SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On April 10, 2008, Language Enterprise Corp. (the Company) entered into a binding agreement (the Diamond Springs Letter Agreement) with G2 Petroleum, LLC (G2) to purchase an interest in an oil and gas prospect covering approximately 3,300 acres located in Fremont County, Wyoming, known as the Diamond Springs Prospect.

Under the terms of the Diamond Springs Letter Agreement, the Company has agreed to purchase a 5% working interest, being a 3.75% net revenue interest, in the Diamond Springs Prospect in exchange for 250,000 shares of the Company's common stock, to be issued upon closing. In addition, the Company will earn a 100% working interest, being a 75% net revenue interest, in an exploratory well to be drilled on the Diamond Springs Prospect, and the surrounding spacing unit, by paying for 100% of the costs of drilling and completing that well. Under the terms of the Diamond Springs Letter Agreement, the Company is required to provide G2 with \$50,000 upon closing, to be applied towards the cost of drilling the well. The Company will then be required to provide G2 with an additional \$300,000 within 45 days after closing. The payment of additional drilling costs will be subject to approval by the Company. Closing of the transactions contemplated in the Diamond Springs Letter Agreement is expected to occur within 60 days after the date the agreement was signed, but is conditional upon the respective parties completing their due diligence reviews to their reasonable satisfaction. The spud-date for the proposed exploratory well is expected to be in the summer of 2008.

If the exploratory well is completed and becomes a productive well, of which there is no assurance, the Company will have the right to increase its total interest in the entire Diamond Spring Prospect to a 50% working interest, being a 37.5% working interest, at a price of \$100,000 for each additional 1% working interest, payable in cash or stock.

The entry by the Company into the Diamond Springs Letter Agreement signals a change in business direction for the Company from translation brokerage services to the acquisition, exploration and development of oil and gas projects. The Company's management intends to change the name of the Company to one that more accurately reflects its current business focus.

The foregoing is a summary of the material provisions of the Diamond Springs Letter Agreement, and is not intended to be complete a complete description of all of the provisions thereof. The foregoing summary is qualified in its entirety by reference to the Diamond Springs Letter Agreement, filed as an exhibit to this report. A copy of the Company's press release dated April 14, 2008 with respect to the Diamond Springs Letter Agreement is attached as an exhibit to this report.
