ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On February 15, 2005, MarineMax, Inc., a Delaware corporation (the Company) entered into an Amended and Restated Credit and Security Agreement, executed on February 15, 2005, effective as of February 3, 2005, among the Company and its subsidiaries, as Borrowers, Keybank National Association, Bank of America, N.A., and various other lenders, as Lenders.

The credit facility replaces our previous credit facility with the same financial institutions. The credit facility provides us a line of credit with asset-based borrowing availability of up to \$340 million for working capital and inventory financing, with the amount of permissible borrowings determined pursuant to a borrowing base formula. The credit facility also permits approved-vendor floorplan borrowings of up to \$20 million. The credit facility accrues interest at a rate of LIBOR plus 150 to 260 basis points with the interest rate based upon the ratio of our net outstanding borrowing to our tangible net worth. The credit facility is secured by our inventory, accounts receivable, equipment, furniture, and fixtures. The credit facility requires us to satisfy certain covenants, including maintaining a leverage ratio tied to our tangible net worth. The credit facility matures in January 2008, with two one-year renewal options.

A copy of the form of the agreement is being filed with this Current Report on Form 8-K as Exhibit 10.20.
