(the "Company"), completed the acquisition of Point To Point Network Services, Inc., a Massachusetts corporation ("Point To Point-Mass."), a provider of fixed communications networking design and build-out services, such as voice, data, and video, to the communications industry. The acquisition was structured as a forward triangular merger (the "Merger"), with Point To Point-Mass. merging with and into Point To Point Network Services, Inc., a Delaware corporation and wholly-owned subsidiary of the Company ("Point To Point-Del."), pursuant to a Reorganization Agreement and Plan of Merger (the "Merger Agreement").

The Merger Agreement requires 200,000 shares of the Merger Shares to be held in escrow for one year in order to satisfy certain indemnification obligations that could arise under the Merger Agreement, and piggy-back registration rights were granted in connection with the Merger Shares. The Company had 10,888,982 shares of Common Stock outstanding immediately following the Merger.
