Base Salary</b>
William C. Griffiths	Chairman, President and Chief Executive Officer	\$765,000
Phyllis A. Knight	Executive Vice President, Chief Financial Officer and Treasurer	\$379,000
John J. Collins	Senior Vice President, General Counsel and Secretary	\$325,000
Bobby J. Williams	Vice President, Operations	\$284,000
Jeffery L. Nugent	Vice President, Human Resources	\$216,000

(b) On February 13, the Board also approved the recommendation of the Committee for the 2007 annual incentive program for executive officers of the Company, effective January 1, 2007, under the Company's 2005 Equity Compensation and Incentive Plan (the 2005 Incentive Plan). Under this program, each executive officer is assigned a target bonus amount that is a certain percentage of his or her annual base salary ranging from 50% up to 100% for the President of the Company. The tentative bonus payable will be a percentage of the executive officer's target bonus amount based upon the extent to which the 2007 pre-tax cash earnings of the Company exceed a minimum pre-tax cash earnings threshold. In no event, however, may the bonus actually paid exceed 200% of the employee's target bonus amount.

(c) On February 13, the Board also granted 2007 performance share awards under the 2005 Incentive Plan to executive officers and other employees of the Company, as recommended by the Committee. The Board also approved performance goals for the 2007 performance share awards. The 2007 performance share awards vest fully to the extent that the specified performance goals are met over the three-year period 2007-2009 and the employee remains employed with the Company until the 2009 results are publicly released in 2010. The performance goals for the 2007 performance awards are based upon a cumulative pre-tax cash earnings target for the three-year period 2007-2009. Performance shares may be earned annually based upon the portion of the cumulative pre-tax cash earnings target reached, but do not vest until 2009 results are publicly released in 2010.
