On September 29, 2003, Viragen, Inc. entered into a Securities Purchase Agreement for the purchase of an aggregate of \$4,775,000 of its common stock with several institutional investors. The shares of common stock were purchased at a price of \$0.224 per share, which was 80% of the closing bid price for the common stock on the trading day preceding the closing date of the transaction. In addition, Viragen issued three-year warrants to purchase a total of 4.26 million shares of its common stock at a price of \$0.28 per share.

Viragen issued 1.4 million shares of common stock and a warrant to purchase 191,000 shares of its common stock at \$0.224 per share as a fee to the finder for this transaction. In addition, Viragen agreed to file a registration statement covering the shares issued and issuable under the Securities Purchase Agreement within 30 days following the closing.

Viragen also executed a termination agreement with Talisman Management Limited terminating an equity line agreement entered into on March 31, 2003, and, as a result, intends to withdraw its pending registration statement covering the shares of common stock issuable in connection with the equity line agreement. Talisman has agreed to surrender 3 million of the 12 million common stock purchase warrants previously issued to it as a commitment fee under the equity line agreement. The shares issuable upon exercise of the warrants will be included in the registration statement to be filed in connection with the September 29, 2003 Securities Purchase Agreement.
