This Statement on Schedule 13D (this "Schedule 13D") by Teck Cominco Limited ("Teck") and Teck Cominco Metals Ltd., a wholly-owned subsidiary of Teck ("Teck Metals"), relates to trust units (the "Units") of Fording Canadian Coal Trust, an open-ended mutual fund trust governed by the laws of the Province of Alberta, Canada (the "Issuer"). The principal executive offices of the Issuer are located at 205 9th Avenue SE, Suite 1000, Calgary, Alberta T2G 0R4.

The information set forth in the Exhibits to this Schedule 13D is hereby expressly incorporated herein by reference, and the responses to each item of this Schedule 13D are qualified in their entirety by the provisions of such Exhibits.

ITEM 2. IDENTITY AND BACKGROUND.

This Schedule 13D is being filed by Teck and Teck Metals, each a mining company with principal executive offices at 600-200 Burrard Street, Vancouver, B.C., Canada. Each of Teck and Teck Metals was incorporated under the laws of Canada. During the last five years, neither Teck nor Teck Metals nor any of the directors or executive officers of Teck and Teck Metals has been a party to a civil procedure of a judicial or administrative body of competent jurisdiction as a result of which a judgment, decree or final order has been issued enjoining future violations of, or prohibiting or mandating activities subject to, United States federal or state securities laws or finding any violation with respect to such laws.

The name, present principal occupation or employment (and the name, principal business and address of any corporation or other organization in which such employment is conducted), and citizenship of each officer and director of each of Teck and Teck Metals is set forth in Schedule I hereto and is incorporated herein by reference.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

Pursuant to a Combination Agreement dated January 12, 2003 (the "Combination Agreement") among Teck, the Issuer, Ontario Teachers' Pension Plan Board ("Teachers"), Sherritt International Corporation ("Sherritt") and Westshore Terminals Income Fund ("Westshore"), Teck received, in exchange for cash, 4,300,000 Units, which, after certain Unit splits, now constitute 12,857,142 Units.

Pursuant to a Unit Purchase Agreement (the "Unit Purchase Agreement") dated as of September 23, 2007 among Teck, Teck Metals, the Issuer, Teachers and Golden Apple Income Inc. ("Golden Apple"), Teck Metals will acquire an additional 16,650,000 Units from Golden Apple and Teachers for a purchase price of Cdn.\$599,400,000. The source of funds is expected to be from working capital and will not be borrowed or otherwise obtained. The transaction is expected to close on October 1, 2007.

As a wholly-owned subsidiary of Teck, Teck Metal may be deemed to share voting and dispositive power with Teck with respect to the 16,650,000 Units, for total

beneficial ownership by Teck of 29,507,142 Units.

The Unit Purchase Agreement provides that if at any time on or prior to July 31, 2008 (the "Price Protection Period"), Teck or any of its affiliates makes an offer or proposal to the Issuer respecting, or publicly announces an intention to undertake, (i) an amalgamation or merger with the Trust (or other similar transaction, including without limitation a plan of arrangement), pursuant to which Teck will directly, or indirectly through an affiliate, or any person acting jointly or in concert with Teck, combine its business with the business of the Issuer or directly or indirectly acquire (or combine their assets or businesses or a material portion thereof with) all or a majority portion of the business or assets of the Issuer other than an Asset Transaction (as defined below); or (ii) a take-over bid by take-over bid circular in compliance with applicable Canadian securities laws, after giving effect to which Teck, if successful, would beneficially own, directly or indirectly,

through an affiliate, and together with any person acting jointly or in concert with Teck, more than 50% of the Units; (any such transaction being a "Price Protection Transaction"), then within five business days following the completion of the Price Protection Transaction, Teck will pay, or cause an affiliate to pay, to an account designated by Golden Apple the Adjustment Payment (as defined below), if applicable, by wire transfer of immediately available funds.

Golden Apple will be entitled to receive an additional amount on account of each of the Units (the "ADJUSTMENT PAYMENT") equal to the amount by which the consideration per Unit received by the holders of Units pursuant to the Price Protection Transaction (the "GREATER PRICE") exceeds the Purchase Price (all as adjusted for any Unit split or consolidation, Unit dividend-in-kind, reorganization or similar event after the Closing Date).

If the unitholders of the Issuer approve an arrangement or similar transaction involving the sale of all or a majority of the assets of the Issuer, directly or indirectly, to Teck or an affiliate of Teck or any person acting jointly or in concert with Teck or any other person that was announced or commenced during the Price Protection Period and that would provide to the Issuer consideration permitting the Issuer to pay a distribution per Unit in excess of C\$36.00 per Unit (an "Asset Transaction"), then within five business days following approval of the Asset Transaction by the unitholders of the Issuer, receipt of all necessary third party and regulatory approvals and satisfaction of any other material conditions precedent to completing the Asset Transaction, and in any event prior to the record date for the distribution by the Issuer of any of the proceeds of the Asset Transaction to unitholders of the Issuer, Teck will sell the Units to Golden Apple for a price equal to the Purchase Price and otherwise on the terms set out in the Purchase Agreement.

If during the Price Protection Period Teck or any affiliate or any person acting jointly and in concert with Teck transfers any Units for consideration in excess of the Purchase Price, within five business days after the completion of the transfer Teck shall pay to Golden Apple in respect of each transferred Unit the amount by which the consideration received for each transferred Unit exceeds the Purchase Price. The obligations under the Purchase Agreement shall be repeated with respect to each transfer of Units during the Price Protection Period but, except as provided below, only until Teck or its affiliates or persons acting jointly or in concert with Teck has transferred Units equal in number to the number of Units for consideration in excess of the Purchase Price.
