Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and beneficial owners of more than 10% of our outstanding common stock (collectively, Insiders) to file reports with the SEC disclosing direct and indirect ownership of our common stock and changes in such ownership. The rules of the SEC require Insiders to provide us with copies of all Section 16(a) reports filed with the SEC. Based solely upon a review of copies of Section 16(a) reports received by us, and written representations that no additional reports were required to be filed with the SEC, we believe Insiders have complied with all Section

16(a) filing requirements applicable since January 1, 2004, except that Lance Zingale filed one Form 4 late, reporting one transaction of a grant of options to purchase 10,000 shares of common stock.

Agreements with Executives

Steven Butler, our Executive Vice President, Chief Financial Officer, and Interim Chief Executive Officer, and Lawrence Zingale, our Executive Vice President and Chief Operating Officer, have each executed an executive confidentiality and non-competition agreement with us. The agreements provide that we will pay severance to the applicable executive for a guaranteed period of six months (for Mr. Butler) and nine months (for Mr. Zingale) following the termination of the executive's employment.

The agreements restrict the applicable executive's ability to engage in businesses similar to ours in certain defined territory for one year after the executive's service with us terminates. We agree to pay severance to the executive for the guaranteed periods described above, and up to one year in the event the executive does not secure employment prior to the end of the one-year period with a business that does not compete with us.

The agreements also provide that the executive will keep confidential all Confidential Information, as defined in the agreements, and restrict the executive's use of such Confidential Information. The executives also agree not to solicit business from our customers for a period of four years following the executive's termination of service with us, and agree not to hire our employees for two years following such termination of service. Under the terms of the agreements, we own certain intangible assets generated by the executives in the scope of their employment with us, and the executives assign all rights to intellectual property developed by them in the course of their employment with us.

In 1997, we entered into a verbal agreement with Mr. Stephenson under which Mr. Stephenson provides us with advisory services and his services as our Chairman. Mr. Stephenson is entitled to an advisory fee under this agreement of \$245,000 per year.

In February 2005, we entered into a resignation agreement with William E. Meade, Jr. in connection with his resignation as our Chief Executive Officer. The agreement provides that Mr. Meade's employment will continue through May 16, 2005, and that he is entitled to his regular compensation and benefits through that date, but that he is excused from any further duties following February 16, 2005. The agreement also entitles Mr. Meade to be paid his annual base salary through May 16, 2006, or a total of \$434,491, accelerated the vesting on 40,000 stock options previously granted to Mr. Meade, and provides that vested stock options held by Mr. Meade will terminate on August 15, 2006. Under the terms of the resignation agreement, certain confidentiality and non-competition agreements contained in Mr. Meade's employment agreement remain in effect in accordance with their terms. Those agreements provide for non-disclosure of our confidential or proprietary information and non-competition by Mr. Meade for a one-year period after his employment terminates, and for non-solicitation by him of our employees, suppliers and customers for a three-year period after his employment terminates.

Item 13. Certain Relationships and Related Transactions.

Registration Rights Agreement

We have entered into a registration rights agreement with Mr. Stephenson, Toni E. Stephenson, Mr. Stephenson's wife, and certain other members of Mr. Stephenson's family. The agreement took effect on June 9, 2004, and terminates on the earlier of (i) June 9, 2009, and (ii) when the number of shares registrable for resale under the agreement constitutes less than 10% of our common stock outstanding. Mr. Stephenson owns 3,350,882 shares, or 22.9%, of our common stock outstanding. Under the registration rights agreement, the holders of one-third or more of the registrable shares as defined in the registration rights agreement may demand that we file a registration statement under the Securities Act covering some or all of their registrable shares. We are obligated to file no more than two such demand registration statements (unless the number of shares requested to be included in a demand registration has been reduced by more than 15% by an underwriter). The filing of a demand registration statement may be subject to further delay upon the occurrence of other specified events. In addition to these demand registration rights, if we propose to register any of our equity securities under the Securities Act, other than pursuant to registration statements on Forms S-4 or S-8, the holders of registrable securities may require that we include all or a portion of their registrable securities in the registration statement and in any related underwriting. In an underwritten offering, the managing underwriter, if any, has the right, subject to specified conditions, to limit the number of registrable securities included in the offering. Registration of shares of our common stock pursuant to the rights granted to the holders of registrable securities pursuant to the registration rights agreement, and subsequent sale of such shares under the registration statement, will result in such shares becoming freely tradable without restriction under the Securities Act. In connection with demand registrations, we will bear the expenses related to such registrations to the extent we would be required to incur such expenses within 12 months or obtain substantial benefit from complying with the demand. We will bear the expenses related to registrations we file in which the selling stockholders include registrable securities, except that the selling stockholders will bear their pro-rata portion of the underwriting discounts and commissions applicable to any such registration. The selling stockholders will bear all other fees, costs and expenses of registrations under the registration rights agreement, including underwriting discounts and commissions.

The agreement also provides that, upon the occurrence of a change of control of us by merger, share exchange, stock sale or tender offer, or in the event members of the Stephenson family sell in the aggregate 15% or more of our outstanding common stock in any two-year period (subject to certain conditions) no member of the Stephenson family will accept a premium for their shares in such transactions without providing an opportunity to all our other stockholders to sell their shares (or at least the same proportionate interest as the Stephenson family proposes to sell) at the same price; provided that the Stephenson family will be free to sell shares at any time in sales registered under the Securities Act, so long as the applicable members of the Stephenson family are named as selling stockholders in the related prospectus, or in Rule 144 transactions, without restriction under this provision.

Investor Rights Agreement

We have entered into an investor rights agreement with Mr. Stephenson that took effect upon June 9, 2004, and terminates if Mr. Stephenson ceases to beneficially own at least 10% of our common stock. The agreement provides that subject to the board's fiduciary duties under applicable law, we will nominate for election to our board of directors

designees named by Mr. Stephenson representing (i) a number of directors equal to one less than a majority of the board if there are an odd number of directors, or two less than a majority if there are an even number of directors, so long as Mr. Stephenson, together with members of his family, beneficially owns 30% or more of our outstanding common stock, or (ii) one director, so long as Mr. Stephenson, together with members of his family, beneficially owns between 10% and 30% of our outstanding common stock. Mr. Stephenson's nominees under these provisions need not be independent or meet other specific criteria, so long as a majority of the members of our board are independent under the rules of the SEC and the New York Stock Exchange. The agreement also required that we amend Article II, Section 6 of our Bylaws to provide that a holder of 10% or more of our outstanding common stock is entitled to call a special stockholders meeting. The investor rights agreement provides that so long as Mr. Stephenson, together with members of his family, beneficially owns 10% or more of our outstanding common stock, Article II, Section 6 of the Bylaws, as amended, may not be further amended by our board of directors without Mr. Stephenson's consent.

The rights provided to Mr. Stephenson in the investor rights agreement may not be transferred to any third party other than to Mrs. Stephenson, upon the death or incompetence of Mr. Stephenson and to her estate, upon the subsequent death or incompetence of Mrs. Stephenson. Mr. Stephenson does not have the right to vote shares of stock held by other members of the Stephenson family.

All Other Fees. During the years ended December, 31, 2004, and 2003, there were no fees billed or incurred related to other fees or financial information systems design and implementation.

In accordance with our Audit Committee Charter, the Audit Committee approves in advance any and all audit services, including audit engagement fees and terms, and non-audit services provided to us by our independent auditors (subject to the de minimus exception for non-audit services contained in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended), all as required by applicable law or listing standards. The independent auditors and our management are required to periodically report to the Audit Committee the extent of services provided by the independent auditors and the fees associated with these services.
