ITEM 1.01. Entry Into Material Definitive Agreement

On September 20, 2005, StarTek USA, Inc. (StarTek) and T-Mobile USA, Inc. (T-Mobile), entered into a Services Agreement and various Statements of Work (together, the Agreements). Pursuant to the Agreements, StarTek will provide various call center and customer care services . T-Mobile will pay StarTek fees based on usage and other customary fees for the services provided under the provisions of each of the Statements of Work.

The Agreements are effective as of September 20, 2005, and continue for one year. The Agreements automatically renew until August 1, 2007, unless either party provides written notice of the non-renewal to the other party at least ninety days prior to August 1, 2006. T-Mobile may terminate the Agreements upon giving at least 90 days prior written notice to StarTek, or by agreement of both parties. Either party may terminate the Agreements upon breach or force majeure. Upon expiration or termination of the Agreements, StarTek has agreed to effectuate an orderly transition of the business and will continue to provide services at a price and time frame that is mutually agreeable to both parties for a period of time not to exceed 120 days, unless termination is the result of a failure of T-Mobile to pay undisputed invoices for services performed by StarTek.

ITEM 1.02. Termination of a Material Definitive Agreement

Effective upon execution of the Agreements, the Amended and Restated Services Agreement, dated April 1, 2002, between StarTek and T-Mobile, including the Statements of Work thereunder, will be terminated.
