REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Plan Administrator
of the Mirant Services
Employee Savings Plan:

We have audited the accompanying statements of net assets available for benefits of the Mirant Services Employee Savings Plan as of December 31, 2001 and 2000 and the related statements of changes in net assets available for benefits for the year ended December 31, 2001 and for the period from December 19, 2000 (inception) through December 31, 2000. These financial statements and schedules are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and schedules based on our audits.

We conducted our audits in accordance with the auditing standards generally

Edgar Filing: MIRANT CORP - Form 11-K

accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000 and the changes in its net assets available for benefits for the year ended December 31, 2001 and for the period from December 19, 2000 (inception) through December 31, 2000 in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the basic financial statements but are supplementary information required by Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Mirant Services
Employee Savings Plan
Notes to Financial Statements and Schedules
December 31, 2001 and 2000

1. Plan Description

The following description of the Mirant Services Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description or the plan document for a more complete description of the Plan's provisions.

General

The Plan is a stock bonus plan sponsored by Mirant Services, LLC (the "Company") covering all regular full-time and part-time employees of the Company, excluding persons who are members of a collective bargaining unit, a cooperative education employee, or a leased or temporary employee, as defined. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

On January 19, 2001, Southern Energy, Inc. announced, as part of its separation from Southern Company, that it was changing its name to Mirant Corporation. It began doing business as Mirant Corporation on January 22, 2001 and legally changed the name on February 26, 2001. The Company, noted above, is the employing company and plan sponsor.

Transferred Accounts and Merged Plans

In December 2000, an affiliate of Southern Energy Resources, Inc. acquired certain assets of Potomac Electric Power Company ("PEPCO"). Pursuant to the acquisition, certain former employees of PEPCO who were eligible to participate in the PEPCO Exempt Retirement Savings Plan and the PEPCO Non-Bargaining Unit, Non-Exempt Retirement Savings Plan became eligible to participate in the Plan on December 19, 2000. The accounts of the former PEPCO employees who elected to a Voluntary Trust-to-Trust transfer were transferred into the Plan in early 2001

Edgar Filing: MIRANT CORP - Form 11-K

and were mapped to investments under the Plan with comparable investment objectives. The portions of the participants' accounts, which were invested in the PEPCO stock fund prior to the transfer, were invested in PEPCO common stock under the Plan.

In conjunction with the Company's spin-off from Southern Company, if an employee was eligible to participate in the Plan on April 2, 2001, his/her accounts under the Southern Company Employee Savings Plan, Southern Company Employee Stock Ownership Plan, and the Southern Company Performance Savings Plan were transferred to the Plan beginning on May 1, 2001 (collectively referred to as the "Southern Transferred Accounts"). The Southern Transferred Accounts were mapped to investments under the Plan with comparable investment objectives. The portions of the participants' accounts, which were invested in the Southern Company stock fund prior to the transfer, were invested in Southern Company common stock under the Plan.

In addition, on May 1, 2001, the assets of the Southern Company Energy Marketing Employee Savings Plan (the "SCEM") merged into the Plan and were mapped to investments under the Plan with comparable investment objectives. Certain participants in the SCEM plan previously participated in the Vastar Savings Plan

4

or the Vastar Capital Accumulation Plan. Once the participants' accounts were transferred to the SCEM plan, the participants could not invest new contributions in the Atlantic Richfield Company ("ARCO") stock fund. Effective April 2000, the SCEM plan replaced each share of ARCO stock with 1.64 shares of BP Amoco stock, as ARCO was acquired by BP Amoco during calendar year 2000. The portions of the participants' accounts which were invested in the BP Amoco stock fund prior to the transfer were invested in BP Amoco common stock under the Plan.

Plan Administration

The Company appointed T. Rowe Price (the "Trustee") as trustee to execute investment transactions and provide record-keeping services for the Plan. The Company serves as plan administrator.

Contributions

Participants may elect to contribute, on a pretax or after-tax basis, in 1% increments up to 19% of their compensation, subject to certain limitations defined by the Plan, into any of the 12 core investment funds offered by the Plan. Participants may change their contribution percentages at any time. The Company provides a matching contribution equal to 75% of the participant's contribution up to a maximum of 6% of the participant's base compensation. The Company's matching contribution is invested in the company stock fund; however, participants may redirect these contributions to any of the investment funds offered by the Plan.

Profit-Sharing Arrangement

For all nonunion full-time and part-time employees who do not participate in a defined benefit plan, the Company will contribute to the Plan a quarterly fixed profit-sharing contribution equal to 3% of each eligible participant's compensation. In addition, the Company may elect to make a discretionary annual profit-sharing contribution to the Plan ranging from 0% to 7% of the participant's eligible compensation to be allocated pro rata. Eligible compensation is the participant's actual base salary pay plus short-term incentive pay received during the period. For the year ended December 31, 2001, the discretionary contribution was \$4,475,068. There were no discretionary

Edgar Filing: MIRANT CORP - Form 11-K

profit-sharing contributions from December 19, 2000 (inception) through December 31, 2000.

For the 2001 plan year, certain participants formerly employed by PEPCO received an additional company matching contribution equal to 25% of the total of the participant's elective contributions, up to a maximum of \$250 for 2001.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contributions, profit-sharing contributions (if applicable), and plan earnings (losses).

Benefits

Upon termination of service, death, or disability, a participant or his/her beneficiary (upon the death of the participant) may elect to receive an amount equal to the value of his/her account in a lump-sum distribution. If account balances are less than \$5,000, participants will automatically receive a lump-sum payment. If a participant retires, he/she may elect to receive a lump-sum distribution or annual installments for a period not to exceed 20 years or life expectancy. Distributions upon termination of service, retirement, disability, or death are normally made in cash unless shares of common stock are requested.

Rollovers

Participants may roll over a distribution from a qualified retirement plan of a previous employer to the Plan.

5

Vesting

Participants are immediately vested in their before-tax and after-tax contributions, and roll-over contributions. Active employees as of April 2, 2001 are always 100% vested in the company matching contribution. The vested percentage of the participant's fixed profit-sharing and discretionary profit-sharing contributions is based on the participant's years of service. Company matching for new hires after April 2, 2001 also vests based on the participant's years of service. Vesting percentages are as follows:

	Company Matching and Fixed Profit-Sharing Contributions	Vested Percent

Years of service:		
Less than one		0%
One but less than two		33 1/3
Two but less than three		66 2/3
Three or more		100
	Discretionary Profit-Sharing Contributions	Vested Percent

Years of service:		
Less than three		0%
Three or more		100

Participants with a Transferred Performance Sharing Plan account are 100% vested after five years of service.

Edgar Filing: MIRANT CORP - Form 11-K

Investment Options

A participant may direct his/her contributions and the fixed profit-sharing contributions into any of the investment fund options offered by the Plan. A participant may change his/her election options at any time. Company matching and discretionary profit-sharing contributions are initially invested in the company stock fund until the participant elects to redirect the contributions to another investment fund.

Participants with investments held in the Southern Company stock fund, PEPCO stock fund, and BP Amoco stock fund will have five years (until March 31, 2006) to liquidate the stock and transfer it into other investment options within the Plan. These investments are considered frozen; therefore, no new contributions may be made into these options. There are no other restrictions on transferring in or out of any other investments within the Plan.

Loans to Participants

A participant may borrow the lesser of \$50,000, less the highest outstanding loan balance in the previous 12 months, or 50% of his/her vested account balance, with a minimum loan amount of \$1,000. Loans are repayable through payroll deductions over the respective term of the loan. The interest rate is determined by the plan administrator based on the current prime rate at the time of the loan and is fixed over the life of the note. A participant may have up to two general-purpose loans and one loan for a residence outstanding at any given time.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

6

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to use estimates and assumptions that affect the net assets available for benefits and the changes therein. Actual results could differ from these estimates.

Administrative Expenses

Record-keeping expenses are paid by the Plan. Participants are responsible for loan origination fees and Tradelink Brokerage fees. All other administrative expenses are paid by the Company.

Investment Valuation

Investments other than investment contracts are valued at quoted market prices. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year; investments traded in the over-the-counter market and listed securities for which no sale was reported on the last day of the plan year are valued at the last reported bid price. The Plan's investment in the T. Rowe Price Stable Value Fund is fully benefit-responsive and is stated at contract value in accordance with Statement

Edgar Filing: MIRANT CORP - Form 11-K

of Position 94-4, "Reporting of Investment Contracts Held by Health and Welfare Benefit Plans and Defined Contribution Pension Plans."

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Net Appreciation in Fair Value of Investments

Net realized gains (losses) and unrealized appreciation (depreciation) are recorded in the accompanying statements of changes in net assets available for benefits as net appreciation in fair value of investments.

Transfers From Affiliated Plan

During 2001, due to changes in employment status, the Plan received transferred account balances of certain participants from the Mirant Services Bargaining Unit Employee Savings Plan.

Forfeitures

A participant will forfeit the value of his/her account if he/she separates from service prior to becoming vested. Such forfeitures are utilized to reduce future employer contributions. For the year ended December 31, 2001, \$0 was used to reduce employer contributions. As of December 31, 2001 and 2000, forfeitures totaled \$122,686 and \$0, respectively.

Related-Party Transactions

For the 2001 and 2000 plan years, certain plan investments are managed by T. Rowe Price. Therefore, these transactions qualify as party-in-interest transactions.

7

3. Investments

Individual assets that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2001 and 2000 are as follows:

	2001	2000
	-----	-----
T. Rowe Price Stable Value Fund	\$17,426,118	\$42,948
Mirant Corporation Stock Fund	16,463,171	26,807
T. Rowe Price Equity Index Trust Fund	15,436,438	N/A
T. Rowe Price Personal Strategy Balanced Fund	7,262,655	N/A
T. Rowe Price Small Cap Stock Fund	6,698,243	N/A
T. Rowe Price Blue Chip Growth Fund	14,496,273	4,447
PEPCO Stock Fund	8,007,764	0
Southern Company Stock Fund	22,755,754	0

The Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated (depreciated) as follows for the year ended December 31, 2001:

Common stock	\$4,178,287
Mutual funds	(3,550,777)

Edgar Filing: MIRANT CORP - Form 11-K

\$ 627,510
 =====

4. Tax Status

The Company has applied for a determination letter with the Internal Revenue Service. However, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt as of December 31, 2001 and 2000.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Re: Report of Independent Audit by Arthur Andersen

Ladies and Gentlemen:

In connection with the delivery of the report of independent public accountants relating to the audit of the statements of net assets available for benefits of the Mirant Services Employee Savings Plan (the "Plan") as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for the year ended December 31, 2001 and for the period from December 19, 2000 (inception) through December 31, 2000 by Arthur Andersen LLP ("Arthur Andersen") which has been included by Mirant Corporation ("Mirant") in its Annual Report for the Plan on Form 11-K for the fiscal year ended December 31, 2001, Arthur Andersen has represented to Mirant that the audit was subject to Arthur Andersen's quality control system for the US accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of Arthur Andersen personnel working on the audit, availability of national office consultation, and availability of personnel at foreign affiliates of Arthur Andersen to conduct the relevant portions of the audit.

Very truly yours,

Mirant Corporation
