Activision entered into an agreement and plan of merger (the "Merger Agreement") with Activision Publishing, Inc., Record Time Acquisition, Inc., Z-Axis and the Selling Stockholders. The transaction contemplated by the Merger Agreement was consummated on May 20, 2002.

Pursuant to an escrow agreement an aggregate of 31,149 shares of common stock, or approximately 9.1% of the total number of shares of Activision common stock issued in connection with the merger, were deposited in an escrow account in connection with the transaction (the "Escrow Shares"). The Escrow Shares were deposited in order to ensure that the representations, warranties and covenants by the Selling Stockholders under the Merger Agreement were not breached and in order to provide a source of indemnification to Activision pursuant to the Merger Agreement. The Escrow Shares are subject to release from escrow upon the expiration of the escrow period set forth in the escrow agreement and are to be issued to the Selling Stockholders to the extent not used for indemnification. In addition, an aggregate amount of 93,446 shares of common stock, or approximately 27.27% of the total number of shares of Activision common stock issued in connection with the merger, have been deposited in an escrow account (the "Product Escrow Shares"). The Product Escrow Shares are subject to release from escrow and issuance to the Selling Stockholders upon fulfillment of certain software program delivery and ranking requirements and certain revenue requirements.

This prospectus supplement reflects the release from escrow of all of the Escrow Shares as a result of the expiration of the escrow period. We will issue additional prospectus supplements that reflect any future issuances of the Product Escrow Shares.

Prior to the acquisition of Z-Axis by Activision, Z-Axis was a party to various development agreements with Activision. Other than such contracts and the fact that the Selling Stockholders were stockholders of Z-Axis, which became a wholly owned subsidiary of Activision on May 20, 2002 pursuant to the Merger Agreement, none of the Selling Stockholders listed above have had a material relationship with Activision within the past three years.
