PROXY STATEMENT

GENERAL MATTERS

Date, Time and Place for the Annual Meeting

We are furnishing this proxy statement to the holders of our Class A Common Stock and our Class C Common Stock in connection with the solicitation of proxies by our Board of Directors for the Annual Meeting of Stockholders to be held on Friday, April 30, 2004 at 10:00 a.m., local time, at our Nashville, Tennessee radio station facility, 10 Music Circle East, Nashville, Tennessee 37203, or any adjournment or postponement of that meeting. This proxy statement and the accompanying proxy card are being sent to our stockholders commencing on or about March 25, 2004.

Record Date; Quorum; Outstanding Common Stock Entitled to Vote

All holders of record of our Class A Common Stock and of our Class C Common Stock at the close of business on March 12, 2004, referred to as the record date, are entitled to notice of, and to vote at, the Annual Meeting. The presence, in person or by proxy, of holders of a majority of the voting power represented by outstanding shares of our Class A Common Stock and Class C Common Stock, voting together as a single class, is required to constitute a quorum for the transaction of business. Abstentions and broker non-votes (*i.e.*, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining a quorum. A list of stockholders of record will be available for examination at the Annual Meeting. As of the record date, there were 54,005,670 shares of Class A Common Stock outstanding and 644,871 shares of Class C Common Stock outstanding.

Voting Rights; Vote Required for Approval

Holders of Class A Common Stock are entitled to one vote for each share of Class A Common Stock held as of the record date. Holders of Class C Common Stock are entitled to ten votes for each share of Class C Common Stock held as of the record date. Holders of shares of Class A Common Stock and of Class C Common Stock will vote together as a single class on the matters to be voted upon at the Annual Meeting. The Class II Director will be selected by a plurality of the votes cast and, as a result, abstentions, withheld votes and broker non-votes will have no effect on the outcome of the election of the Class II Director. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the 2004 Stock Incentive Plan and to ratify the appointment of our independent auditors for 2004. Abstentions, which will be counted for purposes of determining shares present and entitled to vote at the meeting, will have the effect of votes against the proposals to approve the 2004 Stock Incentive Plan and to ratify the appointment of independent auditors.

Voting and Revocation of Proxies

A proxy card for you to use in voting accompanies this proxy statement. Subject to the following sentence, all properly executed proxies that are received prior to, or at, the Annual Meeting and not revoked will be voted in the manner specified. If you execute and return a proxy card, and do not specify otherwise, the shares represented by your proxy will be voted **FOR** the individual nominated to serve as a Class II Director, **FOR** the proposal to approve the 2004 Stock Incentive Plan and **FOR** the proposal to ratify the appointment of KPMG LLP.

Table of Contents

If you have given a proxy pursuant to this solicitation, you may nonetheless revoke it by attending the meeting and voting in person. In addition, you may revoke any proxy you give at any time before the meeting by delivering a written statement revoking the proxy, or by delivering a duly executed proxy bearing a later date, to Richard S. Denning, Corporate Secretary, at our principal executive offices, 3535 Piedmont Road, Building 14, Fourteenth Floor, Atlanta, Georgia 30305, so that it is received prior to the meeting, or at the meeting itself. If you have executed and delivered a proxy to us, your attendance at the meeting will not, by itself, constitute a revocation of your proxy.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail or otherwise, but they will not be compensated specifically for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of common stock they hold of record.

Other Matters

Except for the votes on the proposals described in this proxy statement, no other matter is expected to come before the Annual Meeting. If any other business properly comes before the Annual Meeting, the persons named in the proxy will vote in their discretion to the extent permitted by law.

PROPOSALS YOU MAY VOTE ON

1. Election of a Class II Director

Our Board of Directors is divided into three classes, with the terms of office of the respective classes ending in successive years. Two directors are currently in the class for which the term of office expires at the Annual Meeting.

As described under **Members of the Board of Directors**, pursuant to a voting agreement with the holders of our Class C Common Stock, one of the Class II Directors, Robert H. Sheridan, III, has been designated to serve as a director by one of our principal stockholders, BA Capital Company, L.P., or BA Capital. The holders of our Class C Common Stock, voting as a single class, are obligated under the voting agreement to elect Mr. Sheridan to our Board. Lewis W. Dickey, Jr., the holder of all outstanding shares of our Class C Common Stock, has informed us that in accordance with the terms of the voting agreement, he intends to vote all of his shares of Class C Common Stock to re-elect Mr. Sheridan. The holders of our Class A Common Stock are not entitled to vote for the BA Capital director designee.

The other Class II Director, Eric P. Robison, has been nominated for re-election by our Board, upon the recommendation of a majority of our independent directors. Accordingly, our Board urges you to vote **FOR** the re-election of that nominee for Class II Director. The Class II Director will serve until the 2007 Annual Meeting of Stockholders or until he is succeeded by another qualified director who has been elected. No other class of directors has a term that expires this year.

Detailed information about Mr. Robison and Mr. Sheridan is provided in **Members of the Board of Directors** elsewhere in this proxy statement. The Board has no reason to believe that the nominees will be unable to serve as directors. If for any reason the nominees become unable to serve, the persons named in the proxy will vote for the election of such other persons as the Board may recommend.

Your Board recommends a vote FOR the re-election of the nominee for Class II Director.

2. Approval of the Company's 2004 Stock Incentive Plan

The Board of Directors approved the 2004 Stock Incentive Plan, referred to as the 2004 Plan, on March 19, 2004, subject to approval by our stockholders, and urges you to vote **FOR** approval of the 2004 Plan. The purpose of the 2004 Plan is to attract and retain officers, key employees, non-employee directors and consultants for us and our subsidiaries and to provide such persons incentives and rewards for superior performance. The complete text of the 2004 Plan is set forth in *Appendix A*.

The 2004 Plan

The following summary of the material features of the 2004 Plan is qualified in its entirety by reference to *Appendix A*.

Shares Available under the 2004 Plan

The aggregate number of shares of Class A Common Stock subject to awards that may be granted under the 2004 Plan is 2,795,000. Awards under the 2004 Plan may be in the form of stock options, restricted stock or deferred stock. Of the aggregate number of shares of Class A Common Stock available under the 2004 Plan, up to 1,400,000 shares may be granted as incentive stock options, or ISOs, and up to 925,000 shares may be awarded as either restricted or deferred shares. In addition, no one person may receive options exercisable for more than 500,000 shares of Class A Common Stock in any one calendar year.

2004 Plan Participants

Under the 2004 Plan, current and prospective officers, employees, non-employee directors and consultants of Cumulus and its subsidiaries are eligible to participate, provided that such persons are selected by the Board to receive benefits under the 2004 Plan.

As of March 19, 2004, approximately 50 corporate-level officers and employees and non-employee directors and approximately 500 market-level officers and employees are eligible to participate in the 2004 Plan. The benefits or amounts that will be received by or allocated to the participants cannot be determined at this time, nor can the benefits or amounts that would have been received by or allocated to the participants if the 2004 Plan had been in effect for the last completed fiscal year.

Type of Awards Under the 2004 Plan

The 2004 Plan permits the Board to grant nonqualified stock options and ISOs, or combinations thereof. ISOs may only be granted to participants in the 2004 Plan who meet the definition of employees under Federal tax law. No option grant may be exercisable more than ten years from the date of the grant. The exercise price of an option awarded under the 2004 Plan may not be less than the closing price of the Class A Common Stock on the last trading day before the grant. Options will be exercisable during the period specified in each award agreement and will be exercisable in installments pursuant to a Board-designated vesting schedule. The Board may also provide for acceleration of options awarded in the event of a change in control, as defined by the 2004 Plan.

The Board may also authorize the grant or sale of restricted stock to participants. Each such grant will constitute an immediate transfer of the ownership of the restricted shares to the participant, entitling the participant to voting, dividend and other ownership rights, but subject to substantial risk of forfeiture for a period of not less than two years (to be determined by the Board at the time of the grant) and restrictions on transfer (to be determined by the Board at the time of the grant). The Board may also provide for the elimination of restrictions in the event of a change in control.

Finally, the Board may authorize the grant or sale of deferred stock to participants. Awards of deferred stock constitute an agreement we make to deliver shares of our Class A Common Stock to the participant in the future, in consideration of the performance of services, but subject to the fulfillment of such conditions during the deferral period as the Board may specify. The grants or sales of deferred stock will be subject to a deferral period of at least one year. During the deferral period, the participant will have no right to transfer any

Table of Contents

rights under the award and will have no rights of ownership in the deferred shares, including no right to vote such shares, though the Board may authorize the payment of any dividend equivalents on the shares. The Board may also provide for the elimination of the deferral period in the event of a change in control.

No grant (of any type) may be awarded under the 2004 Plan more than ten years after the date the 2004 Plan is first approved by our stockholders.

Administration of the 2004 Plan

The 2004 Plan will be administered by the Board, which may from time to time delegate all or any part of its authority under the 2004 Plan to the Compensation Committee of the Board. The interpretation and construction by the Board of any provision of the 2004 Plan and any determination of the Board pursuant to any provision of the Plan will be final and conclusive.

The Board may at any time amend the 2004 Plan, provided, however, that any amendment that must be approved by our stockholders in order to comply with applicable law or the listing qualifications of the NASDAQ National Market will not be effective until such approval has been obtained.

Equity Compensation Plan Information

The following table sets forth, as of December 31, 2003, the number of securities outstanding under our existing equity compensation plans, the weighted average exercise price of such securities and the number of securities available for grant under these plans:

Plan Category	Number of Shares to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Shares Remaining Available for Future Issuance Under Equity Compensation Plans (excluding column (a))
	(a)	(b)	(c)
Equity Compensation Plans Approved by Stockholders	7,187,497	\$ 13.30	258,663
Equity Compensation Plans Not Approved by Stockholders	1,850,095	\$ 15.29	138,647
Total	7,996,190		397,310

The only existing equity compensation plan not approved by our stockholders is the 2002 Stock Incentive Plan. The Board adopted the 2002 Stock Incentive Plan on March 1, 2002. The purpose of the 2002 Stock Incentive Plan is to attract and retain certain selected officers, key employees, non-employee directors and consultants whose skills and talents are important to the Company's operations and reward them for making major contributions to the success of the Company. The aggregate number of shares of Class A Common Stock subject to the 2002 Stock Incentive Plan is 2,000,000, all of which may be granted as incentive stock options. In addition, no one person may receive options for more than 500,000 shares of Class A Common Stock in any one calendar year.

The 2002 Stock Incentive Plan permits the Company to grant nonqualified stock options and ISOs. No options may be granted under the 2002 Stock Incentive Plan after May 3, 2012.

The Compensation Committee administers the 2002 Stock Incentive Plan. The Compensation Committee has full and exclusive power to interpret the 2002 Stock Incentive Plan and to adopt rules, regulations and guidelines for carrying out the 2002 Stock Incentive Plan as it may deem necessary or proper.

Edgar Filing: CUMULUS MEDIA INC - Form DEF 14A

Under the 2002 Stock Incentive Plan, current and prospective employees, non-employee directors, consultants or other persons who provide services to the Company are eligible to participate. As of December 31, 2003, there were outstanding options to purchase a total of 1,850,095 shares of Class A Common Stock at exercise prices ranging from \$14.03 to \$19.25 per share under the 2002 Stock Incentive

Table of Contents

Plan. These options generally vest quarterly over four years, with the possible acceleration of vesting for some options if certain performance criteria are met. In addition, all options vest upon a change of control as more fully described in the 2002 Stock Incentive Plan.

Your Board recommends a vote FOR approval of the 2004 Plan.

3. Ratification of the Appointment of KPMG LLP as Independent Auditors

The Audit Committee of the Board is required by law and applicable listing standards of the NASDAQ National Market to be directly responsible for the appointment, compensation and retention of our independent auditors. The Audit Committee has selected KPMG LLP as our independent auditors for the fiscal year ending December 31, 2004, and urges you to vote **FOR** ratification of the appointment. KPMG has served as our independent auditors since May 5, 2000. While stockholder ratification of the selection of KPMG LLP as our independent auditors is not required by our by-laws or otherwise, the Board is submitting the selection of KPMG LLP to our stockholders for ratification. If our stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Audit Fees

KPMG LLP has billed us \$549,749, in the aggregate, for professional services rendered by KPMG LLP for the audit of our annual financial statements for the fiscal year ended December 31, 2003 and reviews of the interim financial statements included in our quarterly reports on Form 10-Q filed during the fiscal year ended December 31, 2003. Audit Related Fees

KPMG LLP has billed us \$16,000, in the aggregate, for professional services rendered by KPMG LLP for the audit of our 401(k) plan during 2003. For similar services during 2002, KPMG LLP billed us \$14,500.

Tax Fees

KPMG LLP has billed us \$237,572, in the aggregate, for tax consulting and tax return preparation services during 2003. For similar services during 2002, KPMG LLP billed us \$310,980.

All Other Fees

Other than those described above, KPMG LLP has not rendered or billed for any other services during the fiscal years ended December 31, 2003 and December 31, 2002.

Policy on Pre-Approval of Services Performed by Independent Auditors

The policy of the Audit Committee is to pre-approve all audit and permissible non-audit services to be performed by the independent auditors during the fiscal year. The Audit Committee regularly considers all non-audit fees when reviewing the independence of our independent auditors.

Representatives of KPMG LLP will be present at the Annual Meeting to make any statement they may desire and to respond to appropriate questions from stockholders.

Your Board recommends a vote FOR the ratification of KPMG LLP as the Company's independent auditors.

Table of Contents

INFORMATION ABOUT THE BOARD OF DIRECTORS

The Board of Directors held four regularly scheduled meetings during 2003. Each director attended at least 75% of the meetings of the Board and the committees on which they served.

The Board has reviewed the independence of each of its members and has determined that all directors (except for our Chairman, Mr. L. Dickey, who also is our President and Chief Executive Officer) are independent, as such term is defined under the current listing standards of the NASDAQ National Market (the NASDAQ Rules).

It is primarily the Board's responsibility to oversee the management of our business. To assist in carrying out this responsibility, the Board has established the two standing committees described below.

Committees of the Board

The Audit Committee. The purposes of the Audit Committee are to assist our Board in fulfilling its oversight responsibilities with respect to our accounting, reporting and oversight practices, our compliance with legal and regulatory requirements, our independent auditors qualifications and independence, and the performance of our independent auditors and our own internal audit function. The Audit Committee is responsible for overseeing our accounting and financial reporting processes and the audits of our financial statements on behalf of our Board. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of our independent auditors (including resolution of any disagreements between our management and independent auditors regarding financial reporting), and such independent auditors report directly to the Audit Committee.

The Audit Committee met four times in 2003. The current members of the Audit Committee are Robert H. Sheridan, III (Chairman), Ralph B. Everett and Eric P. Robison, none of whom is an employee of the Company. The Board has determined that each Audit Committee member is independent, as such term is defined under the rules of the SEC and the NASDAQ Rules applicable to audit committee members, and meets the NASDAQ Rules financial literacy requirements. None of the current members has participated in the preparation of the financial statements of Cumulus or its subsidiaries at any time during the past three years. Our Board has determined that Mr. Sheridan (i) is an audit committee financial expert, as such term is defined under the rules of the SEC, and (ii) meets the NASDAQ Rules professional experience requirements.

The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and the related rules of the SEC, and the NASDAQ Rules. A copy of the Audit Committee Charter is attached as *Appendix B* to this proxy statement.

The Compensation Committee. The Compensation Committee oversees the determination of all matters relating to employee compensation and benefits and specifically reviews and approves salaries, bonuses and stock-based compensation for the named executive officers. The Compensation Committee met one time in 2003. The current members of the Compensation Committee are Messrs. Robison (Chairman) and Sheridan, and Holcombe T. Green, Jr., each of whom is independent, as such term is defined under the NASDAQ Rules.

Nomination Process

The Board does not have a standing nominating committee. Nominations for the election of directors at annual meetings have generally been made by the full Board (and the director nominated for re-election at the Annual Meeting has been recommended for nomination by all of our independent directors). Due to the small size of our Board, and the historically small turnover of its members, we do not currently foresee the need to establish a separate nominating committee or adopt a charter to govern the nomination process. Similarly, we do not have a formal process for identifying and evaluating nominees for director. Generally, director candidates have been first identified by evaluating the current members of the Board whose term will be expiring at the next annual meeting and who are willing to continue in service. If a member whose term is expiring no longer wishes to continue in service, or if our Board decides not to re-nominate such member, the

Table of Contents

Board would then commence a search for qualified individuals meeting the criteria discussed below. Research may also be performed to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate, or assist in identifying or evaluating, potential director nominees. In accordance with the NASDAQ Rules, future nominees for director (other than the BA Capital director designee) will either be (i) recommended by a majority of the independent directors for selection by the Board or (ii) discussed by the full Board and approved for nomination by the affirmative vote of a majority of the Board, including the affirmative vote of a majority of the independent directors.

Historically, we have not had a formal policy with regard to the consideration of director candidates recommended by our stockholders. To date, our Board has not received any recommendations from stockholders requesting that it consider a candidate for inclusion among the Board's slate of nominees in our proxy statement, other than pursuant to BA Capital's right to designate one director, as described under "Members of the Board of Directors." The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received, or will not be considered, if one is received in the future. Our Board will give consideration to the circumstances in which the adoption of a formal policy would be appropriate.

Our Board evaluates all candidates based upon, among other factors, a candidate's financial literacy, knowledge of our industry or other background relevant to our needs, status as a stakeholder, independence (for purposes of compliance with the rules of the SEC and the NASDAQ Rules), and willingness, ability and availability for service. Other than the foregoing, there are no stated minimum criteria for director nominees, although our Board may also consider such other factors as it may deem are in the best interests of the Company and our stockholders.

Our by-laws provide for stockholder nominations to our Board, subject to certain procedural requirements. To nominate a director to our Board, you must give timely notice of your nomination in writing to our Corporate Secretary, not later than 90 days prior to the anniversary date of the annual meeting of stockholders in the preceding year. All such notices must include (1) your name and address, (2) a representation that you are one of our stockholders, and will remain so through the record date for the upcoming Annual Meeting, (3) the class and number of shares of our common stock that you hold (beneficially and of record), and (4) a representation that you intend to appear in person or by proxy at the upcoming Annual Meeting to make the nomination. You must also provide information on your prospective nominee, including their name, address and principal occupation or employment, a description of all arrangements or understandings between you and your prospective nominee and any other persons (to be named), the written consent of the prospective nominee, and such other information as would be required to be included in a proxy statement soliciting proxies for the election of your prospective nominee.

Employment Agreements

As discussed more particularly below, we have entered into employment agreements with each of the named executive officers. Subject to certain exceptions, these employment agreements prohibit each of the named executive officers from competing with the Company for a specified period of time after a termination of employment.

Lewis W. Dickey, Jr. serves as our Chairman, President and Chief Executive Officer. Under the terms of his Amended and Restated Employment Agreement, dated as of July 1, 2001, he was entitled to receive an initial annual base salary of \$500,000, subject to annual merit increases, as the Compensation Committee deems appropriate. The agreement provides that Mr. L. Dickey may receive a bonus of up to 50% of his base salary in the event that annual bonus targets, as determined by the Compensation Committee, are met during the relevant year. Mr. L. Dickey's employment agreement has a three-year term ending July 1, 2004, with an automatic extension for one additional year, subject to mutual rights not to extend.

Mr. L. Dickey's employment agreement also provides that he shall be granted (i) time-vested stock options to purchase 250,000 shares of our Class A Common Stock in each of fiscal years 2002, 2003 and 2004; and (ii) performance stock options to purchase 250,000 shares of our Class A Common Stock in each of fiscal years 2002, 2003 and 2004, subject to specified anti-dilution requirements. In the event that there is a change in control of the Company, as defined in the agreement, then all unvested stock options held by Mr. L. Dickey shall become immediately exercisable.

His agreement further provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason (as that term is defined in the agreement), or in the event of a change in control, then we will pay to Mr. L. Dickey a lump-sum amount equal to the sum of (A) his earned but unpaid base salary through the date of termination, (B) any earned but unpaid target bonus amount for any completed fiscal year, (C) any unreimbursed business expenses or other amounts due from us as of the date of termination, and (D) any earned portion of the bonus amount for the year in which termination of employment occurs. We shall also pay to Mr. L. Dickey the greater of (i) the amount equal to the aggregate base salary payments (at the rate in effect at the time of termination) that remain payable to Mr. L. Dickey from the date of termination until the expiration of the agreement term, or (ii) the amount equal to the sum of (1) the annual base salary in effect at the time of termination and (2) the amount of the annual bonus paid to Mr. L. Dickey for the fiscal year ended immediately prior to the year of termination.

In the event Mr. L. Dickey voluntarily terminates his employment for good reason, all unvested time-vested options and performance options shall terminate immediately and be of no further force or effect. In the event we terminate Mr. L. Dickey's employment without cause, 50% of any unvested time-vested options and performance options shall become immediately and fully vested and exercisable, and shall remain exercisable for their full term, and the remaining 50% of any time-vested options and performance options shall terminate immediately and be of no further force or effect.

In the event Mr. L. Dickey is terminated with cause, or if he terminates his employment without good reason, then we are only obligated to pay Mr. L. Dickey for compensation, bonus payments or unreimbursed expenses that were accrued but unpaid through the date of termination or resignation.

As further consideration for the services to be rendered by Mr. L. Dickey through December 31, 2006, we agreed, on the terms and conditions set forth in his employment agreement, to the following reductions in the amounts due under a loan made by us to Mr. L. Dickey and evidenced by that certain Promissory Note dated February 2, 2000, in the original principal amount of \$4,992,000, referred to as the Loan: (i) we agreed to reduce the per annum interest rate of the loan from 9% to 7% and to extend the maturity to December 31, 2006; (ii) the Loan (principal and related accrued interest) shall be forgiven in 2006, or sooner as provided for in the agreement, based on Mr. L. Dickey's continued employment with us through December 31, 2006, and on the satisfaction of double trigger performance goals. The first trigger involves an annual determination over the period of 2001 through 2005 of whether (a) the objective Board-approved EBITDA budgeting goals for each fiscal year were satisfied, or (b) the Compensation Committee of the Board otherwise determines that Mr. L. Dickey's performance for the year warrants a determination that the first trigger shall be deemed to be

Table of Contents

satisfied. For each of the fiscal years 2001-05 for which the first trigger is satisfied, the maximum Loan reduction would be 20% of the Loan principal and related accrued interest. The actual reduction of the Loan in such case shall be further contingent upon the satisfaction of the second trigger. The second trigger involves the price per share of our Class A Common Stock. For each of the fiscal years 2001-05 for which the first trigger has been satisfied (each a First Trigger Year), the Loan reduction, expressed as a percentage of principal and related accrued interest outstanding up to 20% per each such year, shall be determined as follows: (i) should the highest closing sales price per share of our Common Stock for any day in 2006 as reported on the principal exchange on which the shares of our Class A Common Stock are then traded (such price being referred to as the Measurement Price) equal or exceed such closing sales price per share as of July 1, 2001, or if July 1, 2001 is not a trading day, then such closing sales price per share of the next succeeding trading day (such date being referred to as the Measurement Date) plus 100% thereof, then the Loan reduction percentage applicable to each First Trigger Year shall be 20%; (ii) should the Measurement Price equal or be less than such closing sales price per share as of Measurement Date, plus 50% thereof, then the Loan reduction percentage applicable to each First Trigger Year shall be 0% (and there will be no corresponding reduction in the Loan); and (iii) should the Measurement Price be less than such closing sale price per share as of Measurement Date plus 100% thereof but more than such closing sales price per share as of Measurement Date plus 50%, then a proportionate (on a straight-line basis) reduction in the Loan for each First Trigger Year shall be made (e.g., Loan reduction percentage per First Trigger Year of 15% if the Measurement Price is equal to Measurement Date closing sales price per share plus 87.5% thereof). In addition, the Loan will be forgiven in its entirety in the event we undergo a change in control prior to its maturity, and Mr. L. Dickey is still our employee. In accordance with the agreement, the Compensation Committee of the Board conducted an annual review of Mr. L. Dickey's performance in each of fiscal 2001, 2002 and 2003 and determined that the requirements of the first trigger for those years had been satisfied. As a result, as of December 31, 2003, and assuming the satisfaction of the 2006 stock-price condition, Mr. L. Dickey would be entitled to forgiveness of 60% of the loan principal and related interest.

John G. Pinch serves as our Executive Vice President and Chief Operating Officer. Under the terms of his Employment Agreement, dated December 1, 2000, he was entitled to receive an initial annual base salary of \$425,000, subject to merit increases, as the Compensation Committee deems appropriate. The agreement provides that Mr. Pinch may receive a bonus of up to \$200,000, based upon the achievement of Board-approved budgeted revenue and cash flow targets as adjusted by the Chief Executive Officer and the Compensation Committee in their collective discretion. In addition, Mr. Pinch was entitled to be granted time-vested stock options to purchase shares of our Class A Common Stock as follows: 200,000 in 2000, 150,000 in 2001 and 100,000 in 2002. Mr. Pinch's employment agreement has a three-year term, which automatically extends each year for one additional year, subject to non-renewal. The initial term expired on December 1, 2003, and was automatically renewed for one-year periods on that date and on December 1, 2004.

Mr. Pinch's employment agreement also provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason, then, in addition to amounts that he is owed through the date of termination, he shall also receive a severance payment equal to the greater of (i) two-thirds of his aggregate base salary (at the rate in effect at the time of termination), which would remain payable until the expiration of the employment agreement term, or (ii) the amount equal to his annual base salary in effect at the time of termination. In addition, any unvested time-vested stock options that would otherwise vest within one year of the date of termination shall become exercisable. Finally, in the event that we undergo a change in control, then, in addition to being entitled to receive the severance payments and equity rights that would be due upon a termination without cause, all unvested stock options held by Mr. Pinch shall become immediately exercisable.

Martin R. Gausvik serves as our Executive Vice President, Treasurer and Chief Financial Officer. Under the terms of his Employment Agreement, dated May 12, 2000, he was entitled to receive an initial annual base salary of \$275,000, subject to annual increases of not less than 5.0% during each year of the term of his employment agreement. The agreement provides that Mr. Gausvik may receive a bonus of up to 50% of his base salary, half of which is based upon the achievement of Board-approved budgeted revenue and cash flow

targets, and half of which is based upon the discretion of our Chief Executive Officer and the Compensation Committee. In addition, Mr. Gausvik was entitled to be granted time-vested stock options to purchase 300,000 shares of our Class A Common Stock, which were granted in 2000. Mr. Gausvik's employment agreement has a three-year term, which automatically extends each year for one additional year, subject to non-renewal. The initial term expired on May 12, 2003, and was automatically extended for a one-year period on that date.

Mr. Gausvik's employment agreement provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason, then, in addition to amounts that he is owed through the date of termination, he shall also receive a severance payment equal to his annual base salary as in effect at the time of termination. In addition, any unvested time-vested stock options that would otherwise vest within one year of the date of termination shall become exercisable. Finally, in the event that we undergo a change in control, then, in addition to being entitled to receive the severance payments and equity rights that would be due upon a termination without cause, all unvested stock options held by Mr. Gausvik shall become immediately exercisable.

John W. Dickey serves as our Executive Vice President. Under the terms of Mr. J. Dickey's Employment Agreement, dated January 1, 2001, he was entitled to receive an annual base salary of \$375,000 for 2001. Such base salary increased to \$400,000 for 2002, and has since been subject to additional merit increases, as the Compensation Committee has deemed appropriate. The agreement provides that Mr. J. Dickey may receive a bonus of up to 50% of his base salary, half of which is based upon the achievement of Board-approved budgeted revenue and cash flow targets, and half of which is based upon the collective discretion of our Chief Executive Officer and the Compensation Committee. Mr. J. Dickey's employment agreement also provided for grants of (i) time-vested stock options to purchase 150,000 shares of our Class A Common Stock in each of 2001 and 2002, and (ii) performance stock options to purchase 100,000 shares of our Class A Common Stock in each of 2001 and 2002, subject to specified anti-dilution requirements. Mr. J. Dickey's employment agreement has a two-year term, which automatically extends each year for one additional year, subject to non-renewal. The initial term expired on January 1, 2003, and was automatically extended for one-year periods on that date and on January 1, 2004.

Mr. J. Dickey's agreement also provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason, then, in addition to amounts that he is owed through the date of termination, he shall also receive a severance payment equal to the greater of (i) two-thirds of the aggregate base salary payments (at the rate in effect at the time of termination) that would remain payable until the expiration of the employment agreement term or (ii) the amount equal to his annual base salary in effect at the time of termination. In addition, any unvested time-vested stock options that would otherwise vest within one year of the date of termination shall become exercisable. Finally, in the event we undergo a change in control, then, in addition to being entitled to receive the severance payments and equity rights that would be due upon a termination without cause, all unvested stock options held by Mr. J. Dickey shall become immediately exercisable.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board offers this report regarding compensation policies for our executive officers, including the Chief Executive Officer.

The Compensation Committee is responsible for making recommendations to the Board concerning the compensation levels of the executive officers of the Company. The Compensation Committee also administers the Company's equity-based compensation plans and determines awards to be made under such plans to the Company's executive officers and to other eligible individuals. The overall goal of the Compensation Committee is to develop executive compensation policies and practices that are consistent with and linked to the Company's strategic business objectives, and, as part of that goal, the Compensation Committee reviews compensation programs for executive officers annually.

With respect to 2003, virtually all of the compensation decisions for executive officers were made by the Compensation Committee.

The Company's executive compensation programs aim to:

link managers' goals with stockholders' interests;

support business plans and long-term Company goals;

link executive compensation to Company performance; and

attract and retain talented management.

Types of Compensation

There are two principal types of compensation:

(1) *Annual compensation.* This includes salary and bonus. The Company awards bonuses when profits and other performance criteria meet certain levels.

(2) *Equity Based Compensation.* The Company has adopted a series of stock incentive plans for its executives and non-executives since the Company's initial public offering in 1998. Generally, stock option grants are the primary form of long-term incentive compensation for the Company's executive officers. The Compensation Committee believes that equity-based awards are an effective means of incentivizing senior management to increase the long-term value of the Company's common stock.

In making compensation decisions, it is the Compensation Committee's current intention to recommend plans and awards which will meet the requirements for deductibility for tax purposes under Section 162(m) of the Tax Code.

Factors Considered in Determining Compensation

The Compensation Committee desires that the compensation of the Company's executives be competitive in the broadcast industry and with other U.S. media companies. The Compensation Committee conducts its own review of various elements of the compensation program, and using its assessment of the skills, experience, and achievements of individual executives, the Committee sets the compensation of executives.

The Compensation Committee surveys the size and success of other companies and the responsibilities of similarly situated executives in determining executive compensation. One goal of the Company's compensation program is to approximate the survey group's average compensation, adjusted for company size and performance.

The Compensation Committee also considers the tax deductibility of compensation paid to the executive officers.

Table of Contents

Annual Compensation

Generally

Annual compensation for the Company's executives includes salary and bonus. This is similar to the compensation programs of most comparable companies.

The Compensation Committee aims to pay salaries at the average of the survey companies, adjusted for company size and performance. The Compensation Committee also considers the specific job duties, the person's achievements and other applicable criteria.

Bonuses

The Company provides cash bonuses to executives, market managers and other key personnel based on the Company's achievement of the overall financial performance plan and the achievement of executive-specific performance goals in the applicable fiscal year. Bonus awards are limited to a percentage of base salary ranging from 10% to 50% depending on the participant's level of responsibility. Awards are made at the sole discretion of the Company's principal executive officer and the Compensation Committee, taking into account the above mentioned factors and such other factors as the Compensation Committee might deem relevant from year to year.

Equity Based Compensation

Generally

Today's business decisions affect the Company over a number of years. This is why the long-term incentive awards are tied to the Company's performance and the value of the Company's common stock over several years. In general, the amount of the long-term incentive awards does not change as much as the amount of the annual bonus awards.

Stock Options

Stock options are an important part of the Company's long-term incentive program. Executive officers who are granted awards under the Company's incentive plan only benefit from such awards when there is an increase in the stock price of the common stock, a measurement of long-term value of the Company.

In 2003, executives received option grants in amounts commensurate with rank and responsibility. In determining the size of individual option grants for 2003, the Compensation Committee considered the responsibilities and title, as well as the total number of options awarded to all employees.

Chairman and CEO Compensation

Annual Compensation

In determining the salary of Lewis W. Dickey, Jr., our Chairman, President and Chief Executive Officer, for 2003, the Committee considered his job duties, the pay practices of other companies and Mr. L. Dickey's preference for equity-based compensation.

Mr. L. Dickey's target bonus for 2003 was established based on the terms of his employment agreement and Company performance criteria. The actual bonus that Mr. L. Dickey receives is based upon the Compensation Committee's assessment of Mr. L. Dickey's accomplishments in the past year. In awarding Mr. L. Dickey's bonus of \$288,750, the Compensation Committee considered overall improvements in the operations and financial position of the Company, as well as the significant strategic acquisitions, the successful financing transactions that the Company completed in 2003 and the appreciation in the Company's stock price. The Compensation Committee also considered the deductibility of Mr. L. Dickey's compensation under the tax laws.

Table of Contents

Equity-Based Compensation

The number of stock options granted to Mr. L. Dickey is established by the terms of his employment agreement. The value of the stock options granted to Mr. L. Dickey in 2003 will ultimately depend on the Company's future success and whether that success is reflected in the value of the common stock over time.

Summary

The Compensation Committee believes that the executive compensation policies and programs described in this report serve the interests of the Company and its stockholders. Compensation levels for the executives are intended to be linked to, and commensurate with, Company performance. The Compensation Committee assesses the compensation policy and programs, and believes they should be measured over a period of time sufficiently long enough to determine whether the Company's strategic development and implementation are in line with, and responsive to, stockholder expectations.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Indebtedness of Management

On February 2, 2000, we loaned Lewis W. Dickey, Jr., \$4,992,000 for the purpose of enabling him to purchase 128,000 shares of our newly issued Class C Common Stock. The price per share of the Class C Common Stock was \$39.00, which was the approximate market price for the Company's Class A Common Stock on February 2, 2000. The loan was represented by a recourse promissory note executed by Mr. L. Dickey that provided for the payment of interest at 9.0% per annum or the peak rate that we paid under our then-existing credit facility and for a maturity date of December 31, 2003.

As described above, pursuant to Mr. L. Dickey's employment agreement, we reduced the per annum interest rate on his note to 7% and extended the maturity date of his note to December 31, 2006. In addition, his employment agreement provides for forgiveness of his note, either in part or in whole, upon the attainment of certain performance targets that include both annual financial targets and stock-price targets. In order for any forgiveness to occur, the closing stock price of our Class A Common Stock must be at least \$19.275 on any trading day in 2006. Additionally, the note and accrued interest thereon will be forgiven in its entirety, regardless of the attainment of the annual financial targets or the 2006 stock price targets, if we undergo a change in control, provided that Mr. L. Dickey is employed by us upon such change in control or that his employment was terminated within the six-month period immediately preceding a change in control. Interest accrues on Mr. L. Dickey's note from February 2, 2000 through December 31, 2006, and all accrued interest and principal is payable on that date. As of December 31, 2003, the original principal of \$4,992,000, plus accrued interest of \$1,503,601, remains outstanding.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics, referred to as our Code of Ethics, that applies to all of our employees, executive officers and directors and meets the requirements of the rules of the SEC and the NASDAQ Rules. The Code of Ethics is available on our website, www.cumulus.com, or can be obtained without charge by written request to Richard S. Denning, Corporate Secretary, at our principal executive offices. If we make any substantive amendments to this Code of Ethics, or if our Board grants any waiver, including any implicit waiver, from a provision thereof to our executive officers or directors, we will disclose the nature of such amendment or waiver, the name of the person to whom the waiver was granted and the date of the waiver in a current report on Form 8-K.

SUBMISSION OF STOCKHOLDER PROPOSALS

In accordance with the rules of the Securities and Exchange Commission, if you wish to submit a proposal to be brought before the 2005 Annual Meeting of Stockholders, we must receive your proposal by not later than July 23, 2004, the date that is 120 days prior to the anniversary of the scheduled date this proxy statement is first being sent to stockholders, in order to be included in our proxy materials relating to that meeting. Stockholder proposals must be accompanied by certain information concerning the proposal and the stockholder submitting it. Proposals should be directed to Richard S. Denning, Corporate Secretary, at our principal executive offices, 3535 Piedmont Road, Building 14, Fourteenth Floor, Atlanta, Georgia 30305. To avoid disputes as to the date of receipt, it is suggested that any stockholder proposal be submitted by certified mail, return receipt requested.

In addition, in accordance with the advance-notice provisions of our by-laws, for any proposal to be submitted by a stockholder for a vote at the 2005 Annual Meeting of Stockholders, whether or not submitted for inclusion in our proxy statement, we must receive advance notice of such proposal not later than January 31, 2005, the date that is 90 days prior to the anniversary of this year's Annual Meeting. The proxy to be solicited on behalf of the Board for the 2005 Annual Meeting of Stockholders may confer discretionary authority to vote on any such proposal received after that date.

b. Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share at the Date of Grant.

c. Each such grant or sale will provide that the Restricted Shares covered by such grant or sale will be subject to a substantial risk of forfeiture within the meaning of Section 83 of the Code for a period of not less than two years, to be determined by the Board at the Date of Grant, and may provide for the earlier lapse of such substantial risk of forfeiture in the event of a Change in Control.

d. Each such grant or sale will provide that during the period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Shares will be prohibited or restricted in the manner and to the extent prescribed by the Board at the Date of Grant (which restrictions may include, without limitation, rights of repurchase or first refusal in the Company or provisions subjecting the Restricted Shares to a continuing substantial risk of forfeiture in the hands of any transferee).

e. Any grant of Restricted Shares may specify management objectives that, if achieved, will result in termination or early termination of the restrictions applicable to such shares.

f. Any such grant or sale of Restricted Shares may require that any or all dividends or other distributions paid thereon during the period of such restrictions be automatically deferred and reinvested in additional Restricted Shares, which may be subject to the same restrictions as the underlying award.

g. Each grant or sale of Restricted Shares will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with this Plan, as the Board may approve. Unless otherwise directed by the Board, all certificates representing Restricted Shares will be held in custody by the Company until all restrictions thereon will have lapsed, together with a stock power or powers executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such Shares.

6. *Deferred Shares.* The Board may also authorize the granting or sale of Deferred Shares to Participants. Each such grant or sale may utilize any or all of the authorizations, and will be subject to all of the requirements contained in the following provisions:

a. Each such grant or sale will constitute the agreement by the Company to deliver Common Shares to the Participant in the future in consideration of the performance of services, but subject to the fulfillment of such conditions during the Deferral Period as the Board may specify.

b. Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share at the Date of Grant.

c. Each such grant or sale will be subject to a Deferral Period of not less than 1 year, as determined by the Board at the Date of Grant, and may provide for the earlier lapse or other modification of such Deferral Period in the event of a Change in Control.

d. During the Deferral Period, the Participant will have no right to transfer any rights under his or her award and will have no rights of ownership in the Deferred Shares and will have no right to vote them, but the Board may, at or after the Date of Grant, authorize the payment of dividend equivalents on such Shares on either a current or deferred or contingent basis, either in cash or in additional Common Shares.

e. Each grant or sale of Deferred Shares will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with this Plan, as the Board may approve.

7. *Transferability.*

a. Except as otherwise determined by the Board, no Option Right or other derivative security granted under the Plan will be transferable by a Participant other than by will or the laws of descent and distribution. Except as otherwise determined by the Board, Option Rights will be exercisable during the Optionee's lifetime only by him or her or by his or her guardian or legal representative.

b. The Board may specify at the Date of Grant that part or all of the Common Shares that are (i) to be issued or transferred by the Company upon the exercise of Option Rights or upon the termination of the Deferral Period applicable to Deferred Shares or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in Section 5 of this Plan, will be subject to further restrictions on transfer.

8. *Adjustments.* The Board may make or provide for such adjustments in the numbers of Common Shares covered by outstanding Option Rights and Deferred Shares granted hereunder, in the Option Price, and in the kind of shares covered thereby, as the Board, in its sole discretion, exercised in good faith, may determine is equitably required to prevent dilution or enlargement of the rights of Participants that otherwise would result from (a) any stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, or (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing. Moreover, in the event of any such transaction or event, the Board, in its discretion, may provide in substitution for any or all outstanding awards under this Plan such alternative consideration as it, in good faith, may determine to be equitable in the circumstances and may require in connection therewith the surrender of all awards so replaced. The Board may also make or provide for such adjustments in the numbers of shares specified in Section 3 of this Plan as the Board in its sole discretion, exercised in good faith, may determine is appropriate to reflect any transaction or event described in this Section 8; provided, however, that any such adjustment to the number specified in Section 3(c)(i) will be made only if and to the extent that such adjustment would not cause any Option intended to qualify as an Incentive Stock Option to fail so to qualify.

9. *Change in Control.* For purposes of this Plan, except as may be otherwise prescribed by the Board in an agreement evidencing a grant or award made under the Plan, a Change in Control shall mean the occurrence of any of the following events:

10. *Fractional Shares.* The Company will not be required to issue any fractional Common Shares pursuant to this Plan. The Board may provide for the elimination of fractions or for the settlement of fractions in cash.

11. *Withholding Taxes.* To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a Participant or other person under this Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board) may include relinquishment of a portion of such benefit.

12. *Foreign Employees.* In order to facilitate the making of any grant or combination of grants under this Plan, the Board may provide for such special terms for awards to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America as the Board may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of this Plan as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, will include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further approval by the shareholders of the Company.

13. *Administration of the Plan.*

a. This Plan will be administered by the Board, which may from time to time delegate all or any part of its authority under this Plan to the Compensation Committee of the Board (or a subcommittee thereof), as constituted from time to time. A majority of the committee (or subcommittee) will constitute a quorum, and the action of the members of the committee (or subcommittee) present at any meeting at which a quorum is present, or acts unanimously approved in writing, will be the acts of the committee (or subcommittee). To the extent of any such delegation, references in this Plan to the Board will be deemed to be references to such committee or subcommittee.

b. The interpretation and construction by the Board of any provision of this Plan or of any agreement, notification or document evidencing the grant of Option Rights, Restricted Shares or Deferred Shares and any determination by the Board pursuant to any provision of this Plan or of any such agreement, notification or document will be final and conclusive. No member of the Board will be liable for any such action or determination made in good faith.

14. *Amendments, Etc.*

a. The Board may at any time and from time to time amend the Plan in whole or in part; provided, however, that any amendment which must be approved by the shareholders of the Company in order to comply with applicable law or the rules of the Nasdaq Stock Market or, if the Common Shares are not traded on the Nasdaq Stock Market, the principal national securities exchange upon which the Common Shares are traded or quoted, will not be effective unless and until such approval has been obtained.

b. The Board also may permit Participants to elect to defer the issuance of Common Shares or the settlement of awards in cash under the Plan pursuant to such rules, procedures or programs as it may establish for purposes of this Plan. The Board also may provide that deferred issuances and settlements include the payment or crediting of dividend equivalents or interest on the deferral amounts.

c. The Board may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

d. In case of termination of employment by reason of death, disability or normal or early retirement, or in the case of hardship or other special circumstances, of a Participant who holds an Option Right not immediately exercisable in full, or any Restricted Shares as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, or any Deferred Shares as to which the Deferral Period has not been completed, or who holds Common Shares subject to any transfer restriction imposed pursuant to Section 7(b) of this Plan, the Board may, in its sole discretion, accelerate the time at which such Option Right may be exercised or the time at which such substantial risk of forfeiture or prohibition or restriction on transfer will lapse or the time when such Deferral Period will end or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award.

e. This Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

f. To the extent that any provision of this Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option Right. Such provision, however, will remain in effect for other Option Rights and there will be no further effect on any provision of this Plan.

15. *Governing Law.* The Plan and all grants and awards and actions taken thereunder shall be governed by and construed in accordance with the internal substantive laws of the State of Georgia.

16. *Termination.* No grant will be made under this Plan more than 10 years after the date on which this Plan is first approved by the shareholders of the Company, but all grants made on or prior to such date will continue in effect thereafter subject to the terms thereof and of this Plan.
