**Item 1.01 Entry into a Material Definitive Agreement.**

On November 16, 2004, HCA Inc., a Delaware corporation (the Company) entered into an Underwriting Agreement (Terms) (the Underwriting Agreement (Terms)) with J.P. Morgan Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, acting on behalf of themselves and the several underwriters named therein (the Underwriters) in connection with the public offering by the Company of \$500,000,000 aggregate principal amount of 5.500% Notes due 2009 (the 2009 Notes) and \$750,000,000 aggregate principal amount of 6.375% Notes due 2015 (the 2015 Notes and together with the 2009 Notes, the Notes). The Underwriting Agreement (Terms) incorporates by reference into it that certain Underwriting Agreement Standard Provisions (Debt Securities) dated as of September 18, 2002 (the Underwriting Agreement Standard Provisions and together with the Underwriting Agreement (Terms), the Underwriting Agreement).

Pursuant to the terms of the Underwriting Agreement, the Underwriters agreed to purchase from the Company, severally and not jointly, the respective principal amounts of the Notes set forth in the Underwriting Agreement at a purchase price of 98.832% and 98.546% of the aggregate principal amount of the 2009 Notes and the 2015 Notes, respectively. As indicated in the Underwriting Agreement, because more than 10% of the net proceeds of the offering were being used to repay borrowings of the Company from affiliates of the Underwriters, Deutsche Bank Securities Inc. agreed to act as the qualified independent underwriter in accordance with the rules of the National Association of Securities Dealers.

For a more detailed description of the Notes and the offering of the Notes, see Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant below.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant**

On November 19, 2004, the Company executed global notes representing the 2009 Notes and the 2015 Notes. The Notes were issued under an Indenture, dated December 16, 1993, as supplemented, between the Company and the Bank of New York, as successor trustee.

The 2009 Notes will mature on December 1, 2009 and the 2015 Notes will mature on January 15, 2015. Interest will be paid on the 2009 Notes on December 1 and June 1 of each year, beginning June 1, 2005 to holders of record on the November 15 and May 15 preceding a payment date. Interest will be paid on the 2015 Notes on January 15 and July 15 of each year, beginning on January 15, 2005 to holders of record on the January 1 and July 1 preceding a payment date.

The Notes are the Company's senior unsecured obligations and will rank equally with all of the Company's other unsecured senior indebtedness from time to time outstanding. The Company may redeem the 2009 Notes or the 2015 Notes at any time and at the redemption prices described therein. There will be no sinking fund for the Notes.

The Notes will be issued in one or more global securities, held in the name of Cede & Co., the nominee of The Depository Trust Company, and will be delivered through the book entry system of The Depository Trust Company, Clearstream, Luxembourg or Euroclear.
