EXPLANATORY NOTE: DEREGISTRATION

This Post-Effective Amendment No. 1 (the Post-Effective Amendment) relates to the Registration Statement on Form S-3 (File No. 333-145164) of Teton Energy Corporation (the Registrant or we, us or our), which we filed with the Securities and Exchange Commission on August 6, 2007, and amended on September 5, 2007 and September 18, 2007, and which was declared effective on October 9, 2007 (the Registration Statement). Such Registration Statement registered an aggregate of 5,760,000 shares of our common stock, \$0.001 par value per share (the Common Stock), for resale by selling stockholders identified therein, which consisted of 1,800,000 shares of Common Stock (the Note Conversion Shares) issuable upon the possible conversion of our 8% Senior Subordinated Convertible Notes due May 2008 (the Notes), and 3,960,000 shares of Common Stock (the Warrant Shares) issuable upon the possible exercise of the Common Stock Purchase Warrants which were issued in conjunction with the Notes (the Warrants). On May 16, 2008, the Notes matured, and we repaid the principal amount of the Notes, to the extent not already converted. \$6.6 million was repaid in cash and \$2.4 million was converted to 480,000 shares of our Common Stock at a conversion price of \$5.00 per share. The number of Note Conversion Shares that remains unissued is 1,320,000. As a result of the satisfaction of the Notes and pursuant to the undertakings in Item 17 of the Registration Statement to remove from registration, by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering, we are filing this Post-Effective Amendment to deregister the remaining 1,320,000 Note Conversion Shares which were issuable upon possible conversion of the Notes but have not been so issued.

Effective October 7, 2008, we entered into a Warrant Exchange Agreement, dated October 4, 2008 with all of the holders of the Notes and Warrants, pursuant to which we exchanged the Warrants (the Exchange) for an aggregate of 990,000 shares of our Common Stock (the Exchanged Shares). Following the Exchange, the number of Warrant Shares that remains unissued is 2,970,000. Pursuant to the undertakings contained in the Registration Statement, the additional purpose of this Post-Effective Amendment is to remove from registration all of the Warrant Shares from the Registration Statement because all such Warrant Shares, and following the Exchange, the Exchanged Shares, would be eligible for sale pursuant to Rule 144 promulgated under the Securities Act of 1933, as amended.
