INTRODUCTORY STATEMENT

This Registration Statement on Form S-8 (this Registration Statement) is being filed by Input/Output, Inc. (the Company , or the Registrant) pursuant to General Instruction E to Form S-8 to register an additional 1,700,000 shares of the Company s common stock, par value \$0.01 per share, issuable pursuant to the Second Amended and Restated Input/Output, Inc. 2004 Long-Term Incentive Plan (the 2004 Plan). On March 14, 2006, the Company s Board of Directors approved, and on May 17, 2006, the stockholders of the Company approved, the amendment and restatement of such plan as previously in effect, principally to (i) increase by 1,700,000 the total number of shares of common stock of the Company available for issuance under such plan, and (ii) add provisions allowing equity compensation awards to non-employee directors to replace the Company s Amended and Restated 1996 Non-Employee Director Stock Option Plan, which expires by its terms in July 2006. The contents of the earlier registration statement on Form S-8, File No. 333-125655, previously filed by the Company and relating to the registration of shares of common stock for issuance or resale under the 2004 Plan are hereby incorporated by reference in this Registration Statement in accordance with General Instruction E to Form S-8.

The previously-filed registration statement on Form S-8 (No. 333-125655) referred to above contains a resale prospectus filed therewith pursuant to General Instruction C to Form S-8, which stated that it covers the offer and sale, from time to time by the selling stockholders named therein, of up to an aggregate of 2,600,000 shares of the Company s common stock acquired under the 2004 Plan (as then in effect). The reference to the 2,600,000 shares covered by this resale prospectus was incorrect. Actually, only 255,500 shares were specifically identified in such prospectus as being offered for resale by such selling stockholders.

Item 9. Undertakings

A. Undertaking to Update

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. Undertaking With Respect to Documents Incorporated by Reference

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Undertaking With Respect to Indemnification

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
