PROXY STATEMENT

GENERAL INFORMATION

Your proxy is being solicited by our board of directors for use in connection with the annual meeting of shareholders to be held on Thursday, April 23, 2009 at the Life Time Fitness, Inc. Corporate Office, 2902 Corporate Place, Chanhassen, Minnesota 55317, commencing at 1:00 p.m., central time, and at any adjournments thereof. Our telephone number is (952) 947-0000. The mailing of the Notice of Internet Availability of Proxy Materials to shareholders will commence on or about March 9, 2009.

Notice of Internet Availability of Proxy Materials

Under rules of the Securities and Exchange Commission, we are furnishing proxy materials to certain of our shareholders on the Internet, rather than mailing printed copies to our shareholders. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one as instructed in that notice. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials.

Record Date

Only shareholders of record at the close of business on February 26, 2009 will be entitled to vote at the annual meeting or adjournment. At the close of business on the record date, we had 39,612,775 shares of our common stock outstanding, each entitled to one vote.

Voting of Proxies

Proxies voted by telephone, Internet or mail in accordance with the voting instructions set forth in your proxy card or Notice of Internet Availability of Proxy Materials, and not revoked, will be voted in the manner specified. A shareholder executing a proxy retains the right to revoke it at any time before it is exercised by notice in writing to one of our officers of termination of the proxy's authority or a properly signed and duly returned proxy bearing a later date.

Shareholder Proposals

As stated in last year's proxy statement dated March 6, 2008, shareholder proposals to be presented at this year's annual meeting of shareholders were due at our principal executive office by November 6, 2008. No such proposals were received. We must receive shareholder proposals intended to be presented at the annual meeting of shareholders in the year 2010 that are requested to be included in the proxy statement for that meeting at our principal executive office no later than November 9, 2009. We must receive any other shareholder proposals intended to be presented at the annual meeting of shareholders in the year 2010 at our principal executive office no later than January 23, 2010.

Quorum

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum for the transaction of business at the meeting. Abstentions and

broker non-votes will be counted as present for purposes of determining the existence of a quorum.

Vote Required

Election of Directors. The affirmative vote of a plurality of the shares of common stock present in person or by proxy at the meeting and entitled to vote is required for the election to the board of directors of each of the nominees for director. Shareholders do not have the right to cumulate their votes in the election of directors.

Other Proposals. The affirmative vote of the holders of the greater of (1) a majority of the shares of common stock present in person or by proxy at the meeting and entitled to vote and (2) a majority of the minimum number of shares entitled to vote that would constitute a quorum for the transaction of business at the meeting is required for approval of each other proposal presented in this proxy statement. A shareholder who abstains with respect to a proposal will have the effect of casting a negative vote on that proposal. Generally, a shareholder who does not vote in person or by proxy on a proposal (including a broker non-vote) is not deemed to be present in person or by proxy for the purpose of determining whether a proposal has been approved. In addition, the total shares cast on the proposal to approve the amendment to our Amended and Restated 2004 Long-Term Incentive Plan must exceed fifty percent of all shares entitled to vote. Accordingly, a broker non-vote on this proposal will have the effect of casting a negative vote on the proposal. Brokers cannot vote on their customers' behalf on non-routine proposals such as the approval of the amendment to our Amended and Restated Articles of Incorporation and the approval of the amendment to our Amended and Restated 2004 Long-Term Incentive Plan. Because brokers may not vote unvoted shares on behalf of their customers for such non-routine matters, it is critical that shareholders vote their shares.

Adjournment of Meeting

If a quorum is not present to transact business at the meeting or if we do not receive sufficient votes in favor of the proposals by the date of the meeting, the persons named as proxies may propose one or more adjournments of the meeting to permit solicitation of proxies. Any adjournment would require the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting.

Expenses of Soliciting Proxies

We will pay the cost of soliciting proxies for the annual meeting. We have retained Morrow & Co., LLC, to act as a proxy solicitor for a fee estimated to be \$7,000, plus reimbursement of out-of-pocket expenses. In addition, certain of our directors, officers and regular employees may solicit proxies by telephone or personal interview. We may request brokerage firms and custodians, nominees and other record holders to forward soliciting materials to the beneficial owners of our stock and will reimburse them for their reasonable out-of-pocket expenses in forwarding these materials.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Composition of our Board of Directors

Our bylaws provide that our business will be managed by or under the direction of a board of directors. Proxies solicited by our board of directors will, unless otherwise directed, be voted to elect the six nominees named below to constitute the entire board of directors.

Directors and Director Nominees

All of the nominees named below are current directors of our company. Each nominee has indicated a willingness to serve as a director for the ensuing year, but in case any nominee is not a candidate at the

John B. Richards was elected a director of our company in October 2006. Previously, he served as the president and chief executive officer of Elizabeth Arden Red Door Spa Holdings from October 2001 until May 2006. None of the above nominees is related to each other or to any of our executive officers.

Board of Directors Meetings and Attendance

Our board of directors held nine meetings during fiscal year 2008. During fiscal year 2008, each director attended at least 75% of the aggregate number of the meetings of our board of directors and of the board committees on which she/he serves, except that James F. Halpin, who resigned from the board on August 6, 2008, attended 60% of meetings of our board and meetings of the board committees on which he served that were held prior to the date on which he resigned.

Director Independence

Our board of directors reviews at least annually the independence of each director. During these reviews, our board of directors considers transactions and relationships between each director (and his immediate family and affiliates) and our company and its management to determine whether any such transactions or relationships are inconsistent with a determination that the director was independent. In February 2009, our board of directors conducted its annual review of director independence and determined that no transactions or relationships existed that would disqualify any of our directors under New York Stock Exchange rules or require disclosure under Securities and Exchange Commission rules, with the exception of Mr. Akradi, who is also our Chief Executive Officer. Based on a review of information provided by the directors and other information we reviewed, our board of directors concluded that none of our non-employee directors have any relationship with our company other than as a director or shareholder of our company. Based upon that finding, our board of directors determined that Messrs. Bateman, Jackson, Richards and Vassalluzzo, and Ms. Morfitt are independent.

Mr. Vassalluzzo, our lead director, chairs the executive sessions of the non-management members of our board of directors. During 2008, our board of directors held an executive session of the non-management members of our board of directors after four of the nine meetings.

Interested parties may communicate directly with Mr. Vassalluzzo, the independent director who chairs the executive sessions individually, or the non-management members of our board of directors as a group, by mail addressed to the attention of Mr. Vassalluzzo as executive session chair or the non-management members of our board of directors as a group c/o General Counsel, Life Time Fitness, Inc., 2902 Corporate Place, Chanhassen, MN 55317. Our General Counsel will review all communications and then forward them to the appropriate director or directors on a periodic basis. The board of directors has instructed our General Counsel to review such correspondence and, with discretion, not to forward items that he deems to be of a commercial or frivolous nature, or otherwise inappropriate for the board's consideration.

Committees of Our Board of Directors

Our board of directors has an audit committee, a compensation committee, a governance and nominating committee and a finance committee. The charters for our audit committee, compensation committee, governance and nominating committee and finance committee are available on the Corporate Governance section of the Investor Relations page on our Web site at lifetimefitness.com.

Audit Committee.

Our audit committee consists of Messrs. Jackson (Chair) and Bateman and Ms. Morfitt. The functions of the audit committee include oversight of the integrity of our consolidated financial statements, our internal controls, our compliance with legal and regulatory requirements and the performance, qualifications and independence of our independent auditors. Our audit committee is directly responsible (subject to shareholder

ratification) for the appointment of any independent auditor engaged for the purpose of preparing or issuing an audit report or related work. Our audit committee is also responsible for the retention, compensation, evaluation, termination and oversight of our independent auditors. The purpose and responsibilities of our audit committee are set forth in the Audit Committee Charter approved by our board of directors and most recently amended on December 11, 2008. Our audit committee held eight meetings in fiscal year 2008.

Our board of directors has determined that all members of our audit committee are independent, as defined in Section 10A of the Securities Exchange Act of 1934 and pursuant to the rules of the New York Stock Exchange, and that each member of our audit committee also qualifies as an audit committee financial expert, as defined by applicable regulations of the SEC. Our board of directors has also determined that Mr. Jackson's service on the audit committees of four other public companies does not impair his ability to effectively serve on our audit committee.

Compensation Committee.

For the fiscal year ended December 31, 2008, our compensation committee consisted of Messrs. Vassalluzzo (Chair), Bateman and Richards. The functions of the compensation committee include reviewing and approving the goals and objectives relevant to compensation of our Chief Executive Officer, evaluating the Chief Executive Officer's performance in light of those goals and objectives and determining and approving the Chief Executive Officer's compensation level based on this evaluation. Our compensation committee also approves and makes recommendations to our board with respect to compensation of other executive officers, incentive-compensation plans and equity-based plans. Our compensation committee also makes recommendations to the board with respect to changes in director compensation, if any. The purpose and responsibilities of our compensation committee are set forth in the Compensation Committee Charter approved by our board of directors and most recently amended on December 13, 2006. Our compensation committee held seven meetings in fiscal year 2008.

Governance and Nominating Committee.

For the fiscal year ended December 31, 2008, our governance and nominating committee consisted of Messrs. Richards (Chair) and Jackson and Ms. Morfitt. The functions of the governance and nominating committee include identifying individuals qualified to become members of our board and overseeing our corporate governance principles. Our governance and nominating committee also performs the evaluation of the Chief Executive Officer and reviews his process for the evaluation of the members of the senior management team. The purpose and responsibilities of our governance and nominating committee are set forth in the Governance and Nominating Committee Charter approved by our board of directors and most recently amended on December 11, 2008. Our governance and nominating committee held three meetings in fiscal year 2008.

Finance Committee.

Our finance committee consists of Messrs. Bateman (Chair), Akradi and Vassalluzzo. The functions of the finance committee include reviewing and providing guidance to our board of directors and our company's management about all major financial policies of our company, including capital structure, investor relations, capital planning and modeling of our company's long-term plans, annual budgets, treasury management, and insurance and risk management, unless otherwise reviewed by our board of directors or audit committee. In addition, the finance committee reviews and approves proposed investments in excess of \$5 million, including all sites for center development, ventures, mergers, acquisitions and divestitures, as well as any borrowings and indebtedness of our company or guarantees of indebtedness by our company in excess of \$5 million. The purpose and responsibilities of our finance committee are set forth in the Finance Committee Charter approved by our board of directors and most recently amended on December 11, 2008. Our finance committee held eleven meetings in fiscal year 2008.

Corporate Governance Guidelines

In December 2004, our board of directors adopted Corporate Governance Guidelines. These guidelines were most recently amended and approved by the board on December 11, 2008. The guidelines are available on the Corporate Governance section of the Investor Relations page on our Web site at *lifetimefitness.com*.

Code of Business Conduct and Ethics

We have adopted the Life Time Fitness, Inc. Code of Business Conduct and Ethics, which applies to all of our employees, directors, agents, consultants and other representatives. The Code of Business Conduct and Ethics includes particular provisions applicable to our senior financial management, which includes our chief executive officer, chief financial officer, controller and other employees performing similar functions. A copy of our Code of Business Conduct and Ethics is available on the Corporate Governance section of the Investor Relations page on our Web site at *lifetimefitness.com*. We intend to post on our Web site any amendment to, or waiver from, a provision of our Code of Business Conduct and Ethics that applies to any director or officer, including our principal executive officer, principal financial officer, principal accounting officer, controller and other persons performing similar functions, promptly following the date of such amendment or waiver.

Corporate Governance Documents Available on Our Web site

Copies of our key corporate governance documents are available on the Investor Relations page of our Web site at *lifetimefitness.com*. The charters for our audit committee, compensation committee, governance and nominating committee and finance committee, as well as copies of our Corporate Governance Guidelines and our Code of Business Conduct and Ethics, are available on our Web site. In addition, any shareholder that wishes to obtain a hard copy of any of these corporate governance documents may do so without charge by writing to Investor Relations, Life Time Fitness, Inc., 2902 Corporate Place, Chanhassen, MN 55317.

Director Qualifications

Candidates for director nominees are reviewed in the context of the current composition of our board of directors, our operating requirements and the long-term interests of our shareholders. The governance and nominating committee will consider, at a minimum, the following factors in recommending to our board of directors potential new members, or the continued service of existing members, in addition to other factors it deems appropriate based on the current needs and desires of our board of directors:

demonstrated character and integrity; an inquiring mind; experience at a strategy/policy setting level; sufficient time to devote to our affairs; high-level managerial experience; and financial literacy;

whether the member/potential member is subject to a disqualifying factor, such as, relationships with our competitors, customers, suppliers, contractors, counselors or consultants, or recent previous employment with us;

the member s/potential member s independence and ability to serve on our committees;

whether the member/potential member assists in achieving a mix of members that represents a diversity of background and experience;

whether the member/potential member, by virtue of particular experience, technical expertise or specialized skills, will add specific value as a member;

any factors related to the ability and willingness of a new member to serve, or an existing member to continue his/her service;

experience in one or more fields of business, professional, governmental, communal, scientific or educational endeavor; and

whether the member/potential member has a general appreciation regarding major issues facing publicly traded companies of a size and scope similar to us.

Director Nomination Process

Our governance and nominating committee selects nominees for directors pursuant to the following process:

the identification of director candidates by our governance and nominating committee based upon suggestions from current directors and senior management, recommendations by shareholders and/or use of a director search firm;

a review of the candidates' qualifications by our governance and nominating committee to determine which candidates best meet our board of directors' required and desired criteria;

interviews of interested candidates among those who best meet these criteria by the chair of the governance and nominating committee, the chair of our board of directors and certain other directors;

a report to our board of directors by our governance and nominating committee on the selection process; and

formal nomination by our governance and nominating committee for inclusion as a director nominee at the annual meeting of shareholders or appointment by our board of directors to fill a vacancy during the intervals between shareholder meetings.

Our governance and nominating committee will reassess the qualifications of a director, including the director's past contributions to our board of directors and the director's attendance and contributions at board of directors and board committee meetings, prior to recommending a director for reelection to another term.

In August 2008, our board of directors, upon recommendation of our governance and nominating committee, elected Ms. Morfitt to serve on our board of directors after the above-described process was completed. Ms. Morfitt was identified as a candidate by a non-employee director and an executive officer of our company, other than our chief executive officer.

Shareholders who wish to recommend individuals for consideration by our governance and nominating committee to become nominees for election to our board of directors may do so by submitting a written recommendation to our governance and nominating committee, c/o General Counsel, 2902 Corporate Place, Chanhassen, MN 55317. Submissions must include a written recommendation and the reason for the recommendation, biographical information concerning the recommended individual, including age, a description of the recommended individual's past five years of employment history and any past and current board memberships. The submission must be accompanied by a written consent of the individual to stand for election if nominated by our governance and nominating committee and to serve if elected by our board of directors or our shareholders, as applicable. Alternatively, shareholders may directly nominate a person for election to our board of directors by complying with the procedures set forth in our bylaws, any applicable rules and regulations of the Securities and Exchange Commission and any applicable laws.

Compensation Committee Interlocks and Insider Participation

During 2008, Messrs. Bateman, Halpin and Vassalluzzo, and James F. Halpin, a former director, served as the members of our compensation committee. No executive officer serves, or in the past has served, as a member of the board of directors or compensation committee of any entity that has any of its executive officers serving as a member of our board of directors or compensation committee.

Attendance at Annual Meeting

Our board of directors encourages each of its members to attend all annual meetings of shareholders that occur during a member's service on our board of directors. Two members of our board of directors attended our 2008 annual meeting of shareholders.

Communication with our Board of Directors

All interested parties, including our shareholders, may contact our board of directors by mail addressed to the attention of our board of directors, all independent directors or a specific director identified by name or title c/o General Counsel, Life Time Fitness, Inc., 2902 Corporate Place, Chanhassen, MN 55317. Our General Counsel will review all communications and then forward them to the appropriate director or directors on a periodic basis. The board of directors has instructed our General Counsel to review such correspondence and, with discretion, not to forward items that he deems to be of a commercial or frivolous nature or otherwise inappropriate for the board's consideration.

Our board of directors recommends that the shareholders vote for the election of each of the six nominees listed above to constitute our board of directors.

While it is not required to do so, our audit committee is submitting the selection of that firm for ratification in order to ascertain the view of our shareholders. If the selection is not ratified, our audit committee will reconsider its selection. Proxies solicited by our board of directors will, unless otherwise directed, be voted to ratify the appointment of Deloitte & Touche as our independent registered public accounting firm for the fiscal year ending December 31, 2009.

Approval of Independent Registered Public Accounting Firm Services and Fees

The Audit Committee Charter requires that our audit committee approve the retention of our independent registered public accounting firm for any non-audit service and consider whether the provision of these non-audit services by our independent registered public accounting firm is compatible with maintaining our independent registered public accounting firm's independence, prior to engagement for these services. Our audit committee also actively monitors the relationship between fees for audit and audit-related services and fees for other non-audit services. All of the services listed under the heading Tax Fees were pre-approved by our audit committee. Our audit committee has delegated to the chair the authority to pre-approve additional services by our independent registered public accounting firm of up to \$50,000, in the aggregate, without prior approval of the audit committee.

Our board of directors recommends that the shareholders vote for the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009.

AUDIT COMMITTEE REPORT

The role of our audit committee, which is composed of three independent non-employee directors, includes oversight of the integrity of our company's consolidated financial statements, our internal controls, our company's compliance with legal and regulatory requirements and the performance, qualifications and independence of our independent auditors. In performing our oversight function, we rely upon advice and information received in our discussions with management and the independent registered public accounting firm.

We have (a) reviewed and discussed our company's audited consolidated financial statements for the fiscal year ended December 31, 2008 with management; (b) discussed with Deloitte & Touche, our company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (PCAOB Interim Auditing Standard AU Section 380, *Communication with Audit Committees*), regarding communication with audit committees; and (c) received the written disclosures and the letter from Deloitte & Touche required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte & Touche's communications with the audit committee concerning their independence, and discussed with Deloitte & Touche their independence.

Based on the review and discussions with management and our company's independent registered public accounting firm referred to above, we recommended to our company's board of directors that our audited consolidated financial statements be included in our company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

We operate distinctive and large, multi-use sports and athletic, professional fitness, family recreation and spa centers in a resort-like environment. We participate in the large and growing U.S. health and wellness industry, which we define to include health and fitness centers, fitness equipment, athletics, physical therapy, wellness education, nutritional products, athletic apparel, spa services and other wellness-related activities. For compensation purposes, we currently compare our company against the hotel, restaurant and leisure global industry as well as the larger consumer services global industry.

Our compensation committee, which is composed of three independent, non-employee directors, discharges our board of directors' responsibilities with respect to all forms of compensation of our company's executive officers and oversight of our company's compensation plans. The purpose of this discussion and analysis is to summarize the philosophical principles, compensation decision-making process, specific program elements and other factors we considered in making decisions about executive compensation during fiscal year 2008.

Our compensation committee has the authority to retain outside counsel, experts and other advisors as it determines appropriate to assist it in the performance of its functions.

Compensation Philosophy

We believe that the quality, ability and commitment of our executive officers are significant factors contributing to the proper leadership of our company and driving shareholder value for our company. Our executive compensation goals are to:

attract, retain and motivate qualified talent;

motivate executives to improve the overall performance of our company and reward executives when our company achieves specific measurable results;

encourage accountability by determining salaries and incentive awards based on the company's collective performance and contribution;

ensure compensation levels are externally competitive and create internal pay equity among executives; and

align our executives' long-term interests with those of our shareholders.

Compensation Determination Process

Our company uses a variety of compensation elements to achieve our compensation philosophy, including primarily base salary, annual bonuses and long-term incentive equity awards. Our compensation committee does not use a specific formula to set compensation elements under each component, but instead attempts to achieve the appropriate balance between short-term cash compensation and long-term equity compensation and to reflect the level of responsibility of the executive officer. The factors our compensation committee considers when determining each

compensation element and when considering a material increase or decrease in a compensation element include, but are not limited to, the following:

the executive's current total compensation and the appropriate portion of the total compensation that should be performance-based;

the executive's performance as it impacts the overall performance of our company;

validation that compensation levels are externally competitive and create internal pay equity among executives that have similar levels of overall contribution to our company;

the qualifications of the executive and his potential for development and performance in the future;

whether the total compensation is generally equivalent to the executive pay level for comparable jobs at similar companies and the financial performance of those companies relative to ours;

the application of our philosophy of retention and motivation, accountability and alignment with shareholder interests;

the strategic goals and responsibilities for which the executive has responsibility; and

the recommendations of the Chief Executive Officer (except with respect to his own compensation).

Annually, our compensation committee reviews the executive compensation program in connection with our company's merit review and compensation plan process, which typically concludes on or about March 1 for a fiscal year. In general, our compensation committee begins this review process by determining the total cash compensation to be paid to an executive based on a review of the executive pay level for comparable jobs at similar companies, as described below, and the financial performance of those companies relative to ours, in addition to considering the other factors listed above. After the total cash compensation has been determined, our compensation committee allocates a portion of that amount to performance-based compensation to reflect the committee's belief that a certain portion of total compensation should be incentive compensation. The difference between the total cash compensation and potential annual bonus portion, or the performance-based cash portion, of total cash compensation is the executive's base salary, which is also established by considering the other factors listed above. Our compensation committee then uses total cash compensation as a basis to establish long-term incentive equity awards, as well as the long-term incentive equity awards being granted by similar companies, while also considering the other factors listed above.

Our compensation committee engaged the services of Pearl Meyer & Partners in late 2006 and instructed them to provide a competitive assessment of our total cash compensation and long-term incentive elements and review our company's long-term incentive compensation element in order to assist in the development of a forward-looking strategy. As part of this study, Pearl Meyer & Partners compared our base salary, annual bonuses and long-term incentive award elements primarily against two updated peer groups. The first peer group was composed of 13 publicly traded companies within the hotels, restaurant and leisure global industry classification that each had similar size, revenues and market capitalization as compared to our company. The companies selected to be a part of this peer group were Bally Total Fitness Holding Corporation, CEC Entertainment Inc., Cedar Fair, L.P., Chipotle Mexican Grill, Inc., Dine Equity, Inc., International Speedway Corporation, Panera Bread Company, Pinnacle Entertainment, Inc., Sonic Corporation, Speedway Motorsports, Inc., Texas Roadhouse, Inc., Town Sports International Holdings, Inc. and Vail Resorts, Inc. The second peer group was composed of 11 publicly traded companies from the consumer services global industry classification, each with similar size or market capitalization to revenue ratios as compared to our company. The companies selected to be a part of this peer group were Bally Total Fitness Holding Corporation, Cedar Fair, L.P., International Speedway Corporation, ITT Educational Services, Inc., Jackson Hewitt Tax Service, Inc., Panera Bread Company, Pinnacle Entertainment, Inc., Sotheby's, Speedway Motorsports, Inc., Town Sports International Holdings, Inc. and Vail Resorts Inc. Our compensation committee considered this information, in addition to the factors described above, when determining the long-term incentives payable to our executives in fiscal 2006.

In connection with the compensation applicable to our 2007 fiscal year for executives, our compensation committee reviewed the base salary, annual bonuses and long-term incentive equity award elements and levels for our executives. Our compensation committee compared the general level of our company's executive base salary, annual bonus and

long-term incentive equity award compensation elements against the group of other publicly held companies, previously identified in 2006 by Pearl Meyer & Partners and listed above, that were generally similar to ours in growth-rate, market capitalization and financial performance. Our compensation committee considered this information in addition to the other factors described above when determining the base salary, annual bonus and long-term incentive equity award levels to be paid to our executives for fiscal 2007.

In connection with the compensation applicable to our 2008 fiscal year for executives, our compensation committee reviewed the base salary, annual bonuses and long-term incentive equity award elements and levels for our executives. Mr. Akradi requested that his total compensation be paid in the form of restricted stock as an expression of his confidence in the value of our company. Mr. Akradi also recommended that the 2008 cash compensation packages for each of the other members of the executive team remain unchanged from the previous year, as a result of the decline of our stock price in late 2007 and early 2008. Our compensation committee engaged Pearl Meyer & Partners to assess the competitiveness of our executive compensation programs and to consider the merits of an all equity compensation program for Mr. Akradi in 2008. As part of this study, Pearl Meyer & Partners compared our base salary, annual bonuses and long-term incentive award elements primarily against the peer groups that they had previously created, with the exception that Bally Total Fitness was removed from both peer groups. Pearl Meyer & Partners described several positive attributes of an all equity pay program for Mr. Akradi in 2008, including the message to the market, the deferral of expenses over the vesting period and the use of a performance-vesting feature for a portion of the award, and provided various scenarios for our compensation committee to consider. Our compensation committee considered this information in addition to the other factors described above when determining the compensation package to offer Mr. Akradi as well as the base salary, annual bonus and long-term incentive equity award levels to be paid to our executives other than Mr. Akradi for fiscal 2008.

For fiscal 2009, our compensation committee engaged the services of Mercer to assess our total cash compensation and long-term incentive elements. In light of the current challenging economic times, our company has determined that it will not, for the most part, increase the compensation packages offered to our employees. In the spirit of maintaining internal pay consistency across all employees, Mr. Akradi informed our compensation committee that the members of the executive management team requested that their total compensation plans not be increased from 2008 levels. Mercer provided an analysis of the base salary, total cash compensation and long-term incentive equity awards of the highest paid executives of our peer group companies identified above for the purpose of providing an assessment to our compensation committee of a compensation package to offer Mr. Akradi. Our compensation committee considered this information in addition to other factors described above when it elected to offer a cash compensation package for Mr. Akradi for our 2009 fiscal year, which consisted of a \$750,000 base salary and a \$750,000 target annual bonus. Mr. Akradi's compensation was approved in January 2009 since he had not been receiving cash compensation from us for over a year. Any long-term incentive equity award for Mr. Akradi in 2009 will be considered at the time the compensation plans are finalized for our other executives, in mid-March.

Management Participation. Members of executive management participate in our compensation committee's meetings at the committee's request. Management's role is to contribute input and analysis to the committee's discussions. Management does not participate in the final determination or recommendation of the amount or form of executive compensation, except that our Chief Executive Officer does participate in the final recommendation, but not determination, of the amount and form of compensation to be paid to all other members of executive management. Our Executive Vice President and General Counsel, who oversees our compensation and human resources department, provides information to the compensation consultants engaged by the committee and assists in the design of our compensation programs.

Use of Consultants. From time to time and as noted above, our compensation committee uses outside compensation consultants to assist it in analyzing our company's compensation programs and determining appropriate levels of compensation and benefits. The decision to retain consultants and, if so, which consultants to retain, is made solely by our compensation committee.

Executive Compensation Elements

Our company's executive compensation package ordinarily consists of base salaries, annual bonuses, long-term incentive awards, other compensation, a deferred compensation plan and severance, and change in control benefits.

Base Salary

Purpose. Our base salaries are designed to provide regular recurring compensation for the fulfillment of the regular duties and responsibilities associated with job roles. We also use base salaries as an important part of attracting and retaining talented executives.

Structure; Determination Process; Factors Considered. Our compensation committee generally establishes base salaries for executives after first determining the executive's total cash compensation amount and the portion of the total cash compensation amount that will be an annual bonus opportunity, with the difference being the executive's base salary. Our compensation committee then may adjust the executive's base salary based on a consideration of the factors outlined under "Compensation Determination Process" in making its decisions. Our compensation committee reviews base salaries annually.

2008 Results. For fiscal year 2008, our compensation committee determined that Mr. Akradi's total compensation would be paid in the form of restricted stock, as he requested.

For fiscal year 2008, our compensation committee determined that the base salaries for Mr. Gerend, our President and Chief Operating Officer, Mr. Robinson, our Chief Financial Officer, Mr. Buss, our Executive Vice President and General Counsel, and Mr. Zaebst, our Executive Vice President should remain unchanged from the base salaries that were provided to each of these executives in 2007.

Our compensation committee considered Mr. Akradi's recommendation that base salaries remain unchanged for these members of the executive team as a result of the decline in the price of our stock in late 2007 and early 2008.

Annual Bonuses

Purpose. All executive officers, as well as certain other senior and management-level employees, ordinarily participate in our annual bonus program. We believe that this program provides an incentive to the participants to deliver upon the financial performance goals of our company. The financial performance goals are derived from our annual financial budget and our site business plans and based on our actual performance during the current fiscal year.

Structure. Our compensation committee generally establishes annual bonus opportunities for executives after first determining the executive's total cash compensation amount and then determining the proportion of the total cash compensation amount that will be an annual bonus opportunity. Our compensation committee feels that individual executive performances should not be highlighted in the area of annual bonuses given the executive team's focus on collaborative decision making and its intent to use this compensation element to link the interests of executives with our company's bottom line. Our compensation committee reviews the program annually, however, and may adjust the executive's annual bonus opportunity based on a consideration of the factors outlined under "Compensation Determination Process" in making its decisions.

Under our annual bonus program, we provide for the payment of cash bonuses to each participant, on a monthly basis throughout the year, based upon our year-to-date performance in relation to predetermined year-to-date financial objectives. In addition, we provide for the payment of an additional cash bonus to our executives annually based upon our annual performance in relation to certain other predetermined annual financial objectives. We may withhold payout on the monthly portion of the year-to-date bonus component to offset a negative variance in the annual bonus component. Our compensation committee approves the financial objectives that are utilized for purposes of determining all bonuses and assigns "Target Bonuses" for each executive participant to create a Target Bonus which

typically approximates 33% of an executive's total target cash compensation. The Target Bonus amount is prorated on a year-to-date basis to determine the monthly portion of the year-to-date cash bonus payout and the full-year Target Bonus amount is used to determine the annual cash bonus opportunity at the end of a fiscal year.

Actual bonuses paid to participants are calculated based upon the relationship of our actual financial performance to budgeted financial performance on a monthly year-to-date basis. Accordingly, if actual financial performance is less than budgeted financial performance, the actual bonus paid to the participant would be proportionately less than the participant's Target Bonus. At the same time, if actual financial performance exceeds budgeted financial performance, the actual bonus paid to the participant would proportionately exceed the participant's Target Bonus. At all participation levels, the actual bonuses paid are based upon the relationship of actual financial performance to budgeted financial performance, on a monthly year-to-date or annual basis, as applicable. Accordingly, the total actual bonus paid to each participant could exceed the participant's Target Bonus if actual financial performance exceeded budgeted financial performance for such participant.

Target Bonus and Measurement Determination Process. For fiscal year 2008, the financial objectives selected under our bonus components for all of our executives receiving bonuses were earnings before taxes (EBT) for the year-to-date period (YTD) as compared against our 2008 financial plan. Payouts pursuant to EBT were made monthly. Additionally, return on invested capital (ROIC) was measured on an annual basis and was compared to our 2008 financial plan. The impact of the ROIC measurement is capped at no more than a 10% increase, or decrease, as the case may be, of the total Target Bonus at the end of the fiscal year. Our compensation committee feels that applying these specific financial metrics to the executive team is appropriate given the requirement that they work collectively in order to achieve top-level growth while reducing operating expenses and expenses in areas of interest, depreciation and amortization.

EBT. EBT consists of net income plus provision for income taxes. Our company uses EBT as a measure of operating performance. The targeted EBT objective of \$139 million set for fiscal 2008 was the same as for our company's internal plan for EBT in fiscal 2008. We feel that the EBT objective represented an achievable but challenging goal.

ROIC. The ROIC formula consisted of a numerator, which was defined as: EBITDA minus Maintenance Capital Expenditures plus Rent Expense minus Taxes. The denominator was defined as: Average Working Capital plus Average Fixed Assets, plus Rent Expense multiplied by 7. The targeted ROIC objective for fiscal 2008 was 9.2%. We feel that the ROIC objective represented an achievable but challenging goal.

For fiscal 2008, our compensation committee determined that the Target Bonus for all executives other than Mr. Akradi, should remain at approximately 33% of their total target cash compensation based on the committee's belief that approximately one-third of total cash compensation should be performance-based. Our compensation committee made this determination in order to create Target Bonus percentage equity among all executives receiving Target Bonuses. Given that the base salaries of each of the executives, other than Mr. Akradi, remained unchanged from 2007 to 2008, the Target Bonus for each executive, other than Mr. Akradi, remained unchanged from 2007 to 2008 as well.

2008 Results. Our company achieved EBT of \$124 million for fiscal 2008, as adjusted for \$5 million of charges that we incurred in the fourth quarter of 2008 in connection with our plans to slow our rate of new center expansion, which was below the target and resulted in a payout equal to 89% of target total cash compensation. Our company achieved ROIC of 8.7%, which was below the target and resulted in a forfeiture equal to 10% of each executive's annual target bonus. As a result of our 2008 operating results, actual total cash compensation for our executives amounted to approximately 86% of targeted total cash compensation.

Long-Term Incentive Awards

Purpose. We believe that equity-based incentives are an important part of total compensation for our executives as well as for certain other senior and management-level employees. We believe that this type of

compensation creates the proper incentive for management and aligns the interests of our management with the interests of our shareholders. Our compensation committee views the grant of

equity-based compensation and other like awards to be a key component of our overall compensation program.

Structure; Determination Process; Factors Considered. The Amended and Restated Life Time Fitness, Inc. 2004 Long-Term Incentive Plan, referred to as the 2004 Plan, allows us to issue incentive or non-qualified stock options, restricted stock, stock units, performance stock units and/or other cash or equity-based incentive awards. The terms of our 2004 Plan dictate that award re-pricing cannot occur without shareholder approval and that awards cannot be granted with exercise prices below fair market value. To date, our compensation committee, as administrator of our 2004 Plan, has granted time-based vesting and performance-based vesting stock options as well as time-based vesting and performance-based vesting restricted stock.

In general, we grant awards that as of the grant date are proportional to the executive's total potential cash compensation for the current fiscal year, which our compensation committee believes, based on the review and analysis provided by Pearl Meyer & Partners, is the best measure to use in order to remain competitive with the equity awards granted to executives of the companies in the peer groups identified in the Compensation Determination Process section. The proportion of equity to total cash compensation to be granted, as well as the actual number of shares awarded to each executive officer, is determined and approved by our compensation committee after considering the expected expense to our company in addition to the factors outlined under the Compensation Determination Process. Our compensation committee annually reviews the long-term incentive program and information relevant to approving annual awards for executive officers.

2008 Results. For fiscal 2008, our compensation committee determined that the executive team in place at that time should each be granted restricted shares that vest as to 25% of the total number of shares on March 1 of each of 2009, 2010, 2011 and 2012, subject to accelerated vesting in certain circumstances.

Our compensation committee provided, however, that the number of restricted shares vesting on each regular vesting date will be reduced pursuant to the sliding scale described below in the event that our company does not achieve budgeted EBT for fiscal 2008. If the EBT hurdle is not achieved: (i) five percent (5%) of the restricted shares shall be forfeited; and (ii) an additional five percent (5%) of the restricted shares shall be forfeited for each range by which our company's actual EBT for 2008 is less than 98.5% of the budgeted EBT for 2008, as follows: (i) 97.5% to 98.49%; (ii) 96.5% to 97.49%; (iii) 95.5% to 96.49%; (iv) 94.5% to 95.49%; and (v) so on; however, in no event will the number of forfeited shares exceed 25% of the original number of restricted shares granted to Mr. Akradi or 50% of the original number of restricted shares granted to Messrs. Gerend, Robinson, Buss and Zaebst.

On March 14, 2008, our compensation committee issued Mr. Akradi 188,960 restricted shares, Messrs. Gerend and Robinson each 22,680 restricted shares, and Messrs. Buss and Zaebst 18,140 restricted shares, with the provisions described above. The value of the restricted shares granted to Messrs. Gerend, Robinson, Buss and Zaebst represented a 20% increase in the value of the restricted shares that were granted to each of them in connection with their fiscal 2007 total compensation plans. Our compensation committee elected to increase the value of the long-term incentive awards to reward the efforts of the executive team with an incentive that was designed to drive long-term shareholder value. Because the EBT hurdle for 2008 was not achieved, 25% of Mr. Akradi's restricted shares were forfeited and 50% of Messrs. Gerend's, Robinson's, Buss' and Zaebst's restricted shares were forfeited.

Other Compensation

We provide our executive officers with perquisites and benefits that we believe are reasonable, competitive and consistent with the company's overall executive compensation program in order to attract and retain talented executives. Our executives are entitled to few benefits that are not otherwise available to all of our employees. The compensation committee periodically reviews the levels of perquisites and other personal benefits provided to executive officers.

Deferred Compensation

We offer the Executive Nonqualified Excess Plan of Life Time Fitness, a non-qualified deferred compensation plan, for the benefit of our highly compensated employees, which our plan defines as our employees whose projected compensation for the upcoming plan year would meet or exceed the IRS limit for determining highly compensated employees. This unfunded, non-qualified deferred compensation plan allows participants the ability to defer and grow income for retirement and significant expenses in addition to contributions made to our 401(k) plan.

Employment Agreements and Change in Control Provisions

In July and August 2004, we entered into employment agreements for certain of our executive officers and other members of senior management. We amended and restated these employment agreements in December 2008 in response to requirements under Section 409A of the Internal Revenue Code. We believe that our company has achieved growth through innovative, confidential and proprietary management and marketing methods and plans. Therefore, it was necessary to enter into employment agreements to assure protection of our goodwill and confidential and proprietary information, management and marketing plans.

In addition, we also wanted to assure that certain of our executive officers and other members of senior management would continue to serve us under circumstances in which there was possible threatened or actual change of control at our company. We believe it is imperative to diminish the inevitable distraction of certain of our executive officers and other members of senior management by virtue of the personal uncertainties and risks created by a potential severance of employment and to encourage their full attention and dedication to our company currently and in the event of any threatened or impending change of control, and to provide these persons with compensation and benefits arrangements upon a severance of employment which ensure that their compensation and benefits expectations will be satisfied and which are competitive with those of other companies. For these reasons, our company also included accelerated vesting of equity awards upon a change in control under our 2004 Plan and the LIFE TIME FITNESS, Inc. 1998 Stock Option Plan, referred to as our 1998 Plan.

We do not currently have an employment agreement with Mr. Akradi. Our compensation committee feels that because Mr. Akradi is a principal shareholder of our company, our company's goodwill and confidential and proprietary information and management and marketing plans are adequately protected and that Mr. Akradi will continue to serve us with our best interests in mind under circumstances in the event of a possible threatened or actual change of control at our company.

Accounting and Tax Impacts of Executive Compensation

Section 162(m) of the Internal Revenue Code generally precludes a public corporation from taking a federal income tax deduction for compensation paid in excess of one million dollars per year to certain covered officers. Under this section, compensation that qualifies as performance-based is excludable in determining what compensation amount shall qualify for tax deductibility. Covered employees include each of our named executive officers.

Our compensation committee considers our ability to fully deduct compensation in accordance with the one million dollar limitations of Section 162(m) in structuring our compensation programs. However, our compensation committee retains the authority to authorize the payment of compensation that may not be deductible if it believes such payments would be in the best interests of the company and its shareholders. In 2008, Section 162(m) did not limit the deductibility of expenses that we recognized in connection with the compensation plans for all of our named executive officers.

At our 2008 annual meeting of shareholders, we submitted for approval, and our shareholders approved, our Life Time Fitness, Inc. Executive Cash Bonus Plan. Certain performance-based payments qualify for an exemption from the one million dollar limitation of Section 162(m) described above; however, in order to qualify, the material terms of the performance targets must be approved by our shareholders every five years. As a result of our shareholders approval of the plan, amounts paid under the objective performance targets

will, under current tax law, qualify as performance-based compensation. Mr. Akradi's 2009 annual bonus has been granted and will be administered under this cash bonus plan.

(1) Values expressed represent the actual compensation cost recognized by us during fiscal 2006, 2007 and 2008 for equity awards granted in those years and prior years as determined pursuant to Statement of Financial

Accounting Standards No. 123, Share-Based Payment (SFAS 123(R)) utilizing the assumptions discussed in note 2 to our consolidated financial statements for the fiscal year ended December 31, 2007 (as it related to option awards granted in 2005) and utilizing the assumptions discussed in note 2 to our consolidated financial statements for the fiscal year ended December 31, 2008 (as it relates to all other awards), but disregarding the estimate of forfeitures related to service-based vesting.

(2) The following table sets forth all other compensation amounts for 2008 by type:

Name	Home Connectivity (\$)	Use of Company	Car Allowance (\$)	Executive Matching		Long-term Disability and Life Insurance Premiums (\$)	Personal Use of Company Aircraft (\$)	Private Club Dues (\$)	Other Compensation (\$)(c)	Total All Other Compensation (\$)

Eric J. Buss	900		9,600	4,129	6,750	722				22,101

- (a) Home connectivity includes a high-speed network providing seamless integration of the computing and telephony environments at Mr. Akradi's home office with those of our corporate headquarters, including the ability to use his home as a full-service remote meeting location. We directly paid a vendor for Mr. Akradi's home connectivity along with his cell phone plan and wireless card.
- (b) Mr. Akradi used the company aircraft for four personal flights during the 2008 fiscal year. To calculate the aggregate incremental cost to the company for the aircraft's additional use, the total operating hours for each of Mr. Akradi's personal flights was multiplied by the actual operating cost per hour during the month the flight was taken. The aggregate incremental cost to the company for each flight was then added together for the sum total of \$28,600 for the 2008 fiscal year.
- (c) We paid for Mr. Akradi's costs associated with a regulatory filing that was required by the Hart-Scott-Rodino Act in connection with our issuance of restricted stock to him in March 2008, for his 2008 compensation package.

In addition to the amounts set forth above, our named executive officers received perquisites for which there was no incremental cost to us. These perquisites include use of company tickets to certain entertainment events, minor personal travel associated with travel and lodging for which the purpose of the trip was primarily business-related, and use of our company's support staff for assistance with personal matters. In addition, certain personal guests accompanied each of Mr. Akradi, Mr. Robinson and Mr. Zaebst while each was utilizing our plane for business-related purposes.

- (3) For the fiscal year ended December 31, 2008, \$110,022 of Mr. Gerend's base salary shown on the Summary Compensation Table above was deferred under the Executive Nonqualified Excess Plan. For the fiscal year ended December 31, 2007, \$120,000 of Mr. Gerend's base salary shown on the Summary Compensation Table above was deferred under the Executive Nonqualified Excess Plan. For the fiscal year ended December 31, 2006, \$30,000 of Mr. Gerend's base salary shown on the Summary Compensation Table above was deferred under the Executive Nonqualified Excess Plan.

- (4) For the fiscal year ended December 31, 2008, \$24,750 of Mr. Zaebst's base salary shown on the Summary Compensation Table above was deferred under the Executive Nonqualified Excess Plan.

Grants of Plan-Based Awards in 2008

The following table sets forth certain information concerning plan-based awards granted to the named executive officers during the 2008 fiscal year. No options were re-priced or materially modified during the fiscal year.

Name	Grant Date	Estimated Future Payouts Under Non- Equity Incentive	Estimated Future		Grant Date Fair Value of Stock and Option Awards (\$)(3)
		Plan Awards Target \$(1)	Payouts Under Equity Incentive Plan Awards Threshold #(2)	Target #(2)	
Bahram Akradi	3/14/2008	0	141,720	188,960	4,999,882
Michael J. Gerend	3/14/2008	165,000	11,340	22,680	600,113
Michael R. Robinson	3/14/2008	165,000	11,340	22,680	600,113
Mark L. Zaebst	3/14/2008	132,000	9,070	18,140	479,984
Eric J. Buss	3/14/2008	132,000	9,070	18,140	479,984

- (1) These amounts represent the potential target bonus amounts available to our executives for fiscal 2008 as described in the Annual Bonuses section beginning on page 13. Actual target bonuses paid are calculated based upon the relationship of our actual financial performance to budgeted financial performance and are not limited by any minimum or maximum thresholds. Accordingly, if actual financial performance is less than budgeted financial performance, the actual target bonus paid to the executive would be proportionately less than the executive's potential target bonus. At the same time, if actual financial performance exceeds budgeted financial performance, the actual target bonus paid to the executive would proportionately exceed the executive's potential target bonus. The actual amounts of the target bonuses earned by our executives during fiscal 2008 are listed in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table on page 17.
- (2) The restricted stock was granted under our 2004 plan and the shares granted vest as to 25% of the total number of shares on March 1 of each of 2009, 2010, 2011 and 2012, subject to accelerated vesting in certain circumstances. The number of restricted shares vesting on each regular vesting date will be reduced pursuant to the sliding scale described below in the event that we do not achieve budgeted EBT for fiscal 2008. If the EBT hurdle is not achieved: (i) five percent (5%) of the restricted shares shall be forfeited; and (ii) an additional five percent (5%) of the restricted shares shall be forfeited for each range by which our company's actual EBT for 2008 is less than 98.5% of the budgeted EBT for 2008, as follows: (i) 97.5% to 98.49%; (ii) 96.5% to 97.49%; (iii) 95.5% to 96.49%; (iv) 94.5% to 95.49%; and (v) so on; however, in no event will the number of forfeited shares exceed 25% for Mr. Akradi and 50% for Messrs. Gerend, Robinson, Zaebst and Buss of the original number of restricted shares.

Executives may vote and receive dividends, if any, on restricted shares that they hold. Restricted shares may not be transferred and are subject to possible forfeiture until they vest, which forfeiture occurs when an executive ceases to be employed by us for any reason other than death or total disability unless our board of directors determines

otherwise. In the event of the death or total disability of an executive prior to the granting of a restricted stock award in respect of the fiscal year in which such event occurred, the restricted stock award may, in the discretion of our board of directors, be granted in respect of such fiscal year to the disabled executive or his or her estate. In addition, in the case of an executive's death or total disability (see Employment Agreements and Change in Control Provisions on page 24), all restricted shares then outstanding that have not previously vested or been forfeited will vest in proportion to the term of the award during which the executive was employed. Finally, in the case of the occurrence of a change in control (see Employment Agreements and Change in Control Provisions on page 24), all restricted shares then outstanding that have not previously vested or been forfeited will vest immediately.

- (3) Valuation of awards based on the grant date fair value of those awards determined pursuant to SFAS 123(R) utilizing assumptions discussed in note 2 to our consolidated financial statements for the fiscal year ended December 31, 2008. The actual compensation cost recognized by our company during fiscal 2008 for these

awards in addition to the cost of equity awards granted in prior years are listed in the Stock Awards column of the Summary Compensation Table on page 17.

All highly compensated employees eligible to participate in the Executive Nonqualified Excess Plan of Life Time Fitness, including but not limited to our executives, may elect to defer up to 50% of their annual base salary and/or annual bonus earnings to be paid in any coming year. The investment choices available to participants under the non-qualified deferred compensation plan are of the same type and risk categories as those offered under our company's 401(k) plan and may be modified or changed by the participant or our company at any time. Distributions can be paid out as in-service payments or at retirement. Upon retirement, a participant's account benefits can be paid out as a lump sum or in annual installments over a term of up to 10 years. We may, but do not currently plan to, make matching contributions and/or discretionary contributions to this plan. If we did desire to make contributions to this plan, the contributions would vest to each participant according to their years of service with our company.

Equity Ownership Guidelines

We encourage our executives and directors to hold company shares, however, we do not have formal stock ownership guidelines.

In February 2007 we adopted a formal equity grant policy governing all awards granted under our stock incentive plans, including the grant of any shares of our common stock, restricted shares, restricted stock units, stock options, stock appreciation rights, deferred stock units, phantom stock and performance units. This policy was amended and restated in July 2008.

This policy maintains that no grants are to occur on a date when our insider trading window is closed. Annual grants, which must be approved by our compensation committee are to occur on or about the same time every year. Any new hire grants are to be approved by our compensation committee at their next meeting that occurs during an open trading window, which shall, as amended, be held on the first Monday following the close of each blackout period. However, any such meeting may be cancelled by our compensation committee if it deems there are no grants to be approved. The policy requires that all grants of awards to any members of our board of directors must be approved by our board of directors and that all grants of awards to any current or new hire executive officers must be approved by our compensation committee.

This policy also maintains that upon the compensation committee's request, they may receive and review a report from a compensation consultant hired by the compensation committee that includes relevant survey and benchmarking data prior to approving annual awards for executive officers as well as prior to approving awards to any new hire executive officers. In connection with approving grants of awards to any executive officer, the policy holds that our compensation committee is to review total compensation for such person for the most recent three year period, or such lesser time as the person has been employed by us. The review is to include a listing of all equity awards granted to such executive officer in the three year period and a listing of all outstanding equity awards issued to such executive officer. Our compensation committee may consider recommendations of any executive officer when approving

awards, other than recommendations by an individual for his or her own award.

Employment Agreements and Change of Control Provisions

In December 2008, our compensation committee approved a revised form of employment agreement for certain of our executive officers. During December 2008, the revised employment agreements were executed by each of our executive officers. Mr. Akradi does not currently have an employment agreement with us.

Summary of Revisions from Prior Employment Agreements

The form of executive employment agreement was modified in 2008 in response to requirements under Section 409A of the Internal Revenue Code. The new agreement replaces the form of executive employment agreement previously in effect for executive officers. The primary differences between the new executive employment agreements and the prior agreements include:

Modification of the definition of a change of control to be consistent with the definition set forth in our 2004 Plan.

Modification of the definition of good reason for resignation that entitles the executive to severance benefits, in response to requirements of Section 409A.

Restructuring of severance pay and reimbursement provisions to provide severance benefits and reimbursements to executives that comply with (or, where possible, are structured to fall outside the coverage of) the requirements of Section 409A. Such restructuring includes the elimination of enhanced severance benefits for employment terminations that occur in connection with, but prior to, a change of control.

Limitation of post-employment benefits continuation to medical and life insurance coverage as in place immediately prior to the termination of employment for up to 18 months, but in any event not to exceed the COBRA continuation period.

Summary of Current Form of Employment Agreements

The employment agreements provide that if an executive's employment is terminated by us other than for cause, death or disability, or the executive terminates his employment for good reason, other than within one year following a change of control, then we are to provide the executive with (i) payment in an amount equal to 1 1/2 times the executive's Target Salary (defined as the sum of the executive's annual base salary and annual target payout under our annual cash-based incentive plan) in effect as of the termination date (or, if executive resigns for good reason due to a 25% or greater reduction in executive's Target Salary, the Target Salary in effect immediately prior to the reduction) payable in accordance with the schedule and limitations described below; (ii) up to \$10,000 in aggregate reasonable outplacement costs associated with the executive's search for new employment during the first 12 months following the termination date; and (iii) continuation of medical plan coverage and life insurance coverage for a period of up to 18 months, not to exceed the COBRA continuation period, at the same level, in the same manner and at the same cost to the executive as in effect on the termination date of employment.

The payment of executive's Target Salary in (i) above will be paid in equal installments in accordance with our regular payroll schedule commencing on the first regular payroll date after the date of executive's termination of employment, provided that the amount equal to 1/2 of executive's Target Salary that is otherwise payable in the first six months following the termination date shall not exceed the amount that would cause the payments to be considered a deferral of compensation under Section 409A.

The employment agreements define "good reason" as any of the following events, provided that the executive gives written notice to our company within 90 days of the first occurrence of the event and we fail to remedy the condition within 30 days thereafter:

our breach of any material terms or conditions of the employment agreement;

our executive offices are relocated outside of a 75 mile radius of its current location, if the relocation results in a material change to the location where the executive performs services for us;

our reduction of an executive's Target Salary by 25% or more, or our material reduction of an executive's duties and responsibilities; or

our assignment of duties and responsibilities to an executive that are materially inconsistent with the executive's position and experience, which results in a material reduction in the executive's duties, responsibilities or authority.

The employment agreements generally define cause as our determination in good faith that an executive has:

engaged in willful and deliberate acts of dishonesty, fraud or unlawful behavior that adversely affects our business affairs;

been convicted of or pleaded no contest to a felony;

been grossly negligent or engaged in willful misconduct in performing his or her duties and responsibilities and thereby materially adversely affected our business affairs;

refused to substantially perform or persistently neglected his or her duties and responsibilities, or experienced chronic unapproved absenteeism;

demonstrated an inability to perform the duties of his or her position, and is unable to satisfy within 60 days the conditions of any resulting performance improvement plan; or

breached any material terms or conditions of the employment agreement.

Events relating to executive's absenteeism, neglect or refusal to perform, or inability to perform, will constitute cause only if we provide the executive with written notice of the event and the executive fails to remedy the event within 21 business days.

Termination Other than for Cause, Death or Disability or Termination for Good Reason (Other than Within One Year Following a Change of Control)

The following table presents the estimated total amounts that would be paid out (including the present value cost to our company of benefits coverage provided) to the executive officer if his employment was terminated other than for cause, death or disability, or the executive terminated his employment for good reason, as of December 31, 2008, other than within one year following a change of control of our company. In addition to the amounts included below, certain terminations for good reason will result in acceleration of stock options, the circumstances of which are described below:

Name	Cash Severance Payments \$(1)	Aggregate Outplacement Costs (\$)	Continued Benefits Coverage (\$)	Total Potential Payout (\$)
Bahram Akradi				
Michael J. Gerend	750,000	10,000	14,010	774,010

Michael R. Robinson	750,000	10,000	14,010	774,010
Mark L. Zaebst	600,000	10,000	12,494	622,494
Eric J. Buss	600,000	10,000	14,010	624,010

(1) Cash Severance Payments are calculated based on the executive's Target Salary on the date of termination.

Termination Other than for Cause, Death or Disability or Termination for Good Reason Within One Year of a Change of Control

The employment agreements also provide that if the executive's employment with us or a successor is terminated by us within one year of a change of control for any reason other than cause, death or disability, or by the executive within one year of a change of control for good reason, then the executive will receive the same benefits as set forth above, subject to the same schedule and limitations; and in addition, we will pay the

executive an amount equal to 1/4 of the Target Salary, payable in equal installments in accordance with our regular payroll schedule over the 3-month period beginning after completion of the Target Salary payments described above.

In addition, our 2004 Plan and the agreements relating to stock option and restricted stock awards subject to that plan provide that all stock option awards will become immediately exercisable in full and all restricted stock awards will fully vest immediately upon a change of control of our company. However, in the event of a change of control, our compensation committee has the right to cancel any outstanding options under the 2004 Plan and to cause us to instead pay the optionee the excess of the fair market value of the option shares covered by the option over the exercise price of the option at the date that our compensation committee provides a buy-out notice.

Awards granted before April 24, 2008, under the 2004 Plan, define change of control as consisting of any of the following events:

a change in the composition of our board of directors such that the individuals who constitute the board of directors cease for any reason to constitute at least a majority of our board of directors, provided that any director who was approved by a majority of our incumbent directors (other than in connection with a proxy contest) shall be considered an original member of our board of directors;

the consummation of a merger, tender offer or consolidation of our company with any other corporation, other than a merger or consolidation that would result in the voting securities of our company outstanding prior to the transaction continuing to represent at least 45% of the combined voting power of the voting securities of us or the surviving entity; or

the consummation of a sale of all or substantially all of the assets of our company, other than in connection with the sale-leaseback of our real estate.

The employment agreements, as well as awards granted after April 24, 2008 under the 2004 Plan, define change of control as consisting of any of the following events:

a change in the composition of our board of directors such that the individuals who constitute the board of directors cease for any reason to constitute at least 50% of our board of directors, provided that any director who was approved by a majority of our incumbent directors (other than in connection with a proxy contest) shall be considered an original member of our board of directors;

the consummation of a merger or consolidation of our company with any other corporation or other entity, a statutory share exchange involving our capital stock, or a sale or other disposition of all or substantially all of our assets (other than in connection with a sale-leaseback of our company's real estate) unless our shareholders own a majority of the voting power and common stock of the surviving corporation and other conditions are satisfied;

the acquisition of beneficial ownership by a person or group which results in aggregate beneficial ownership of 30% or more of voting power or common stock, subject to certain exceptions; or

a plan to liquidate or dissolve our company.

The following table presents (i) the estimated total amounts that would be paid out (including the present value cost of continued benefits coverage) to each named executive officer if the officer's employment were terminated by us or a successor for any reason other than cause, death or disability, or by the named executive officer for good reason, as of December 31, 2008, and within one year of a change of control; and (ii) the intrinsic value of the stock options whose exercisability would be accelerated, and of the restricted stock awards whose vesting would be accelerated, if a change of control occurred as of December 31, 2008:

Name	Cash Severance Payments \$(1)	Aggregate Outplacement Costs (\$)	Continued Benefits Coverage (\$)	Value of Accelerated Equity Awards \$(2)	Total Potential Payout (\$)
Bahram Akradi				2,644,649	2,644,649
Michael J. Gerend	875,000	10,000	14,010	318,441	1,217,451
Michael R. Robinson	875,000	10,000	14,010	318,441	1,217,451
Mark L. Zaebst	700,000	10,000	12,494	259,907	982,401
Eric J. Buss	700,000	10,000	14,010	250,194	974,204

- (1) Cash Severance Payments are calculated based on the executive's Target Salary on the date of termination.
- (2) Value based on a share price of \$12.95, which was closing price for a share of our common stock on the NYSE on December 31, 2008. Value of restricted stock awards is determined by multiplying that closing share price by the number of restricted shares; value of accelerated stock options is determined by multiplying the number of option shares by the difference between that closing share price and the option exercise price.

Payment of severance benefits under our employment agreements, whether or not termination is in connection with a change of control, is conditioned upon the executive signing and not rescinding a global release of all claims against us, and remaining in compliance with his obligations under the employment agreement to (i) protect our confidential information, (ii) refrain from competing with us for 18 months (or 24 months in connection with a change of control) after his termination of employment, (iii) refrain from hiring any of our employees for 12 months after his termination of employment, and (iv) refrain from soliciting any of our customers or inducing any customer or supplier to stop doing business with us for 12 months after his termination of employment.

Acceleration of Vesting of Equity Awards

Under our 2004 Plan, if an executive's employment is terminated due to death or disability, any outstanding stock option will immediately become exercisable in full for one year (or until the option expires, if that occurs sooner), and any restricted stock award will vest in proportion to the term of the award during which the executive was employed.

Beginning in 2006, each restricted stock agreement granted by us to our employees, including our executive officers, provides for the complete vesting of all restricted stock upon termination of employment due to death or disability. If an executive's employment terminates for any reason other than death, disability or cause (defined in a manner similar to that in our employment agreements), his outstanding stock options will remain exercisable for a period of 90 days after termination to the extent they were exercisable immediately before termination, but any unvested shares of

restricted stock will be forfeited. The following table presents the intrinsic value of the stock options granted under the 2004 Plan whose exercisability would

be accelerated, and of the restricted stock awards whose vesting would be accelerated, if the named executive officer's employment were terminated due to death or disability as of December 31, 2008:

Name	Value of Accelerated Equity Awards \$(1)
Bahram Akradi	2,644,649
Michael J. Gerend	318,441
Michael R. Robinson	318,441
Mark L. Zaebst	259,907
Eric J. Buss	250,194

- (1) Value based on a share price of \$12.95 which was the closing price for a share of our common stock on the NYSE on December 31, 2008. Value of accelerated stock options is determined using the difference between that closing share price and the applicable option exercise price multiplied by the number of option shares whose exercisability is accelerated; value of accelerated restricted stock awards is determined by multiplying that closing share price by the number of restricted shares whose vesting is accelerated.

Compensation of Directors

Non-employee directors are compensated for serving as directors with a grant of restricted stock, an annual stipend, and annual chairperson and lead director fees, if applicable, and are also reimbursed for out-of-pocket traveling expenses incurred in attending board and committee meetings.

Director Compensation Table

The following table shows, for each of our non-employee directors, information concerning annual and long-term compensation earned for services in all capacities during the fiscal year ended December 31, 2008.

- (1) Values expressed represent the actual compensation cost recognized by us for such equity awards during fiscal 2008 as determined pursuant to SFAS 123(R) and utilizing the assumptions discussed in note 2 to our

consolidated financial statements for the fiscal year ended December 31, 2008.

All stock awards granted to non-employee directors have been in the form of restricted stock issued under our 2004 Plan. Directors may vote and receive dividends, if any, at the normal dividend rate on restricted shares that they hold. Restricted shares may not be transferred and are subject to possible forfeiture until they vest, which occurs when a director ceases to be a member of our board of directors for any reason other than death, total disability or retirement unless our board of directors determines otherwise. In the event of the death, total disability or retirement of a non-employee director prior to the granting of a restricted stock award in respect of the fiscal year in which such event occurred, the restricted stock award may, in the discretion of our board of directors, be granted in respect of such fiscal year to the retired or disabled non-employee director or his or her estate. In addition, in the case of a non-employee director's death, total disability or retirement or the occurrence of a change of control under our 2004 Plan (see Employment Agreements and Change in Control Provisions section on page 24), all restricted

shares outstanding to non-employee directors that have not previously vested or been forfeited will vest immediately.

The following table shows, for each of our non-employee directors, information concerning stock awards granted during fiscal 2008 and the corresponding grant date fair value of those awards, as well as the aggregate number of stock awards outstanding as of December 31, 2008:

Name	Number of Shares of Stock Granted in 2008 (#)	Grant Date Fair Value of Stock Awards Granted in 2008 \$(a)	Aggregate Stock Awards Outstanding as of 12/31/08 (#)

Stephen R. Sefton	2,163	74,991	
Joseph S. Vassalluzzo	2,163	74,991	3,838

(a) Valuation of awards based on the grant date fair value of those awards determined pursuant to SFAS 123(R) utilizing assumptions discussed in note 2 to our company's consolidated financial statements for the fiscal year ended December 31, 2008.

(2) Mr. Halpin resigned from our board of directors in August 2008.

(3) Ms. Morfitt was appointed to our board of directors in August 2008.

(4) Mr. Sefton resigned from our board of directors in October 2008.

Stipend

On April 23, 2008, our board of directors approved changes in the compensation payable to our company's non-employee directors to become effective on April 24, 2008, including an increase in the annual stipend amount to \$60,000. The annual stipend amount is paid in cash quarterly after the end of each calendar quarter, in arrears.

For the fiscal year ended December 31, 2008, Messrs. Bateman, Jackson, Richards, and Vassalluzzo received payments of \$11,250 for the first calendar quarter and payments of \$15,000 for the remaining three calendar quarters, respectively. Mr. Halpin received the same payments as the foregoing directors for the first and second calendar quarters, but upon his resignation received a pro rata payment for the third calendar quarter. Similarly, Mr. Sefton received the same payments as the foregoing directors for the first, second and third calendar quarters, but upon his resignation received a pro rata payment for the fourth calendar quarter. Ms. Morfitt received a pro rata payment for the third calendar quarter upon her appointment to the board, and received a payment of \$15,000 for the fourth calendar quarter.

Chairperson Fees

On April 23, 2008, our board of directors approved changes in the compensation payable to our company's non-employee directors to become effective on April 24, 2008, including increases in our committee chairperson fees to \$15,000 for the chairperson of our audit and compensation committee, and \$10,000 for the chairperson of our governance and nominating committee and finance committee. The annual committee chairperson fees are paid in cash quarterly after the end of each calendar quarter, in arrears.

Accordingly, for the fiscal year ended December 31, 2008, Mr. Jackson, as chairperson of the audit committee, received a payment of \$3,000 for the first calendar quarter and a payment of \$3,750 for the remaining three calendar quarters. Mr. Halpin, as chairperson of the compensation committee, received payments of \$1,500 for the first calendar quarter and \$3,750 for the second calendar quarter, but upon his resignation received a pro rata payment for the third calendar quarter. Mr. Vassalluzzo, as chairperson of the

compensation committee, received a pro rata payment of \$2,242 for the third calendar quarter and \$3,750 for the fourth quarter. Mr. Richards, as chairperson of the governance and nominating committee, and Mr. Bateman, as chairperson of the finance committee, each received a payment of \$1,500 for the first calendar quarter and payments of \$2,500 for the remaining three calendar quarters, respectively.

Lead Director Fees

Effective January 1, 2007, our board of directors approved the creation of an annual non-employee lead director fee of \$25,000. The lead director fee is paid in cash quarterly after the end of each calendar quarter, in arrears. Accordingly, for the fiscal year ended December 31, 2008, Mr. Sefton, as lead director of our board of directors until his resignation on October 21, 2008, received a payment of \$6,250 for the first, second and third calendar quarters, but upon his resignation received a pro rata payment for the fourth calendar quarter. Upon Mr. Sefton's resignation, our board of directors appointed Mr. Vassalluzzo to serve as the lead director of our board of directors. Mr. Vassalluzzo received a pro rata payment of the lead director fee for the fourth calendar quarter.

Restricted Stock

Non-employee directors who joined our board of directors on or after March 1, 2004 received an initial grant of restricted stock with a fair market value at grant date of \$100,000 in connection with such a director becoming a member of our board of directors. The date of grant for such director is the date of such director's election to our board of directors and the restrictions on the restricted stock lapse ratably on each annual anniversary of the date of grant over a three-year period. Pursuant to this provision, Ms. Morfitt was granted 2,985 shares of restricted stock on August 6, 2008.

Effective January 1, 2007, our board of directors approved changes in the compensation payable to our company's non-employee directors so that each non-employee director will receive an annual restricted stock grant with a fair market value at grant date of \$75,000 on the date of our annual shareholder meeting, the restrictions on which lapse ratably on each annual anniversary of the date of grant over a three-year period. Pursuant to this provision, Messrs. Bateman, Halpin, Jackson, Richards, Sefton and Vassalluzzo, were each granted 2,163 shares of restricted stock on April 29, 2008.

Other Compensation

For the fiscal year ended December 31, 2008, all non-employee directors were reimbursed for the cost of purchasing a Life Time Fitness Onyx Family Membership.

We reimburse all non-employee directors for out-of-pocket traveling expenses incurred in attending board and committee meetings.

PROPOSAL NO. 3 AMENDMENT OF OUR AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

Introduction

On February 27, 2009, our board of directors adopted, subject to shareholder approval, an amendment to our Amended and Restated Articles of Incorporation to increase the authorized number of shares of our common stock from 50,000,000 shares to 75,000,000 shares, representing an increase of 25,000,000 shares of common stock.

The additional shares of common stock to be authorized by adoption of the amendment would have rights identical to our currently outstanding common stock. Adoption of the proposed amendment and issuance of the common stock would not affect the rights of the holders of our currently outstanding common stock, except for effects incidental to any increase in the number of shares of common stock outstanding, such as dilution of the earnings per share and voting rights of current holders. If the amendment is approved by our

shareholders at the Annual Meeting, it will become effective upon filing of Articles of Amendment to our Amended and Restated Articles of Incorporation with the Secretary of State of the State of Minnesota, which filing would occur promptly following the annual meeting.

Capitalization

The shareholders last approved an amendment to our articles of incorporation in connection with the initial public offering of our common stock in June 2004. The Amended and Restated Articles of Incorporation that were adopted at that time provide for 60,000,000 authorized shares, 50,000,000 of which are designated as common stock and 10,000,000 of which are undesignated capital stock. We are not seeking to increase the number of shares of undesignated capital stock.

Since June 2004, we have issued common stock primarily in capital-raising transactions and in conjunction with the Amended and Restated Life Time Fitness, Inc. 2004 Long-Term Incentive Plan (the Long-Term Incentive Plan), which is our current equity compensation plan, and the Life Time Fitness, Inc. Employee Stock Purchase Plan (the ESPP).

In addition to our sale of 4,774,941 shares in connection with our initial public offering, we sold 1,675,000 shares of common stock in a public offering in August 2007.

Under the Long-Term Incentive Plan, 3,500,000 shares of our common stock are reserved for issuance. As of March 1, 2009, we had granted a total of 1,929,665 options to purchase common stock under the Long-Term Incentive Plan, of which options to purchase 758,547 shares were outstanding, and a total of 840,008 restricted shares under the Long-Term Incentive Plan, of which 486,065 restricted shares were unvested. In addition, as of March 1, 2009, we have options to purchase 220,625 shares outstanding that were issued under the Company's previous stock option plans.

Under our Employee Stock Purchase Plan, we reserved 1,500,000 shares of common stock for purchase by our employees.

As of March 1, 2009, of the 50,000,000 shares of common stock currently authorized, we estimate that the following shares have been issued or reserved:

39,611,922 shares have been issued and are currently outstanding;

approximately 979,172 shares are issuable upon exercise of outstanding stock options;

approximately 1,026,901 are reserved and remain available for grant under the Long-Term Incentive Plan; and

approximately 1,399,382 are reserved and remain available for purchase under the Employee Stock Purchase Plan.

Accordingly, at March 1, 2009, only 6,982,623 shares of common stock remained unreserved and available for future issuance. In addition, if Proposal 4 is approved by our shareholders at the Annual Meeting, an additional 1,750,000 shares of common stock would be reserved for future issuance under the Long-Term Incentive Plan. As a result, our board unanimously approved the proposed amendment in substantially the form attached hereto as Appendix A. At that time, our board declared the proposed amendment to be advisable and in the best interests of the Company and our shareholders and is accordingly submitting the proposed amendment for approval by our shareholders.

Reasons for the Proposal

Our board believes that the additional shares of authorized common stock are necessary to provide us with the flexibility to use our common stock in the future for business and financial purposes that our board deems to be in the Company's best interests on a timely basis without the expense and delay of a shareholders' meeting. The board believes that the current authorized common stock is not sufficient to enable us to respond to potential business opportunities and pursue important objectives designed to enhance shareholder value.

The additional authorized shares of common stock will provide us with greater flexibility to use our common stock, without further shareholder approval (except to the extent such approval may be required by law or by applicable New York Stock Exchange listing standards) for any proper corporate purposes including, without limitation, raising equity capital through a future public offering or private placement, or for other general corporate purposes, expanding our business through future acquisitions and other investment opportunities, entering into strategic relationships, providing equity incentives to employees, officers or directors and effecting stock dividends. We currently do not have specific agreements or plans that would involve the issuance of the proposed additional authorized shares. If the amendment is approved by the shareholders, our board of directors does not intend to solicit further shareholder approval prior to the issuance of any additional shares of common stock or securities convertible into common stock, except as may be required by applicable law or regulation.

Possible Effects of the Proposal

The increase in authorized shares of common stock will not have any immediate effect on the rights of existing shareholders. However, shareholders should recognize that the issuance of additional shares of common stock might dilute the ownership and voting rights of shareholders and, depending upon the price at which the shares are issued, could be dilutive to existing shareholders and have a negative effect on the trading price of our common stock. The holders of our common stock do not have any preemptive rights. The additional shares of common stock that would become available for issuance if the proposal were adopted could also be used by us to oppose a hostile takeover attempt or delay or prevent changes in control or management. For example, without further shareholder approval, the board could adopt a poison pill that would, under certain circumstances related to an acquisition of our shares not approved by the board, give certain holders the right to acquire additional shares of our common stock at a low price, or the board could strategically sell shares of common stock in a private transaction to purchasers who would oppose a takeover or favor the current board. This proposal to increase the authorized common stock has been prompted by business and financial considerations and not by the threat of any hostile takeover attempt (nor is the board currently aware of any such attempts directed at us), nevertheless, shareholders should be aware that approval of this proposal could facilitate future efforts by us to deter or prevent changes in control, including transactions in which the shareholders might otherwise receive a premium for their shares over the then current market prices.

Our board of directors recommends that the shareholders vote for the approval of the amendment of our Amended and Restated Articles of Incorporation to increase the authorized shares of common stock.

PROPOSAL NO. 4 APPROVAL OF AMENDMENT TO THE AMENDED AND RESTATED LIFE TIME FITNESS, INC. 2004 LONG-TERM INCENTIVE PLAN

Introduction

On February 27, 2009, our board of directors, upon recommendation of the compensation committee of the board, approved the amendment of the Long-Term Incentive Plan to increase the number of shares of common stock authorized for issuance thereunder to 5,250,000 shares subject to shareholder approval.

When the Long-Term Incentive Plan was initially adopted in 2004, a total of 3,500,000 shares were reserved for issuance under the Long-Term Incentive Plan. As of March 1, 2009, a total of 1,026,901 shares remain available for grant.

The proposed amendment will increase the aggregate number of shares of common stock authorized for issuance under the Long-Term Incentive Plan from 3,500,000 to 5,250,000. This increase is proposed to provide sufficient shares of common stock so we can offer new award grants to attract, retain and motivate qualified talent and continue

to align the interests of our management and employees with the interests of our shareholders.

Why We Believe You Should Vote for this Amendment

Our board of directors believes that equity-based incentives are an important part of total compensation for our executives as well as for certain other senior and management-level employees. We believe that shareholders should approve the requested share increase for the following reasons:

Compensation Philosophy. As described in our Compensation Discussion and Analysis, our compensation goals include attracting, motivating and retaining qualified talent. We believe that equity compensation is one of the most effective tools to achieve this goal. We also strive to motivate our executives to improve the overall performance of our company and reward executives for achieving measurable results. In the past, we have used restricted stock, with a performance-based vesting component, as well as stock options, which do not provide value to the employee unless our stock price rises, to achieve this goal. We also seek to align our executives long-term interests with those of our shareholders, and believe that equity-based incentives are the best way to achieve this alignment. Consistent with our goals for the future, we believe that equity-based incentives will continue to play an important role in our ability to incentivize our executives and other employees.

Historical Share Usage. We have not sought to increase the number of shares available under our Long-Term Incentive Plan since our initial public offering in 2004. As of March 1, 2009, we had issued or committed to issue 2,473,099 of the 3,500,000 shares that were originally available under the Long-Term Incentive Plan through stock option and restricted stock grants dating back to the time of our initial public offering. We believe that we used these equity awards responsibly.

Significant Growth. Since the time of our initial public offering in 2004, we have grown from approximately 7,700 employees to approximately 16,700 employees. Equity awards make up a significant portion of total compensation for many of our employees, not just our executive officers. We believe that awarding equity compensation to align the interests of a large number of our employees with the interests of our shareholders has a material impact on our ability to provide shareholder value.

Plan Provisions Designed to Serve Shareholders' Interests and Promote Effective Corporate Governance. The Long-Term Incentive Plan, which is summarized in more detail below, includes several provisions that are designed to service the interests of our shareholders and promote effective corporate governance, including:

The Long-Term Incentive Plan is administered by our independent compensation committee.

The Long-Term Incentive Plan prohibits re-pricing of stock options or stock appreciation rights without prior shareholder approval.

We cannot issue stock options or stock appreciation rights at an exercise price that is less than the fair market value of our common stock on the date of grant.

Time-based restricted stock generally must vest over a period of at least three years.

The Long-Term Incentive Plan generally provides for the forfeiture of outstanding awards if our compensation committee determines that the employee has engaged in certain misconduct, including disclosure or misuse of confidential information, breach of a fiduciary duty to the company, engaging in unlawful insider trading or commission of a felony or other serious crime.

We cannot grant awards under the Long-Term Incentive Plan after April 24, 2018.

We cannot materially modify the Long-Term Incentive Plan without prior shareholder approval, which includes amendments to increase the number of shares, extend the period for granting awards, add new award types, change the performance measures for performance-based awards and modify the eligibility requirements.

Summary of the Long-Term Incentive Plan

The amendment to the Long-Term Incentive Plan to increase the number of shares of common stock authorized for issuance thereunder to 5,250,000 will be effective when approved by our shareholders at the annual meeting. A copy of the Long-Term Incentive Plan, as proposed to be amended, is attached to this proxy statement as [Appendix B](#), and this discussion is qualified in its entirety by reference to the full text of the Long-Term Incentive Plan.

Purposes of the Long-Term Incentive Plan

The purposes of the Long-Term Incentive Plan are to provide long-term incentives to those persons with responsibility for our success and growth, to associate the interests of such persons with those of our shareholders, to assist us in recruiting, retaining and motivating a diverse group of employees, consultants, advisors and non-employee directors on a competitive basis, and to ensure a pay-for-performance linkage for such employees and non-employee directors.

Administration

The Long-Term Incentive Plan will be administered by our compensation committee. The compensation committee has the authority to establish, amend and waive rules relating to the Long-Term Incentive Plan; determine the identity of participants, timing, type and amount of any awards; and determine other terms and conditions of awards. The compensation committee may delegate its responsibilities under the Long-Term Incentive Plan to (i) a subcommittee, (ii) to any one or more of its members, and (iii) to our employees for the purposes of executing documents on behalf of the compensation committee or to otherwise assist the compensation committee in the administration and operation of the Long-Term Incentive Plan, provided that no delegation may be made that would cause the awards or other transactions under the Long-Term Incentive Plan to cease to be exempt from Section 16(b) of the Securities Exchange Act of 1934 or cause an award to cease to qualify for a performance based exception section forth in Section 162(m)(4)(C) of the Internal Revenue Code.

Eligibility

All of our officers, employees, non-employee directors, consultants or advisors are eligible to receive awards, other than incentive stock options, under the Long-Term Incentive Plan. Incentive stock options may only be granted to our employees who do not, at the time of grant, own stock possessing more than ten percent (10%) of the total combined voting power of all classes of our stock.

Number of Shares Available for Issuance under Long-Term Incentive Plan

As of March 1, 2009, the total number of shares of our common stock remaining available for issuance under the Long-Term Incentive Plan and for issuance as incentive stock options is 1,026,901 subject to adjustment for future stock splits, stock dividends and similar changes in our capitalization. If this proposal is approved by our shareholders at the annual meeting, we will have an additional 1,750,000 shares available for issuance under the Long-Term Incentive Plan and for issuance as incentive stock options, subject to adjustment for changes in our capitalization as described above. Any shares of our common stock subject to an award under the Long-Term Incentive Plan that expires, is cancelled, is settled in cash or is otherwise terminated may again be used for an award under the Long-Term Incentive Plan.

The maximum number of stock options, stock appreciation rights and restricted shares that can be granted to any eligible participant during a single calendar year cannot exceed 750,000. The maximum amount of awards other than stock options, stock appreciation rights, restricted stock units and restricted shares shall not exceed two (2) times the

eligible participant's base salary, per calendar year. The maximum award that may be granted to any eligible participant for a performance period greater than one year shall not exceed the foregoing annual maximum multiplied by the number of full years in the performance period.

Types of Awards

The types of awards that may be granted under the Long-Term Incentive Plan include incentive and non-qualified stock options, stock appreciation rights, restricted shares, restricted share units, performance awards, and other stock-based awards. Subject to exception for a participant's termination, death or total disability, the incentive and non-qualified stock options and stock appreciation rights will terminate after ten (10) years after the date of grant, unless otherwise determined by the committee. Except for the participant's death or total disability, restricted shares and restricted share units will terminate at the date of the participant's termination of employment, unless otherwise determined by the committee.

In addition to the general characteristics of all of the awards described in this proxy statement, the basic characteristics of awards that may be granted under the Long-Term Incentive Plan are as follows:

Incentive and Non-Qualified Stock Options.

Both incentive and non-qualified stock options may be granted to recipients at such exercise prices as the compensation committee may determine but not less than the fair market value (as defined in the Long-Term Incentive Plan) of a share of our common stock as of the date the option is granted. We determine fair market value of our common stock based on the closing price of our common stock on the NYSE on the date of grant; however, if no sale of our stock occurred on that date, we will use the closing price on the next preceding date on which a sale of our stock occurred. The aggregate fair market value of all the shares of our common stock with respect to which incentive stock options may first become exercisable by a participant for the first time during any year shall not exceed \$100,000 under the Long-Term Incentive Plan. Incentive and non-qualified stock options may be granted alone or in tandem with stock appreciation rights, however if the options are granted in tandem with stock appreciation rights the exercise of either will result in the simultaneous cancellation of the same number of tandem options or stock appreciation rights. The option exercise price for any outstanding options may not be decreased after the date of grant nor may any outstanding options granted under the Long-Term Incentive Plan be surrendered to us as consideration for the grant of a new option with a lower option exercise price or otherwise subject to any action that would be treated as a repricing without the approval of our shareholders.

Stock Appreciation Rights.

The value of a stock appreciation right granted to a recipient is determined by the appreciation in our common stock. The recipient receives all or a portion of the amount by which the fair market value of a specified number of shares, as of the date the stock appreciation right is exercised, exceeds a purchase price specified by the compensation committee at the time the right is granted. The purchase price specified by the compensation committee must be at least equal to the fair market value (as defined in the Long-Term Incentive Plan) of the specified number of shares of our common stock to which the right relates determined as of the date the stock appreciation right is granted. A stock appreciation right may be made in cash, common stock valued at fair market value on the date of exercise, a combination of cash and common stock, or by any method the compensation committee may determine. The purchase price per share of the common stock covered by a stock appreciation right granted under the Long-Term Incentive Plan may not, with limited exception, be decreased, cancelled in conjunction with the grant of any new stock appreciation right with a lower purchase price per share, or otherwise subject to any action that would be treated as a repricing. A stock appreciation right may be granted alone or in tandem with incentive and non-qualified stock options, however if the stock appreciation rights are granted in tandem with options, the exercise of either will result in the simultaneous cancellation of the same number of tandem options or stock appreciation rights.

Restricted Shares and Restricted Share Units.

Our common stock granted to recipients may contain such restrictions as the compensation committee may determine, including, without limitation: a requirement that participants pay a stipulated purchase price for each restricted share or each restricted share unit; restrictions based upon the achievement of specific performance goals; time-based restrictions on vesting; and/or restriction under applicable Federal or state

securities law. Any time-based restriction period will not be less than three years, unless otherwise determined by the compensation committee at the time of grant. Awards of restricted shares and restricted share units shall have the right to receive dividends in cash or other property, unless the compensation committee determines otherwise. Awards of restricted shares shall have the right to vote such shares as the record owner of the restricted shares, unless the compensation committee determines otherwise. At the end of the restriction period, a certificate representing the number of shares to which the participant is then entitled shall be delivered to the participant free and clear of the restrictions.

Payments with respect to restricted share units that become payable in accordance with their terms and conditions shall, as determined by the compensation committee, be settled in cash, shares of common stock, or a combination of cash and shares.

Performance Awards.

Performance awards consist of performance shares or performance units. Performance awards entitle the recipient to payment in amounts determined by the compensation committee based upon the achievement of specified performance measures over a performance period. The performance period shall be one year, unless otherwise determined by the compensation committee. With respect to participants who are covered employees under Section 162(m) of the Internal Revenue Code, the performance measures are set by our compensation committee at the start of each performance period and are based on one or more or any combination of the following criteria: stock price; market share; sales; revenue; cash flow; sales volume; earnings per share; EBITDA; pre-tax income; return on equity; return on assets; return on sales; return on invested capital; economic value added; net earnings; total shareholder return; gross margin; and/or costs.

The performance measures may be described in terms of objectives that are related to the individual participant or objectives that are company-wide or related to a subsidiary, division, department, region, function, business unit or affiliate in which the participant is employed. In addition to selecting the performance targets, the compensation committee will also approve the level of attainment required to earn a payment under an award, which may be made relative to the performance of other corporations.

Other Stock-Based Awards.

The compensation committee is authorized to grant to eligible participants such other awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of common stock (including, without limitation, securities convertible into shares of common stock), as are deemed by the compensation committee to be consistent with the purpose of the Long-Term Incentive Plan. The shares of common stock or other securities delivered shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms (including, without limitation, cash, shares of common stock, other securities, other awards or other property or any combination thereof), as the compensation committee shall determine. The value of the consideration, as established by the compensation committee, shall not be less than 100% of the fair market value of such shares of common stock or other securities as of the date such purchase right is granted, unless otherwise determined by the compensation committee.

Dividend Equivalents.

The compensation committee is authorized to grant dividend equivalents to eligible participants under which the participant shall be entitled to receive payments (in cash, shares of common stock, other securities, other awards or other property as determined in the discretion of the compensation committee) equivalent to the amount of cash dividends paid by us to holders of shares of common stock with respect to a number of shares of common stock

determined by the compensation committee.

Acceleration of Awards, Lapse of Restrictions

Consistent with the terms of the Long-Term Incentive Plan, the compensation committee may accelerate vesting requirements, performance periods, and the expiration of the applicable term or restrictions, and adjust

performance measures and payments, upon such terms and conditions as are set forth in the participant's award agreement, or otherwise in the compensation committee's discretion. The Long-Term Incentive Plan provides for acceleration upon a change of control (as defined in the Long-Term Incentive Plan), unless the award provides otherwise.

Adjustments, Amendments, Terminations

In the event of any equity restructuring within the meaning of SFAS 123(R), such as a stock dividend, stock split, spin off, rights offering or recapitalization through a large, nonrecurring cash dividend, the Long-Term Incentive Plan requires the compensation committee to equitably adjust the number and type of shares available for awards or subject to outstanding awards, and the exercise price of such awards. In the event of any other change in corporate capitalization, such as a merger, consolidation, any reorganization, or any partial or complete liquidation of us, the compensation committee has the discretion to make such equitable adjustments similar to those described above as it deems appropriate to prevent enlargement or diminution of participants' rights.

The Long-Term Incentive Plan provides that all awards are subject to agreements containing the terms and conditions of the awards. Such agreements will be entered into by the recipients of the awards and us on or after the time the awards are granted and are subject to amendment, including unilateral amendment by the compensation committee, unless any such amendment is determined by the compensation committee to be materially adverse to the participant and not required as a matter of law. No amendment shall reduce the exercise price of, or reprice, any outstanding award, without shareholder approval. The Long-Term Incentive Plan also gives the board of directors the right to amend, modify, terminate or suspend the Long-Term Incentive Plan, except that amendments to the Long-Term Incentive Plan are subject to shareholder approval in certain circumstances, which generally require shareholder approval pursuant to applicable law or stock exchange rules.

The Long-Term Incentive Plan will remain in effect until April 24, 2018.

Awards to Non-Employee Directors

Non-employee directors are eligible to receive any and all types of awards other than incentive stock options under the Long-Term Incentive Plan. The board must approve all awards to non-employee directors. If a non-employee director ceases to be a member of the board for any reason other than death, total disability or retirement prior to the granting of an award in respect of the fiscal year in which the event occurred, the non-employee director's rights to any award in respect of the fiscal year during which such cessation occurred will terminate unless the board determines otherwise.

Each stock option granted to a non-employee director shall have an exercise price equal to the fair market value on the grant date and shall vest in accordance with the terms of an award agreement and shall have a term of ten years. In the event a non-employee director terminates membership on the board prior to the vesting date, or lapsing of any restrictions, of an award, then (A) if such termination is the result of such non-employee director's death, total disability or retirement, such award shall immediately vest or, as applicable, the restrictions shall lapse, and, in the case of options, be exercisable, and (B) if such termination is the result of an event other than death, total disability or retirement, such award shall immediately terminate and expire. No options granted to a non-employee director may be exercised after he or she ceases to be a member of the board, except that: (A) if such cessation occurs by reason of death, the options then held by the non-employee director may be exercised by his or her designated beneficiary (or, if none, his or her legal representative) until the expiration of such options in accordance with the terms hereof; (B) if such cessation occurs by reason of the non-employee director incurring a total disability, the options then held by the non-employee director may be exercised by him or her until the expiration of such options in accordance with its terms; and (C) if such cessation occurs by reason of the non-employee director's retirement, the options then held by the non-employee director may be exercised by him or her until the expiration of such options in accordance with the

terms hereof.

Federal Tax Considerations

The following summary sets forth the tax events generally expected for United States citizens under current United States federal income tax laws in connection with awards under the Long-Term Incentive Plan.

Incentive Stock Options.

A recipient will realize no taxable income, and we will not be entitled to any related deduction, at the time an incentive stock option is granted under the Long-Term Incentive Plan. If certain statutory employment and holding period conditions are satisfied before the recipient disposes of shares acquired pursuant to the exercise of such an option, then no taxable income will result upon the exercise of such option, and we will not be entitled to any deduction in connection with such exercise. Upon disposition of the shares after expiration of the statutory holding periods, any gain or loss realized by a recipient will be a long-term capital gain or loss. We will not be entitled to a deduction with respect to a disposition of the shares by a recipient after the expiration of the statutory holding periods.

Except in the event of death, if shares acquired by a recipient upon the exercise of an incentive stock option are disposed of by such recipient before the expiration of the statutory holding periods (a disqualifying disposition), such recipient will be considered to have realized as compensation, taxable as ordinary income in the year of disposition, an amount, not exceeding the gain realized on such disposition, equal to the difference between the exercise price and the fair market value of the shares on the date of exercise of the option. We will be entitled to a deduction at the same time and in the same amount as the recipient is deemed to have realized ordinary income. Any gain realized on the disposition in excess of the amount treated as compensation or any loss realized on the disposition will constitute capital gain or loss, respectively. Such capital gain or loss will be long-term or short-term based upon how long the shares were held. If the recipient pays the option price with shares that were originally acquired pursuant to the exercise of an incentive stock option and the statutory holding periods for such shares have not been met, the recipient will be treated as having made a disqualifying disposition of such shares, and the tax consequence of such disqualifying disposition will be as described above.

The foregoing discussion applies only for regular tax purposes. For alternative minimum tax purposes, an incentive stock option will be treated as if it were a non-qualified stock option, the tax consequences of which are discussed below.

Non-Qualified Stock Options.

A recipient will realize no taxable income, and we will not be entitled to any related deduction, at the time a non-qualified stock option is granted under the Long-Term Incentive Plan. At the time of exercise of a non-qualified stock option, the recipient will realize ordinary income, and we will be entitled to a deduction, equal to the excess of the fair market value of the stock on the date of exercise over the option price. Upon disposition of the shares, any additional gain or loss realized by the recipient will be taxed as a capital gain or loss, long-term or short-term, based upon how long the shares are held.

Stock Appreciation Rights and Performance Units.

Generally: (a) the recipient will not realize income upon the grant of a stock appreciation right or performance unit award; (b) the recipient will realize ordinary income, and we will be entitled to a corresponding deduction, in the year cash or shares of common stock are delivered to the recipient upon exercise of a stock appreciation right or in payment of the performance unit award; and (c) the amount of such ordinary income and deduction will be the amount of cash received plus the fair market value of the shares of common stock received on the date of issuance. The federal income tax consequences of a disposition of unrestricted shares received by the recipient upon exercise of a stock

appreciation right or in payment of a performance unit award are the same as described below with respect to a disposition of unrestricted shares.

Restricted and Unrestricted Stock; Restricted Stock Units.

Unless the recipient files an election to be taxed under Section 83(b) of the Internal Revenue Code: (a) the recipient will not realize income upon the grant of restricted stock; (b) the recipient will realize ordinary income, and we will be entitled to a corresponding deduction, when the restrictions have been removed or expire; and (c) the amount of such ordinary income and deduction will be the fair market value of the restricted stock on the date the restrictions are removed or expire. If the recipient files an election to be taxed under Section 83(b) of the Internal Revenue Code, the tax consequences to the recipient will be determined as of the date of the grant of the restricted stock rather than as of the date of the removal or expiration of the restrictions.

With respect to awards of unrestricted stock: (a) the recipient will realize ordinary income, and we will be entitled to a corresponding deduction upon the grant of the unrestricted stock and (b) the amount of such ordinary income and deduction will be the fair market value of such unrestricted stock on the date of grant. When the recipient disposes of restricted or unrestricted stock, the difference between the amount received upon such disposition and the fair market value of such shares on the date the recipient realizes ordinary income will be treated as a capital gain or loss, long-term or short-term, based upon how long the shares are held.

A recipient will not realize income upon the grant of restricted stock units, but will realize ordinary income, and we will be entitled to a corresponding deduction, when the restricted stock units have vested and been settled in cash and/or shares of our common stock. The amount of such ordinary income and deduction will be the amount of cash received plus the fair market value of the shares of our common stock received on the date of issuance.

Withholding.

The Long-Term Incentive Plan permits us to withhold from awards an amount sufficient to cover any required withholding taxes.

Plan Benefits

The specific individuals who will be granted awards under the Long-Term Incentive Plan and the type and amount of any such awards will be determined by the compensation committee, subject to annual limits on the maximum amounts that may be awarded to any individual, as described above. Accordingly, future awards to be received by or allocated to particular individuals under the Long-Term Incentive Plan are not presently determinable.

Our board of directors recommends that the shareholders vote for the approval of the amendment to the Amended and Restated Life Time Fitness, Inc. 2004 Long-Term Incentive Plan.

SECURITIES OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our common stock as of February 26, 2009 by:

each person who is known by us to own beneficially more than 5% of our voting securities;

each current director;

each director nominee;

each of the named executive officers; and

all directors and executive officers as a group.

Beneficial ownership is determined in accordance with the Securities and Exchange Commission's rules. In computing percentage ownership of each person, shares of common stock subject to options held by that person that are currently exercisable, or exercisable within 60 days of February 26, 2009, are deemed to be outstanding and beneficially owned by that person. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

Except as indicated in the notes to this table and pursuant to applicable community property laws, each shareholder named in the table has sole voting and investment power with respect to the shares set forth opposite such shareholder's name. Percentage of ownership is based on 39,612,775 shares of our common stock outstanding on February 26, 2009. The address for each executive officer and director is 2902 Corporate Place, Chanhassen, MN 55317.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transaction Approval Policy

In February 2007, our board of directors adopted a formal related person transaction approval policy, which sets forth our company's policies and procedures for the review, approval or ratification of any transaction required to be reported in our company's filings with the Securities and Exchange Commission. Our policy applies to any financial transaction, arrangement or relationship or any series of similar transactions, arrangements or relationships in which our company is a participant and in which a related person has a direct or indirect interest, but exempts the following:

payment of compensation by our company to a related person for the related person's service to our company in the capacity or capacities that give rise to the person's status as a related person;

transactions available to all employees or all shareholders of our company on the same terms; and

transactions, which when aggregated with the amount of all other transactions between the related person and our company, involve less than \$120,000 in a fiscal year, which is the threshold for disclosure of related person transactions under applicable SEC rules.

The audit committee of our board of directors must approve any related person transaction subject to this policy before commencement of the related party transaction. The committee will analyze the following factors, in addition to any other factors the committee deems appropriate, in determining whether to approve a related party transaction:

whether the terms are fair to our company;

whether the transaction is material to our company;

the role the related person has played in arranging the related person transaction;

the structure of the related person transaction; and

the interests of all related persons in the related person transaction.

The committee may, in its sole discretion, approve or deny any related person transaction. Approval of a related person transaction may be conditioned upon our company and the related person taking such precautionary actions, as the committees deems appropriate.

Related Person Transaction Summary

In May 2008, we hired a construction company to complete an excavation project on the remodel of one of our centers. Mr. Akradi, our Chairman of the Board and Chief Executive Officer, owns 100% of the interests in such construction company. The total cost of the project was \$683,739, of which \$335,500 was paid by us to the construction company in 2008, and the balance was paid in 2009. The transaction was not submitted to the audit committee of our board of directors for approval prior to commencement. When the audit committee was advised of the transaction, the audit committee reviewed the terms of the transaction and concluded that the transaction satisfied the factors described above. In particular, the audit committee determined that the terms were fair to us, the transaction was not material to us, Mr. Akradi was not directly involved in the negotiation and the construction company received the contract as a result of a competitive bidding process in which we received one other similar bid at a higher cost. Accordingly, we believe that the transaction was on terms no less favorable than we could have obtained from unaffiliated parties.

Prior to the adoption of our related person transaction approval policy, our company entered into the transaction described below. We believe that the transaction set forth below was on terms no less favorable than we could have obtained from unaffiliated parties.

In October 2003, we leased a center located within a shopping center that is owned by a general partnership in which Mr. Akradi has a 50% interest. We paid rent pursuant to this lease of \$651,519 in 2008. The terms of the lease were negotiated by one of our independent directors on behalf of our company and were reviewed and approved by a majority of our independent and disinterested directors. To assist our board of directors in evaluating this transaction, a third-party expert was retained to review the terms of the lease. The third-party expert determined that the terms of the lease were at market rates.

Other than the transactions set forth above, our company had no other transactions during fiscal 2008 which required review, approval or ratification under our related person transaction approval policy or where the related person transaction approval policy's policies and procedures were not followed.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act requires that our company's directors and executive officers file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Directors and executive officers are required to furnish our company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to our company and written representations from our company's directors and executive officers, all Section 16(a) filing requirements were met for the fiscal year ended December 31, 2008, except for:

a Form 4 for Mr. Robinson to report his cash exercise of 12,500 options on November 20, 2006 that was reported on February 26, 2009; and

a Form 4 for Mr. Richards to report his acquisition of 200 shares on May 2, 2008 that was reported one day late on May 7, 2008 due to an administrative error that was not prompted by Mr. Richards.

3. ADMINISTRATION OF THIS PLAN.

(a) *Authority of Committee.* This Plan shall be administered by the Committee, which shall have all the powers vested in it by the terms of this Plan, such powers to include the authority (within the limitations described herein):

to select the persons to be granted Awards under this Plan,

to determine the type, size and terms of Awards to be made to each person selected,

to determine the time when Awards are to be made and any conditions which must be satisfied before an Award is made,

to establish objectives and conditions for earning Awards,

to determine whether an Award shall be evidenced by an agreement and, if so, to determine the terms of such agreement (which shall not be inconsistent with this Plan) and who must sign such agreement,

to determine whether the conditions for earning an Award have been met and whether an Award will be paid at the end of the Performance Period,

to determine if and when an Award may be deferred,

to determine the guidelines and/or procedures for the payment or exercise of Awards, and

to determine whether an Award should qualify, regardless of its amount, as deductible in its entirety for federal income tax purposes, including whether any Awards granted under this Plan comply with the Performance Based Exception under Code Section 162(m).

(b) *Interpretation of Plan.* The Committee shall have full power and authority to administer and interpret this Plan and to adopt or establish such rules, regulations, agreements, guidelines, procedures and

B-3

instruments, which are not contrary to the terms of this Plan and which, in its opinion, may be necessary or advisable for the administration and operation of this Plan. The Committee's interpretations of this Plan, and all actions taken and determinations made by the Committee pursuant to the powers vested in it hereunder, shall be conclusive and binding on all parties concerned, including the Company, its shareholders and any person receiving an Award under this Plan.

(c) *Delegation of Authority.* To the extent not prohibited by law, the Committee may (i) delegate its authority and administrative powers hereunder to a subcommittee, (ii) allocate all or any portion of its responsibilities and powers to any one or more of its members and, (iii) grant authority to employees or designate employees of the Company to execute documents on behalf of the Committee or to otherwise assist the Committee in the administration and operation of this Plan, provided that no such delegation may be made that would cause Awards or other transactions under this Plan to cease to be exempt from Section 16(b) of the Exchange Act or cause an Award intended to qualify for the Performance Based Exception to cease to qualify for such exception. Any such allocation or delegation may be revoked by the Committee at any time.

(d) *Section 162(m) and Rule 16b-3 Compliance.* In the case of any grants made to insiders or Awards that are intended to qualify for the Performance Based Exception, the Committee shall delegate its authority to a subcommittee composed solely of two or more directors who qualify as an independent director within the meaning of the applicable stock exchange, as an outside director within the meaning of Section 162(m) of the Code, and as a non-employee director within the meaning of Rule 16b-3.

4. ELIGIBILITY.

Awards may be granted under this Plan to Eligible Participants.

5. SHARES OF COMMON STOCK SUBJECT TO THIS PLAN.

(a) *Authorized Number of Shares.* Unless otherwise authorized by the Company's shareholders and subject to the provisions of this Section 5 and Section 10, the maximum aggregate number of shares of Common Stock available for issuance under this Plan shall be 5,250,000. Subject to the provisions of this Section 5 and Section 10, the maximum number of shares of Common Stock that may be issued pursuant to Options intended to be ISO's shall be 5,250,000 shares.

(b) *Share Counting.* The following shall apply in determining the number of shares remaining available for grant under this Plan:

(i) In connection with the granting of an Option or other Award (other than a Performance Unit denominated in dollars), the number of shares of Common Stock available for issuance under this Plan shall be reduced by the number of shares in respect of which the Option or Award is granted or denominated; provided, however, that, in the case of Stock Appreciation Rights granted in tandem with Options (so that only one may be exercised with the other terminating upon such exercise), the number of shares of Common Stock shall only be taken into account once (and not as to both Awards) for purposes of this Section 5 and the limitations hereunder; and provided further where a SAR is settled in shares of Common Stock, the number of shares of Common Stock available for issuance under this Plan shall be reduced only by the number of shares issued in such settlement.

(ii) If any Option is exercised by tendering shares of Common Stock to the Company as full or partial payment of the exercise price, the number of shares available for issuance under this Plan shall be increased by the number of shares so tendered.

(iii) Whenever any outstanding Option or other Award (or portion thereof) expires, is cancelled, is settled in cash or is otherwise terminated for any reason without having been exercised or payment having been made in respect of the entire Option or Award, the shares allocable to the expired, cancelled, settled or otherwise terminated portion of the Option or Award may again be the subject of Options or Awards granted under this Plan.

B-4

(iv) Awards granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who become employees as a result of a merger, consolidation, acquisition or other corporate transaction involving the Company as a result of an acquisition will not count against the reserve of available shares under this Plan. The terms and conditions of the substitute or assumed Awards may vary from the terms and conditions set forth in this Plan to the extent the Committee at the time of the grant may deem appropriate to conform, in whole or in part, to the provisions of the Awards in substitution for which they are granted.

(c) *Shares to be Delivered.* Shares of Common Stock to be delivered by the Company under this Plan shall be determined by the Committee and may consist in whole or in part of authorized but unissued shares or shares acquired on the open market.

(d) *Fractional Shares.* No fractional shares of Common Stock may be issued under this Plan; however, cash shall be paid in lieu of any fractional shares in settlement of an Award.

6. AWARD LIMITATIONS.

The maximum number of Options, SARs and Restricted Shares that can be granted to any Eligible Participant during a single calendar year cannot exceed 750,000. The maximum per Eligible Participant, per calendar year amount of Awards other than Options, SARs and Restricted Shares shall not exceed two (2) times the Eligible Participant's base salary. The maximum Award that may be granted to any Eligible Participant for a Performance Period greater than one year shall not exceed the foregoing annual maximum multiplied by the number of full years in the Performance Period.

7. AWARDS TO ELIGIBLE PARTICIPANTS.

(a) *Options.*

(i) *Grants.* Subject to the terms and provisions of this Plan, Options may be granted to Eligible Participants. Options may consist of ISOs or NQSOs, as the Committee shall determine. Options may be granted alone or in tandem with SARs. With respect to Options granted in tandem with SARs, the exercise of either such Options or such SARs will result in the simultaneous cancellation of the same number of tandem SARs or Options, as the case may be. The grant of an Option shall occur on the date the Committee by resolution selects a Participant to receive a grant of an Option, determines the number of shares of Common Stock to be subject to such Option to be granted to such Participant and specifies the terms and provisions of the Option. The Company shall notify a Participant of any grant of an Option, and such Award shall be confirmed by, and subject to the terms of, an Award Agreement.

(ii) *Option Exercise Price.* The Option Exercise Price shall be equal to or greater than the Fair Market Value on the date the Option is granted, unless the Option was granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became employees of the Company or any Affiliate as a result of a merger, consolidation, acquisition or other corporate transaction involving the Company or such Affiliate.

(iii) *ISO Limits.* ISOs may only be granted to employees of the Company and its Affiliates and may only be granted to an employee who, at the time the Option is granted, does not own stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Affiliate. The aggregate Fair Market Value of all shares with respect to which ISOs are exercisable by a Participant for the first time during any year shall not exceed \$100,000; provided, however, that any Options or portions thereof that exceed such limit shall be treated as NQSOs notwithstanding any other provisions of the Award Agreement, but only to the extent of such excess. The aggregate Fair Market Value of such shares shall be determined at the time the Option is granted.

(iv) *No Repricing.* Except for adjustments made pursuant to Section 10, the Option Exercise Price for any outstanding Option granted under this Plan may not be decreased after the date of grant nor may any outstanding Option granted under this Plan be surrendered to the Company as consideration for the grant of a

B-5

new Option with a lower Option Exercise Price or otherwise be subject to any action that would be treated, for accounting purposes, as a repricing of such Option without the approval of the Company's shareholders.

(v) *Buy Out of Option Gains.* In the event of a Change of Control, the Committee shall have the right to elect, in its sole discretion and without the consent of the holder thereof, to (1) accelerate the vesting of each outstanding Option, (2) cancel each outstanding Option and (3) cause the Company to pay to the Participant, with respect to each share of Common Stock covered by the Option immediately prior to its cancellation, the excess of the Fair Market Value of a share of Common Stock over the Option Exercise Price for a share of Common Stock covered by such Option at the date the Committee provides written notice (the Buy Out Notice) of its intention to exercise such right. Buyouts pursuant to this provision shall be effected by the Company as promptly as possible after the date of the Buy Out Notice. Payments of buy out amounts may be made in cash, in shares of Common Stock, or partly in cash and partly in Common Stock, as the Committee deems advisable. To the extent payment is made in shares of Common Stock, the number of shares shall be determined by dividing the amount of the payment to be made by the Fair Market Value of a share of Common Stock at the date of the Buy Out Notice. For purposes of this Section 7(a)(v) only, if the Change of Control is of the nature described in clause (B) of Section 11(b)(i) or clause (C) of 11(b)(ii) or the result of a tender offer or exchange offer that constitutes a Change of Control under clause (B) of Section 11(b)(ii), Fair Market Value of a share of Common Stock means the fair market value, as determined in good faith by the Committee, of the consideration to be received per share of Common Stock by those shareholders of the Company electing to, or required to, receive such consideration upon the occurrence of such Change of Control, notwithstanding anything to the contrary provided in this Agreement.

(b) *Stock Appreciation Rights.*

(i) *Grants.* Subject to the terms and provisions of this Plan, SARs may be granted to Eligible Participants. SARs may be granted alone or in tandem with Options. With respect to SARs granted in tandem with Options, the exercise of either such Options or such SARs will result in the simultaneous cancellation of the same number of tandem SARs or Options, as the case may be.

(ii) *Purchase Price.* The purchase price per share of Common Stock covered by a SAR granted pursuant to this Plan shall be equal to or greater than Fair Market Value on the date the SAR is granted, unless the SAR was granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became employees of the Company of any Affiliate as a result of a merger, consolidation, acquisition or other corporate transaction involving the Company or such Affiliate.

(iii) *Form of Payment.* The Committee may authorize payment of a SAR in the form of cash, Common Stock valued at its Fair Market Value on the date of the exercise, a combination thereof, or by any other method as the Committee may determine.

(iv) *No Repricing.* Except for adjustments pursuant to Section 10, in no event may any Stock Appreciation Right granted under this Plan be amended to decrease the purchase price per share of Common Stock covered thereby, cancelled in conjunction with the grant of any new Stock Appreciation Right with a lower purchase price per share, or otherwise be subject to any action that would be treated, for accounting purposes, as a repricing of such Stock Appreciation Right, without the approval of the Company's shareholders.

(c) *Restricted Shares/Restricted Share Units.*

(i) *Grants.* Subject to the terms and provisions of this Plan, Restricted Shares or Restricted Share Units may be granted to Eligible Participants.

(ii) *Restrictions.* The Committee shall impose such terms, conditions and/or restrictions on any Restricted Shares or Restricted Share Units granted pursuant to this Plan as it may deem advisable including, without limitation: a requirement that Participants pay a stipulated purchase price for each Restricted Share or each Restricted Share Unit; restrictions based upon the achievement of specific performance goals (Company-wide, divisional, and/or individual); time-based restrictions on vesting; and/or restrictions under applicable Federal or state securities laws. Unless otherwise determined by the Committee at the time of grant, any time-

B-6

based restriction period shall be for a minimum of three years. To the extent the Restricted Shares or Restricted Share Units are intended to be deductible under Code Section 162(m), the applicable restrictions shall be based on the achievement of Performance Goals over a Performance Period, as described in Section 7(d) below.

(iii) *Payment of Units.* Restricted Share Units that become payable in accordance with their terms and conditions shall be settled in cash, shares of Common Stock, or a combination of cash and shares, as determined by the Committee.

(iv) *No Disposition During Restriction Period.* During the Restriction Period, Restricted Shares may not be sold, assigned, transferred or otherwise disposed of, or mortgaged, pledged or otherwise encumbered. In order to enforce the limitations imposed upon the Restricted Shares, the Committee may (a) cause a legend or legends to be placed on any certificates relating to such Restricted Shares, and/or (b) issue stop transfer instructions, to its transfer agent as it deems necessary or appropriate.

(v) *Dividend and Voting Rights.* Unless otherwise determined by the Committee, during the Restriction Period, Participants who hold Restricted Shares and Restricted Share Units shall have the right to receive dividends in cash or other property or other distribution or rights in respect of such shares, and Participants who hold Restricted Shares shall have the right to vote such shares as the record owner thereof. Unless otherwise determined by the Committee, any dividends payable to a Participant during the Restriction Period shall be distributed to the Participant only if and when the restrictions imposed on the applicable Restricted Shares or Restricted Share Units lapse.

(vi) *Share Certificates.* Each certificate issued for Restricted Shares shall be registered in the name of the Participant and deposited with the Company or its designee. At the end of the Restriction Period, a certificate representing the number of shares to which the Participant is then entitled shall be delivered to the Participant free and clear of the restrictions. No certificate shall be issued with respect to a Restricted Share Unit unless and until such unit is paid in shares of Common Stock.

(d) *Performance Awards.*

(i) *Grants.* Subject to the provisions of this Plan, Performance Awards consisting of Performance Shares or Performance Units may be granted to Eligible Participants. Performance Awards may be granted either alone or in addition to other Awards made under this Plan.

(ii) *Performance Goals.* Unless otherwise determined by the Committee, Performance Awards shall be conditioned on the achievement of Performance Goals (which shall be based on one or more Performance Measures, as determined by the Committee) over a Performance Period. The Performance Period shall be one year, unless otherwise determined by the Committee.

(iii) *Performance Measures.* The Performance Measure(s) to be used for purposes of Performance Awards may be described in terms of objectives that are related to the individual Participant or objectives that are Company-wide or related to a subsidiary, division, department, region, function, business unit or Affiliate of the Company in which the Participant is employed, and may consist of one or more or any combination of the following criteria: stock price, market share, sales, revenue, cash flow, sales volume, earnings per share, EBITDA, pre-tax income, return on equity, return on assets, return on sales, return on invested capital, economic value added, net earnings, total shareholder return, gross margin, and/or costs. The Performance Goals based on these Performance Measures may be made relative to the performance of other corporations. The Performance Measures to be used for Performance Awards that are not intended to satisfy the conditions for the Performance Based Exception under Code Section 162(m) may consist of other criteria determined by the Committee.

(iv) *Extraordinary Events.* At, or at any time after, the time an Award is granted, and to the extent permitted under Code Section 162(m) and the regulations thereunder without adversely affecting the treatment of the Award under the Performance Based Exception, the Committee may provide for the manner in which performance will be measured against the Performance Goals (or may adjust the Performance Goals) to reflect

B-7

the impact of specific corporate transactions, accounting or tax law changes and other extraordinary and nonrecurring events.

(v) *Interpretation.* With respect to any Award that is intended to satisfy the conditions for the Performance Based Exception under Code Section 162(m): (A) the Committee shall interpret this Plan and this Section 7 in light of Code Section 162(m) and the regulations thereunder; (B) the Committee shall have no discretion to amend the Award in any way that would adversely affect the treatment of the Award under Code Section 162(m) and the regulations thereunder; and (C) such Award shall not be paid until the Committee shall first have certified that the Performance Goals have been achieved.

(e) *Other Stock-Based Awards.* The Committee is hereby authorized to grant to Eligible Participants, subject to the terms of this Plan, such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock (including, without limitation, securities convertible into shares of Common Stock), as are deemed by the Committee to be consistent with the purpose of this Plan. Shares of Common Stock or other securities delivered pursuant to a purchase right granted under this Section 7(e) shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms (including, without limitation, cash, shares of Common Stock, other securities, other Awards or other property or any combination thereof), as the Committee shall determine, the value of which consideration, as established by the Committee, shall not be less than 100% of the Fair Market Value of such shares of Common Stock or other securities as of the date such purchase right is granted, unless otherwise determined by the Committee.

(f) *Dividend Equivalents.* The Committee is hereby authorized to grant dividend equivalents to Eligible Participants under which the Participant shall be entitled to receive payments (in cash, shares of Common Stock, other securities, other Awards or other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of shares of Common Stock with respect to a number of shares of Common Stock determined by the Committee. Subject to the terms of this Plan, such dividend equivalents may have such terms and conditions as the Committee shall determine.

(g) *Termination of Awards.* Unless otherwise provided in an Award Agreement, Awards shall terminate in accordance with this Section 7(g).

(i) *Options and SARs Granted to Eligible Participants.* Each Option and SAR granted to an Eligible Participant pursuant to this Section 7 shall terminate:

If the Participant is then living, at the earliest of the following times:

(A) ten (10) years after the date of grant of the Option or SAR, except in the event of death or Total Disability as provided below;

(B) ninety (90) days after termination of employment with the Company or any Affiliate other than termination because of death or Total Disability or through discharge for Cause; provided, however, that if any Option or SAR is not fully exercisable at the time of such termination of employment, such Option or SAR shall expire on the date of such termination of employment to the extent not then exercisable;

(C) immediately upon termination of Participant's employment through discharge for Cause; or

(D) any other time set forth in the Award Agreement describing and setting the terms of the Award.

In the event of death or Total Disability of the Participant while employed by the Company or any Affiliate, or if no longer so employed such Participant dies prior to termination of the entire Option or SAR under Section 7(g)(i)(B) or (D) hereof, the Participant's Option or SAR shall become exercisable in full on the date of such death or Total Disability and shall remain exercisable for a minimum period of one (1) year after the date of death or Total Disability, unless it terminates earlier pursuant to Section 7(g)(i)(A) or (D). To the extent an Option or SAR is exercisable after the death of the Participant, it may be exercised by the person or persons to whom the Participant's

rights under the agreement have passed by will or by the applicable laws of descent and distribution and to the extent an Option or SAR is exercisable after the Total Disability of the Participant who is incompetent, it may be exercised by the Participant's legal representative.

(ii) *Restricted Shares and Restricted Share Units.* Unless otherwise provided in the related Award Agreement, in the case of a Participant's death or Total Disability, the Participant shall be entitled to receive a number of shares of Common Stock under outstanding Restricted Shares, or in the case of Restricted Share Units, an amount of cash or number of shares of Common Stock, that has been prorated for the portion of the term of the Award during which the Participant was employed by the Company or any Affiliate, and, with respect to any shares, all restrictions shall lapse. Any Restricted Shares or Restricted Share Units as to which the restrictions do not lapse under the preceding sentence shall terminate at the date of the Participant's termination of employment and such Restricted Shares or Restricted Share Units shall be forfeited to the Company; provided, however, that Awards of Restricted Shares or Restricted Share Units subject to Performance Measures shall be treated the same as Performance Awards according to Section 7(g)(iii).

(iii) *Performance Awards.* If a Participant's employment or other relationship with the Company or any Affiliate terminates during a Performance Period applicable to a Performance Award because of death or Total Disability, or under other circumstances provided by the Committee in its discretion in the related Award Agreement or otherwise, the Participant, unless the Committee shall otherwise provide in the Award Agreement, shall be entitled to a payment with respect to such Performance Awards at the end of the Performance Period based upon the extent to which achievement of the Performance Measures was satisfied at the end of such period (as determined at the end of the Performance Period) and prorated for the portion of the Performance Period during which the Participant was employed by the Company or any Affiliate. Except as provided in this paragraph, if a Participant's employment with the Company or any Affiliate terminates during a Performance Period, then such Participant shall not be entitled to any payment with respect to that Performance Award.

8. AWARDS TO NON-EMPLOYEE DIRECTORS.

(a) *Awards.* Non-Employee Directors are eligible to receive any and all types of Awards under this Plan other than ISOs. The Board must approve all Awards to Non-Employee Directors. Any Award to a Non-Employee Director shall be subject to the terms of Section 7 of this Plan, provided that to the extent the provisions of this Section 8 conflict with the terms of Section 7, this Section 8 shall prevail with respect to Awards to Non-Employee Directors.

(b) *Death, Total Disability and Retirement.* In the event of the death, Total Disability or Retirement of a Non-Employee Director prior to the granting of an Award in respect of the fiscal year in which such event occurred, an Award may, in the discretion of the Board, be granted in respect of such fiscal year to the retired or disabled Non-Employee Director or his or her estate. If any Non-Employee Director ceases to be a member of the Board for any reason other than death, Total Disability or Retirement prior to the granting of an Award in respect of the fiscal year in which such event occurred, his or her rights to any Award in respect of the fiscal year during which such cessation occurred will terminate unless the Board determines otherwise.

(c) *Terms of Awards Granted to Non-Employee Directors.*

(i) Each Option granted to a Non-Employee Director shall have an Option Exercise Price equal to the Fair Market Value on the grant date.

(ii) Each Option granted to a Non-Employee Director shall vest in accordance with the terms of an Award Agreement and shall have a term of ten years.

(iii) In the event a Non-Employee Director terminates membership on the Board prior to the vesting date, or lapsing of any restrictions, of an Award, then (A) if such termination is the result of such Non-Employee Director's death, Total Disability or Retirement, such Award shall immediately vest or, as applicable, the restrictions shall lapse, and, in the case of Options, be exercisable, and (B) if such termination is the result of an event other than death, Total Disability or Retirement, such Award shall immediately terminate and expire.

B-9

(iv) No Options granted to a Non-Employee Director may be exercised after he or she ceases to be a member of the Board, except that: (A) if such cessation occurs by reason of death, the Options then held by the Non-Employee Director may be exercised by his or her designated beneficiary (or, if none, his or her legal representative) until the expiration of such Options in accordance with the terms hereof; (B) if such cessation occurs by reason of the Non-Employee Director incurring a Total Disability, the Options then held by the Non-Employee Director may be exercised by him or her until the expiration of such Options in accordance with its terms; and (C) if such cessation occurs by reason of the Non-Employee Director's Retirement, the Options then held by the Non-Employee Director may be exercised by him or her until the expiration of such Options in accordance with the terms hereof.

(d) *Exercise of Options Granted to Non-Employee Directors.*

(i) To exercise an Option, a Non-Employee Director must provide to the Company (A) a written notice specifying the number of Options to be exercised and (B) to the extent applicable, any required payments due upon exercise.

(ii) Non-Employee Directors may exercise Options under either of the following methods:

(A) *Cashless Exercise.* To the extent permitted by law, Non-Employee Directors may exercise Options through a registered broker-dealer pursuant to cashless exercise procedures that are, from time to time, approved by the Committee. Proceeds from any such exercise shall be used to pay the exercise costs, which include the Option Exercise Price, applicable taxes and brokerage commissions. Any remaining proceeds from the sale shall be delivered to the Non-Employee Director in cash or stock, as specified by the Non-Employee Director.

(B) *Standard Exercise.* Non-Employee Directors may exercise Options by paying to the Company an amount in cash from his or her own funds equal to the Option Exercise Price and any taxes required at exercise. A certificate representing the shares of Common Stock that the Non-Employee Director purchased shall be delivered to him or her only after the Option Exercise Price and the applicable taxes have been paid.

9. DEFERRED PAYMENTS.

Subject to the terms of this Plan, the Committee may determine that all or a portion of any Award to a Participant, whether it is to be paid in cash, shares of Common Stock or a combination thereof, shall be deferred or may, in its sole discretion, approve deferral elections made by Participants. Deferrals shall be for such periods and upon such terms as the Committee may determine in its sole discretion.

10. DILUTION AND OTHER ADJUSTMENTS.

In the event of any equity restructuring (within the meaning of Financial Accounting Standards No. 123 (revised 2004)) that causes the per share value of shares of Common Stock to change, such as a stock dividend, stock split, spin off, rights offering, or recapitalization through a large, nonrecurring cash dividend, the Committee shall make equitable adjustments in the class and aggregate number of shares which may be delivered under this Plan as described in Section 5, the individual award maximums under Section 6, the class, number, and Option Exercise Price of outstanding Options and the class and number of shares subject to any other Awards granted under this Plan (provided the number of shares of any class subject to any Award shall always be a whole number), as may be determined to be appropriate by the Committee, and any such adjustment may, in the sole discretion of the Committee, take the form of Options covering more than one class of Common Stock; provided, in each case, that with respect to ISOs, no such adjustment shall be authorized to the extent that such adjustment would cause such options to violate Section 422(b) of the Code or any successor provision; provided further, with respect to all Awards, no such adjustment shall be authorized to the extent that such adjustment would cause the Awards to be subject to adverse tax consequences under Section 409A of the Code. In the event of any other change in corporate

capitalization, such as a merger, consolidation, any reorganization (whether or not such reorganization comes within the definition of such term in Section 368 of the Code), or any partial or complete liquidation of the Company,

B-10

such equitable adjustments described in the foregoing sentence may be made as determined to be appropriate and equitable by the Committee to prevent dilution or enlargement of benefits or potential benefits. In either case, any such adjustment shall be conclusive and binding for all purposes of the Plan. Unless otherwise determined by the Committee, the number of shares of Common Stock subject to an Award shall always be a whole number. In no event shall an outstanding Option be amended for the sole purpose of reducing the Option Exercise Price thereof, except in accordance with Section 7(a)(iv) of the Plan.

11. CHANGE IN CONTROL.

(a) *Impact of Change in Control.* Notwithstanding any other provision of this Plan to the contrary, unless otherwise provided by the Committee in any Award Agreement, in the event of a Change in Control:

(i) Any Options and SARs outstanding as of the date of such Change in Control, and which are not then exercisable and vested, shall become fully exercisable and vested.

(ii) The restrictions and deferral limitations applicable to any Restricted Shares and Restricted Share Units shall lapse, and such Restricted Shares and Restricted Share Units shall become free of all restrictions and become fully vested.

(iii) All Performance Awards shall be considered to be earned and payable in full, and any deferral or other restriction shall lapse and such Performance Awards shall be settled in cash or shares of Common Stock, as determined by the Committee, as promptly as is practicable.

(iv) All restrictions on other Awards shall lapse and such Awards shall become free of all restrictions and become fully vested.

(b) *Definition.*

(i) With respect to Awards granted before the Restatement Effective Date, *Change in Control* means (A) a change in the composition of the Board such that the individuals who, as of the Original Effective Date (as defined below), constituted the Board (such Board shall be hereinafter referred to as the *Incumbent Board*) cease for any reason to constitute at least a majority of the Board; provided, however, for purposes of this definition, that any individual who became or becomes a member of the Board subsequent to the Original Effective Date, whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of those individuals who are members of the Board at the time of the approval and who were also members of the Incumbent Board (or deemed to be such pursuant to this proviso) shall be considered as though such individual were a member of the Incumbent Board; but, provided, further, that any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board shall not be so considered as a member of the Incumbent Board; (B) consummation of a merger, tender offer or consolidation of the Company with any other corporation, other than a merger or consolidation that would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 45% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or (C) consummation of a sale of all or substantially all of the assets of the Company, other than in connection with the sale-leaseback of the Company's real estate.

(ii) With respect to Awards granted on or after the Restatement Effective Date, *Change in Control* means (A) a change in the composition of the Board such that the individuals who, as of the Restatement Effective Date (as defined below), constitute the Board (such Board shall be hereinafter referred to as the *Incumbent Board*) cease for any reason

to constitute at least 50% of the Board; provided, however, for purposes of this definition, that any individual who becomes a member of the Board subsequent to the Restatement Effective Date, whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of those individuals who are members of the Board and who were also members of the Incumbent Board (or deemed to be such pursuant to this proviso) shall be considered as though such individual were a member of the Incumbent Board; but, provided, further, that any such individual

B-11

whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board shall not be so considered as a member of the Incumbent Board; (B) an acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a Person), of beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) which, together with other acquisitions by such Person, results in the aggregate beneficial ownership by such Person of 30% or more of either (x) the then outstanding shares of Common Stock of the Company (the Outstanding Company Common Stock) or (y) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the Outstanding Company Voting Securities); provided, however, that the following acquisitions will not result in a Change of Control (1) an acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company, or (2) an acquisition by any entity pursuant to a transaction that complies with the exemption in clause (C) below; (C) consummation of a merger or consolidation of the Company with any other corporation or other entity, a statutory share exchange involving the capital stock of the Company, or a sale or other disposition (in one transaction or a series of transactions) of all or substantially all of the assets of the Company (except in connection with the sale-leaseback of the Company's real estate), other than a merger, consolidation, statutory share exchange, or disposition of all or substantially all assets that would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into or exchanged for voting securities of the surviving or acquiring entity or its direct or indirect parent entity) beneficial ownership, directly or indirectly, of more than 50% of the combined voting power of the voting securities of the Company or such surviving or acquiring entity (including, without limitation, such beneficial ownership of an entity that as a result of such transaction beneficially owns 100% of the outstanding shares of common stock and the combined voting power of the then outstanding voting securities (or comparable equity securities) or all or substantially all of the Company's assets either directly or indirectly) outstanding immediately after such merger, consolidation, statutory share exchange or disposition of all or substantially all assets in substantially the same proportions (as compared to other holders of the Outstanding Company Common Stock and Outstanding Company Voting Securities prior to the transaction as their respective ownership, immediately prior to such transaction; or (D) consummation or, if earlier, shareholder approval, of a definitive agreement or plan to liquidate or dissolve the Company.

12. MISCELLANEOUS PROVISIONS.

(a) *Misconduct.* Except as otherwise provided in agreements covering Awards hereunder, a Participant shall forfeit all rights in his or her outstanding Awards under this Plan, whether or not such Awards have been earned or are vested or remain unearned or unvested, and all such outstanding Awards shall automatically terminate and lapse, if the Committee determines that such Participant has (i) used for profit or disclosed to unauthorized persons, confidential information or trade secrets of the Company, (ii) breached any contract with or violated any fiduciary obligation to the Company, including, without limitation, a violation of any Company code of conduct, (iii) engaged in unlawful trading in the securities of the Company or of another company based on information gained as a result of that Participant's employment or other relationship with the Company, or (iv) committed a felony or other serious crime.

(b) *Rights as Shareholder.* Except as otherwise provided herein, a Participant shall have no rights as a holder of Common Stock with respect to Awards hereunder, unless and until certificates for shares of Common Stock are issued to the Participant.

(c) *No Loans.* No loans from the Company to Participants shall be permitted under this Plan.

(d) *Assignment or Transfer.* Unless the Committee shall specifically determine otherwise, no Award under this Plan or any rights or interests therein shall be transferable other than by will or the laws of descent and distribution and shall be exercisable, during the Participant's lifetime, only by the Participant. Once awarded, the shares of Common

Stock received by Participants may be freely transferred, assigned, pledged or otherwise subjected to lien, subject to the restrictions imposed by the Securities Act of 1933, Section 16 of the Exchange Act and the Company's policy concerning insider trading, each as amended from time to time.

B-12

(e) *Withholding Taxes.* The Company shall have the right to deduct from all Awards paid in cash (and any other payment hereunder) any federal, state, local or foreign taxes required by law to be withheld with respect to such Awards and, with respect to Awards paid in stock or upon exercise of Options, to require the payment (through withholding from the Participant's salary or otherwise) of any such taxes. The obligations of the Company to make delivery of Awards in cash or Common Stock shall be subject to currency or other restrictions imposed by any government.

(f) *No Rights to Awards.* Neither this Plan nor any action taken hereunder shall be construed as giving any employee any right to be retained in the employ of the Company or any of its subsidiaries, divisions or Affiliates. Except as set forth herein, no employee or other person shall have any claim or right to be granted an Award under this Plan. By accepting an Award, the Participant acknowledges and agrees that (i) that the Award will be exclusively governed by the terms of this Plan, including the right reserved by the Company to amend or cancel this Plan at any time without the Company incurring liability to the Participant (except for Awards already granted under this Plan), (ii) Awards are not a constituent part of salary and that the Participant is not entitled, under the terms and conditions of employment, or by accepting or being granted Awards under this Plan to require Awards to be granted to him or her in the future under this Plan, or any other plan, (iii) the value of Awards received under this Plan will be excluded from the calculation of termination indemnities or other severance payments, and (iv) the Participant will seek all necessary approval under, make all required notifications under and comply with all laws, rules and regulations applicable to the ownership of Options and stock and the exercise of Options, including, without limitation, currency and exchange laws, rules and regulations.

(g) *Beneficiary Designation.* To the extent allowed by the Committee, each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named on a contingent or successive basis) to whom any benefit under this Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, and unless the Committee determines otherwise shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

(h) *Costs and Expenses.* The cost and expenses of administering this Plan shall be borne by the Company and not charged to any Award or to any Participant.

(i) *Fractional Shares.* Fractional shares of Common Stock shall not be issued or transferred under an Award, but the Committee may pay cash in lieu of a fraction or round the fraction, in its discretion.

(j) *Funding of Plan.* The Company shall not be required to establish or fund any special or separate account or to make any other segregation of assets to assure the payment of any Award under this Plan.

(k) *Indemnification.* Provisions for the indemnification of officers and directors of the Company in connection with the administration of this Plan shall be as set forth in the Company's articles of incorporation and bylaws as in effect from time to time.

(l) *Successors.* All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, by merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

(m) *Section 16 Compliance; Section 162(m) Administration.* This Plan is intended to comply in all respects with Rule 16b-3 or any successor provision, as in effect from time to time, and in all events this Plan shall be construed in

accordance with the requirements of Rule 16b-3. If any Plan provision does not comply with Rule 16b-3 as hereafter amended or interpreted, the provision shall be deemed inoperative. The Board, in its absolute discretion, may bifurcate this Plan so as to restrict, limit or condition the use of any provision of this Plan with respect to persons who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning this Plan with respect to other Eligible Participants. The Company intends that all Awards granted under this Plan to individuals who are or who the Committee

B-13

believes will be covered employees (within the meaning of Section 162(m)(3) of the Code) will qualify for the Performance Based Exception.

13. EFFECTIVE DATE, GOVERNING LAW, AMENDMENTS AND TERMINATION.

(a) *Effective Date.* The original version of this Plan became effective as of April 24, 2004 (the Original Effective Date). An amended and restated version of this Plan became effective as of April 24, 2008 (the Restatement Effective Date). An amendment to Section 5(a) of this Plan shall be effective as of April 23, 2009, provided that it is approved by the shareholders of the Company in accordance with all applicable laws, regulations and stock exchange rules and listing standards.

(b) *Amendments.* The Board may at any time terminate or from time to time amend this Plan in whole or in part, but no such action shall adversely affect any rights or obligations with respect to any Awards granted prior to the date of such termination or amendment. Notwithstanding the foregoing, unless the Company's shareholders shall have first approved the amendment, no amendment of this Plan shall be effective which would (i) increase the maximum number of shares of Common Stock which may be delivered under this Plan or to any one individual (except to the extent such amendment is made pursuant to Section 10 hereof), (ii) extend the maximum period during which Awards may be granted under this Plan, (iii) add to the types of awards that can be made under this Plan, (iv) change the Performance Measures pursuant to which Performance Awards are earned, (v) modify the requirements as to eligibility for participation in this Plan, or (vi) require shareholder approval pursuant to this Plan, applicable law or applicable stock exchange standards, to be effective. With the consent of the Participant affected, the Committee may amend outstanding agreements evidencing Awards under this Plan in a manner not inconsistent with the terms of this Plan.

(c) *Governing Law.* All questions pertaining to the construction, interpretation, regulation, validity and effect of the provisions of this Plan shall be determined in accordance with the laws of the State of Minnesota without giving effect to conflict of laws principles.

(d) *Termination.* No Awards shall be made under this Plan after the tenth anniversary of the Restatement Effective Date.
