PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 19, 2011**

Introduction

This proxy statement and accompanying proxy card are being furnished in connection with the solicitation of proxies by the board of directors (the "Board") of Texas Roadhouse, Inc., a Delaware corporation, to be voted at the Annual Meeting of Stockholders (the "Annual Meeting") and any adjournments thereof. In this proxy statement, references to the "Company," "we," "us" or "our" refer to Texas Roadhouse, Inc. This Annual Meeting is the seventh meeting of stockholders following the completion of our initial public offering (the "IPO") of common stock on October 8, 2004. This proxy statement and accompanying proxy card are first being mailed to stockholders on or about April 8, 2011.

Date, Time and Place

The Annual Meeting will be held at the Texas Roadhouse Support Center, Louisville, Kentucky on Thursday, May 19, 2011 at 9:00 a.m. eastern daylight time, for the purposes set forth in this proxy statement and the accompanying notice of Annual Meeting.

Record Date and Voting Securities

The Board has fixed the record date (the "Record Date") for the Annual Meeting as the close of business on March 21, 2011. Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting and at any adjournment or postponement thereof. At the close of business on the Record Date, there were outstanding 71,149,027 shares of common stock, each of which is entitled to one vote per share on all matters to be considered at the Annual Meeting.

The presence in person or by proxy of the holders of a majority of the shares of common stock will constitute a quorum for the transaction of business at the Annual Meeting. Shares of common stock represented by properly executed proxies received before the close of voting at the Annual Meeting will be voted as directed by such stockholders, unless revoked as described below.

Revocability of Proxies

A stockholder who completes and returns the proxy card that accompanies this proxy statement may revoke that proxy at any time before the closing of the polls at the Annual Meeting. A stockholder may revoke a proxy by voting at a later date by one of the methods described on the proxy card or by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, the Corporate Secretary of the Company at the Company's main office address at any time before the Annual Meeting. Stockholders may also revoke proxies by delivering a duly executed proxy bearing a later date to the inspector of election at the Annual Meeting before the close of voting or by attending the Annual Meeting and voting in person. You may attend the Annual Meeting even though you have executed a proxy, but your presence at the Annual Meeting will not automatically revoke your proxy.

Solicitation of Proxies

The cost of solicitation of proxies being solicited on behalf of the Board will be borne by us. In addition to solicitation by mail, proxies may be solicited personally, by telephone or other means by our

Table of Contents

directors, officers or employees, who receive no additional compensation for these solicitation activities. We will, upon request, reimburse brokerage houses and persons holding common stock in the names of their nominees for their reasonable out-of-pocket expenses in sending materials to their principals.

Votes Required and Voting of Proxies

Each proposal will be considered separately.

Proposal 1 Election of Directors

The affirmative vote of a plurality of the votes entitled to be cast by the holders of the Company's common stock present in person or represented by proxy is required to elect each nominee. Election by a plurality means that the director nominee with the most votes for a particular slot is elected for that slot. You may vote "FOR" all of the nominees or you may "WITHHOLD AUTHORITY" to vote for one or more specifically named nominees. Unless you "WITHHOLD AUTHORITY" to vote for one or more nominees, your proxy will be voted "FOR" the election of the individuals nominated as Class I directors.

The Board recommends that you vote "FOR" all of the nominees.

Proposal 2 Ratification of the Appointment of the Company's Independent Auditors

The proposal to ratify the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending December 27, 2011 must be approved by the affirmative vote of a majority of the shares present (in person or by proxy) and entitled to vote. You may vote "FOR" or "AGAINST" the ratification, or you may "ABSTAIN" from voting on this proposal. A vote to "ABSTAIN" is counted as a vote, but is not counted as either "FOR" or "AGAINST."

The Board recommends that you vote "FOR" this proposal.

Proposal 3 Advisory Vote on Executive Compensation

The outcome of the advisory vote on whether to approve the executive compensation detailed in this proxy statement (including the Compensation Discussion and Analysis, the Executive Compensation section and the other related executive compensation tables and related discussions) will be determined by the affirmative vote of a majority of the shares present (in person or by proxy) and entitled to vote. You may vote "FOR" or "AGAINST" the executive compensation, or you may "ABSTAIN" from voting on this proposal. A vote to "ABSTAIN" is counted as a vote, but is not counted as either "FOR" or "AGAINST."

The Board recommends that you vote "FOR" this proposal.

Proposal 4 Advisory Vote on Frequency of Advisory Vote on Executive Compensation

You may select a frequency of "EVERY YEAR," "EVERY TWO YEARS" or "EVERY THREE YEARS" with respect to how often the Company should hold an advisory vote on executive compensation, or you may "ABSTAIN" from voting on this proposal. The choice receiving the most votes will be the frequency selected by the stockholders, so abstentions will not affect the outcome of the vote on this proposal.

The Board recommends that you select "EVERY THREE YEARS" for this proposal.

Other Matters

As of the date of this proxy statement, the Board knows of no matters that will be presented for consideration at the Annual Meeting other than those matters discussed in this proxy statement. If any

Table of Contents

other matters should properly come before the Annual Meeting and call for a vote of stockholders, validly executed proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board, or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders. Any such additional matter must be approved by an affirmative vote of a majority of the shares present (in person or by proxy) and entitled to vote at the Annual Meeting.

Other Voting Considerations

Broker Non-Votes

Under rules of the New York Stock Exchange, matters subject to shareholder vote are classified as "routine" or "non-routine." In the case of routine matters, brokers may vote shares held in "street name" in their discretion if they have not received voting instructions from the beneficial owner. In the case of non-routine matters, brokers may not vote shares unless they have received voting instructions from the beneficial owner ("broker non-votes"); therefore, it is important that you complete and return your proxy early so that your vote may be recorded.

The election of directors (Proposal 1) is a non-routine matter under the applicable rules, so broker non-votes may occur. However, broker non-votes will have no effect on the outcome of this proposal because the election is decided by a plurality of shares present (in person or by proxy) and entitled to vote at the Annual Meeting, and broker non-votes do not count as shares entitled to vote.

The ratification of the appointment of the Company's independent auditors (Proposal 2) is a routine matter under the applicable rules, so broker non-votes should not occur. In addition, because this matter is routine and brokers may vote as stated above, the number of votes cast, plus the number of abstentions, on this Proposal 2 will be used to establish whether a quorum is present.

The advisory vote on executive compensation (Proposal 3), the advisory vote on the frequency of the advisory vote on executive compensation (Proposal 4) and any other matters that may properly come before the Annual Meeting are also non-routine matters under the applicable rules, so broker non-votes may occur. Because broker non-votes do not count as shares entitled to vote, they do not affect the outcome of the vote on these proposals.

Abstentions

Abstentions will be counted for purposes of calculating whether a quorum is present. The effect of an abstention on each proposal where "ABSTAIN" is a voting choice is discussed above.

Executed but Unmarked Proxies

If no instructions are given, shares represented by properly executed but unmarked proxies will be voted in accordance with the recommendation of the Board, or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders.

Meetings of the Board of Directors

The Board met on six occasions and its committees met on 24 occasions during our fiscal year ended December 28, 2010. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board and its committees on which such director served during his period of service. In addition, the Company expects all members of the Board to attend the Annual Meeting; all members attended the 2010 Annual Meeting. Four Board meetings are currently scheduled for the fiscal year 2011. Meetings of non-employee directors, without management directors or employees present, are typically scheduled in conjunction with each regularly scheduled Board meeting.

Leadership Structure of the Board of Directors and Role of the Board of Directors in Risk Oversight

The Board currently includes five independent and two employee directors, and the positions of Chairman and Chief Executive Officer are not occupied by the same individual. As noted above, Mr. Taylor and Mr. G.J. Hart are the employee directors. In addition to his employee position, Mr. Taylor also holds the position of Chairman of the Board, which he has held since the Company's IPO. Mr. Taylor was named Chairman of the Board in recognition of his founding and continuing leadership role in the Company. Mr. G.J. Hart, our President and Chief Executive Officer, joined the Board in 2005. There is no lead independent director. We believe that our current Board leadership structure is appropriate, as the majority of our Board is composed of independent directors.

The Board is responsible for overseeing the Company's risk management strategies. This role includes ensuring that Company management has implemented appropriate processes to administer day-to-day risk management. The Board is informed about risk management matters as part of its role in the general oversight and approval of corporate matters. The Board participates with management in an annual strategic planning session, during which, in part, it reviews the risks associated with potential strategic initiatives of the Company. The Board gives clear guidance to the Company's management on the risks it believes face the Company, such as the matters disclosed as risk factors in the Company's

Table of Contents

Annual Report on Form 10-K. Furthermore, the Board has delegated certain risk management responsibilities to its committees.

Through the audit committee's charter, the Board has authorized it to oversee the Company's risk assessment and risk management policies. The audit committee, in fulfilling its oversight responsibilities, regularly and comprehensively reviews specific risk categories which have been identified by management. The Company's internal auditor reports directly to the audit committee on the results of internal audits, the scope and frequency of which are based on comprehensive risk assessments which have been approved by the audit committee. Additionally, the Company's risk manager annually reports to the audit committee the results of risk mapping exercises conducted by key Company employees, which prioritize categories of risks according to likelihood of occurrence and potential liability. The audit committee is routinely advised of operational, financial and legal risks both during and outside of regularly scheduled meetings, and the committee reviews and monitors specific activities to manage these risks, such as insurance plans, hedging strategies and internal controls.

Through the compensation committee's charter, the Board has authorized it to oversee employee compensation programs. The compensation committee, in fulfilling its oversight responsibilities, reviews the compensation practices and policies applicable to all employees, in addition to designing the compensation packages applicable to the executive officers and Board members. The compensation committee reviews the payments of bonuses and grants of stock awards to key employees on a quarterly basis, which are paid and granted, respectively, in accordance with practices previously reviewed by the committee.

The Board's oversight roles, including the roles of the audit committee and the compensation committee, combined with the leadership structure of the Board to include Company management, allows the Board to effectively administer risk management policies while also effectively and efficiently addressing Company objectives.

Committees of the Board of Directors

The Board has three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee. The Board has adopted a written charter for each of these committees, which sets out the functions and responsibilities of each committee. The charters of these committees are available in their entirety on the Company's website, www.texasroadhouse.com. Please note, however, that the information contained on the website is not incorporated by reference in, or considered to be a part of, this proxy statement.

Audit Committee. As described in its charter, the audit committee assists our Board in fulfilling its oversight responsibility relating to: (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independence and performance of the Company's internal and external auditors and (iv) the Company's internal controls and financial reporting practices. The audit committee is also required to pre-approve all audit and permitted non-audit services provided by our independent auditors. The audit committee reviews all of the Company's earnings press releases and Quarterly and Annual Reports on Form 10-Q and Form 10-K prior to filing with the Securities and Exchange Commission ("SEC"). The audit committee is also responsible for producing an annual report on its activities for inclusion in this proxy statement. All of the members of the audit committee are "independent," as that term is defined in the listing standards under NASDAQ Marketplace Rule 5605(a)(2) and meet the criteria for independence under the Sarbanes-Oxley Act of 2002 and the rules adopted by the SEC. The audit committee is currently comprised of Messrs. Moore, Parker and Ramsey and is chaired by Mr. Moore. The Board evaluated the credentials of and designated Mr. Moore as an "audit committee financial expert" as required by Section 407 of the Sarbanes-Oxley Act of 2002. The audit committee met 19 times during the fiscal year 2010.

Table of Contents

Compensation Committee. As described in its charter, the compensation committee: (i) assists the Board in fulfilling its responsibilities relating to the design, administration and oversight of employee compensation programs and benefit plans of the Company's executive officers, (ii) discharges the Board's duties relating to the compensation of the Company's directors and (iii) reviews the performance of the Company's executive officers. The compensation committee is also responsible for reviewing and discussing with management the Compensation Discussion and Analysis in this proxy statement and recommending its inclusion in this proxy statement to the Board. All of the members of the compensation committee are "independent" under all applicable rules, including the listing standards under NASDAQ Marketplace Rule 5605(a)(2) and the requirements of the SEC. The members of the compensation committee are Messrs. Martin Hart, Moore, Parker, Ramsey and Zarley. Mr. Parker chairs the committee. The compensation committee met three times during the fiscal year 2010.

Nominating and Corporate Governance Committee. As described in its charter, the nominating and corporate governance committee assists our Board in: (i) identifying individuals qualified to become Board members and recommending nominees to the Board either to be presented at the annual meeting or to fill any vacancies, (ii) considering and reporting periodically to the Board on matters relating to the identification, selection and qualification of director candidates and (iii) developing and recommending to the Board a set of corporate governance principles. The nominating and corporate governance committee has no diversity policy; however, the committee considers the diversity of skills and professional experience of the persons it identifies as qualified to be Board members. The nominating committee routinely evaluates the size and composition of the Board and the variety of professional expertise represented by the Board members in relation to the Company's business. All of the members of the nominating and corporate governance committee are "independent" under all applicable rules, including the listing standards under NASDAQ Marketplace Rule 5605(a)(2) and the requirements of the SEC. The members of the nominating and corporate governance committee are Messrs. Martin Hart, Moore, Parker and Zarley. Mr. Moore chairs the committee. The nominating and corporate governance committee met two times during the fiscal year 2010.

Policy Regarding Consideration of Candidates for Director

The nominating and corporate governance committee will consider timely stockholder recommendations for director nominees at the 2012 Annual Meeting if stockholders comply with the requirements of the Company's by-laws. A copy of the by-laws is available on the Company's website, www.texasroadhouse.com. To be considered timely and to be included in our proxy statement and related proxy for the 2012 Annual Meeting, stockholders should submit nominations, if any, no later than December 10, 2011, to the Company's Corporate Secretary, at 6040 Dutchmans Lane, Suite 200, Louisville, Kentucky 40205. Stockholder nominations should include, among other items, the name of the candidate, age, contact information, present principal occupation or employment, qualifications and skills, background, last five year's employment and business experience, a description of current or previous service as director of any corporation or organization, other relevant biographical information and the nominee's consent to service on the Board. A stockholder nominee will be requested to complete a detailed questionnaire in the form that current directors and officers complete.

The nominating and corporate governance committee may consider such other factors as it may deem are in the best interest of the Company and its stockholders. The manner in which the nominating and corporate governance committee evaluates a potential nominee will not differ based on whether the nominee is recommended by a stockholder of the Company.

The Company does not pay a third-party fee to assist in identifying and evaluating nominees, but the Company does not preclude the potential for using such services if needed as may be determined at the discretion of the nominating and corporate governance committee.

In February 2010, the non-employee directors were each granted 15,000 restricted stock units, which vest in 50% increments each year over two years. For restricted stock units, fair value is equal to the closing price of the Company's common stock on the trading day immediately preceding the date of the grant, which was \$13.03. No option awards were granted during the period of time covered by this table.

The Company cautions that the amounts reported in the Director Compensation Table for these awards may not represent the amounts that the directors will actually realize from the awards. Whether, and to what extent, a director realizes value will depend on the Company's actual operating performance, stock price fluctuations and the director's continued service with the Company.

Non-employee directors each receive an annual fee of \$12,500. The chairperson of the audit committee receives an additional annual fee of \$20,000. Each non-employee director receives \$2,000 for each Board meeting he or she attends in person and \$500 for each Board meeting he or she participates in telephonically. Additionally, each non-employee director receives \$1,000 for each committee meeting he or she attends in person and \$500 for each committee meeting he or she participates in telephonically. Occasionally, board members serve on temporary committees for which they also receive meeting fees and annual fees.

In February 2008, the non-employee directors were each granted 15,000 restricted stock units, where each unit represents the conditional right to receive one share of our common stock upon satisfaction of the vesting requirements. The restricted stock units vested in 50% increments each year over two years.

Upon a change in control, each director's unvested restricted stock units, if any, will become vested five days prior to the date of the transaction which results in the change of control.

Code of Ethics

The Board has approved and adopted a Code of Business Conduct and Ethics that applies to all directors, officers and employees, including the Company's principal executive officer, the principal financial officer and the principal accounting officer. The Code of Business Conduct and Ethics is available in its entirety on the Company's website, www.texasroadhouse.com. The Company intends to post amendments to, or waivers from, its Code of Business Conduct and Ethics, if any, that apply to the principal executive officer, the principal financial officer or the principal accounting officer on its website.

RATIFICATION OF INDEPENDENT AUDITORS**

Pursuant to its charter, the audit committee has appointed the firm of KPMG LLP to serve as the independent auditors to audit the financial statements and the internal control over financial reporting of the Company for the fiscal year which ends on December 27, 2011. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm as the Company's independent auditors at any time during the year if the audit committee believes that such a change would be in the best interests of the Company and its stockholders. One or more representatives of KPMG LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The audit committee's charter provides that the audit committee will review and approve any transactions between us and any of our executive officers, directors and 5% stockholders, or any members of their immediate families, in which the amount involved exceeds the threshold limits established by the regulations of the SEC. In reviewing a related-party transaction, the audit committee considers the material terms of the transaction, including whether the terms are generally available to an unaffiliated third party under similar circumstances. Except as specifically noted, the transactions described below were entered into prior to our IPO, and we were contractually obligated to perform under these agreements prior to the formation of the audit committee.

Table of Contents

We have entered into a preliminary franchise agreement with a company which is 95% owned by W. Kent Taylor to develop a restaurant at a location which is to be determined. The terms of the preliminary franchise agreement provide for no initial franchise fees and royalties of 3.5% of restaurant sales. During 2010, we received no payment from this franchise restaurant, as none was due. The executive officers will not be granted any additional franchise rights.

The franchise agreements and preliminary franchise agreements that we have entered into with our executive officers, directors and 5% stockholders contain the same terms and conditions as those agreements that we enter into with our other domestic franchisees, with the exception of the initial franchise fees and the royalty rates, which are currently \$40,000 and 4.0%, respectively, for our other domestic franchisees. With the exception of the Melbourne, FL and Muncie, IN licensed restaurants, we have the contractual right, but not the obligation, to acquire the restaurants owned by our executive officers, directors and 5% stockholders based on a pre-determined valuation formula which is the same as the formula contained in the domestic franchise agreements that we have entered into with other franchisees with whom we have such rights. A preliminary agreement for a franchise may be terminated if the franchisee does not identify and obtain our approval of its restaurant management personnel, locate and obtain our approval of a suitable site for the restaurant or does not demonstrate to us that it has secured necessary capital and financing to develop the restaurant. Once a franchise agreement has been entered into, it may be terminated if the franchisee defaults in the performance of any of its obligations under the agreement, including its obligations to operate the restaurant in strict accordance with our standards and specifications. A franchise agreement may also be terminated if a franchisee becomes insolvent, fails to make its required payments, creates a threat to the public health or safety, ceases to operate the restaurant or misuses the Texas Roadhouse trademarks.

Other Related Transactions

The Longview, Texas restaurant, which was acquired by us in connection with the completion of our IPO, leases the land and restaurant building from an entity controlled by Steven L. Ortiz, our Chief Operating Officer. The lease is for 15 years and will terminate in November 2014. The lease can be renewed for two additional periods of five years each. Rent is approximately \$19,000 per month. The lease can be terminated if the tenant fails to pay the rent on a timely basis, fails to maintain the insurance specified in the lease, fails to maintain the building or property or becomes insolvent. Total rent payments for 2010 were approximately \$224,000.

The Bossier City, Louisiana restaurant, of which Steven L. Ortiz beneficially owns 66.0% and we own 5.0%, is leased from an entity owned by Mr. Ortiz. The lease is for 15 years and will terminate on March 31, 2020. The lease can be renewed for three additional periods of five years each. Rent is approximately \$16,600 per month and escalates 10% each five years during the term. The lease can be terminated if the tenant fails to pay rent on a timely basis, fails to maintain insurance, abandons the property or becomes insolvent. The tenant's obligation to pay rent commenced in April 2005 and total rent payments for 2010 were approximately \$193,000. The audit committee ratified this transaction in February 2005 after considering market rentals of comparable land and building leases and considering our limited ownership interest. Additionally, the audit committee requested that we attempt to purchase the land and building from Mr. Ortiz' entity in the event the restaurant is ever acquired by us.

We entered into real estate lease agreements for franchise restaurants located in Everett, MA, of which W. Kent Taylor beneficially owns 59.0%, Longmont, CO, of which Steven L. Ortiz owns 47.5%, and Fargo, ND, of which G.J. Hart owns 83.84% and Scott M. Colosi owns 5.05%, before our granting franchise rights for those restaurants. We have subsequently assigned the leases to the franchisees, but we remain contingently liable if a franchisee defaults under the terms of a lease. The Longmont lease expires in May 2014, the Everett lease expires in February 2018 and the Fargo lease expires in July 2016.

**PROPOSAL 3
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Board of Directors requests stockholder approval of the compensation of the Company's Named Executive Officers as described in the Compensation Discussion and Analysis, the Executive Compensation section and the other related executive compensation tables and related discussions in this proxy statement. As an advisory vote, the outcome of the voting on this proposal is not binding upon the Company; however, the compensation committee, which is responsible for establishing and administering the Company's executive compensation program, values the opinions expressed by stockholders on this proposal and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers.

The objective of the compensation committee in setting and evaluating the compensation of our Named Executive Officers is to provide those officers with a package that is competitive with comparable positions in similar industries and which, in total, promotes the profitability of the Company by tying a significant amount of each officer's compensation to the overall performance of the Company. As a result, compensation for the Named Executive Officers is divided into three key components: (1) base salary, which provides a secure base of compensation and serves to motivate and retain our Named Executive Officers; (2) an incentive bonus, which rewards our Named Executive Officers for the success of the Company as measured by growth in the Company's earnings per diluted share, and for each officer's individual contribution to that success; and (3) grants of restricted stock units, which offer the Named Executive Officers a financial interest in the long-term success of the Company and align their interests with those of our stockholders.

This structure, along with the culture and values of our Company, allows the Company to attract and retain top talent, while also encouraging our officers to keep their focus on key strategic financial and operational goals. Therefore, the Board requests approval of the compensation packages of our Named Executive Officers.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE EXECUTIVE COMPENSATION DETAILED IN THIS PROXY STATEMENT.

Table of Contents

PROPOSAL 4
ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTE ON EXECUTIVE COMPENSATION

This Proposal 4 provides stockholders the opportunity to cast an advisory vote on how frequently they would like to cast advisory votes on executive compensation (a "say-on-pay" vote). Under this Proposal 4, stockholders may vote to conduct a say-on-pay vote every year, every two years or every three years. As an advisory vote, the outcome of the voting on this proposal is not binding upon the Company; however, the Board values the opinions expressed by stockholders in their vote on this proposal.

As stated above, the compensation program for the Named Executive Officers is closely tied to the long-term achievement of the Company's financial and operational objectives. Of the three key components of executive compensation, two are directly impacted by the Company's financial success over a period of years. We believe that this structure aligns our officers' interests with those of our stockholders and keeps their focus on long-term business development, as well as short-term financial results. This structure is complemented by the fact that the employment agreements of our Named Executive Officers have historically been multi-year contracts.

Based on these considerations, we feel that our stockholders can most meaningfully evaluate the compensation offered to our Named Executive Officers by considering their performance relative to the performance of the Company over a period of three years. Evaluating these items annually, or even bi-annually, carries the risk of focusing on and/or reacting to short-term results which could, in effect, cause an excessive shift in focus toward short-term goals, as opposed to a balanced approach involving long-term brand building as well as near-term results. We believe having the opportunity to vote once every three years will allow our stockholders to more fully and accurately assess the success or failure of our compensation strategies in light of Company performance for the relevant time period.

In addition, the compensation committee believes that an advisory vote on this issue once every three years will provide the committee with an appropriate amount of time to thoughtfully consider any concerns raised by the stockholders, to develop a response to those concerns and to implement changes to the executive compensation plans if necessary. Therefore, the Board recommends approval of a frequency of "every three years" for the say-on-pay vote.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS SELECT "EVERY THREE YEARS" AS THE FREQUENCY WITH WHICH SAY ON PAY VOTES WILL BE CONDUCTED.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Overview and Philosophy

We entered into new employment agreements with G.J. Hart, Scott M. Colosi, W. Kent Taylor, Steven L. Ortiz and Sheila C. Brown, our Named Executive Officers, on January 14, 2008, which were effective as of December 26, 2007. On February 18, 2010, we amended those employment agreements to extend the term of each officer's employment from January 7, 2011 until January 7, 2012 at the same annual base salary and annual base incentive bonus amount (the "Amendments"). In the discussion below, we refer to the employment agreements, as they have been amended, as the Employment Agreements.

Each officer's Employment Agreement establishes a base salary which is to remain constant throughout the term of the agreement. The Employment Agreements also establish an incentive bonus amount based on the achievement of defined goals to be established annually by the compensation committee. Except with respect to Mr. Taylor's employment agreement, the amount of the annual base incentive bonus may be increased 5% each year through the term, provided that there has been an appropriate increase in the goals to be achieved each year, as determined by the compensation committee. Except with respect to Mr. Taylor's employment agreement, each officer's Employment Agreement provides for the grant of restricted stock units, the conditional right to receive shares of our common stock upon vesting. Each officer has agreed not to compete with us during the term of his or her employment and for a period of two years following his or her termination of employment, unless the officer's employment is terminated without cause following a change in control, in which case the officer has agreed not to compete with us through the date of the last payment of the officer's severance payments.

The underlying philosophy reflected in the Employment Agreements was to provide the Named Executive Officers with a compensation package which, in total, would promote the profitability of the Company and which was a pragmatic response to external market conditions; that is, compensation that is competitive with comparable positions in similar industries, including the casual dining sector of the restaurant industry, but which is reasonable and in the best interests of our stockholders. We believe that the overall design of the compensation packages, along with the culture and values of our Company, allows us to attract and retain top talent, while also keeping the Named Executive Officers focused on both long-term business development and short-term financial growth.

To assist them in the determination of the compensation packages under the Employment Agreements, in 2007 the compensation committee retained the Mercer human resources consulting firm to provide services. Mercer was asked to gather actual data for positions the same as or similar to those of the Named Executive Officers. The compensation committee requested that data be presented for the following companies: Applebee's International; Benihana; BJ's Restaurants; Buffalo Wild Wings; California Pizza Kitchen; Cheesecake Factory; Bob Evans Farms; IHOP; Morton's Restaurant; O'Charley's; Panera Bread; Rare Hospitality International; Red Robin Gourmet Burgers; Ruby Tuesday; and Ruth's Chris Steak House. These companies were selected on the basis of their size, complexity, revenue and/or segment of the restaurant industry relative to the Company.

The compensation committee did not strive to target any specified percentile of any element of the peer companies' compensation. Rather, the compensation committee applied the business judgment of the committee members to design compensation packages for the Named Executive Officers based on the specific philosophies described below taking into account all surrounding facts and circumstances.

Table of Contents

Elements of Compensation

Base Salary

Base salaries for our Named Executive Officers are designed to provide a secure base of compensation which will be effective in motivating and retaining key executives. The actual amounts paid to each Named Executive Officer during the fiscal year 2010 are more fully described in "Executive Compensation."

Each officer's Employment Agreement established an annual salary as shown in the table below which is to remain constant throughout the term of the agreement.

	Annual Salary (\$)
G.J. Hart President, Chief Executive Officer	600,000
Scott M. Colosi Chief Financial Officer	300,000
W. Kent Taylor Chairman	300,000
Steven L. Ortiz Chief Operating Officer	460,000
Sheila C. Brown General Counsel, Corporate Secretary	225,000
Incentive Bonus	

Incentive bonuses are designed to reward our Named Executive Officers for the success of the Company, as measured by growth in the Company's earnings per diluted share ("EPS"), and for each officer's individual contribution to that success. It is our belief that a significant amount of each officer's compensation should be tied to the performance of the Company.

Each year, the compensation committee establishes a new annual target for the Named Executive Officers under the existing incentive compensation program. In February 2010, an EPS target of \$0.705 to \$0.735 was approved. The annual target represented management's estimate of EPS for the fiscal year 2010 and reflected EPS growth of five to ten percent over the actual results achieved during fiscal year 2009. Management's estimate was primarily driven by the uncertainty of the macroeconomic environment and the impact on the restaurant industry and the Company, offset by anticipated food cost deflation. Depending on the level of achievement of the EPS target each year, the bonus may be reduced to a minimum of \$0 or increased to a maximum of two times the base amount. The base, minimum and maximum amounts payable to each officer are shown in the table below. Each \$0.005 change from the EPS target results in an increase or decrease of 7% to the base bonus amount within the range specified. For example, if we achieved \$0.74 of EPS, the bonus payable would have been 107% of the base bonus amount. Conversely, if we achieved \$0.70, the bonus payable would have been 93% of the base bonus amount. The annual target can be adjusted for acquisitions or divestitures, accounting changes and other extraordinary events as noted by the compensation committee. No such adjustments were made to the 2010 annual target, and in February 2011, the committee authorized bonus payments to the officers at 191% of the base amount, based on actual EPS achieved during fiscal year 2010. The actual amounts earned by each Named Executive Officer during fiscal year 2010 are more fully described in "Executive Compensation."

We pay bonuses on a quarterly basis, based upon achievement of quarterly targets that equal, in the aggregate, the annual target.

W. Kent Taylor	200,000		400,000

Stock Awards			

Prior to fiscal year 2008, we had historically granted stock options to approximately 1,000 employees, including our Named Executive Officers except Mr. Taylor. Under our 2004 Equity Incentive Plan, the exercise price of stock options is the closing price of our stock on the trading day immediately preceding the date of the grant. It was our practice to grant options quarterly on the day that follows the third full trading day after the public release of the Company's earnings for the prior fiscal quarter.

Beginning with fiscal year 2008, we have awarded restricted stock units in lieu of stock options to those employees who had been eligible to receive stock options. Each restricted stock unit represents the conditional right to receive one share of our common stock upon satisfaction of the vesting requirements. We have continued our practice of granting these awards quarterly on the day that follows the third full trading day after the public release of the Company's earnings for the prior fiscal quarter.

Except with respect to Mr. Taylor's employment agreement, the Employment Agreements provide for the granting of restricted stock units. We believe that restricted stock units, like stock options, offer the Named Executive Officers a financial interest in the Company and align their interests with those of our stockholders. Similar to stock options, the value of a restricted stock unit is dependent upon the price of our common stock on the date of vesting. Therefore, a recipient of a restricted stock unit is motivated to improve the Company's performance in the hope that the performance will be reflected by the stock price. Restricted stock units also serve to retain the Named Executive Officers as they vest over a period of time. The number of restricted stock units granted to each officer reflects each officer's job responsibilities and individual contribution to the success of the Company. The number of restricted stock units granted in 2008 are shown in the table below. Each of these grants vest in 25% increments each January 7 over a four-year period. Mr. Taylor requested that he not be granted any restricted stock units, and the compensation committee honored his request.

Separation and Change in Control Arrangements

The Employment Agreements provide that, except in the event of a change in control, no severance will be paid to Messrs. Hart, Taylor or Ortiz upon termination of employment, but each is entitled to receive a crisp \$100 bill if his employment is terminated by us without cause before the end of the term. Except in the event of a change in control, the Employment Agreements with Mr. Colosi and Ms. Brown provide that if we terminate either of their employment without cause before the end of the term, and if the officer signs a release of all claims against us, we will pay a severance payment equal to the officer's base salary for a period of 180 days in addition to 50% of the incentive bonus earned by the officer during the last four full fiscal quarters immediately preceding the fiscal quarter in which the termination occurred. The salary component of the severance payments is subject to deductions and withholdings and is to be paid to the officers in periodic installments in accordance with our normal payroll practices. The bonus component of the severance payments to the officers is to be paid on the same date as the payment would have been made had his or her employment not been terminated.

The Employment Agreements with each of the officers also provide that if the officer's employment is terminated other than for cause following a change in control, or if the officer resigns for good reason following a change in control because he or she is required to move, the Company's successor does not agree to be bound by the agreement, or the officer's duties, pay or total benefits are reduced, such officer will receive severance payments in an amount equal to the officer's base salary and incentive bonus for a period which is the longer of through the end of the term of the agreement or one year. In addition, the officer's unvested stock options or other stock awards, if any, will become vested as of the date of termination. The payments and acceleration of vesting of the stock options or other stock awards are contingent upon the officer signing a full release of claims against us. The salary component of the severance payments is subject to deductions and withholdings and is to be paid to the officers in periodic installments in accordance with our normal payroll practices. The bonus component of the severance payments to the officers is to be paid on the same date as the payment would have been made had his or her employment not been terminated.

The estimated amounts that would have been payable to a Named Executive Officer under these arrangements are more fully described in "Termination, Change of Control and Change of Responsibility Payments."

Any such proposal must comply with Rule 14a-8.

The Company's by-laws, a copy of which is available on the Company's website, *www.texasroadhouse.com*, require stockholders who intend to propose business for consideration by stockholders at the 2012 Annual Meeting, other than stockholder proposals that are included in the proxy statement, to deliver written notice to the principal executive offices of the Company on or before December 10, 2011. This notice must include a description of the business desired to be brought before the annual meeting, the name and address of the stockholder proposing such business and of the beneficial owner, if any, on whose behalf the business is being brought, the class, series and number of shares of the Company which are beneficially owned by the stockholder and such other beneficial owner and any material interest of the stockholder and such other beneficial owner in such business. Similar requirements are set forth in the Company's by-laws with respect to stockholders desiring to nominate candidates for election as director. The rules of the SEC set forth standards for what stockholder proposals the Company is required to include in a proxy statement for an annual meeting.
