[VISX Letterhead]

March 30, 2001

To Our Stockholders:

In our recent proxy statement, we alerted you to the possibility that Carl C. Icahn, a New York-based financier, might initiate a proxy contest at VISX's upcoming Annual Meeting, scheduled for May 4, 2001. It now appears that this is exactly what Mr. Icahn and certain of his controlled companies are planning to do.

THE ICAHN GROUP WANTS TO CONTROL VISX'S VALUABLE CORPORATE FRANCHISE, WITHOUT OFFERING VISX'S STOCKHOLDERS ANYTHING FOR THEIR SHARES. YOUR BOARD OF DIRECTORS UNANIMOUSLY URGES YOU TO REJECT THE ICAHN GROUP'S SELF-SERVING ACTIONS AND NOT TO SIGN OR RETURN ANY PROXY CARD YOU MAY RECEIVE FROM THEM.

The Icahn group offers nothing new. In a strained effort to create a "platform" on which its hand-picked nominees can seek election, the Icahn group, tells you that its nominees intend to do three things if elected: institute a stock repurchase program, review strategic alternatives and form an executive search committee. Your Board of Directors acted upon each of these three measures long before they were suggested by Mr. Icahn.

YOUR BOARD OF DIRECTORS HAS ALREADY IMPLEMENTED AN ACTIVE STOCK REPURCHASE PLAN.

- o VISX has repurchased approximately 13 million shares of its stock since 1997. In the last three months alone, VISX has repurchased over 4 million shares, or approximately 7% of the shares outstanding.
- o Because our currently authorized 10 million share repurchase program is nearly completed, we are preparing to implement a new plan so this process can continue. Our Board and management are working to determine the appropriate size for our next repurchase program, which we expect to announce shortly.

YOUR BOARD OF DIRECTORS HAS ALREADY IMPLEMENTED A REVIEW OF STRATEGIC ALTERNATIVES.

- o Last year VISX announced that it was working with its outside financial and legal advisers, Goldman Sachs & Co. and Skadden, Arps, Slate, Meagher & Flom LLP, to assist

## Edgar Filing: VISX INC - Form DEFA14A

VISX in reviewing strategic alternatives, including possible sale, merger or business combinations, that would enhance stockholder value. While the process has not resulted in any specific transactions to date, VISX remains receptive to opportunities that would enhance stockholder value and recognize VISX's record of profitable performance and its global leadership position.

- o The VISX Board continues to actively explore the possibility of available transactions; however, in the absence of such a transaction, VISX will continue to focus aggressively on stimulating growth in laser vision correction procedures and increasing VISX revenues and earnings.

IN FEBRUARY 2001, YOUR BOARD OF DIRECTORS EFFECTED A SMOOTH TRANSITION OF MANAGEMENT AND IT DOES NOT NEED TO FORM A NEW SEARCH COMMITTEE.

- o The VISX Board has had in place a succession plan as authorized by a Governance Committee of the Board, under which Elizabeth Davila was selected to succeed Mark Logan as Chief Executive Officer. This committee of outside directors retained an executive search consultant, and its process confirmed the view that Ms. Davila is the best person for the Company's CEO position.
- o Ms. Davila came to VISX five years ago as its Executive Vice President and Chief Operating Officer. Her performance at VISX combined with her previous professional experiences, including eight years in the field of ophthalmology, made her the best person for the job in the opinion of the Committee. Ms. Davila's appointment as VISX's CEO was extremely well received by our shareholders, analysts, employees and customers, and there has been a smooth and seamless transition.
- o Even the Icahn group admits that while it would form a search committee, it has no current specific plans to change the existing management or operations of VISX.

THE ICAHN GROUP HAS PRESENTED NOTHING NEW TO VISX STOCKHOLDERS. THE VISX BOARD OF DIRECTORS HAS ALREADY CONSIDERED AND ACTED UPON EACH ELEMENT OF THE ICAHN GROUP'S PLATFORM.

Your Board of Directors unanimously opposes the attempt of the Icahn group to acquire control of VISX through a proxy contest. Your Board of Directors is committed to enhancing stockholder value through pursuit of the Company's business plan, continuing stock repurchases and continuing to remain open to sale, merger or other business combination transactions that recognize VISX's value and global leadership position.

DON'T LET CARL ICAHN AND HIS HAND-PICKED NOMINEES TAKE CONTROL OF YOUR COMPANY. WE URGE YOU NOT TO SIGN ANY PROXY CARD THAT THE ICAHN GROUP MAY SEND YOU.

Protect and enhance the value of your investment in VISX today. If you are a registered stockholder, please sign, date and return the enclosed GOLD proxy card. If you get a white instruction card from your broker, bank or nominee, please sign and return the instruction card telling them to execute a GOLD proxy card on your behalf.
