INFORMATION STATEMENT

Edgar Filing: DUNES HOTELS & CASINOS INC - Form DEF 14C

INTRODUCTION

This information statement is being mailed or otherwise furnished to shareholders of Dunes Hotels and Casinos, Inc., a New York corporation ("Dunes"), in connection with the upcoming annual meeting of its shareholders to be held at 8441 E. 32nd Street N., Suite 200, Wichita, Kansas 67226 on October 8, 2001, 11:00 A.M. Central Time. This information statement is being first sent to shareholders on or about September 17, 2001.

Proposals

The following proposals are being presented at the meeting (the "Proposals"):

1. To elect five directors to serve until the next Annual Meeting of Shareholders and thereafter until their successors are elected and qualified.
2. To transact such other business as may properly come before the meeting or any adjournments thereof.

Vote Required

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock and preferred stock, considered as a single class, is necessary to constitute a quorum at the Annual Meeting of Shareholders. Each holder of common stock and preferred stock is entitled to one vote for each share held. Voting for the election of directors is non-cumulative, which means that a simple majority of the shares voting may elect all of the directors. Directors will be elected from the nominees receiving the plurality of the votes of the shares of common stock and preferred stock present and voting together as a class at the meeting. Each share of common stock and preferred stock which is represented, in person or by proxy, at the meeting will be accorded one vote on each of the five director seats up for election. The vote which is required to approve any other business as may properly come before the meeting is the affirmative vote of the holders of a majority of the Dunes' common stock and preferred stock voting together as a single class.

A shareholder who is present, in person or by proxy, and who withholds his vote in the election of directors, will be counted for purposes of determining whether a quorum exists, but the withholding of his vote will not affect the election of directors. A shareholder who is present, in person or by proxy, and who abstains from voting on other proposals, will be counted for purposes of a quorum, and the abstention will have the same effect as a vote against the proposals. Broker non-votes will be considered shares not present and will have no effect on the outcome of the vote. If a quorum is not present, in person or by proxy, the meeting may adjourn from time to time until a quorum is obtained.

WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE REQUESTED NOT TO SEND US A PROXY

The record date for purposes of determining the number of outstanding shares of common stock and preferred stock of the Dunes, and for determining shareholders entitled to vote, is the close of business on August 17, 2001 (the "Record Date"). As of the Record Date, the Dunes had outstanding 4,470,619 shares of common stock and 5,898 shares of preferred stock. Holders of the shares have no preemptive rights. All outstanding shares are fully paid and non-assessable.

General Financial Services directly owns 3,000,000 shares of common stock and indirectly owns 1,004,094 shares of common stock through its wholly owned subsidiary, GFS Acquisition Company, Inc. Steve Miller is the sole shareholder of General Financial Services. The shares of common stock directly and

Edgar Filing: DUNES HOTELS & CASINOS INC - Form DEF 14C

indirectly owned by General Financial Services represent over 89% of the votes eligible to be cast at the meeting. As a result, General Financial

Services will be able to approve by itself any matters that are voted on at the meeting. General Financial Services has indicated its intention to vote for the election of the persons nominated for election to the Board of Directors.

PROPOSAL ONE ELECTION OF DIRECTORS

Directors are elected by the shareholders at each Annual Meeting of Shareholders to hold office until their respective successors are elected and qualified, and need not be shareholders of the Dunes or residents of the State of New York. Directors may receive compensation for their services as determined by the Board of Directors. See "Compensation of Directors and Executive Officers." The By-laws of the Company provide that the number of directors constituting the entire Board shall be five. Presently, the Board consists of Steve K. Miller, D. Cary Peaden, James R. Herfurth, James G. Steckart and Paul H. Viets. All of the above-mentioned directors have chosen to stand for re-election and have been nominated for re-election by the Board.

Although management of the Company expects that each of the following nominees will be available to serve as a director, in the event that any of them should become unavailable prior to the shareholders meeting, a replacement will be appointed by a majority of the then-existing Board of Directors. Management has no reason to believe that any of its nominees, if elected, will be unavailable to serve. All nominees are expected to serve until the 2002 Annual Meeting of Shareholders or until their successors are duly elected and qualified. Information about each nominee is contained in the section entitled "Directors and Executive Officers."

Edgar Filing: DUNES HOTELS & CASINOS INC - Form DEF 14C

The Dunes has maintained an Audit Committee of the Board of Directors (Audit Committee) since 1978. The Audit Committee currently consists of Messrs. Herfurth, Steckart and Viets, all of which are independent directors as defined in Rule 4200(a)(14) of the NASD's listing standards.

The Board does not have a nominating committee or compensation committee.

The Board and Audit Committee jointly met 3 times during 2000, and 2 times during 2001 to date. Each director attended at least 75% of the aggregate meetings of the Board and of the committees upon which he served.

There are no family relationships between any of the directors and executive officers of Dunes.

AUDIT COMMITTEE REPORT

The primary functions of the Audit Committee are to review the scope and results of audits by the Dunes' independent auditors, the Dunes' internal accounting controls, the non-audit services performed by the independent accountants, and the cost of accounting services. The Board of Directors has not adopted a written charter for the Audit Committee.

In addition to the duties discussed above, the Audit Committee is required to (a) review any and all proposed transaction of any kind or nature to which the Dunes and any of its subsidiaries is to be a party provided that such transaction is (i) in excess of \$20,000 in the aggregate per year and (ii) one or more of the following is to have a direct or indirect interest in such transaction: (1) any director or officer of the Dunes; (2) any director or officer of any subsidiary or affiliate of the Dunes; (3) any security holder who to the Dunes' knowledge directly or indirectly owns or controls more than 5% of the outstanding shares of any class of stock of the Dunes; (4) any employee of or consultant to the Dunes or any of its subsidiaries or affiliates whose annual compensation from the Dunes and its subsidiaries and affiliates exceeds \$75,000 in the aggregate; or (5) any relative or spouse of any of the foregoing persons or any relative or spouse who has the same home as such person; and (b) review the aforesaid proposed

3

transaction for fairness and business purpose and shall by majority vote of the Audit Committee approve such transaction.

The Audit Committee has (1) reviewed and discussed the audited financial statements with management, (2) discussed with the Dunes' independent auditors the matters required to be discussed by SAS 61, and (3) received the written disclosures and the letter from the Dunes' independent accountants required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") and has discussed with the Dunes' independent accountants the independent accountants' independence.

The Audit Committee is responsible for recommending to the Board that the Dunes' financial statements be included in the Dunes' annual report. Based on the discussions with the independent accountants concerning the audit, the financial statement review, and other such matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that these financial statements to be included in the Dunes' 2000 Annual Report on Form 10-KSB.

INDEPENDENT AUDITORS

The Audit Committee has selected BKD, LLP certified public accountants as the independent auditors of the Dunes for fiscal year 2001. A representative of BKD, LLP will be present at the Annual Meeting of Shareholders, will be available to respond to appropriate questions, and will have an opportunity to make a statement.

The Dunes has retained BKD as its independent public accountants since July 31, 2000. On that same date, the Dunes terminated the engagement of Piercy, Bowler, Taylor & Kern, as its independent public accountants ("Piercy"). The engagement of BKD was recommended by the Audit Committee of the Dunes' Board of Directors and approved by the Board.

The audit report of Piercy on the Dunes' financial statements for the fiscal year ended December 31, 1999 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audit of the Dunes' financial statements for the fiscal year ended December 31, 1999 and in the subsequent interim period, there were no disagreements between the Dunes and Piercy on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Piercy would have caused it to make reference to the subject matter of the disagreement in connection with its report on the audited financial statements.
