- (1) Assumes conversion of all of the securityholders' notes at a conversion price of \$19.57 per share of common stock. The conversion price is subject to adjustment as described under "Description of Notes-Conversion Rights" and, as a result, the amount of common stock issuable upon conversion of the notes may increase or decrease in the future.
- (2) Calculated based on Rule 13d-3(d)(i) of the Exchange Act using shares of common stock outstanding as of March 17, 2005. In calculating this amount, we treated as outstanding the number of shares of common stock issuable upon conversion of all of that particular securityholder's notes. We did not assume, however, the conversion of any other securityholder's notes.
- (3) Ritchie Capital Management acts as the Sub-Investment Advisor for the selling securityholder and exercises voting control and dispositive power over these securities. A.R. Thane Ritchie is the President of the Sub-Investment Advisor.

Investing in the notes and our common stock involves risks, which are described under "Risk Factors" beginning on page 14 of the prospectus.
