DEREGISTRATION OF SHARES

On May 19, 2003, Triarc Companies, Inc. issued and sold \$175,000,000 aggregate principal amount of its 5% convertible notes due 2023 in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended. On June 19, 2003, Triarc filed a registration statement on Form S-3 (Registration No. 333-106273) for the purpose of registering the resale of the convertible notes and the 4,375,000 shares of Class A common stock issuable by Triarc upon conversion of such notes, which registration statement was thereafter declared effective by the Securities and Exchange Commission. As a result of the declaration of a special dividend paid in the form of shares of Class B common stock, series 1, the notes became convertible into shares of Class A common stock and Class B common stock, series 1. As a result, Triarc filed a registration statement on Form S-3 (Registration No. 333-110719) for the purpose of registering the resale of the convertible notes and the 4,375,000 shares of Class A common stock and 8,750,000 shares of Class B common stock, series 1 issuable by Triarc upon conversion of such notes, which registration statement was thereafter declared effective by the Securities and Exchange Commission.

Pursuant to the terms of the registration rights agreement that required Triarc to file a registration statement with respect to the convertible notes and the underlying shares of common stock, Triarc is no longer required to keep the registration statement effective. As a result, this Post-Effective Amendment No. 1 to the registration statement is being filed to deregister, as of the date hereof, any and all unsold convertible notes, up to and including the \$175,000,000 aggregate principal amount initially registered, and all 4,375,000
