GENERAL INFORMATION**

Why did I receive this proxy statement?

This proxy statement is furnished in connection with the solicitation of proxies on behalf of our board of directors to be voted at the annual meeting of our stockholders to be held on May 11, 2005, and any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at our principal executive offices, 4300 Wildwood Parkway, Atlanta, Georgia 30339, on Wednesday, May 11, 2005 at 2:00 p.m. Eastern Daylight Saving Time. This proxy statement and accompanying form of proxy are being first sent or given to our stockholders on or about April 11, 2005. Our annual report on Form 10-K for the year ended January 1, 2005 accompanies this proxy statement.

Who is soliciting my vote?

Our board of directors is soliciting your vote at the 2005 Annual Meeting of BlueLinx Stockholders.

Who is entitled to vote?

Only our stockholders of record at the close of business on March 23, 2005, the Record Date, are entitled to receive notice of the meeting, attend the meeting and to vote the shares of our common stock that they held on that date at the meeting, or any adjournment thereof. Each outstanding share entitles you to cast one vote on each matter to be voted upon.

Who can attend the meeting?

All stockholders of record as of the close of business on the Record Date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date. If you are a stockholder of record, your name will appear on our stockholder list.

What will I vote on?

Two items:

the election of ten directors to our board; and

the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2005.

Will there be any other items of business on the agenda?

We do not expect any other items of business at the meeting. Nonetheless, if there is an unforeseen need, your proxy will give discretionary authority to the persons named on the proxy to vote on any other matters that may be brought before the meeting. These persons will use their best judgment in voting your proxy.

Why are ten directors being elected?

Our board has decided to increase the size of the board from nine to ten director seats, each member to be elected by our common stockholders. Our amended and restated bylaws require the election of all the directors at each annual meeting of stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the record date will constitute a quorum, permitting business to be conducted at the meeting. As of the record date, we had 30,185,000 shares of common stock outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Table of Contents

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person.

Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing either a notice of revocation or a duly executed proxy bearing a later date with our secretary, Barbara V. Tinsley, at our principal executive offices, 4300 Wildwood Parkway, Atlanta, Georgia 30339. The powers of the proxy holder(s) will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the recommendations of our board of directors?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. Our board recommends a vote **FOR** election of the nominated slate of directors and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2005.

What vote is required to approve each item?

Election of Directors. A nominee will be elected as a director if he receives a plurality of the votes cast at the meeting. Plurality means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Broker non-votes and marking your proxy card to withhold authority for all or some nominees will not be counted either for or against a director nominee.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2005. Abstentions and broker non-votes will not be counted either for or against this proposal.

Are abstentions and broker non-votes part of the quorum?

Abstentions, broker non-votes and votes withheld for director nominees or the ratification of our independent registered public accounting firm count as shares present at the meeting for purposes of determining a quorum.

What if I don't vote for some or all of the matters listed on my proxy card?

If you are a registered stockholder and you return a signed proxy card without indicating your vote for some or all of the matters, your shares will be voted as follows for any matter you did not vote on:

for the director nominees to the board listed on the proxy card; and

for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2005.

How will proxies be solicited?

Proxies will be solicited by mail. Proxies may also be solicited by our officers and regular employees personally or by telephone or facsimile, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of our common stock. We will pay the expense of preparing, assembling, printing, mailing and soliciting proxies.

Is there electronic access to the proxy materials and annual report?

Yes. This proxy statement and our annual report on Form 10-K are available on our web site, www.bluelinxco.com.

Who are our largest stockholders?

Cerberus ABP Investor LLC, an affiliate of Cerberus Capital Management, L.P., or Cerberus, owns 18,100,000 shares of our common stock, representing approximately 60% of the outstanding shares of common stock

of BlueLinx.

ITEMS OF BUSINESS TO BE ACTED ON AT THE MEETING
PROPOSAL 1:
ELECTION OF DIRECTORS

Our board of directors currently consists of nine members. Eight of our current directors have been nominated for reelection and have consented to stand for reelection. One of our directors, Michael E. Rossi, is retiring from our board and will not stand for reelection. In addition, our board has determined to increase its size to ten members, effective at the meeting. Therefore, our board has nominated Mark A. Suwyn and Richard B. Marchese to be elected to fill those vacancies on our board.

The terms of all of the members of our board of directors will expire at the next annual meeting after their election, or until their successors, if any, are elected and appointed. If you do not wish your shares of common stock to be voted for particular nominees, you may so indicate on the enclosed proxy card. If, for any reason, any of the nominees become unavailable for election, the individuals named in the enclosed proxy card may exercise their discretion to vote for any substitutes proposed by the board of directors. At this time, the board knows of no reason why any nominee might be unavailable to serve.

Our board unanimously recommends a vote FOR each of the following nominees:

Joel A. Asen	Charles H. McElrea
Jeffrey J. Fenton	Alan H. Schumacher
Stephen E. Macadam	Mark A. Suwyn
Richard B. Marchese	Lenard B. Tessler
Steven F. Mayer	Robert G. Warden

The names and biographical information about these nominees can be found under Identification of Executive Officers and Directors elsewhere in this proxy statement.

PROPOSAL 2:
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our board of directors has selected Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal year 2005. Ernst & Young LLP has served as our independent registered public accounting firm since our inception. While stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise, our board is submitting the selection of Ernst & Young LLP to our stockholders for ratification. If our stockholders fail to ratify the selection, the audit committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the audit committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the fiscal year if it determines that such a change would be in our best interests and that of our stockholders.

Ernst & Young LLP has advised us that it has no direct, nor any material indirect, financial interest in us or any of our subsidiaries. We expect that representatives of Ernst & Young LLP will be present at the meeting to make any statement they may desire and to respond to appropriate questions from our stockholders.

Table of Contents**Fees Paid To Independent Registered Public Accounting Firm**

The following table shows the aggregate fees for professional services rendered by Ernst & Young LLP for fiscal year 2004, our first fiscal year as an independent entity:

	2004
Audit Fees(1)	\$ 3,059,440
Audit-Related Fees(2)	\$ 400,000
Tax Fees	
All Other Fees	
TOTAL	\$ 3,459,440

- (1) Primarily includes fees related to audits of our consolidated financial statements, reviews of interim financial statements and disclosures in filings with the Securities and Exchange Commission, or the SEC, as well as comfort letters and consents in conjunction with our initial public offering.
- (2) Consists of fees related to a working capital audit performed in 2004.

Pre-Approval of Audit and Non-Audit Services

The charter of the audit committee provides that the committee is responsible for the pre-approval of all material audit services and non-audit services to be performed for us by our independent registered public accounting firm. There were no non-audit related services performed by Ernst & Young LLP for us during the fiscal year ended January 1, 2005. To the extent required by applicable law, the fees paid to the independent registered public accounting firm described above for fiscal year 2004 were pre-approved by the audit committee. The audit committee may delegate to one or more of its members the authority to grant such pre-approvals. The decisions of any such member shall be presented to the full audit committee at each of its scheduled meetings.

Our board unanimously recommends a vote FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2005.

INFORMATION ABOUT THE BOARD OF DIRECTORS

Our board of directors met four times during our 2004 fiscal year. Each incumbent director attended at least 75% of the total of all board and committee meetings he was entitled to attend during the 2004 fiscal year.

Our board has reviewed the independence of each of its members and has determined that Messrs. Macadam and Schumacher are independent, as such term is defined under the current listing standards of the New York Stock Exchange, or NYSE. Our board also determined that Mr. Marchese, newly nominated to serve on our board, meets the independence criteria as well. As further described under Controlled Company, below, because we are a controlled company, we are exempt from the requirement that our board be comprised of a majority of independent directors. Six members of our current board are employees of, or advisors to, Cerberus Capital Management, L.P., or Cerberus, the indirect holder of a majority of the outstanding shares of our common stock. Mr. Suwyn, newly nominated to serve on our board, is also a senior member of Cerberus operations team and an advisor to Cerberus.

Our business and affairs are managed by our board. To assist it in carrying out its responsibilities, our board has established the two standing committees described below, under Committees of the Board of Directors. The charter for each of these committees, as in effect from time to time, may be found on our web site, www.bluelinxco.com. Each of these committees has the right to retain its own legal counsel and other advisors.

Table of Contents

Committees of the Board of Directors

The Audit Committee

The purpose of the audit committee is to assist our board in fulfilling its responsibilities to oversee our financial reporting process, including to monitor the integrity of our financial statements and the independence and performance of our internal and external auditors. The audit committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm.

The audit committee met three times in fiscal 2004. The audit committee currently consists of Messrs. Asen, Macadam and Schumacher. If elected at the meeting, Mr. Marchese will replace Mr. Asen as a member of the audit committee. Our board has determined that Messrs. Macadam, Schumacher and Marchese are each independent, as such term is defined under the rules of the SEC and the listing standards of the NYSE applicable to audit committee membership, and each meet the NYSE's financial literacy requirements. Pursuant to its charter, the audit committee is comprised of at least three members appointed by our board. Our board has determined that Mr. Schumacher is an audit committee financial expert, as such term is defined under the rules of the SEC.

The audit committee operates pursuant to a written charter that complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and the related rules of the SEC, as well as the listing standards of the NYSE. A copy of the audit committee charter is attached to this proxy statement as Appendix A.

The audit committee has adopted a procedure to receive allegations on any fraudulent accounting issues through a toll-free telephone number as set out in our code of conduct and ethics. See Corporate Governance Guidelines and Code of Ethics, below.

The Compensation Committee

The compensation committee oversees the determination of all matters relating to employee compensation and benefits and is empowered to: (1) establish a compensation policy for executive officers, including setting base salaries and incentive compensation; (2) review compensation practices and trends; (3) make recommendations as to compensation levels for executive officers; (4) approve employment contracts; (5) administer our stock option and other incentive plans; and (6) undertake administration of other employee benefit plans. The compensation committee currently consists of Messrs. Fenton, Macadam and Rossi, and met one time during 2004. Mr. Rossi is not seeking reelection as a director. If Mr. Suwyn is elected as a director of the Company, it is expected that he will replace Mr. Rossi as a member of the compensation committee. As further described under Controlled Company, below, because we are a controlled company, we are exempt from the requirement that the compensation committee be comprised solely of independent directors. Messrs. Fenton, Rossi and Suwyn are senior advisors to Cerberus.

Controlled Company

We are a controlled company for purposes of the NYSE listing requirements. Our basis for this determination is that Cerberus ABP Investor LLC, an affiliate of Cerberus, owns a majority of the outstanding shares of our common stock. Accordingly, we are exempt from the NYSE listing requirements that would otherwise mandate (1) a majority of independent directors on our board, (2) a nominating committee of our board, comprised solely of independent directors, to select or recommend nominees to our board, and (3) a compensation committee of our board, comprised solely of independent directors, to determine the compensation of our executive officers.

Nomination Process

Because we are a controlled company, we do not have a standing nominating committee comprised solely of independent directors or any other committee performing similar functions. Such matters are

Table of Contents

considered at meetings of our full board. Due to the size of our board, we do not foresee an immediate need to establish a separate nominating committee or adopt a charter to govern the nomination process.

Our board has generally used an informal process to identify and evaluate director candidates. Although we believe that identifying and nominating highly skilled and experienced director candidates is critical to our future, our board has not engaged, nor does it believe that it is necessary at this time to engage, any third party to assist it in identifying director candidates. Our board encourages all directors, independent or otherwise, to identify potential director nominees. As a result, our board believes that it is presented with a diverse and experienced group of candidates for discussion and consideration.

During the evaluation process, our board seeks to identify director candidates with the highest personal and professional ethics, integrity and values. In the context of the needs of our board at any given point in time, our board will seek candidates with diverse experience in business, finance and other matters relevant to a company such as ours, prominence in their profession, concern for the interests of our stockholders and an understanding of our business. Additionally, our board requires that director nominees have sufficient time to devote to our business and affairs.

(1) Based on fair market value of \$10.00 per share of BlueLinx common stock on August 31, 2004 determined by an independent third party valuation of our common stock at such time. The dollar amounts under the columns labeled 5% and 10% are the result of calculations at the 5% and 10% rates of appreciation set by the SEC for presentation in proxy statements and therefore are not intended to forecast possible future appreciation, if any, of the price of our common stock.

(2) Ms. Tinsley's options vest as follows: 70% of the options vest in equal annual installments on the first, second and third anniversary of the date of grant. The remaining 30% of the options vest in equal amounts on December 31 following the first, second, third and fourth anniversary of the date of grant provided that certain performance targets to be established by the board or the compensation committee are attained by the Company.

Compensation of Directors

Our directors who are neither employees of BlueLinx or employees or members of Cerberus' operations team, referred to as our outside directors, receive an annual director's fee of \$50,000. In addition, each outside director receives a fee of \$1,250 for each directors' meeting attended. Outside directors also receive a fee of \$20,000 for serving as chairperson of a committee or \$10,000 for being a member of a committee. Directors who are employed by BlueLinx or Cerberus, or who are members of Cerberus' operations team, do not receive additional consideration for serving as directors, except that all directors are entitled to reimbursement for travel and out-of-pocket expenses in connection with their attendance at board and committee meetings.

On August 31, 2004, we granted each of our three outside directors at that time, Messrs. Asen, Macadam and Schumacher, options to purchase 10,000 shares of our common stock at an exercise price of \$3.75 per share. Each of these options will vest on the date of the meeting. We also granted options to purchase 200,000 shares of our common stock at an exercise price of \$3.75 per share to Jeffrey J. Fenton in consideration for his service as chairman of our board. Mr. Fenton's options will also vest on the date of the meeting.

Employment Agreements and Change of Control Arrangements

Messrs. McElrea, Judd, Morris, Hardin and Ms. Tinsley have entered into severance agreements with our operating company. These agreements provide these individuals with payments and benefits following a termination by us without cause or by the employee with good reason, in each case, as these terms are defined in the severance agreements, in addition to the amounts that the employee has accrued to the date of termination of employment.

Table of Contents

Upon a termination by our operating company without cause or by the employee with good reason, the employee will be entitled to receive the following payments and benefits, provided the employee signs a valid release of employment related claims:

payment of two times the employee's annual base salary (one time annual base salary for Ms. Tinsley), payable over 24 months (12 months in the case of Ms. Tinsley) from the date of termination;

payment of two times the bonus amount received by the employee immediately prior to the date of termination (such amount would be \$180,000 for Ms. Tinsley), payable over 24 months from the date of termination (payable over 12 months in the case of Ms. Tinsley);

a lump sum payment of contributions we would have made to the 401(k) plan for two years (one year for Ms. Tinsley) assuming the employee contributed 6% of pay to such plan;

continued health and welfare benefits for two years (one year for Ms. Tinsley) at the cost of such benefits in effect immediately prior to the date of termination;

retiree health benefits if the employee is at least age 55 and has 10 years of service (including the period that the employee received continued benefits as described above) no less favorable than as provided to our retirees immediately prior to the date of termination, provided that the employee pays the full cost of all applicable premiums without any subsidy from us; and

outplacement services in an amount of up to \$25,000.

The severance agreements also provide that the employee shall not compete with our operating company in the building products distribution business in the United States or Canada for a period of 18 months after termination of employment (12 months for Ms. Tinsley). In addition, the severance agreements provide that the employee shall not solicit employees, customers or vendors of our operating company for a period of 18 months after termination of employment (12 months for Ms. Tinsley).

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

There are no compensation committee interlocks (*i.e.*, none of our executive officers serves as a member of the board of directors or the compensation committee of another entity which has an executive officer serving on our board or the compensation committee of our board).

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

As BlueLinx's compensation committee (the Compensation Committee), our primary goal is to establish a compensation program that serves the long-term interests of the Company and its stockholders. The Company seeks to attract and retain top quality executives with the qualifications necessary for the long-term financial success of the Company by providing a competitive, performance-based compensation program. The principal components of this program consist of base salaries, annual incentive plan compensation and stock-based incentive awards. The specific components of the program are as follows:

Base Salaries. The base salaries of management, including the chief executive officer, were largely established while the individuals were employees of Georgia-Pacific Corporation, or Georgia-Pacific. The Compensation Committee has directed the Company to engage a third party provider to perform a benchmark study of the Company's current compensation structure including the base salaries of its executive officers. The Compensation Committee intends for the base salaries of the Company's executives to be established at levels that are competitive in the marketplace. The Compensation Committee has asked that the benchmarking study examine competitive pay practices of comparable industries and other distribution companies to ensure that pay opportunities for the Company's management are generally competitive. The base salary of our chief executive officer during 2004 was established at \$315,000 per year while he was still employed by Georgia-Pacific. The Compensation Committee along with Company's

Table of Contents

management elected to wait for the completion of the compensation benchmarking study before authorizing any adjustments to executives' base salaries established at Georgia-Pacific.

Employee Incentive Plan. The Company's short term incentive plan is designed to compensate certain of the Company's salaried employees, including the executive officers, for performance with respect to stated goals consistent with the Company's planned business objectives. Participants are compensated based on the achievement of Company financial performance targets and/or such other goals as established by management and approved by the Compensation Committee. Eligible participants are designated at the beginning of each year by management. All proposed awards to members of management are approved by the Compensation Committee. Payments in the aggregate amount of \$1,131,000 were made in 2005 for the 2004 fiscal year to Messrs. McElrea, Judd, Morris, Hardin and Ms. Tinsley. All such payments were approved by the Compensation Committee and were awarded based on the Company's achievement of certain financial performance goals for fiscal 2004 that were established as part of Georgia-Pacific.

Stock-based Incentive Awards. The purpose of the Company's 2004 Equity Incentive Plan is to motivate and retain certain individuals who are responsible for the attainment of the primary long-term performance goals of the Company. The Company elected to grant options to purchase 100,000 shares of the Company's common stock, subject to time and performance based vesting criteria, to Barbara V. Tinsley in connection with her service as general counsel and secretary of the Company. The Compensation Committee approved the terms of the grant. The Company elected not to award stock options to the other members of executive management due to the fact that such persons already had an equity interest in the Company. Stock options were also awarded to the Company's chairman of the board of directors, the independent directors and employees selected by management to participate in the 2004 Equity Incentive Plan.

Summary. We believe the design of the Company's compensation plans and their relative mix successfully motivates the Company's officers and executives. All aspects of compensation are performance driven and align both the short-term and long-term interests of the Company's employees and stockholders. The Compensation Committee believes that the Company's plans are effective, create significant value and reflect an appropriate mix to help drive the Company's success.

We redeemed all \$95 million of our issued and outstanding series A preferred stock during fiscal 2004.

Common Stock Issuances

We sold shares of our common stock in private placements to Cerberus ABP Investor LLC and certain of our executive officers as follows:

On March 10, 2004, we sold 100 shares to Cerberus ABP Investor LLC for an aggregate purchase price of \$1,000. On May 7, 2004, we sold the following:

18,099,900 shares to Cerberus ABP Investor LLC for an aggregate purchase price of \$4,524,975;

700,000 shares to Charles H. McElrea for an aggregate purchase price of \$175,000;

300,000 shares to Steven C. Hardin for an aggregate purchase price of \$75,000; and

200,000 shares to David J. Morris for an aggregate purchase price of \$50,000.

We believe that the terms of each of the foregoing equity issuances were at least as fair to us as the terms that we would have expected to negotiate with third parties under similar circumstances.

Registration Rights Agreement

On May 7, 2004, we entered into a registration rights agreement with Cerberus and certain of our executive officers, including Charles H. McElrea, George R. Judd, David J. Morris and Steven C. Hardin. Certain provisions of the registration rights agreement are summarized below.

Demand Registration Rights

Cerberus has demand registration rights, but subject to certain requirements pursuant to the registration rights agreement, we are not required to pay registration expenses for more than four demand registrations. In addition, if, at a time when we are eligible to do so, Cerberus requests that we file a registration statement on Form S-3 for a public offering of all or any portion of its registrable securities, we are required to use our reasonable best efforts to register for public sale the registrable securities specified in such request. These requests are not subject to the four-registration limit applicable to demand registrations. Cerberus may also, when we are eligible to do so, require us to maintain a shelf registration continuously effective.

Incidental Registration Rights

If we propose to register any of our securities under the Securities Act (other than in a registration on Form S-4 or S-8 and other than pursuant to the preceding paragraph), we must notify all stockholder parties to the registration rights agreement of our intention and upon the request of any such parties, subject to certain restrictions, effect the registration of all securities requested by such parties to be so registered.

Pursuant to the registration rights agreement, we will pay all registration expenses and indemnify each stockholder party holding registrable securities with respect to each registration which has been effected.

Table of Contents

We believe that the terms of the registration rights agreement were at least as fair to us as the terms we would have expected to negotiate with third parties under similar circumstances.

Term Loan

On May 7, 2004, our operating company entered into a \$100 million term loan with Goldman Sachs Credit Partners L.P., as sole lead arranger, sole bookrunner, sole syndication agent, administrative agent and collateral agent, and various financial institutions from time to time as lenders. Cerberus acquired \$69 million in aggregate principal amount of the term loan and Aozora, an affiliate of Cerberus, acquired \$25 million in aggregate principal amount of the term loan. We used a portion of the proceeds from our initial public offering and borrowings under our revolving credit facility to repay in full the principal and interest owed under the term loan, including the portion held by Cerberus and its affiliate. We made interest payments of \$6.4 million under the term loan, including the portion due to Aozora.

Old Mortgage

Pursuant to the terms of our old mortgage, entered into on May 7, 2004, ABPMC, an affiliate of Cerberus, loaned us \$100 million. This loan, which bore interest at 10% per annum and matured on December 15, 2010, was secured by mortgages encumbering all of our wholly owned warehouse facilities and was guaranteed by certain of our subsidiaries. We believe that the terms of the old mortgage were at least as fair to us as the terms that we would have expected to negotiate with third parties under similar circumstances.

On October 27, 2004, we repaid our old mortgage in full with a portion of the proceeds from our new mortgage loan. During our 2004 fiscal year, we made interest payments of \$4.8 million in connection with the old mortgage.

Management Lock-up Agreements

Each of our executive officers who own shares of our common stock has entered into a two-year lock-up agreement, subject to certain limited exceptions, with us covering the shares of common stock beneficially owned by him or her on the date of our initial public offering. If Cerberus ABP Investor LLC or any successor entity sells a percentage of its shares of our common stock, our executive officers who own shares will be entitled to sell the same percentage of their shares as are sold by Cerberus ABP Investor LLC or its successor.

The management lock-up agreements were negotiated on an arms length basis between us and our executive officers.

Non-Independent Directors

Seven of the current members of our board do not meet the independence standards promulgated under the listing standards of the NYSE. Six of the current members of our board are either employees of or advisors to Cerberus. Messrs. Tessler, Mayer and Warden are employed by Cerberus and Messrs. Fenton and Rossi each serves as a senior member of Cerberus operations team and as an advisor to Cerberus. Mr. Asen also serves as an advisor to Cerberus. Additionally, Mr. Suwyn, a director nominee, serves as a senior member of Cerberus operations team and as an advisor to Cerberus.

Mr. Suwyn, a nominee to our board of directors, served as chairman and chief executive officer of Louisiana-Pacific Corporation, or Louisiana-Pacific, until his retirement on October 31, 2004. We purchased approximately \$114 million of products from Louisiana-Pacific in the ordinary course of our business during the 2004 fiscal year. All such purchases were made on an arms length basis.

AUDIT COMMITTEE CHARTER
OF
BLUELINX HOLDINGS INC.**

Adoption of Charter

The Board of Directors (the Board) of BlueLinx Holdings Inc. (the Company) has adopted this Charter (the Charter) of the Audit Committee (the Committee) of the Board.

Purpose of the Committee

The Committee will assist the Board in fulfilling the Board's oversight and monitoring of (1) the Company's financial statements and other financial information provided by the Company to its shareholders, and other relevant parties, (2) the integrity of the Company's financial statements, (3) the Company's compliance with legal and regulatory requirements, (4) the independent auditor's qualifications and independence, (5) the Company's systems of internal controls, including the performance of the Company's internal audit function and independent auditors, and (6) such other matters as may from time to time be specifically delegated to the Committee by the Board. In addition, the Company will prepare annual audit committee reports as required by the corporate governance standards of the New York Stock Exchange (the NYSE) and by the rules and regulations of the Securities and Exchange Commission (the Commission) for inclusion in the Company's annual proxy materials.

While the Committee has the powers and responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in compliance with generally accepted accounting principles and applicable rules and regulations, which are the responsibilities of management and the independent auditor.

Composition of the Committee

Appointment; Requirements. The Board will appoint the members of the Committee, and the members will serve at the discretion of the Board. The Board will, or will delegate to the members of the Committee the responsibility to, appoint a Chairman of the Committee. The Committee will consist of at least three members. Upon the Company's filing a registration statement with the Commission, the members of the Committee shall meet the independence and experience requirements of (1) Section 10A(m)(3) of the Securities Exchange Act of 1934 (the Exchange Act) and the rules and regulations of the Commission and (2) the NYSE. No member of the Committee may be an officer or employee of the Company or any of its subsidiaries or an immediate family member of such officer or employee, and each member of the Committee must be, in the opinion of the Board, free of any relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities as a Committee member.

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement. To the extent practicable, at least one member of the Committee will have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background.

Committee members shall not simultaneously serve on the audit committees of more than two other publicly traded companies without the consent of the Board of Directors.
