The Securities and Exchange Commission requires that the Company include in this Proxy Statement a line-graph presentation comparing cumulative, five-year return to the Company's shareholders (based on appreciation of the market price of the Company's common stock) on an indexed basis with (i) a broad equity market index and (ii) an appropriate published industry or line-of-business index, or peer group index constructed by the Company. The following presentation compares the Company's common stock price in the period from December 28, 1997 through December 29, 2002, to the S&P 500 Stock Index and to the S&P Small Cap Restaurant Index.

The Company has elected to use the S&P Small Cap Restaurant Index in compiling its stock performance graph because it believes the S&P Small Cap Restaurant Index represents a comparison to competitors with similar market capitalization to the Company.

The presentation assumes that the value of an investment in each of the Company's common stock, the S&P 500 Index and the S&P Small Cap Restaurant Index was \$100 on December 28, 1997, and that any dividends paid were reinvested in the same security.

OTHER MATTERS

BOARD OF DIRECTORS AND COMMITTEES

Board of Directors

The Board of Directors held three meetings during 2002 and took action by written action in lieu of a meeting five times. The Company has an Audit Committee and a Compensation Committee.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The Company has established a four-member Audit Committee within the Board of Directors that currently consists of Messrs. Thomas J. Brosig, K. Jeffrey Dahlberg, Richard L. Monfort and Dean Riesen. During 2002, the Audit Committee was a three-member committee consisting of Messrs. Dahlberg, Monfort and James W. Cox, a former member of the Company's Board of Directors who resigned as of March 10, 2003. Mr. Brosig was appointed to replace Mr. Cox as a member of the Audit Committee upon Mr. Cox's resignation. On March 10, 2003, Mr. Riesen was appointed to serve as the fourth member of the Audit Committee. The Audit Committee recommends to the full Board the engagement of the Company's independent accountants, reviews the audit plan and results of the audit engagement, reviews the independence of the auditors and reviews the adequacy of the Company's system of internal accounting controls. The Audit Committee held one formal meeting and three informal quarterly telephonic meetings during the fiscal year ended December 29, 2002

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the written charter was attached as an appendix to the proxy statement for the Company's 2001 Annual Meeting of Shareholders. The audit committee has established a policy of reviewing and pre-approving the performance of all audit and non-audit accounting services to be performed by the Company's independent public accountant, other than certain de minimus exceptions.

The Board of Directors has determined that each of the four Audit Committee members is an "independent director", as such term is defined by Section 4200(a)(13) of the National Association of Securities Dealers' listing standards. The Board of Directors has also determined that each of the Audit Committee members is able to read and understand fundamental financial statements and that at least one member of the Audit Committee has past employment experience in finance or accounting.

Compensation Committee of the Board of Directors

The Company's Compensation Committee currently consists of Mr. Thomas J. Brosig. During fiscal 2002, the Company's Compensation Committee consisted of Messrs. Brosig and James W. Cox. The Compensation Committee reviews the Company's remuneration policies and practices, makes recommendations to the full Board in connection with all compensation matters affecting the Company and administers the Company's incentive compensation plans. The Compensation Committee held no formal meetings during 2002 and took action by written action in lieu of a meeting one time.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the directors who served as a member of the Compensation Committee during fiscal 2002 have served as an officer or employee of the Company.

REPORT OF THE AUDIT COMMITTEE

The primary functions of the Audit Committee are (i) to serve as an independent and objective party to monitor the Company's financial reporting process and internal control system, (ii) to review and appraise the audit efforts of the Company's independent accountants and internal audit department, and (iii) to provide an open avenue of communication among the independent accountants, financial and senior management, the internal audit department, and the Board of Directors.

The Audit Committee has reviewed the Company's audited consolidated financial statements for the last fiscal year and discussed them with management.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit

10

Committees, as amended, promulgated by the Independence Standards Board, and has discussed with the auditors the auditors' independence.

The Audit Committee, based on the review and discussions described above, has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions on compensation of the Company's executives generally have been made by a two-member Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a non-employee director. All decisions by the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board of Directors. During fiscal 2002, the members of the Compensation Committee were Messrs. Thomas J. Brosig and James W. Cox. Pursuant to rules designed to enhance disclosure of the Company's policies toward executive compensation, set forth below is a report prepared by the Compensation Committee addressing the compensation policies for the Company and its subsidiaries for the fiscal year ended December 29, 2002 as they affected the Company's executive officers.

The Compensation Committee's executive compensation policies are designed to provide competitive levels of compensation that integrate pay with the Company's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements, and assist the Company in attracting and retaining qualified executives. Executive compensation is set at levels that the Compensation Committee believes to be consistent with others in the Company's industry.

There are three elements in the Company's executive compensation program, all determined by individual and corporate performance.

- Base salary compensation
- Annual incentive compensation
- Stock options

Total compensation opportunities are competitive with those offered by employers of comparable size, growth and profitability in the Company's industry.

Base salary compensation is determined by the potential impact the individual has on the Company, the skills and experiences required by the job,

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

and the performance and potential of the incumbent in the job.

Annual incentive compensation for executives of the Company is based primarily on corporate operating earnings and revenue growth and the Company's positioning for future results, but also includes an overall assessment by the Compensation Committee of executive management's performance, as well as market conditions.

Awards of stock grants under the 1995 Stock Option and Compensation Plan (the "Management Plan") are designed to promote the identity of long-term interests between the Company's executives and its shareholders and assist in the retention of executives. The Management Plan also permits the Committee to grant stock options to key personnel. Options become exercisable based upon criteria established by the Company. During 2002, the Compensation Committee issued an aggregate of 356,932 options pursuant to the Management Plan, which included 100,000 shares granted on July 19, 2002 to Martin J. O'Dowd, Chief Executive Officer of the Company. The option granted to Mr. O'Dowd is exercisable at \$6.60 per share, the closing saleprice of the Company's common stock on the date of the grant.

11

Mr. O'Dowd received an annualized base salary of \$450,000 until July 2002, at which time the Compensation Committee increased Mr. O'Dowd's base salary to \$468,000 for the remainder of the fiscal year. This increase resulted from the Committee's assessment of the growth in the Company's operations and prospects since Mr. O'Dowd's prior base salary was established in July 2001. The Committee also increased Mr. O'Dowd's salary to make it more competitive with executives in other industry-related companies. Mr. O'Dowd did not receive an incentive compensation award for fiscal 2002.

The Compensation Committee surveys employee stock option programs of companies with similar capitalization to the Company prior to recommending the grant of options to executives. While the value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of the Company's common stock at any particular point in time, the decision as to whether such value will be realized in any particular year is determined by each individual executive and not by the Compensation Committee. Accordingly, when the Compensation Committee recommends that an option be granted to an executive, that recommendation does not take into account any gains realized that year by that executive as a result of his or her individual decision to exercise an option granted in a previous year.

INDEPENDENT PUBLIC ACCOUNTANTS

GRANT THORNTON LLP

The Audit Committee of the Company's Board of Directors has appointed Grant Thornton LLP as the Company's independent public accountants for the 2003 fiscal year. A representative of Grant Thornton LLP is expected to attend this year's Annual Meeting of Shareholders and be available to respond to appropriate questions from shareholders, and will have the opportunity to make a statement if such representative so desires.

CHANGE IN INDEPENDENT AUDITORS

On September 26, 2002, the Company dismissed Virchow, Krause & Company, LLP, which had previously served as the Company's independent accountants.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The report of Virchow, Krause & Company on the consolidated financial statements of the Company for the past two fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The Company's Audit Committee and Board of Directors participated in and approved the decision to change independent accountants on September 26, 2002.

In connection with its audit of the consolidated financial statements for the 2001 and 2000 fiscal years ending December 30, 2001 and December 31, 2000, respectively, and through September 26, 2002, there were no disagreements with Virchow, Krause & Company on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Virchow, Krause & Company, would have caused Virchow, Krause & Company to make reference to such disagreements in their report on the financial statements for such years.

During the 2001 and 2000 fiscal years and through September 26, 2002, there were no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company requested that Virchow, Krause & Company furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with the above statements. A copy of such letter, dated September 27, 2002, was filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the Securities Exchange Commission on September 27, 2002.

On September 26, 2002, the Company engaged Grant Thornton, LLP as its new independent accountants. Such engagement was approved by the Company's Audit Committee and Board of Directors on

12

September 26, 2002. In the Company's two most recent fiscal years and any subsequent interim period prior to the date of the engagement, the Company had not consulted with Grant Thornton regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report was provided to the Company nor oral advice was provided that Grant Thornton concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a "disagreement," as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a "reportable event," as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

FEES BILLED TO COMPANY BY ITS INDEPENDENT AUDITORS

The following table presents fees for professional audit services rendered by Grant Thornton LLP and Virchow, Krause & Company, LLP, as applicable, during fiscal 2002 and 2001, as well as fees for other services rendered by Grant Thornton LLP and Virchow, Krause & Company, LLP to the Company during fiscal 2002 and 2001.

	2002	2001
	----	----
Audit Fees.....	\$ 51,550	\$ 36,520
Audit-Related Fees(1).....	\$ 19,057	\$ 16,512
Tax Fees(2).....	\$ 33,365	\$ 19,007

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

All Other Fees(3).....	\$ 19,162	\$ 28,397
	-----	-----
Total Fees.....	\$123,132	\$100,436
	=====	=====

-
- (1) Audit-Related Fees consist principally of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements but not reported under the caption Audit Fees above.
 - (2) Tax Fees consist of fees for tax compliance, tax advice, and tax planning.
 - (3) All Other Fees in fiscal 2001 consist of fees for products and services provided other than the audit, audit related and tax services reported above.

The Audit Committee of the Board of Directors has reviewed the fees billed by Grant Thornton LLP during fiscal year 2002 and, after consideration, has determined that the receipt of these fees by Grant Thornton LLP is compatible with Grant Thornton LLP's maintaining its independence.

CERTAIN TRANSACTIONS

During January 2002, the Company paid off and terminated a revolving line of credit with Associated Commercial Financing, Inc. (formerly known as BNC Financial Corporation), of which outstanding amounts were secured by certain of the Company's assets and were personally guaranteed (and partially secured) by Mr. David W. Anderson, the Chairman of the Company.

During fiscal year 2002, the Company rented various properties from S&D Land Holdings, Inc. ("S&D"), a Minnesota corporation that is wholly owned by Mr. David W. Anderson, the Chairman of the Company. The Company paid S&D rent of \$301,381 during the fiscal year ended December 29, 2002. The Company owed S&D \$365,000 at December 30, 2001 that was paid in full in January 2002. In addition, in February 2002, the Company paid off a \$750,000 note issued to S&D in connection with the Company's January 2000 purchase of a restaurant site in Minnetonka, Minnesota.

On October 5, 2001, the Company granted Martin J. O'Dowd a two-year exclusive option to develop franchise units in North Carolina beginning in October 2004, which option generally precludes the Company's development of owned or franchised restaurants in North Carolina before the expiration of the option. The option permits Mr. O'Dowd to develop the franchise units in exchange for a 4% royalty fee, which fee may be less than the aggregate amount the Company may have charged an unaffiliated third party. In addition, the

customary Franchise Area Development and Franchise Fees the Company would have charged an unaffiliated third party are waived.

Except as otherwise set forth above, management believes all of the above-described transactions were conducted on terms no less favorable to the Company than could be obtained from unrelated third parties.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than ten percent

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership of such securities with the Securities and Exchange Commission and NASDAQ. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Information regarding Christopher O'Donnell required to be filed on Form 3 in June 2002, was instead filed in August 2002. Except as set forth above, based solely on review of the copies of such forms furnished to the Company, or written representations that no Forms 5 were required, the Company believes that its officers, directors and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements during the fiscal year ended December 29, 2002.

PROPOSALS OF SHAREHOLDERS

Any shareholder who desires to submit a proposal for action by the stockholders at the next annual meeting must submit such proposal in writing to Martin J. O'Dowd, Secretary, Famous Dave's of America, Inc., 8091 Wallace Road, Eden Prairie, Minnesota 55344 by January 6, 2004. Due to the complexity of the respective rights of the shareholders and the Company in this area, any shareholder desiring to propose such an action is advised to consult with his or her legal counsel with respect to such rights. The Company suggests that any such proposal be submitted by certified mail, return receipt requested.

DISCRETIONARY PROXY VOTING AUTHORITY/ UNTIMELY STOCKHOLDER PROPOSALS

Rule 14a-4(c) promulgated under the Securities and Exchange Act of 1934 governs the Company's use of its discretionary proxy voting authority with respect to a shareholder proposal that the stockholder has not sought to include in the Company's proxy statement. The Rule provides that if a proponent of a proposal fails to notify the Company of the proposal at least 45 days before the date of mailing of the prior year's proxy statement, then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement.

With respect to the Company's 2004 Annual Meeting of Shareholders, if the Company is not provided notice of a stockholder proposal, which the stockholder has not previously sought to include in the Company's proxy statement, by March 21, 2004, the management proxies will be allowed to use their discretionary authority as outlined above.

SOLICITATION

The Company will bear the cost of preparing, assembling and mailing the Proxy, Proxy Statement, Annual Report and other material which may be sent to the shareholders in connection with this solicitation. Brokerage houses and other custodians, nominees and fiduciaries may be requested to forward soliciting material to the beneficial owners of stock, in which case they will be reimbursed by the Company for their expenses in doing so. Proxies are being solicited personally, by telephone, by telegram or by special letter.

The Board of Directors does not intend to present to the meeting any other matter not referred to above and does not presently know of any matters that may be presented to the meeting by others. However, if other

matters come before the meeting, it is the intent of the persons named in the

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

enclosed proxy to vote the proxy in accordance with their best judgment.
