Actual future results and trends for the Company may differ materially depending on a variety of factors discussed in the Company's filings with the Securities and Exchange Commission. Factors that may affect the plans or results of the Company include, without limitation, (a) the ability and willingness of Kindred Healthcare, Inc. ( Atria ) to continue to meet and honor its contractual arrangements with the Company and Ventas Realty, Limited Partnership entered into in connection with the Company's spin-off of its assisted living operations and related assets and liabilities to Atria in August 1996, (n) the ability and willingness of the Company to maintain its qualification as a REIT due to economic, market, legal, tax or other considerations, including without limitation, the risk that the Company may fail to qualify as a REIT due to its ownership of common stock in Kindred, (o) the outcome of the audit being conducted by the Internal Revenue Service for the Company's tax years ending December 31, 1997 and 1998, (p) final determination of the Company's taxable net income for the year ending December 31, 2002, (q) the ability and willingness of the
