Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the securities that may be offered under The Lubrizol Corporation 2005 Stock Incentive Plan will be passed on by Joseph W. Bauer, Vice President and General Counsel of the Registrant.

Item 6. Indemnification of Directors and Officers.

The Code of Regulations of the Registrant provides that the Registrant shall indemnify any present or former director or officer of the Registrant against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred by such person by a reason of the fact that such person was a director or officer, in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, to the full extent permitted by applicable law.

Ohio Revised Code Section 1701.13 permits indemnification of such persons with respect to such matters, other than an action by or in the right of the registrant, if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the registrant and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. In the case of an action brought by or in the right of the registrant, such Ohio Revised Code section permits indemnification of such persons against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection with the settlement or defense of such action if such person acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interests of the registrant, subject to certain exceptions, including an exception for a matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of such person's duty to the registrant, unless the court in which such action was brought determines that such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Each director and officer of the Registrant is a party to an indemnification agreement with the Registrant, which agreement provides that the Registrant will indemnify such officer or director against expenses, including, without limitation, attorneys' fees, judgments, fines and amounts paid in settlement, in connection with any claim against such officer or director arising out of such person's being an officer or director of the Registrant, to the full extent provided by (i) the Registrant's bylaws, regulations or articles of incorporation, as in effect on the date of the agreement or at the time expenses are incurred; (ii) Ohio law or the law governing the Registrant at the time the expenses are incurred; or (iii) insurance maintained by the Registrant, at the option of such officer or director. The Registrant has also agreed to maintain directors' and officers' liability insurance so long as such insurance is available on a basis acceptable to the Registrant, and to advance funds for expenses, provided the officer or director agrees to reimburse the Registrant if such officer or director is ultimately found not to be entitled to such indemnification.

Table of Contents

The Registrant maintains insurance policies that insure the Registrant's directors and officers against certain liabilities (excluding fines and penalties imposed by law) that might be incurred by them in such capacities and insure the Registrant for amounts that may be paid by it (up to the limits of such policies) to indemnify the directors and officers covered by the policies.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits

The Exhibits to this Registration Statement are listed in the Index to Exhibits, which immediately follows the signature pages.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that clauses (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

Table of Contents

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by the controlling precedent, submit to a court of competent jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
