**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On April 15, 2009, after receiving the unanimous approval of the Special Committee of the Board of Directors (the Board ) of Western Gas Holdings, LLC, which is the general partner (the General Partner ) of Western Gas Partners, LP (the Partnership ), the General Partner s Board unanimously approved an amendment (the Amendment ) to the Partnership s First Amended and Restated Agreement of Limited Partnership (the Partnership Agreement ). The Amendment became effective on the date of approval.

Section 6.1(c) of the Partnership Agreement (Net Termination Gains and Losses) was amended to provide that any net termination losses treated as arising during the subordination period as a result of an adjustment to the carrying value of the Partnership s assets in connection with an issuance of additional units by the Partnership will be allocated among the holders of subordinated units and common units in proportion to their percentage interests. It further provides that, in the event of a liquidation of the Partnership during the subordination period, the Partnership will allocate items of income, gain, loss and deduction that would otherwise be included in the computation of net termination gain or net termination loss and, if necessary, items included in net income or net losses, in each case to the maximum extent possible, so that the capital account of each common unit will equal the amount it would have been had the Partnership Agreement not been amended.

Section 6.1(d) of the Partnership Agreement was also amended to include a new Section 6.1(d)(xiii) (Special Curative Allocation in Event of Liquidation Prior to End of Subordination Period). This section provides that upon a liquidation during the subordination period, the Partnership will specially allocate items included in net termination gain or net termination loss and, if necessary, items of income, gain, loss and deduction that would otherwise be included in the Partnership s net income or net losses, in each case to the maximum extent possible, to cause the capital account of each common unit to equal the amount the capital account would have been had the Partnership Agreement not been amended.

The foregoing description of the amendment is not complete and is qualified in its entirety by reference to the full and complete terms of the amendment, which is attached to this Current Report on Form 8-K as Exhibit 3.1, and the Partnership Agreement, which is incorporated by reference into the Partnership s recently-filed Annual Report on Form 10-K.
