**PROXY STATEMENT**

**For Annual Meeting of Stockholders**

We are furnishing this proxy statement in connection with the board of directors' solicitation of proxies for use at our 2007 Annual Meeting of Stockholders to be held at 9:30 a.m., local time, on May 1, 2007, at the Denver Marriott South at Park Meadows, 10345 Park Meadows Drive, Littleton, Colorado 80124, Tel. No. (303) 925-0004, or at any adjournment or postponement of the annual meeting. At the annual meeting, we will ask you to consider and approve the proposals described in the Notice of Annual Meeting of Stockholders. The proposals are described in more detail in this proxy statement. We are soliciting proxies from holders of our Series A common stock, par value \$.01 per share, and our Series B common stock, par value \$.01 per share.

The date of this proxy statement is April 2, 2007. We are first sending this proxy statement to stockholders on or about that date.

**VOTING; PROXIES**

**Voting**

***Who May Vote***

Holders of our Series A common stock and Series B common stock, as recorded in our stock register as of 5:00 p.m., New York City time, on March 28, 2007 (which is the record date for the annual meeting), may vote at the annual meeting or any adjournment thereof. We expect there to be, as of the record date for the annual meeting, approximately 3,165 record holders of Series A common stock and approximately 152 record holders of Series B common stock. These amounts do not include the number of stockholders whose shares are held of record by banks, brokers or other nominees, but include each such institution as one holder.

As of February 28, 2007, an aggregate of 268,201,601 shares of our Series A common stock and 12,021,078 shares of our Series B common stock were outstanding and entitled to vote. No other shares of our capital stock are currently outstanding.

***Votes You Have***

At the annual meeting, holders of Series A common stock will have one vote per share for each share of Series A common stock that our records show they owned on the record date, and holders of Series B common stock will have ten votes per share for each share of Series B common stock that our records show they owned on the record date.

## **Table of Contents**

### ***How to Vote***

You may vote in person at the annual meeting. Alternatively, you may give a proxy by completing, signing, dating and returning the enclosed proxy card, or by executing and delivering a proxy by telephone or over the Internet. We recommend that you vote by proxy even if you plan to attend the annual meeting. You may change your vote at the annual meeting.

### ***Quorum***

In order to carry on the business of the annual meeting, we must have a quorum present. This means that at least a majority of the voting power represented by the shares of our common stock outstanding on the record date must be represented at the annual meeting, either in person or by proxy. For purposes of determining a quorum, we will include your shares as represented at the meeting even if you indicate on your proxy card that you abstain from voting. In addition, if a broker, bank or other nominee, who is a record holder of shares, indicates on a form of proxy that the broker does not have discretionary authority to vote those shares on any proposal (whether by reason of the beneficial owner's withholding of such authority or if those shares are voted in other circumstances in which proxy authority is defective or has been withheld with respect to any proposal), these shares (which we refer to as broker non-votes) will be treated as present for purposes of determining the presence of a quorum.

### ***Votes Needed***

***Election of Directors Proposal.*** A plurality of the affirmative votes of the shares of our Series A common stock and Series B common stock outstanding on the record date, voting together as a single class, that are voted in person or by proxy at the annual meeting is required to elect Mr. Gould and Mr. Robison as Class II directors of our board of directors. This means that the nominees will be elected if they receive more affirmative votes than any other person.

If you submit a proxy card on which you indicate that you abstain from voting, it will have no effect on the election of directors proposal.

Broker non-votes will have no effect on the election of directors proposal.

***Auditors Ratification Proposal.*** Approval of the auditors ratification proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of our Series A common stock and Series B common stock entitled to vote that are present, in person or by proxy, at the annual meeting, voting together as a single class.

If you submit a proxy card on which you indicate that you abstain from voting, it will have the same effect as a vote **AGAINST** the auditors ratification proposal.

Broker non-votes will have no effect on the auditors ratification proposal.

### **Proxies**

#### ***How Proxies Work***

***Record Holders.*** A form of proxy for use at the annual meeting has been included with each copy of this proxy statement mailed to our record stockholders. Unless subsequently revoked, shares of common stock represented by a proxy submitted as described below and received at or before the annual meeting will be voted in accordance with the instructions on the proxy.

We recommend that you vote by proxy even if you plan to attend the meeting. You may change your vote at the meeting. To submit a written proxy by mail, you should complete, sign, date and mail the proxy card in accordance with the instructions on the card. If a proxy card is signed and returned without indicating any voting instructions, the shares of common stock represented by the proxy will be voted **FOR** each of the proposals. You may also submit a proxy over the Internet or by telephone by following the instructions set forth on the proxy card.

**Table of Contents**

**Shares Held in Street Name.** If you hold your shares in the name of a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee to give instructions regarding the voting of your shares.

Shares represented by broker non-votes will be deemed shares not entitled to vote and will not be included for purposes of determining the aggregate voting power and number of shares represented and entitled to vote on a particular proposal. For information concerning the effects of broker non-votes, see Voting Votes Needed above.

***Solicitation***

In addition to this mailing, our employees may solicit proxies personally, electronically or by telephone. We pay the costs of soliciting these proxies. We also reimburse brokers and other nominees for their expenses in sending these materials to you and getting your voting instruction.

***Revoking a Proxy***

**Record holders.** Before your proxy is voted, you may change your voting instructions by telephone or over the Internet (if you originally gave your proxy by telephone or over the Internet), by voting in person at the annual meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Discovery Holding Company, c/o Computershare Trust Company, N.A., P.O. Box 43101, Providence, Rhode Island 02940. Any signed proxy revocation or new signed proxy must be received before the start of the annual meeting.

Your attendance at the annual meeting will not, by itself, revoke your proxy.

**Shares held in Street Name.** If your shares are held in an account by a broker, bank or other nominee, you should contact your broker, bank or other nominee to change your voting instructions.

***Other Matters to Be Voted on at the Annual Meeting***

The board of directors is not currently aware of any business to be acted on at the annual meeting other than as described in this proxy statement. **If, however, other matters are properly brought before the annual meeting, the persons you choose as proxies may have discretion to vote or to act on these matters according to their best judgment, unless you indicate otherwise on your proxy.**

One of the other matters that could come before the annual meeting is a proposal to adjourn or postpone the meeting. If the purpose of the proposal to adjourn or postpone the annual meeting is the solicitation of additional proxies, the persons you choose as proxies will not have the discretion to vote for such a proposal; instead:

shares represented by proxies voting against the proposals will be voted **AGAINST** such proposal to adjourn or postpone the annual meeting;

shares represented by proxies voting for the proposals will be voted **FOR** such proposal to adjourn or postpone the annual meeting; and

shares represented by proxies indicating the stockholder abstained from voting on the proposals may not be voted with respect to such proposal to adjourn or postpone the annual meeting.

However, if the purpose of the adjournment or postponement is not for the solicitation of additional proxies, the persons you choose as proxies will have discretion to vote on any adjournment or postponement of the annual meeting.

For purposes of the following presentation, beneficial ownership of shares of our Series B common stock, though convertible on a one-for-one basis into shares of our Series A common stock, is reported as beneficial ownership of our Series B common stock only, and not as beneficial ownership of our Series A common stock, but the voting power of the Series A common stock and Series B common stock have been aggregated. **PROPOSAL 2 THE AUDITORS RATIFICATION PROPOSAL**

We are asking our stockholders to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2007.

Even if the selection of KPMG LLP is ratified, the audit committee of our board in its discretion may direct the appointment of a different independent accounting firm at any time during the year if our audit committee determines that such a change would be in the best interests of our company and our stockholders. In the event our stockholders fail to ratify the selection of KPMG LLP, our audit committee will consider it as a direction to select other auditors for the year ending December 31, 2008.

A representative of KPMG LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if that representative so desires and will be available to respond to appropriate questions.

**Audit Fees and All Other Fees**

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our annual financial statements, including our consolidated subsidiaries, for 2006, and fees billed for other services rendered by KPMG LLP:

	<b>2006</b>	<b>2005</b>
Audit fees	\$ 2,044,000	830,000
Audit related fees(1)	152,000	15,000
Audit and audit related fees	2,196,000	845,000
Tax fees(2)	283,000	200,000
Total fees	\$ 2,479,000	1,045,000

- (1) Audit related fees include fees incurred for due diligence related to potential business combinations and audits of financial statements of certain employee benefits plans.
- (2) Tax fees consisted of tax compliance and consultations regarding the tax implications of certain transactions.

Our audit committee has considered whether the provision of services by KPMG LLP to our company other than auditing is compatible with KPMG LLP maintaining its independence and does not believe that the provision of such other services is incompatible with KPMG LLP maintaining its independence.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor**

On November 2, 2006, our audit committee amended and restated its policy regarding the pre-approval of all audit and permissible non-audit services provided by our independent auditor. Pursuant to this policy, our audit

## **Table of Contents**

committee has approved the engagement of our independent auditor to provide the following services (all of which we collectively refer to as pre-approved services ):

audit services as specified in the policy, including (i) financial audits of our company and our subsidiaries, (ii) services associated with our periodic reports, registration statements and other documents filed or issued in connection with a securities offering (including comfort letters and consents), (iii) attestations of our management's reports on internal controls and (iv) consultations with management as to accounting or reporting of transactions;

audit related services as specified in the policy, including (i) due diligence services, (ii) financial audits of employee benefit plans, (iii) attestation services not required by statute or regulation, (iv) certain audits incremental to the audit of our consolidated financial statements and (v) closing balance sheet audits related to dispositions; and

tax services as specified in the policy, including federal, state, local and international tax planning, compliance and review services, and tax due diligence and advice regarding mergers and acquisitions.

Notwithstanding the foregoing general pre-approval, any individual project involving the provision of pre-approved services that is expected to result in fees in excess of \$40,000 requires the specific pre-approval of our audit committee. In addition, any engagement of our independent auditors for services other than the pre-approved services requires the specific approval of our audit committee. Our audit committee has delegated the authority for the foregoing approvals to the chairman of the audit committee, subject to his subsequent disclosure to the entire audit committee of the granting of any such approval. M. LaVoy Robison currently serves as the chairman of our audit committee.

Our pre-approval policy prohibits the engagement of our independent auditor to provide any services that are subject to the prohibition imposed by Section 201 of the Sarbanes-Oxley Act.

All services provided by our independent auditor during 2006 were approved in accordance with the terms of the policy.

## **Vote and Recommendation**

The affirmative vote of the holders of a majority of the aggregate voting power of the shares of our Series A common stock and Series B common stock entitled to vote that are present, in person or by proxy, at the annual meeting, voting together as a single class, is required to ratify the selection of KPMG LLP as our independent auditors for the year ending December 31, 2007.

## **Table of Contents**

during the year ended December 31, 2006, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with.

## **Code of Ethics**

We have adopted a code of business conduct and ethics that applies to all of our employees, directors and officers. Our code of business conduct and ethics constitutes our code of ethics within the meaning of Section 406 of the Sarbanes-Oxley Act and our code of conduct within the meaning of the Nasdaq Stock Market rules. Our code of business conduct and ethics is available on our website at [www.discoveryholding.com](http://www.discoveryholding.com).

## **Director Independence**

It is our policy that a majority of the members of our board of directors be independent of our management. For a director to be deemed independent, our board of directors must affirmatively determine that the director has no direct or indirect material relationship with our company. To assist our board of directors in determining which of our directors qualify as independent for purposes of the NASDAQ Stock Market listing standards as well as applicable rules and regulations adopted by the SEC, we developed categorical standards of director independence, which we refer to as our criteria for director independence. Under these criteria, a director will be deemed independent if such director:

is not an employee or member of our management or the management of any of our subsidiaries;

has no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us); for this purpose material relationships can, for example, include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships;

has no other relationship with us or our subsidiaries that would interfere with the exercise of independent judgment as a director; and

does not accept any consulting, advisory or other compensatory fee from us, except fees received for services as a director (including fees for serving on a committee of our board of directors).

In addition, under these criteria, a director will not be deemed independent if such director:

is, or, during the three years preceding the determination date (which period of three years we refer to as the **determination period**), was employed by us or any of our subsidiaries, or has a family member who is or was during the determination period an executive officer of us or any of our subsidiaries;

is, or has an immediate family member who is, an executive officer, partner or controlling shareholder of an organization that made payments to or received payments from us for property or services in the current or any of the past three fiscal years, in an amount which exceeded the greater of \$200,000 or 5% of the recipient's consolidated gross revenues for that year, other than payments solely from investments in our securities or payments under non-discretionary charitable contribution matching programs;

received, or has an immediate family member who received, any payment in excess of \$60,000 from us or any of our subsidiaries during any period of twelve consecutive months within the determination period, other than (a) director and committee fees, (b) payments arising solely from investments in our securities, (c) compensation to an immediate family member who is a non-executive employee of our company or any of our subsidiaries, (d) benefits under a tax-qualified retirement plan, (e) non-discretionary compensation, or

(f) certain permitted loans;

is, or has an immediate family member who is, a current partner of the external auditor of our company or any of our subsidiaries or was a partner or employee with the external auditor of our company or any of our subsidiaries who worked on the audit of our company or any of our subsidiaries at any time during the determination period; or

is, or during the determination period was, or has a family member who is, or during the determination period was, employed as an executive officer by a company as to which an executive officer of our company

**Table of Contents**

serves, or during the determination period served, as a director and member of the compensation committee of such other company.

Our criteria for director independence can be found, in its entirety, on our website at [www.discoveryholding.com](http://www.discoveryholding.com). In accordance with these criteria, our board of directors has determined that each of Paul A. Gould, M. LaVoy Robison and J. David Wargo qualifies as an independent director of our company. In connection with the determination of Mr. Gould's independence, our board considered that Mr. Gould is a Managing Director and Executive Vice President of Allen & Company and that Allen & Company has been retained by our company with respect to a proposed transaction between Discovery Communications, Inc. and Cox Communications, Inc. pursuant to which Cox will exchange all of the shares of Discovery Communications that Cox owns for certain assets of Discovery. Upon consummation of this transaction, our company will pay Allen & Company a negotiated advisory fee pursuant to the engagement letter between us and Allen & Company.

***Compensation Committee***

Our board of directors has established a compensation committee, whose members are Paul A. Gould, M. LaVoy Robison and J. David Wargo. See [Director Independence](#) above. In addition, the compensation committee reviews and makes recommendations on bonus and stock compensation arrangements for all of our employees and has responsibility for the administration of our incentive plan. The compensation committee also reviews, evaluates and approves, on a semi-annual basis, the allocation of costs and expenses made by Liberty for services rendered to us by our named executive officers under the services agreement between us and Liberty. For a description of the services agreement and our process for determining the propriety of the cost and expense allocations for our named executive officers thereunder, see [Executive Compensation](#) [Compensation Discussion and Analysis](#).

***Audit Committee***

Our board of directors has established an audit committee, whose members are Mr. Gould, Mr. Robison and Mr. Wargo. See Director Independence above. In addition, our board of directors has determined that M. LaVoy Robison qualifies as an audit committee financial expert under applicable rules and regulations adopted by the SEC. The audit committee reviews and monitors the corporate financial reporting and the internal and external audits of our company. The committee's functions include, among other things:

appointing or replacing our independent auditors;

reviewing and approving in advance the scope of and fees for our annual audit and reviewing the results of our audits with our independent auditors;

reviewing and approving in advance the scope of and the fees for non-audit services of our independent auditors;

reviewing audited financial statements with our management and independent auditors and making recommendations regarding inclusion of such audited financial statements in certain of our public filings;

overseeing the performance of services by our independent auditors, including holding quarterly meetings to review the quarterly reports of our independent auditors, discussing with our independent auditors issues regarding the ability of our independent auditors to perform such services, obtaining, annually, a letter from our independent auditors addressing certain internal quality-control issues, reviewing with our independent auditors any audit-related problems or difficulties and the response of our management, and addressing other general oversight issues;

reviewing compliance with and the adequacy of our existing major accounting and financial reporting policies;

overseeing the implementation and maintenance of an internal audit function, discussing with our independent auditors and our management the internal audit function's responsibilities, budget and staff, periodically reviewing with our independent auditors the results and findings of the internal audit function and coordinating with our management to ensure that the issues associated with such results and findings are addressed;

reviewing and overseeing compliance with, and establishing procedures for the treatment of alleged violations of, applicable securities laws, SEC and Nasdaq Stock Market rules regarding audit committees and the code of business conduct and ethics adopted by our board of directors; and

preparing a report for our annual proxy statement.

Our board of directors has adopted a written charter for the audit committee, which is available on our website at [www.discoveryholding.com](http://www.discoveryholding.com).

**Audit Committee Report.** Each member of the audit committee is an independent director as determined by the board of directors of Discovery Holding Company, based on the rules of the Nasdaq Stock Market and the criteria of director independence adopted by the board. Each member of the audit committee also satisfies the SEC's independence requirements for members of audit committees. M. LaVoy Robison is Discovery Holding Company's audit committee financial expert under applicable SEC rules and regulations.

The audit committee reviews Discovery Holding Company's financial reporting process on behalf of the board of directors. KPMG LLP, Discovery Holding Company's independent auditor for 2006, is responsible for expressing opinions on the conformity of Discovery Holding Company's audited consolidated financial statements with U.S. generally accepted accounting principles.

The audit committee has reviewed and discussed with management and KPMG Discovery Holding Company's most recent audited consolidated financial statements. The audit committee has also discussed with KPMG the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as modified or supplemented, including that firm's judgment about the quality of Discovery Holding Company's accounting principles, as applied in its financial reporting.

## **Table of Contents**

KPMG has provided the audit committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and the audit committee has discussed with KPMG that firm's independence from Discovery Holding Company and its subsidiaries.

Based on the reviews, discussions and other considerations referred to above, the audit committee recommended to the board of directors of Discovery Holding Company that the audited financial statements be included in Discovery Holding Company's Annual Report on Form 10-K for the year ended December 31, 2006, filed on February 28, 2007 with the SEC.

### ***Absence of a Nominating Committee***

We do not have a standing nominating committee. The board as a whole performs the functions of a nominating committee for purposes of the annual selection of nominees for the election of directors. We believe a nominating committee is not necessary because the board as a whole is familiar with the industries in which our company operates and is knowledgeable regarding the selection of directors. In addition, a majority of our directors are considered independent directors within the meaning of the applicable rules of the Nasdaq Stock Market. The board does not have a charter or other written guidelines for its nominating process. While the board will consider nominees recommended by stockholders, it has not actively solicited such recommendations, nor has it to date established any director nominee criteria or stockholder nominee procedures. The board has historically selected nominees based on their business, financial, accounting or other relevant expertise, their prior experience in the industries in which our company operates and their involvement with our company.

### ***Other***

The board, by resolution, may from time to time establish certain other committees of the board, consisting of one or more of our directors. Any committee so established will have the powers delegated to it by resolution of the board, subject to applicable law.

### **Board Meetings**

During 2007, there were 4 meetings of our full board of directors, 2 meetings of our compensation committee, 5 meetings of our audit committee and 1 meeting of our executive committee.

### **Director Attendance at Annual Meetings**

Our board of directors encourages all members of the board to attend each annual meeting of the company's stockholders. All of our board members attended our 2006 annual meeting of stockholders, other than Paul A. Gould.

### **Stockholder Communication with Directors**

Our stockholders may send communications to our board of directors or to individual directors by mail addressed to the Board of Directors or to an individual director c/o Discovery Holding Company, 12300 Liberty Boulevard, Englewood, Colorado 80112. Communications from stockholders will be forwarded to our directors on a timely basis.

**Executive Sessions**

The independent directors of our company held one executive session without the participation of management during 2006.

**EXECUTIVE COMPENSATION**

**Compensation Discussion and Analysis**

*Services Agreement with Liberty*

Our Chief Executive Officer is John C. Malone, our President is Robert R. Bennett, our principal financial officer is David J.A. Flowers and our three other most highly compensated executive officers for 2006 are Charles Y. Tanabe, Albert R. Rosenthaler and Christopher W. Shean. We collectively refer to these persons as the **named executive officers**. All of the named executive officers are also executive officers or employees of Liberty.

We were formerly a wholly owned subsidiary of Liberty. In July 2005, Liberty distributed to its stockholders all of our shares in tax-free spinoff (**spinoff**). Prior to the spinoff, the named executive officers were the persons primarily responsible for managing and making policy decisions for our business. In connection with the spinoff, we entered into a services agreement with Liberty pursuant to which Liberty agreed to make available to us the services of certain personnel, including the named executive officers. Each of the named executive officers is compensated by Liberty as an executive officer or employee of that company, and is not directly compensated by us. Rather, pursuant to the services agreement we pay to Liberty an allocated portion of the salary and fringe benefits paid by Liberty to the named executive officers. We understand that in making its compensation decisions, the compensation committee of the Liberty board of directors does not take into account the services provided by any of the named executive officers to our company. Accordingly, we do not pay any portion of the incentive compensation paid by Liberty to the named executive officers.

When we entered into the services agreement with Liberty, we agreed to a scheduled estimate of the annual allocation of employee costs and expenses for the named executive officers (and others) for calendar year 2005, which was based on the percentage of their respective work hours it was anticipated they would spend on our business. Pursuant to the services agreement, we and Liberty reevaluate the appropriateness of the allocation schedule on a semi-annual basis to make appropriate adjustments. The allocation for each of the named executive officers for a particular period is evaluated based on discussions with that named executive officer and after an analysis of the business demands expected to be made on him by our company for that period. We then discuss the proposed allocation with our compensation committee.

The annual allocations for each of the named executive officers in 2006 were as follows: Mr. Malone: 15%; Mr. Bennett: 75%; Mr. Flowers: 5%; Mr. Rosenthaler: 7.5%, Mr. Shean: 20% and Mr. Tanabe: 20%. These allocations resulted in payments to Liberty for the services of the named executive officers in the amounts set forth in the Summary Compensation Table below.

The services agreement is renewed automatically each year for successive one-year periods, unless earlier terminated (1) by us at any time on at least 30 days prior written notice, (2) by Liberty at the end of any renewal term, upon at least 180 days prior notice, (3) by Liberty upon written notice to our company, following certain changes in control of our company or our company being the subject of certain bankruptcy or insolvency-related events or (4) by us upon written notice to Liberty, following certain changes in control of Liberty or Liberty being the subject of certain bankruptcy or insolvency-related events.

The compensation committee has determined that utilizing the services agreement with Liberty to obtain and pay for the services of the named executive officers enables our company to obtain the services of highly-qualified individuals who are knowledgeable about our business for less than the amount our company would be required to pay full time

executive officers with similar capabilities and responsibilities.

***Equity Incentive Compensation.***

In connection with our spinoff from Liberty, our board of directors adopted the Discovery Holding Company 2005 Incentive Plan, which we refer to as the **incentive plan**. Our incentive plan provides for the grant of a variety of incentive awards, including stock options, restricted shares, stock appreciation rights and performance awards (collectively, **awards**). The incentive plan is administered by the compensation committee of our board of directors. No awards were granted by the compensation committee under the incentive plan in 2006.

**Table of Contents**

The only awards made to date have been in connection with our spinoff from Liberty, which were made pursuant to the terms of a reorganization agreement we entered into with Liberty at that time. In accordance with the reorganization agreement, each outstanding Liberty stock option and stock appreciation right held by the named executive officers was divided into an option to purchase a number of shares of the same series of our common stock as the series of Liberty common stock for which the outstanding Liberty award was exercisable equal to 0.10 times the number of shares for which the Liberty award was exercisable (a **DHC spinoff option**) and an adjusted option or stock appreciation right, as applicable, with respect to shares of Liberty common stock equal to the same series and number of shares of Liberty common stock for which the Liberty award was exercisable (an **adjusted Liberty award**). The exercise price or base price of each Liberty award was allocated between the DHC spinoff option and the adjusted Liberty award. We believe that the DHC spinoff options will help to align the interests of the named executive officers with those of our stockholders and help motivate them to increase the value of our company for our shareholders.

Our compensation committee expects to grant future awards under the incentive plan in those circumstances in which either (i) the award will help better align the interests of a recipient with those of our stockholders and help motivate the recipient to increase the value of our company for our shareholders or (ii) the award will assist our company in attracting key employees. Although the compensation committee has not adopted a formal policy in this regard, the compensation committee does not intend to award equity or equity-linked awards under the incentive plan at a time when our board of directors is in possession of undisclosed, material information that can reasonably be expected to cause increased trading in our stock.

***Employment Contracts, Termination of Employment and Change in Control Arrangements***

We have no employment contracts, termination of employment agreements or change of control agreements with any of our named executive officers. However, under the terms of the services agreement if Liberty terminates any of the named executive officers who devoted 50% or more of his time to providing services to our company over the one-year period preceding such termination (the **look-back period**), a portion of any severance payments payable to that officer by Liberty will be allocated to us. The amount allocated to our company will be based upon the percentage determined by dividing the total number of months in which such executive devoted 50% or more of his time providing services to our company under the services agreement by the total number of months that he was employed by Liberty or its predecessors, to the extent taken into account for purposes of determining the severance payment payable to that executive (or using such other basis upon which the amount of the severance payment is determined to be payable to that executive), multiplied by the percentage of the executive's time devoted to providing services to our company during the look-back period.

In addition, under our incentive plan following a change of control of our company all awards granted thereunder will fully vest, unless the compensation committee determines otherwise and effective provision is made to substitute new, equivalent awards of any successor company.
