Dear (Customer Name):

You may have heard that **(bank name)** has reached an agreement to join the SunTrust Bank family. We believe this combination means great things for all of our customers. SunTrust has been one of the leading Southeastern U.S. banking institutions for nearly 200 years.

This merger will provide you with greatly increased convenience and an array of new financial products. With 1,723 branches and 2,725 ATMs, the new company will stretch from Miami to Baltimore to Memphis to Savannah. Furthermore, the compatible cultures of our two organizations encourage local decision-making that keeps your banker responsive to your needs.

In the next few months, you will be receiving more news about the additional services and greater convenience that will await you as a customer of SunTrust. For now, though, we want to assure you that nothing has changed. You can still:

- do your banking at your local branch.
- find the same knowledgeable professionals there to serve you.
- access the same products and services you've come to rely on.

And, just as important:

- Decisions will continue to be made locally by the same experienced team of bankers you've come to know – people who live and work in the communities they serve.

You will be hearing more from us in the coming months with details regarding the transition and any changes to your banking relationship. Meanwhile, we've tried to anticipate your questions and have attached some Q&As to this letter. If we missed your question or you need help, please speak with your **(bank name)** banker or call **1-800-XXXX**. Or visit **www.(URL Name).com**.

We appreciate your business and are committed to making this transition as rewarding and simple for you as possible.

In addition, SunTrust provides customers with a full range of technology-based services including Internet, PC and Telephone Banking.

### Why did you decide to join with SunTrust?

We have been remarkably successful for more than 100 years, but as customer needs continue to expand we believe we can better serve our customers, communities, and shareholders by joining with SunTrust.

SunTrust is a wonderful partner in that we share similar philosophies and values, including the belief that local decision making keeps bankers in tune with and responsive to customer needs. Furthermore, SunTrust offers a wider array of services and more locations across a much larger geographic area. SunTrust has also consistently delivered outstanding returns for shareholders. The time and partner were right for us.

### What will happen to my branch?

There is very little branch overlap between our two banks. We expect any branch consolidations to be limited.

### Will the people in the branches change?

Because we have so little overlap in branch locations with SunTrust, we expect our branch personnel to stay the same. You will continue to bank as you normally do with the same friendly, knowledgeable bankers that you know today.

### May I use SunTrust Branches to transact business with my accounts?

Not at this time. We will begin work immediately to change our systems to allow you to transact business at any of the SunTrust branches in the near future. We will communicate this new convenience when it is available to you.

### Will my accounts change?

In the short term, nothing is changing. We expect the majority of changes to focus on the introduction of significantly enhanced financial solutions that provide an even more satisfying customer experience. Please continue to use your existing checks, deposit slips and payment slips as normal. If changes do occur, we will contact you with more information in advance.

**A very positive and immediate change...effective May 15, 2004 you can use your ATM card, check card and credit card to get cash from any of the 2,225 SunTrust ATMs...with no ATM usage charges!**

What about the interest rate on my loans and CDs? Will there be any changes?

The interest rate and terms will stay the same on your loans. Fixed-rate CDs will have the same rate and term until maturity. You can make a decision about reinvestment then. Variable rate CDs, loans and credit lines, as always, can change rates at any time according to your account agreement.

Do I need to do anything different regarding my loan payments?

Please continue to make payments just as you do now.

Will the FDIC insurance on my deposits be the same?

Yes. Your accounts will continue to be insured up to the maximum amount allowed by law.

When will the merger be effective?

There is no firm date as yet. The merger is subject to shareholder and regulatory approval, among other conditions, and is expected to close in the fourth quarter. However, we want to move at the appropriate speed to bring the benefits of this merger to you as quickly as possible.

Will the name of the bank change?

Yes, the name will change to SunTrust. We are merging with one of the nation's premier bank holding companies, and their reputation for service is as strong as ours. Though the name will change, the people you know will still be here. As part of SunTrust, you will have access to a wider array of products and services, and many more locations to serve you (1723 branches and 2725 ATMs).

Thank you for your business!
