Re: Application-Declaration on Form U-1 in  
File No. 70-10176 (the "Application")

Dear Sirs:

E.ON AG ("E.ON"), E.ON US Investments Corp. ("EUSIC") and LG&E Energy Corp. ("LG&E Energy" and, together with E.ON and EUSIC, the "Applicants") have applied to the Securities and Exchange Commission (the "Commission") for authorization for LG&E Energy to change its organizational form from a Kentucky corporation into a Kentucky limited liability company, all as more specifically set forth in the Application (the "Transaction"). The Transaction was consummated on December 30, 2003. Capitalized terms used in this opinion and not defined herein shall have the meanings assigned to them in the Application.

I am authorized to practice law in the Federal Republic of Germany, the place of incorporation of E.ON. I am not a member of the bar of any other country, or any of the United States in which certain of E.ON's subsidiaries are incorporated and doing business, and I do not hold myself out as an expert in the laws of such states. For purposes of this opinion, to the extent necessary, I have relied on attorneys employed by LG&E Energy with regard to matters of Kentucky law. In addition, I have relied on advice from counsel employed or retained by E.ON, including the firm Jones Day with respect to matters under the Act and the firm Ogden Newell & Welch, PLLC with respect to certain matters of Kentucky, Virginia and Tennessee law.

In connection with this opinion, I or attorneys in whom I have confidence, have examined originals or copies, certified or otherwise identified to our satisfaction, of such records and such other documents, certificates and corporate or other records as I have deemed necessary or appropriate as a basis for the opinions expressed in this letter. In my examination, I have assumed the genuineness of all signatures, the legal capacity of all persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of documents submitted to us as certified or photostatic copies and the authenticity of the originals of such copies. As to various questions of fact material to such opinions, I have, when relevant facts were not independently established, relied upon statements contained in the Application.

The opinions expressed below are subject to the following assumptions, qualifications, limitations, conditions and exceptions:

- (i) The order entered by the Commission permitting the Application to become effective under the Act, and the rules and regulations thereunder, has not been amended or rescinded.
- (ii) No act or event other than as described herein shall have occurred subsequent to the date hereof which would change the opinions expressed herein.

Based upon the foregoing and subject to the assumptions, qualifications, limitations, conditions and exceptions set forth herein, it is my opinion that:

- (a) All state and U.S. federal laws applicable to the Transaction have been complied with.
- (b) LG&E Energy LLC ("New LG&E Energy") is validly organized and duly existing as a limited liability company under the laws of the Commonwealth of Kentucky.

(c) The Transaction has been carried out in accordance with the Application and applicable law.

(d) The membership interests of New LG&E Energy acquired by EUSIC pursuant to the Transaction are validly issued, fully paid and nonassessable.

(e) EUSIC is entitled to the rights and privileges appertaining to its membership interest in New LG&E Energy as set forth in the Articles of Organization and Operating Agreement of New LG&E Energy.

(f) The consummation of the Transaction did not violate the legal rights of the holders of any securities issued by E.ON, EUSIC or LG&E Energy or any associate company thereof.

I hereby consent to the filing of this opinion as Exhibit B-2 to the Application.

EON AG
