Item 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On January 16, 2007 the Registrant issued a press release reporting its results for the fourth quarter of 2006. Included in the release are the following non-GAAP financial measures: the quarterly growth percentages for net income and net income per share, which exclude certain non-recurring, prior year charges. The non-recurring charges, recorded in the fourth quarter of 2005, were primarily associated with the repositioning of the Company's investment portfolio. The Company believes these non-GAAP measures provide useful information to investors as they may assist in evaluating the Company's operations, particularly in making meaningful period-over-period comparisons that might otherwise be distorted. Investors should be aware that non-GAAP measures have inherent limitations and should be read only in conjunction with the Company's consolidated financial statements prepared in accordance with GAAP. A copy of the press release is attached as Exhibit 99.1 to this report.

On January 16, 2007 the Registrant also made certain supplemental information available. A copy of the supplemental information is attached as Exhibit 99.2 to this report.

Item 8.01 OTHER EVENTS

In connection with the release of its results for the fourth quarter of 2006, the Registrant reported it has been advised that an investigation is being conducted by the Office of the Comptroller of the Currency, in conjunction with the Board of Governors of the Federal Reserve System. A copy of the press release is attached as Exhibit 99.1 to this report (see page 14 under Other Matters).
