Item 4. Description of Securities.

Not applicable. (The common stock is registered under Section 12(b) of the Exchange Act.)

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant is a Connecticut corporation subject to the applicable indemnification provisions of the Connecticut Business Corporation Act (the "CBCA"). Under section 33-771 of the CBCA, a corporation incorporated under the laws of Connecticut prior to January 1, 1997, such as the Registrant, is required to indemnify an individual who is a party to a proceeding because he or she is a director against liability incurred in the proceeding if (a) such person conducted himself or herself in good faith, (b) such person reasonably believed (i) in the case of conduct in such person's official capacity, that his or her conduct was in the best interests of the corporation, (ii) in all other cases, that such conduct was at least not opposed to the best interests of the corporation, and (c) in the case of any criminal proceeding, such person had no reasonable cause to believe his or her conduct was unlawful. In addition, unless ordered by a court, a corporation may not indemnify such person in connection with a proceeding by or in the right of the corporation (except for reasonable expenses incurred in connection with the proceeding if it is determined that such person has met the standard of conduct set forth in the foregoing sentence) or in connection with any proceeding with respect to conduct for which such person was adjudged liable on the basis that he or she received a financial benefit to which he or she was not entitled. Indemnity is mandatory to the extent the matter has been successfully defended. Under section 33-776 of the CBCA, a corporation incorporated under the laws of Connecticut prior to January 1, 1997 also is required to indemnify an officer, employee and agent who is a party to a proceeding because he or she is an officer, employee or agent of the corporation to the same extent as a director. Section 33-776 of the CBCA further provides that if such person is an officer, employee or agent but not a director and such person is a party to a proceeding because he or she is an officer, employee or agent of the corporation, a corporation may indemnify such person to such further extent, consistent with public policy, as may be provided by contract, the certificate of incorporation of the corporation, the bylaws of the corporation or a resolution of the board of directors.

The Registrant's restated by-laws provide that the Registrant shall indemnify and reimburse, to the fullest extent permitted under applicable law, any current or former director or officer or, at the discretion of the Board of Directors, any current or former employee or agent made a party to any action, suit or proceeding, by reason of the fact that he or she is or was a director, officer, employee or agent of the Registrant, for expenses, including attorneys' fees, and such amount of any judgment, fine or settlement for which he or she may have become liable or actually incurred in connection with the defense or reasonable settlement of any such action or threatened action, suit or proceeding. The Registrant's restated certificate of incorporation provides that the personal liability of any director to the Registrant or its shareholders for monetary damages for breaching his or her duty as a director is limited to the amount of compensation received by the director for serving the Registrant during the year of the violation if such breach did not, among other things, (a) involve a knowing and culpable violation of law by the director, (b) enable the director or an associate to receive an improper personal economic gain, (c) show a lack of good faith and a conscious disregard for the duty of the director to the Registrant under circumstances in which the director was aware that his or her conduct or omission created an unjustifiable risk of serious injury to the Registrant, or (d) constitute a sustained and unexcused pattern of inattention that amounted to an abdication of the director's duty to the Registrant. The Registrant has obtained directors' and officers' reimbursement and liability insurance against certain liabilities.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date; or

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a Registration Statement relating to an offering, other than Registration Statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the Registration Statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such date of first use.

(6) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
