PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS TO
BE HELD ON JANUARY 8, 2003

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of MSC Industrial Direct Co., Inc. (the "Company"), a New York corporation, to be used at the Annual Meeting of Shareholders of the Company (the "Meeting") to be held at the lower level atrium of Fleet Bank at 300 Broad Hollow Road, Melville, New York 11747, on January 8, 2003 at 9:00 a.m., local time, and at any adjournment or postponement thereof. The approximate date on which this proxy statement, the foregoing notice and the enclosed proxy were first mailed or given to shareholders was December 6, 2002.

Shareholders who execute proxies retain the right to revoke them at any time by notice in writing to the Secretary of the Company, by revocation in person at the Meeting or by presenting a later dated proxy. Unless so revoked, shares represented by proxies received by the Company, where the shareholder has specified a choice with respect to the election of directors or the other proposals described in this proxy statement, will be voted in accordance with the specification(s) so made. In the absence of such specification(s), the shares will be voted FOR the election of all ten nominees for the Board of Directors and FOR the ratification of the selection by the Board of Directors of Ernst & Young LLP as the Company's independent certified public accountants for the current fiscal year.

The expenses of solicitation of proxies for the Meeting will be paid by the Company. Such solicitation may be made in person or by telephone by officers and associates of the Company. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding material to beneficial owners of shares of the Company's

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

Class A common stock, par value \$.001 per share (the "Class A Common Stock").

VOTING

Only holders of record of the Class A Common Stock and the Company's Class B common stock, par value \$.001 per share (the "Class B Common Stock"), at the close of business on December 2, 2002 are entitled to notice of and to vote at the Meeting. On that date, the Company had outstanding 34,291,836 shares of Class A Common Stock and 32,137,294 shares of Class B Common Stock.

Under New York law and the Company's By-Laws, the presence in person or by proxy of the holders of a majority of the shares of the Class A Common Stock and the Class B Common Stock entitled to vote is necessary to constitute a quorum at the Meeting. For these purposes, shares which are present or represented by proxy at the Meeting will be counted regardless of whether the holder of the shares or the proxy fails to vote on a proposal ("abstentions") or whether a broker with authority fails to exercise its authority with respect thereto (a "broker non-vote"). Abstentions and broker non-votes will not be included, however, in the tabulation of votes cast on proposals presented to shareholders. With regard to the election of directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld (e.g., abstentions and broker non-votes) will have no effect, as directors are elected by a plurality of votes cast. On all matters to be voted upon at the Meeting and any adjournment or postponement thereof, the holders of the Class A Common Stock and the Class B Common Stock vote together as a single class, with each record holder of Class A Common Stock entitled to one vote per share of Class A Common Stock and each record holder of Class B Common Stock entitled to 10 votes per share of Class B Common Stock.

The Board of Directors does not intend to bring any matter before the Meeting, except as specifically indicated in the foregoing notice, nor does the Board of Directors know of any matters which anyone else proposes to present for action at the Meeting. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters.

COMMITTEES, MEETINGS AND COMPENSATION OF THE BOARD OF DIRECTORS

The Board of Directors held four meetings during the last fiscal year and acted by unanimous written consent on two occasions. Each of the directors attended at least 75% of the meetings of the Board of Directors and committees of the Board on which they served.

The Board of Directors has a standing Audit Committee currently comprised of Roger Fradin, Denis Kelly, Raymond Langton and Philip Peller. Mr. Peller is the chairman of the Audit Committee. All members of the Audit Committee are independent, in accordance with Section 303.02 of the current New York Stock Exchange listing standards. The Audit Committee reviews and evaluates the Company's internal accounting and auditing procedures; recommends to the Board of Directors the firm to be appointed as independent accountants to audit the Company's operations and financial statements; reviews with management and the independent accountants the Company's year-end operating results; reviews the scope and results of the annual financial and operational audits with the

9

independent accountants; reviews the Company's interim operating results with management and the independent accountants; and reviews any non-audit services to be performed by the independent accountants and considers the effect of any such performance on the accountants' independence. The Audit Committee met four times in the fiscal year ended August 31, 2002.

Pursuant to the 1995 Option Plan, the 1998 Option Plan and the 2001 Option Plan, the Compensation Committee has the authority to determine the persons to whom and the times at which options are to be granted, the number of option shares to be granted and the price and other terms of options and to

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

designate whether options granted are intended to qualify as incentive stock options or are to be non-qualified stock options. The Compensation Committee met one time in the fiscal year ended August 31, 2002.

The Board of Directors does not have a standing Nominating Committee.

The Company's policy is not to pay compensation to directors who are also associates of the Company. Directors elected other than at an annual meeting of shareholders receive a pro rata number of options. The Company also pays each non-employee director compensation of \$20,000 per annum and \$1,500 per board meeting attended, and pays an annual fee of \$5,000 to the chairman of each of the audit and compensation committees with respect to their duties in such capacity in addition to the standard non-employee director compensation.

EMPLOYMENT ARRANGEMENTS AND COMPENSATION PLANS

Sidney Jacobson is employed as Chairman of the Board of Directors of the Operating Subsidiary pursuant to an employment agreement, dated as of January 2, 1994 and amended as of October 30, 1995, which expires in January 2004. Mr. Jacobson is required to devote his full working time to the affairs of the Operating Subsidiary. Under Mr. Jacobson's employment agreement, he receives an annual base salary of \$250,000 and is entitled to participate in employee benefit and other fringe plans made available to the executives of the Operating Subsidiary. If the cost of living increases by more than 6% per annum, Mr. Jacobson's annual base salary is subject to a percentage increase equal to the 3 percentage cost of living increase. The employment agreement also provides for a benefit of \$200,000 per year until January 2, 2004 payable to Mr. Jacobson's wife in the event of his death. Under the employment agreement, if Mr. Jacobson's employment is terminated because he becomes incapacitated due to

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

physical or mental illness, he would continue to receive his salary for a six month period following such termination and, thereafter, would receive \$200,000 per year for the balance of his employment term. Mr. Jacobson would also continue to be carried on the Operating Subsidiary's health and other insurance plans. The employment agreement provides that Mr. Jacobson may, at his option, elect to become a consultant and advisor to the Operating Subsidiary at an annual fee of \$300,000, in which event Mr. Jacobson will be required to be available to the Company for up to 10 hours per week, not to exceed 40 hours in any given month. Mr. Jacobson does not have any current intention to make such election, and any such election would not be expected to have a material impact on the Operating Subsidiary. The Company paid club dues and expenses on Mr. Jacobson's behalf of \$483, \$20,839 and \$30,370 in fiscal 2002, 2001 and 2000, respectively. The Company also provided Mr. Jacobson with a part-time driver whose services, and the corresponding use of a company car, were valued at \$52,695, \$52,386, and \$48,550 in fiscal 2002, 2001 and 2000, respectively.

Mitchell Jacobson is employed as President and Chief Executive Officer of the Operating Subsidiary pursuant to an employment agreement, dated as of August 1, 1994, which expires on the earlier of August 1, 2004 or 90 days after Mr. Jacobson's written election to terminate his employment. Mr. Jacobson is required to devote his full working time to the affairs of the Operating Subsidiary. Under his employment agreement, Mr. Jacobson receives an annual base salary (currently set at \$408,400). Mr. Jacobson is also entitled to participate in employee benefit and other fringe benefit plans made available to the executives of the Operating Subsidiary. Under the employment agreement, Mr. Jacobson's annual base salary is subject to an annual cost of living adjustment equal to the percentage increase, if any, in a specified Consumer Price Index. The employment agreement also provides that in the event Mr. Jacobson's employment is terminated because he becomes incapacitated due to physical or mental illness, Mr. Jacobson will receive payment of salary for a six-month period following such termination and \$200,000 per year for the balance of his employment term. In the event of Mr. Jacobson's death, the agreement provides that his wife will receive \$400,000 per year for a period of three years.

Charles Boehlke is employed as Senior Vice President and Chief Financial Officer of the Company pursuant to an agreement, dated as of June 19, 2000. Mr. Boehlke is required to devote his full working time to the affairs of the Company. Under his agreement, Mr. Boehlke receives an annual base salary (currently set at \$278,861) and is also entitled to participate in employee benefit and other fringe benefit plans made available to the executives of the Company. The agreement provides that if within two years after (i) a sale by the Company of all or substantially all of its assets, (ii) the consolidation of the Company, (iii) the merger of the Company with any entity as a result of which the Company is not the surviving entity as a public company or (iv) the sale of the Company's voting securities to one or more persons (other than Mitchell Jacobson and Marjorie Gerswind) as a result of which any such person shall possess more than 50% of the combined voting power of the Company's then outstanding securities (each such event, a "Change in Control"), there is a change in the circumstances of Mr. Boehlke's employment, such as (i) a material reduction or change in his employment duties or reporting responsibilities, (ii) a reduction in the annual base salary from the annual base salary received prior to a Change in Control or (iii) a material diminution in his status, working conditions or other economic benefits from those in effect immediately prior to a Change in Control (each such event, a "Changed Circumstance"), Mr. Boehlke may terminate his employment with the Company. Upon such termination, or if within two years after a Change in Control the Company terminates Mr. Boehlke's employment other than for cause, the Company will pay Mr. Boehlke an amount equal to his annual base salary at the time of such termination plus the amount of any bonus paid to him in the fiscal year ending immediately prior to such termination. The agreement provides that in the event of the termination of Mr. Boehlke's employment other than for cause, he is entitled to a severance payment in an amount equal only to the highest annual base salary he received at any

time during the period of his employment.

15

Mr. Boehlke's agreement provides that no amount shall be paid to him if such payment would restrict the ability of the Company to utilize the "pooling of interests" method of accounting. This method of accounting is no longer permitted under generally accepted accounting principles. In addition, upon the termination of Mr. Boehlke's employment other than for cause, the Company is to retain Mr. Boehlke to provide financial consulting services for a one-year period commencing on the date of such termination, for not more than ten (10) hours in any calendar quarter. For such financial consulting services, the Company is to pay Mr. Boehlke \$2,500 per annum.

In January 1999, the Company entered into written agreements with each of James Schroeder and David Sandler (each, an "Executive"). Each agreement provides that in the event of a Change in Control, the Company shall pay to James Schroeder and David Sandler, \$2,000,000 and \$1,200,000, respectively. Each agreement further provides that if within five years after a Change in Control, there is a Changed Circumstance, the Executive may terminate his employment with the Company. Upon such termination, or if within five years after a Change in Control the Company terminates the Executive's employment other than for cause, the Company will pay the Executive a lump sum equal to the difference between (i) the sum of (a) five times the Executive's annual base salary prior to a change in the circumstances of the Executive's employment or termination other than for cause and (b) five times the largest annual bonus paid to the Executive during the three fiscal years prior to the Executive's termination and (ii) the aggregate of all base salary and bonus amounts paid to the Executive from the Change in Control to the Executive's termination. Each agreement provides that no amount shall be paid to the Executives if such payment would restrict the ability of the Company to utilize the "pooling of interests" method of accounting. This method is no longer permitted under generally accepted accounting principles. The Company has also agreed to indemnify each of Mr. Schroeder and Mr. Sandler on an after tax basis (giving effect to the indemnity payments) for certain taxes that they may become liable for on account of the payments described above.

James Schroeder is employed as Senior Vice President of Logistics of the Company. Mr. Schroeder and the Company are parties to a written agreement which provides for annual benefit payments to Mr. Schroeder for seven years upon his retirement, or his termination by the Company without cause or, in the event of his death, to his designated beneficiary. The benefit is based upon the growth in the Company's earnings before interest and taxes over a certain base amount. The Company may terminate the agreement at any time and elect to prepay Mr. Schroeder any benefits accrued by the Company up to the date of such termination. The Company exercised its right to terminate the agreement with Mr. Schroeder as of September 1, 1997. Under the terms of the agreement, the Company is obligated to accrue to Mr. Schroeder's benefit the total amount that would be due as if September 1, 1997 were Mr. Schroeder's normal retirement date. Accordingly, the total amount due to Mr. Schroeder is approximately \$211,324 of which approximately \$76,824 represents interest accrued in fiscal 2002. This amount will accrue interest until Mr. Schroeder's normal retirement date and may be prepaid, at the Company's election, at any time, without penalty.

COMPENSATION COMMITTEE INTERLOCKS
AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

During fiscal 2002, the Compensation Committee consisted of Roger Fradin, Denis Kelly, Raymond Langton and Philip Peller. None of the members of the Compensation Committee was, during such year, an officer of the Company or any of its subsidiaries or had any relationship with the Company other than serving as a director of the Company. In addition, no executive officer of the Company served as a director or a member of the compensation committee of any other entity one of whose executive officers served as a director or on the Compensation Committee of the Company.

16

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

During fiscal 2002, the Compensation Committee (the "Compensation Committee") was comprised of Roger Fradin, Denis Kelly, Raymond Langton and Philip Peller.

The Compensation Committee is responsible to review and recommend to the Board of Directors the overall direction for the executive compensation strategy of the Company and for the ongoing monitoring of the strategy. In addition to recommending and reviewing the compensation of the executive officers, it is the responsibility of the Compensation Committee to recommend new incentive compensation plans and to recommend changes and improvements to existing compensation plans, all subject to approval by the Board of Directors. The Compensation Committee makes its compensation determinations based upon its own analysis of information it compiles and the business experience of the members. In addition, the views of Mitchell Jacobson, as Chairman of the Board and the President and Chief Executive Officer of the Company, are, and will continue to be, considered by the members of the Compensation Committee in their review of the performance and compensation of individual executives. The Company will engage an outside compensation consultant to assist the Compensation Committee if its members so request. An outside consultant was not used in fiscal 2002.

OVERALL POLICY

The Compensation Committee believes that the Company's executive officers constitute a highly qualified management team and are largely responsible for the Company's success. The Compensation Committee further believes that the stability of the management team is a contributing factor to the Company's success. In order to promote stability, the Company's strategy is to (i) compensate its executive officers principally through a competitive base salary set at a sufficiently high level to retain and motivate these officers, (ii) link a portion of the executive officers' compensation to their performance and the Company's profitability for each fiscal year, and (iii) align the financial interests of the Company's executive officers with those of the Company's shareholders. The compensation objectives of the Compensation Committee and the Board of Directors are designed to provide competitive levels of compensation consistent with the Company's annual and long-term performance goals, recognize individual initiative and achievements and assist the Company in attracting and retaining qualified executives.

The major elements of the executive compensation program are base salary, annual incentive bonuses and long-term incentive compensation in the form of stock options. Executive officers are also entitled to customary

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

benefits generally available to all associates of the Company, including group medical and life insurance and a 401(k) plan. Overall compensation is intended to be consistent with companies of similar characteristics (size, profitability, business lines, growth, etc.) (the "peer group"). The peer group for purposes of determining compensation of executive officers is not the same group of companies which are included in the industry index which appears on the performance graph contained in this proxy statement. The purpose of the industry index is to compare the performance of the Class A Common Stock to the performance of the stock of companies with similar businesses to the Company. The peer group for purposes of compensation matters is based upon companies with characteristics similar to the Company, including, but not limited to, type of business, in order to provide a more accurate measure of the compensation paid to executives of comparable companies. In any particular year, the Company's executives may be paid more or less than the executives of competitors, depending upon the Company's overall financial performance and other factors. For the fiscal year ended August 31, 2002, the Compensation Committee believes that the Company's senior executives were paid competitively as compared to comparable executives in the peer group.

FEDERAL INCOME TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") limits the amount of compensation a publicly held corporation may deduct as a business expense for Federal income tax purposes. The

17

limit, which applies to a company's chief executive officer and the four other most highly compensated executive officers, is \$1 million, subject to certain exceptions (including the exclusion from the cap generally of performance-based compensation). The Compensation Committee has determined that compensation payable to the executive officers should generally meet the conditions required for full deductibility under Internal Revenue Code Section 162(m). While the Company does not expect to pay its executive officers compensation in excess of the Section 162(m) deductibility limit, the Compensation Committee also recognizes that in certain instances it may be in the best interest of the Company to provide compensation that is not fully deductible.

BASE SALARY

Base salaries for the Company's senior executives are influenced by a variety of objective and subjective factors. Particular consideration is given to a comparison of the salaries at companies in the peer group and the executive's level of responsibility, tenure with the Company, prior year's compensation and effectiveness of management. The Compensation Committee has also relied heavily on the recommendations of Mitchell Jacobson, Chairman of the Board and the President and Chief Executive Officer of the Company, in setting the compensation of the executive officers. A description of the employment agreement between the Operating Subsidiary and Mitchell Jacobson, Chairman of the Board and President and Chief Executive Officer of the Company, appears on page 15 of this proxy statement.

ANNUAL INCENTIVE BONUSES

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

Each fiscal year, the Company establishes a bonus pool based on budgeted profitability and balance sheet goals. All associates of the Company, including its executive officers, are eligible to receive bonuses, but the award of bonuses to the associates generally and to any associate specifically are at the Compensation Committee's sole discretion based on the members' qualitative and quantitative evaluation of the Company's performance during such year. Factors considered in awarding a bonus to a specific executive officer include level of responsibility, exhibited individual initiative, effectiveness of management and seniority.

The Compensation Committee does not currently establish specific performance criteria which must be met in order to earn bonuses. The Compensation Committee may consider setting objective standards in the future.

LONG-TERM INCENTIVE COMPENSATION

The Company reinforces the importance of producing satisfactory returns to shareholders over the long term through the operation of the 1995 Option Plan, the 1998 Option Plan and the 2001 Option Plan. Stock option grants provide executives with the opportunity to acquire an equity interest in the Company and align the executive's interest with that of the shareholders to create shareholder value as reflected in growth in the price of the Class A Common Stock.

1995, 1998 and 2001 Option Plans. The 1995 Option Plan, 1998 Option Plan, and 2001 Option Plan (collectively, the "Option Plans") are administered by the Compensation Committee, which may designate granted options as incentive stock options, non-qualified stock options or a combination thereof. The Compensation Committee has the discretion, subject to certain limitations, to determine the participants under the Option Plans, the time and price at which options will be granted, the period during which options will be exercisable and the number of shares subject to each option. Under the Option Plans, the per share exercise price of any option which is a non-incentive stock option may not be less than 85% of the fair market value of a share of Class A Common Stock on the date of grant (except for non-incentive stock options granted to any person who is or may reasonably be expected to become a "covered employee" under section 162(m)(3) of the Code, in which case the per share exercise price of such options may not be less than 100% of such fair market value). The aggregate fair market value of the shares of Class A Common Stock for which a participant may be granted incentive stock options which are exercisable for the first time in any calendar year may not exceed \$100,000. No participant may be granted options to purchase more than 1,000,000 shares of the Class A Common Stock. This approach provides an incentive to the executive officers to increase shareholder value over the long term, since the full benefit of the options granted cannot be realized unless stock price appreciation occurs over a number of years.

CHIEF EXECUTIVE OFFICER'S FISCAL 2002 COMPENSATION

The compensation paid to the Company's Chief Executive Officer, Mitchell Jacobson, in fiscal 2002 consisted of base salary established pursuant to his employment agreement with the Operating Subsidiary, an annual incentive bonus and stock options. The terms of the agreement are described on page 15 of this proxy statement. Under the terms of his employment agreement, Mr. Jacobson received an annual base salary of \$408,400. Mr. Jacobson received a \$135,000 bonus and options to purchase 250,000 shares of the Company's Class A Common Stock in fiscal 2002. This bonus and option grant were awarded based on fiscal

REPORT OF AUDIT COMMITTEE

During fiscal 2002, the Audit Committee (the "Committee") was comprised of Roger Fradin, Denis Kelly, Raymond Langton and Philip Peller. The Committee adopted a written charter during fiscal 2000.

The Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Company's Annual Report on Form 10-K with management and discussed the quality and acceptability of the Company's accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the Company's financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including the Statement on Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), which were submitted to the Company, and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the

Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended August 31, 2002 for filing with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Erik Gershwind, the nephew of Mitchell Jacobson, Chairman of the Board and the President and Chief Executive Officer of the Company, and the son of Marjorie Gershwind, Mr. Jacobson's sister and the beneficial owner of in excess of 5% of the outstanding shares of Class B Common Stock, is employed by the Company as the Director of Product Management. Mr. Gershwind is currently compensated at the rate of \$165,000 per annum. Mr. Gershwind is also entitled to participate in all of the employee benefit plans available to all of the Company's associates.

An entity owned and controlled by Mitchell Jacobson, the Chairman of the Board and the President and Chief Executive Officer of the Company, and Marjorie Gershwind, Mr. Jacobson's sister, leases a distribution center, located in Atlanta, Georgia, to the Operating Subsidiary. The square footage of the distribution center is approximately 380,000 square feet. The rent paid by the Operating Subsidiary was approximately \$1,220,000 in fiscal 2002 and is anticipated to be approximately \$1,220,000 in fiscal 2003. The rent to be paid by the Operating Subsidiary under the remaining lease term, which expires or is subject to renewal in fiscal 2010, for the Atlanta, Georgia distribution center is approximately \$9,556,000. The Company has reached a preliminary agreement with Mr. Jacobson and Ms. Gershwind to expand the size of the Atlanta distribution center but no definitive agreement has yet been signed. The terms of this agreement have been independently determined to be at fair market value.

In November 2001 and February 2002, various real estate entities owned or controlled by Mitchell Jacobson and Marjorie Gershwind repaid advances previously made by the Company during fiscal 2002 of approximately \$95,000 and \$32,000, respectively. In August 2002 the Company repaid advances of approximately \$24,000 to various real estate entities owned or controlled by Mitchell Jacobson and Marjorie Gershwind.

Additionally, six other entities owned or controlled by Mitchell Jacobson and Marjorie Gershwind lease certain branch offices to the Operating Subsidiary. The aggregate square footage of such branch offices is approximately 45,000 square feet as of August 31, 2002. The aggregate rent paid by the Operating Subsidiary to lease these branch offices was approximately \$349,000 in fiscal 2002 and is anticipated to be approximately \$392,000 in fiscal 2003. The aggregate rent to be paid by the Operating Subsidiary under the remaining lease terms, the last of which expires in fiscal 2010, is approximately \$989,000. The Company believes that the terms of the foregoing arrangements are at least as favorable to the Company as could have been obtained from unaffiliated third parties.

See "Compensation Committee Interlocks and Insider Participation in Compensation Decisions" for certain relationships and related party transactions involving certain of the Company's directors.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (ITEM 2)

The Board of Directors of the Company, on the recommendation of the Audit Committee, has appointed the firm of Ernst & Young LLP to serve as independent auditors of the Company for the fiscal year 2003, subject to ratification of this appointment by the stockholders of the Company. Although shareholder ratification of the Board of Directors' action in this respect is not required, the Board of Directors considers it desirable for shareholders to pass upon the

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

selection of auditors and, if the shareholders disapprove of the selection, intends to reconsider the selection of auditors for the fiscal year 2004, since it would be impractical to replace the Company's auditors so late into the Company's current fiscal year.

On May 15, 2002, the Company dismissed Arthur Andersen LLP and engaged Ernst & Young LLP to serve as the Company's independent auditors for the year ended August 31, 2002. The determination to dismiss Arthur Andersen LLP and engage Ernst & Young LLP was approved by the Board of Directors of the Company upon the recommendation of the Audit Committee of the Company. During the years ended September 1, 2001 and August 26, 2000 and for the interim period through the date the relationship ended, there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their reports. The audit reports of Arthur Andersen LLP on the Company's consolidated financial statements as of and for the fiscal years ended September 1, 2001 and

22

August 26, 2000 (which has been withdrawn in connection with the Company's previously reported restatement of its consolidated financial statements for those years) did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the Company's two most recent fiscal years and through May 15, 2002. The Company provided Arthur Andersen LLP with a copy of the foregoing disclosures. Attached as Exhibit 99.1 to the Company's Current Report on Form 8-K filed May 28, 2002, incorporated herein by reference, is a copy of Arthur Andersen LLP's letter, dated May 22, 2002, stating its agreement with such statements. During the years ended September 1, 2001 and August 26, 2000 and through May 15, 2002, the Company did not consult Ernst & Young LLP regarding any matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The firm has advised the Company that neither it nor any of its members has any direct or material indirect financial interest in the Company.

For the fiscal year ended August 31, 2002, the Company paid (or will pay) the following fees to Ernst & Young LLP for services rendered during the year or for the audit in respect of that year:

Audit Fees (1)	\$160,000
Financial Information Systems Design and Implementation	0
All Other Fees (2)	380,000
-----	-----
Total	\$540,000

Edgar Filing: MSC INDUSTRIAL DIRECT CO INC - Form DEF 14A

(1) Includes fees for the fiscal year 2002 audit and the review of the Company's Quarterly Report on Form 10-Q for the period ended June 1, 2002.

(2) Includes fees of \$332,000 relating to the re-audit of fiscal years 2000 and 2001, \$10,000 relating to the audit of the Company's 401(k) savings plan, and \$38,000 relating to an energy study conducted by Ernst & Young.

For the fiscal year ended August 31, 2002, the Company paid (or will pay) the following fees to its former auditor, Arthur Andersen LLP, for services rendered during the year or for the audit in respect of that year:

Audit Fees	\$32,000
Financial Information Systems Design and Implementation	0
All Other Fees	0

Total	\$32,000

The Audit Committee of the Board of Directors has considered whether, and has determined at this time that, the provision of non-audit services by Ernst & Young LLP is compatible with maintaining auditor independence.

One or more representatives of Ernst & Young LLP will be present at the Annual Meeting of Stockholders, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

THE BOARD RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR 2003. PROXIES RECEIVED BY THE BOARD WILL BE SO VOTED UNLESS A CONTRARY CHOICE IS SPECIFIED IN THE PROXY.

23
