Jason Tienor, Chief Executive Officer of EthoStream, Telkonet's wholly-owned subsidiary, has been appointed to the position of Chief Operating Officer of Telkonet, effective August 20, 2007. Mr. Tienor, age 32, will retain his current position as Chief Executive Officer of Ethostream, which he has held since 2002.

On March 15, 2007, Telkonet completed the acquisition of 100% of the issued and outstanding membership interests of EthoStream from all of the members of EthoStream, including Mr. Tienor. The purchase price of \$11,756,097 was comprised of \$2.0 million in cash and 3,459,609 shares of Telkonet common stock. The entire stock portion of the purchase price is being held in escrow to satisfy certain potential indemnification obligations of the sellers, including Mr. Tienor, under the purchase agreement. The shares held in escrow are distributable over three years following the closing. Mr. Tienor received total compensation of \$2,979,460, or approximately 25% of the total consideration paid by Telkonet, based upon his ownership interest in EthoStream prior to the acquisition.

In connection with his appointment, Mr. Tienor's annual salary has been increased to \$200,000 and he was granted options to purchase 100,000 shares of Telkonet common stock at \$1.80 per share. He remains eligible to participate in the incentive and benefit plans pursuant to his existing employment agreement and Telkonet's internal policies. Mr. Tienor will continue to serve under the terms of his existing employment agreement with Telkonet, which expires March 10, 2014, as follows:

- Eligibility for incentive bonus based upon objectives to be determined by the Chief Executive of Telkonet and the Board of Directors, and agreed upon by the employee;
- Perquisite payments in the amount of \$700 per month for automobile expenses incurred while employed with the Company;
- Severance payments which include the employee's base salary and benefits for three months from the date of termination or March 14, 2010, whichever occurs later.

Additionally, the Company has entered into an oral agreement with Dorothy (Dottie) Cleal pursuant to which she has agreed to serve as Executive Vice President of Telkonet, effective August 20, 2007, reporting directly to Mr. Tienor. Ms. Cleal, age 57, served as Vice President and Director, Navy and Marine Corps Business Program, of SRA International, a billion dollar leading provider of consulting services to clients in the national security, civil government, health care and public health, since 2005. From 2000 through 2005 she served as the Navy account manager as well as the Navy and Marine Corps account manager with SRA. Prior to joining SRA, Ms. Cleal was the acting Chief Information Officer and Associate Director for Information Systems and Technology at the White House.

The following is a description of the material terms of her employment:

- An annual base salary in the amount of \$190,000, which will be reviewed annually;
- The use of a furnished, one bedroom apartment while employed with the Company;
- Stock option grant to purchase 50,000 shares of Telkonet common stock at \$1.80 per share;
  - Participation in the Company's incentive and benefit programs.
